DISTRICT REPORTS.

8. Markets how supplied.

9. Progress of agricultural operations, state of standing crops, prospects and probable outturn of harvests, serious damage done to crops by insects or other natural calamities.

10. Prospects of the season, tracts in which the rainfall has been insufficient, areas affected by scarcity, number of people under relief and state of food stocks.

11. Remarks as to the condition of agricultural stock, failure of pasturage or fodder, etc.

BANGALORE CITY AND TALUKS.

8. Well supplied.

9. *Standing Crops.*—Ragi, avare, thogari, paddy, horsegram and sugarcane are in good condition.

Crops Harvested.—Ragi in almost all parts of the district; paddy in parts of Dodballapur, Kankanhalli, Channapatna and Devanhalli Taluks and groundnut in parts of Kankanhalli, Channapatna and Devanhalli Taluks.

Crops Sown.—Nil.

10. Good.

11. Cattle are reported to be generally healthy.
Water and fodder are available.

KOLAR.

8. Well supplied.

9. *Agricultural Operations.*—Nil.

Standing Crops.—Paddy, ragi, avare, thogari, sugarcane, horsegram, hutchellu, jola, chillies and tobacco are reported to be in good condition.

Crops Sown.—Nil.

Crops Harvested.—Ragi in all the taluks of the District; paddy in Bowringpet, Chintamani, Bagepalli, Goribidnur and Malur Taluks; groundnut in Chintamani, Mulbagal, Chikballapur, Bagepalli and Srinivaspur Taluks and Gudibanda Sub-Taluk; same in Srinivaspur Taluk.

10. Prospects of the season are good.

11. Cattle are reported to be healthy.
Cooly classes find sufficient labour.
Fodder and water are generally available.

TUMKUR.

8. Markets are well supplied.

9. *Seeds Sown.*—Paddy is reported to have been sown in Koratgere Taluk.

Standing Crops.—Ragi, avare and thogari in all the taluks; paddy in all the taluks except Pavagada Taluk; sugarcane in all the taluks except Sira and Madhugiri Taluks; groundnuts in all the taluks except in Kunigal; kulthi in all the Taluks; castor in Sira, Gubbi, Tiptur, Chiknayakanhalli and Turuvekere Taluks; cholam in all the taluks except Gubbi, Kortagere, Kunigal and Turuvekere Taluks and cotton in Sira and Pavagada Taluks are reported to be in good condition.

Crops Harvested.—Ragi in all the Taluks except Koratagere and Pavagada Taluks; paddy in Tumkur, Sira, Tiptur, Pavagada, Kortagere and Turuvekere Taluks; cholam in Turuvekere, Pavagada and Tiptur Taluks; and sugarcane in Gubbi and Kunigal Taluks are reported to have been harvested.

10. Fair.

11. Cattle are reported to be generally healthy throughout the district. Fodder and water are reported to be available.

Public health is generally good except for the prevalence of Typhoid fever in Tumkur Town and Plague in some parts of Tumkur, Madhugiri, Koratagere and Sira Taluks. It is reported that necessary preventive measures are reported to be being taken to check the spread of the epidemic.

MYSORE.

8. Well supplied.

Crops Harvested.—Paddy in Mysore, T.-Narsipur, Chamarajnagar and Nanjangud Taluks.

Thogari and ragi in Mysore, Nanjangud, Chamarajnagar, Periyapatna and T.-Narsipur Taluks.

Standing Crops.—Paddy, thogari, avare, bengalgram and coriandar.

9. *Seeds Sown.*—Bengalgram in some parts of Periyapatna Sub-Taluk.

10. Fair.

11. Fodder and water are available.

Cattle are reported to be generally healthy.

MANDYA.

8. The markets are reported to be well supplied.

9. *Seeds Sown.*—Nil.

Standing Crops.—Sugarcane, paddy, horsegram, castor, thogari, and avare, are reported to be in good condition.

Crops Harvested.—Ragi, groundnut and sugarcane in Mandya Taluk; paddy and horsegram in Seringapatam Taluk; ragi in Malvalli Taluk; ragi and paddy in Krishnarajpet Taluks; ragi in Nagamangala Taluk; sugarcane and ragi in Maddur Taluk; and paddy, ragi, horsegram and bengalgram in French-Rocks Taluk.

10. Good.

11. Cattle are reported to be healthy.

Fodder and water are reported to be available.

HASSAN.

8. Well supplied.

Crops sown.—It is reported that sugarcane is being sown in some villages in Belur Taluk.

9. *Standing Crops.*—Paddy in the Taluks of Arkalgud, Belur, Chennarayapatna, Arsikere and Hole-Narsipur; (2) sugarcane in Arkalgud, Belur, Arsikere Taluks, and in Alur Sub-Taluk; (3) ragi in Belur and Arsikere Taluks; (4) thogari and avare in Chennarayapatna, Arsikere and Hole-Narsipur Taluks; (5) horsegram in Channarayapatna and Arsikere Taluks, and in Alur Sub-Taluk; (6) bengalgram in Arsikere Taluk; (7) cotton in Arsikere Taluk and other crops in the district are reported to be in good condition

Harvest.—(1) Paddy in Hassan, Arkalgud, Belur, Arsikere and Hole-Narsipu Taluks and in Alur Sub-Taluk; (2) sugarcane in Hassan and Belur Taluks (3) ragi in Belur and Arsikere Taluks, are reported to be under harvest.

10. Favourable.

11. Water and fodder are available.

Cattle are reported to be healthy in all the taluks except in Ganjikere Village in Alu Sub-Taluk where "Blackquarter" is reported to be prevailing. The Veterinar Department is addressed in the matter.

SHIMOGA.

8. Well supplied.

9. *Agricultural Operations.*—Nil.

Standing Crops.—Paddy in the Taluks of Shimoga, Channagiri, Honnali, Shik pur and Kumsi Sub-Taluk; ragi, jola, in the Taluks of Shimoga, Chennag Honnali and Sorab and Kumsi Sub-Taluk; togari, avare, horsegram and cott in the Taluks of Chennagiri, and Honnali; sugarcane in all the Taluks reported to be in good condition.

Seeds Sown.—Greengram in Shikarpur is being sown.

Crops Harvested.—Paddy, in all the taluks; jola and ragi in the taluks of Shimoga, Channagiri, and Honnali; areca in Nagar and Tirthahalli Taluks are being harvested.

10. Prospects of the season are fair.

MYSORE STATE DEPARTMENT OF PUBLIC HEALTH

NOTE ON THE STATE OF PUBLIC HEALTH IN MYSORE STATE FOR THE WEEK ENDED THURSDAY, DECEMBER 12, 1940.

A total of 70 attacks with 32 deaths from Plague was returned during the week against 30 attacks with 20 deaths in the previous week. Cities of Bangalore, Mysore and Kolar Gold Field Area continued to remain free from the disease. Comparative figures for the corresponding weeks in 1939 and 1938 were 42 attacks with 11 deaths and 28 attacks with 9 deaths, respectively.

A total of 8 attacks with nil death from Small-pox were reported from one village in each of Malur, Kolar and Nanjangud Taluks, Birur Town and Bangalore City.

Two fatal cases from Influenza were reported from the City of Mysore.

The State remained free from Cholera, and Relapsing Fever.

The total mortality for Bangalore City amounted to 124 (15 in hospitals), representing a calculated death-rate of 28·9 (25·4 excluding hospital deaths) per mille of population as against 31·6 for the corresponding week of last year. Classified according to causes, the deaths numbered 2 under other Fevers, 9 under Phthisis, 30 under Dysentery and Diarrhœa and 83 under all other causes. The reported mortality was normal.

During the week, the Civil and Military Station, Bangalore, returned 107 deaths (16 in hospitals), representing a calculated death-rate of 37·5 (31·9 excluding hospital deaths) per mille of population as against 26·2 for the corresponding week of last year. Classified according to causes, the deaths were Broncho-Pneumonia 3, Pneumonia 10, Phthisis 2, Dysentery and Diarrhœa 27 and all other causes 65. The reported mortality was high due to increase in deaths under Pneumonia, Dysentery and Diarrhœa and all other causes.

The total mortality for Mysore City was 60 (28 in hospitals), representing a calculated death-rate of 24·2 (12·9 excluding hospital deaths) per mille of population as against 29·2 for the corresponding week of last year. Classified according to causes, the deaths were Malaria 2, Typhoid 1, Other Fevers 3, Phthisis 5, Dysentery and Diarrhœa 6, and all other causes 43. The reported mortality was very low.

There were 62 deaths (11 in hospitals), from all causes in Kolar Gold Field Area equivalent to a calculated death-rate of 39·0 (32·1 excluding hospital deaths) per mille of population as against 37·0 for the corresponding week of last year. Classified according to causes, the deaths numbered 1 under Malaria, 4 under other Fevers, 6 under Phthisis, 10 under Dysentery and Diarrhœa and 41 under all other causes. The reported mortality was normal.

22	Camphor per seer	2 seers	
23	Gunny Bags each	12 No.	
24	Branch Fodder	....	
25	Cheni	....	

N.B.—Other articles required should be supplied at local market rates.

2. The supply of rations shall be made once a week at Elephant Camp in Chamarajnagar, Gundlupet and Nanjangud Taluks.

3. Each tender must be accompanied by a deposit of Rs. 100 in currency notes as earnest money, and be superscribed "Tender for the supply of rations to elephants."

4. The final acceptance of the tender will rest with the Chief Conservator of Forests in Mysore, who does not bind himself to accept the lowest or any tender or to assign any reason whatsoever for rejection of the same.

5. The name of the successful tenderer will be notified on the Notice Board of the District Forest Office, Mysore, and the tenderer should, within a week of the intimation thereof, enter into an agreement for the due fulfilment of the contract, duly furnishing a cash security deposit of Rs. 200 in the Government Savings Bank pledged in the favour of the District Forest Officer, Mysore District. In default to execute the bond and to furnish the security deposit, the tender will be cancelled and the earnest money forfeited to Government.

6. The tenderer should supply the rations in time and at the required places and should also be prepared to remove and replace any provisions which may be rejected by the Range Officer.

7. Once in a month, the tenderer will be paid for the value of the rations that may be supplied during the month on a bill to be prepared and sent to this Office (District Forest Office, Mysore), through the Forest Range Officer for sanction along with the receipts previously obtained by him for the supply of rations to the Range Officers.

8. The earnest money of the rejected tenderers will be returned to them immediately if they happen to be present at the time of opening of tenders and to others by post at their cost.

9. In all cases of disputes concerning the contract, the decision of the Chief Conservator of Forests will be final.

10. The rates quoted should hold good for supplies at Mysore whenever the departmental elephants will camp at that place or if the contractor thinks fit, separate rates for supplies at Mysore camp may be quoted.

11. Quantities are not guaranteed but may be more or less.

12. If the contractor fails to supply the rations in time and if complaints are received regarding the non-supply of articles in time, the District Forest Officer will be at liberty to make other arrangements for their supply at the risk of the contractor and recover the loss from such supplies from the contractor from his bills or from his security deposit.

13. For breach of any of the foregoing conditions, the District Forest Officer will be at liberty either to fine the contractor to the extent of Rs. 5 (Rupees five) in each case or to cancel the contract at any stage and forfeit the deposit in full or in part. The fine, if any, levied on the contractor will be recoverable from the contractor's bills or security deposit.

14. The deposit of the contractor will be returned one month after the expiry of the contract period if the terms of the contract as per the tender notification are fulfilled.

Notification dated the 18th December 1939.

Sealed tenders will be received by the District Forest Officer, Mysore District, Mysore till 3 P.M. on 15th January 1940, for the supply of the following kinds and quantities of rations to the elephants in charge of the Forest Department in the district, working in Heggaddevankote Forests from 1st February 1940 or date of acceptance of tender to the end of January 1941.

If the contractor fails to supply the rations in time and if complaints are received regarding the non-supply of articles in time, the District Forest Officer will be at liberty to make other arrangements for their supply at the risk of the contractor and recover the loss from such supplies from the contractor from his bills or from his security deposit.

13. For breach of any of the foregoing conditions, the District Forest Officer will be at liberty either to fine the contractor to the extent of Rs. 5 (Rupees five) in each case or to cancel the contract at any stage and forfeit the deposit in full or part. The fine, if any, levied on the contractor will be recoverable from the contractor's bills or security deposit.

14. The deposit of the contractor will be returned one month after the expiry of the contract period if the terms of the contract as per the tender notification are fulfilled.

M. G. VENKATA RAO,
District Forest Officer.

HASSAN DISTRICT.

Abstract Notification dated 9th December 1939.

The attention of the public is invited to the detailed notification published on pages 2564-2565, Part VI of the *Mysore Gazette*, dated 14th December 1939, regarding the auction sale of Teak poles in Bhaktharvalli Depot on 6th January 1940.

D. NARASIMHAMOORTHY RAO,
District Forest Officer.

SHIMOGA FOREST DIVISION.

Abstract Notification dated 12th December 1939.

The attention of the public is invited to the detailed notification of date regarding the sale of lops and tops of Honne and Nandi felled trees in Ubbur State and District Forests and Kangalkoppa District Forest of Tirthahalli Range during the year, published on pages 2567-2568, Part VI of the *Mysore Gazette*, dated 21st December 1939.

The sale will be held by the District Forest Officer, Shimoga, or any other officer deputed by him for the purpose at Mandagadde on 8th January 1940 at 3 P.M.

Abstract Notification dated the 16th December 1939.

Attention of the public is invited to this Office Notification, dated the 16th December 1939, published on pages 2568-2569 of Part VI of the *Mysore Gazette*, dated 21st December 1939, calling for sealed tenders for the supply of Elephant accoutrements to this Division.

M. A. MUTHANNA,
District Forest Officer.

SAGAR FOREST DIVISION.

Abstract Notification dated 12th December 1939.

The attention of the public is invited to the detailed notification published on page 2570, Part VI of the *Mysore Gazette*, dated 21st December 1939, regarding the sale of the right of collection and removal of canes from the several State Forests of this Division, during the year 1939-40.

Sagar Range	8th January 1940.
Nagar Range	10th January 1940.

N. VENKATARAMAIYA,
District Forest Officer.

ENGINEERING DEPARTMENT.

BUREAU OF SANITARY ENGINEERING, BANGALORE.

Abstract Notice dated 13—14th December 1939.

The attention of the public is invited to the notification calling for tenders for the work of constructing 1st stage drains in Maddur town, published on pages 2573-2574 of Part VI of the *Mysore Gazette*, dated 21st December 1939.

The last date of receiving tenders is fixed on 4th January 1940.

Notification dated 16th December 1939.

Notice is hereby given that sealed tenders will be received at the Office of the Sanitary Engineer, Bureau of Sanitary Engineering, Bangalore, up to 1 P.M. on 12th January 1940, for providing Sanitary and Laboratory fittings at the Extension for completing the Northern Wing of the Medical College, at Mysore. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of January 1940.

2. The plans, detailed estimate and conditions may be seen at the Sanitary Engineer's Office between the hours of 11 A.M. and 5 P.M. on all office days.

3. Tenders should be submitted on printed forms which may be obtained from the Sanitary Engineer on payment of a fee of annas four for each form. No tender not submitted in the prescribed form will be accepted. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of Rs. 125 in cash (no cheques will be accepted) as earnest money, and be superscribed "Tender for providing Sanitary and Laboratory fittings at the Extension for completing the Northern Wing of the Medical College at Mysore," in default of which the tenders will be rejected.

5. The final acceptance of the tender will rest with the Sanitary Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond, in default of which his tender will be considered cancelled and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the Notice Board in the Sanitary Engineer's Office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

9. Charges on account of scaffolding materials, implements for setting out, barricading, clearing site, supply of water, etc., that may be found necessary during execution will not be paid for separately but should be borne by the contractor.

10. Rates for non-tendered and non-estimated items shall be as per schedule rates of the Department or those fixed by the Sanitary Engineer after working out data with not more than 10 per cent for contractor's profit.

11. In all matters not specifically provided for and in all matters of disputes about rates, quantities, measurements, quality of works, etc., and in all disputes of any kind, the decision of the Sanitary Engineer will be final and legally binding.

Abstract of approximate quantities for the work of providing Sanitary and Laboratory fittings at the extension for completing the Northern Wing of the Medical College, Mysore.

No.	Items of work	Unit	Quantity	Rate to be quoted
	Water and Gas connections.			Rs. a. p.
1	Removing and refixing existing sinks including disconnection of brackets, water and waste pipes, plugs to disconnected pipes, etc., complete	No.	12	
2	Removing and refixing gas taps, swan necked cocks and water taps including removing all connected pipes with extra plugs, new fittings and lead clamps, etc., complete	No.	34	
3	Removing and refixing bigger sinks with waste connections painting, etc., repairs to wall and floor	No.	3	
4	Providing 1¼″ lead pipes to replace worn out ones while removing bending and fixing with wiped solder joints and making caps to suit outlets of sinks	,,	3	
5	Providing 2″ G. I. pipe for outlet of bigger sinks including laying with necessary fittings	R.ft.	24	
6	Providing 1½″ G. I. Main with all fittings including earthwork excavation laying and jointing, refilling, etc., complete	,,	180	
7	Do do 1″ do do	,,	180	
8	Providing ¾″ and ½″ G. I. pipes with fittings for W. C. Lavatory basin and tap connections upto outside wall	No.	3	
9	Providing 1½″ Black gas pipe for main including earthwork excavation laying and jointing with necessary fittings and refalling, etc. complete	R.ft.	160	
10	Do do 1″ inside do	,,	140	
11	Do do ¾″ and ½″ do	,,	100	
12	Connection with the existing gas main with necessary fittings removing and re-jointing, etc., complete	,, No.	1	
13	Providing and fixing 1½″ full way gate valve	,,	1	
14	Do 1½″ G. M. Gland cock	,,	1	
15	Do ½″ N. P. stop cock	,,	2	
16	Do ½″ N. P. big cock	,,	1	
17	Constructing road box cistern for gate valve and Gland cock including cost of C. I. road boxes	,,	2	
18	Making cement concrete channel with 3″ for sides and cement plastering above channel pipes and making rim on both sides to rest C. I. grating of 10″ wide including cutting floor	R.ft.	30	
19	Do do 7″ do do	,,	100	
20	Do do 3″ do for gas and waste pipes	,,	120	
21	Providing and fixing in cement mortar 6″ S. W. channel pipes including cut pieces and pointing the joints in cement	,,	30	
22	Do do 4″ S. W. channels do	,,	100	
23	Encasing with cement concrete on both sides of C. I. grating and cement plastering mixed with red chre and fixing Grating without shaking edges 10″ wide including cutting to required size	,,	30	
24	Do do 7″ do do	,,	100	
25	Do do 3″ do do	,,	120	
26	Cutting basement slabs and chiselling for 2″ G. I. waste	No.	12	
27	Cornice bore and re-doing after fixing pipes	,,	2	
	Soil and Waste Fittings.			
1	Fixing W. C. and Lavatory basin complete	No.	2	
2	Fixing accessories	,,	3	
3	Providing and fixing 4″ C. I. soil pipe with specials including necessary scaffolding	,, R.ft.	60	
4	Do do 3″ C. I. waste pipe do	,,	12	

No.	Items of work	Unit	Quantity	Rate to be quoted
				Rs. a. p.
5	Providing and fixing 4″ C. I. trap in cement	No.	1	
6	Constructing cistern in cement concrete providing and fixing 6″ diameter N. P. Grating	,,	1	
7	Providing 1¼″ lead pipe with wiped solder joints including bend and fixing, etc.	,,	1	
8	Do do ¾″ and ½″ do		3	
9	Constructing ground sink in cement concrete and cement plastering mixed with red ochre	,,	1	
10	Painting fittings and waste pipes		18	
	Drainage Arrangements.			
1	Providing 4″ S. W. pipe, laying and jointing including earthwork excavation, refilling and tamping, etc., complete	R.ft.	180	
2	Providing and fixing 4″ S. W. bend ordinary	No.	4	
3	Do 4″ S. W. cleaning door bend	,,	4	
4	Do 6″ S. W. bend ordinary	,,	1	
5	Do 6″ S. W. cleaning door bend	,,	1	
6	Providing 6″×4″ S. W. Gully trap with C. I. grating	,,	6	
7	Constructing cistern in cement, mortar and providing and fixing 12″×10″ C.I. hinged frame and cover	,,	6	
8	Encasing S. W. bend and pipes outside with brick in cement, and cement plastering	,,	4	
9	Constructing inspection chamber with 24″×18″ C. I. ring and cover upto 3′ depth	,,	3	
10	Constructing manhole as per design with 21″ dia. C. I. manhole cover and frame upto 8′ depth	,,	1	
11	Do do do upto 4½′ depth	,,	1	
12	Connection with the existing manhole and making good	,,	3	
13	Providing fixing 4″ zinc cowl	,,	1	
14	Stone wall bore (big stone) and redoing in cement	,,	8	

List of materials to be indented for, for the work of providing Sanitary and Laboratory fittings at the extension for completing the Northern Wing of the Medical College, Mysore.

No.	Materials	Unit	Quantity	Rate to be quoted
				Rs. a. p.
1	White porcelain English water closet with 3 gallon C. I. flushing cistern with telescopic flush pipe chain and pull complete set	No.	1	
2	White porcelain Lavatory basin 25″×18″ size overall with one cold cock at centre with waste union, chain and plug and one pair of C. I. brackets complete set	,,	1	
3	24″×18″ mirror, enclosed in white wood rectangular frame	,,	1	
4	N. P. Towel rail 1″ dia. and 24″ long with N. P. brackets	,,	1	
5	White porcelain toilet paper holder with paper	,,	1	

K. S. HUTCHA RAO,
Sanitary Engineer.

MEDICAL DEPARTMENT.

KRISHNARAJENDRA HOSPITAL, MYSORE.

Abstract Notice, dated 7th December 1939.

Sealed tenders for the supply of bedding and clothing required for the use of the Krishnarajendra Hospital for the year 1939-40 will be received by the undersigned on Monday the 15th January 1940 at 11 A.M. at the Krishnarajendra Hospital, Mysore.

For further particulars, *vide Mysore Gazette* of 14th December 1939, Part VI, pages 2525-2526.

H. S. SAMPANGIRAMAIAH,
Secretary.

MISCELLANEOUS DEPARTMENTS.

OFFICE OF THE INSPECTOR-GENERAL OF POLICE IN MYSORE, BANGALORE.

Notice No. T. C. 295—37-38, *dated* 19*th November* 1937.

The public are hereby informed that an Avery's Weigh-bridge to weigh motor vehicles is erected in the Office of the Inspector-General of Police in Mysore, Cenotaph Road, Bangalore City, and that motor vehicles brought for weighment will be weighed on payment of a fee of Rs. 10 for each weighment. A certificate of weighment will invariably be issued with each weighment so made.

F. A. HAMILTON,
Inspector-General of Police.

COLLEGE OF ENGINEERING, BANGALORE.

Notification dated 14*th December* 1939.

The following books in the College of Engineering, Bangalore, will be sold by public auction on Saturday the 13th January 1940. The auction sale will commence at 10 A.M. and will be conducted in the College quadrangle.

The terms and conditions of auction sale will be as follows :—

(1) The books will be knocked down to the highest bidder, and in the event of any dispute arising between two or more bidders at the same price, the books shall be put up again and resold.

(2) The sale amount should be paid immediately. In case it could not be paid immediately, a deposit of 25 per cent of the amount should be recovered from the successful bidder immediately the books are knocked down in his favour and such deposits shall be treated as forfeited to Government in case of any default to pay the full purchase money within 24 hours of the sale.

(3) Cash should be paid in full for books purchased by bidders before delivery and the books will not be allowed to be removed from the place of auction until after the close of the sale.

(4) In case of default of payment of the whole or any portion of the purchase amount by the bidder, the books will be resold and the bidder will be liable to any loss incurred thereby. The bidder will be also liable to make good to Government any loss incurred thereby without having the right to participate in any excess realised.

(4) All books purchased will be at the risk of the purchasers thereof from the time of sale.

(6) All books should be accepted with faults and errors of all description as sold.

(7) The successful bidder must remove the books within 24 hours after his bid has been accepted.

(8) The officer conducting the sale may not accept the highest bid if the bid offered is not a reasonable value of the books.

List of unserviceable books to be auctioned.

OFFICE OF THE EXCISE COMMISSIONER IN MYSORE, BANGALORE.

Memo No. C1. 1119—39-40, dated 21st December 1939.

TENDER FOR STITCHING UNIFORM CLOTHING.

1. Sealed tenders will be received in the Office of the Excise Commissioner in Mysore, New Public Offices, Bangalore, up to 3 P.M. of the 19th January 1940, for the stitching of Uniform Clothing of the specifications noted below, required for the use of Sub-Inspectors and Tree-markers of the Department during the year 1940-41.

2. The number of suits required is given below approximately. Tenders should be in the appended form* duly noting in the column left blank, the quantity of cloth required and the rate at which each suit will be stitched. The suits should be stitched in four sizes.

3. The whole number of suits should be delivered within 3 (three) months from the date of acceptance of the tender.

4. A deposit of Rs. 50 should accompany the tender, whithout which it will not be considered.

5. Final acceptance of the tender will rest with the Excise Commissioner who does not bind himself to accept the lowest or any tender or to assign any reason whatsoever for the rejection of any tender.

6. The successful tenderer should deposit within a week from the date of acceptance of the tender a sum of Rs. 250 in the Mysore Government Savings Bank and entrust the Pass Book to the Excise Commissioner with a letter to the Treasury Officer of the treasury where he has deposited, binding himself not to withdraw the amount without the permission of the Excise Commissioner, after which the initial deposit will be returned. He should also execute the necessary agreement.

7. In the event of breach of any of the conditions of the contract entered into by the tenderer, he will be made liable for all losses which may be sustained by the Department thereby and he will not participate in any profit accruing thereby to the Department.

8. In cases of dispute the Excise Commissioner's decision shall be final.

9. The totals of bills less than Rs. 25 will be rounded to the nearest anna while those bills for Rs. 25 or more will be rounded to the nearest rupee.

10. Cloth required and the rates may be given separately for coats, trousers and for full suits.

A. V. RAMANATHAN,
Excise Commissioner.

DEPARTMENT OF HORTICULTURE IN MYSORE, LAL-BAGH, BANGALORE.

Notification dated 22nd December 1939.

It is hereby notified that Tamarind crops, etc., in Lal-Bagh, Cubbon Park and New Gardens in Bangalore, will be sold by public auction in Lal-Bagh on the 15th January 1940 at 10 A.M.

Terms of sale are as follows :—

1. Each bidder may be required to deposit a sum of Rs. 20 as earnest money before he is permitted to bid, which amount will be returned to him at the close of the sale if his bid be not accepted.

2. The highest bidder, who is the purchaser, should on the spot, pay the amount in full settlement. In default thereof the crops will be resold at his risk without his participating in any profit that may accrue.

3. All sales held by the subordinate official in charge are subject to the confirmation of the Superintendent, Government Gardens and Parks in Mysore, Bangalore, who reserves the right of accepting or rejecting any bid without assigning any reason therefor.

4. In cases of complaints perferred by the purchaser, the decision of the Superintendent, Government Gardens and Parks in Mysore, Bangalore, shall be final.

5. The purchasers should make their own arrangements for safeguarding the crops, etc., and they will not be permitted to put up any structures in the garden.

6. The bidder should inspect the crops previous to his bidding and any complaints received thereafter about the condition of the crops, etc., will not be entertained.

L. S. DORASAMI,
Superintendent.

DEPARTMENT OF AGRICULTURE.

OFFICE OF THE AGRICULTURAL ENGINEER, BANGALORE.

Abstract Notification dated 19th December 1939.

Attention of the public is invited to the notification No. 10, dated 18th December 1939, calling for tenders for sinking a well on the Cattle-Breeding Station, Hunsur, published on pages 2599-2600, of Part VI of the *Mysore Gazette*, dated 21st December 1939.

M. G. SINGARACHAR,
Agricultural Engineer.

OFFICE OF THE ASSISTANT DIRECTOR OF AGRICULTURE, MANDYA CIRCLE.

Abstract Notification.

The attention of the public is invited to this office notification, dated 9th, December 1939 calling for tenders for supply of articles to the Irwin Canal Farm, Mandya, published on pages 2600-2602, Part VI of the *Mysore Gazette*, dated 21st December 1939.

The date and hour for receiving tenders is 3 P.M. of 15th January 1940.

K. KRISHNAMURTI,
Assistant Director.

OFFICE OF THE JUNIOR ASSISTANT BOTANIST IN CHARGE, GOVERNMENT EXPERIMENTAL FARM, HIRIYUR.

Notification dated 25th December 1939.

1. Sealed tenders subject to a minimum of Rs. 2 per maund for purchasing of about 2,500 maunds of jaggory manufactured in the Government Experimental Farm, Hiriyur (about three miles from Hiriyur and 28 miles from Chitaldrug Railway Station) will be received in the office of the undersigned up to 1 P.M. on Monday the 22nd January 1940.

The quantity quoted above is more or less approximate and cannot be guaranteed.

2. The tenders should be superscribed "Tender for the purchase of Babbur Farm jaggory" and the price offered must be per maund of 28 lbs. delivered on the Farm.

3. The tender should be accompanied by a deposit of Rs. 100 in cash.

4. Samples of jaggory will be available for inspection in the Office of the Assistant Director of Agriculture, Chitaldrug Circle, and on this Farm and the Agricultural Inspector, Hiriyur.

5. The tenders will be opened by the undersigned at 1 P.M. on Monday the 22nd January 1940 and the name of the successful tenderer will be notified in due course. The deposists of the unsuccessful tenderers will be returned to them at their own cost.

6. The acceptance or rejection of any tender rests with the Director of Agriculture, whose decision will be final in the matter, without assigning any reason therefor.

7. The deposit of the successful tenderer will be retained and he will be required to execute an agreement on twelve annas stamped paper and to furnish a cash security of one-fourth of the purchase amount within three days of acceptance of the tender.

8. Deliveries of produce must be taken against full payment in cash, from the day when the tenderer executes agreement and further daily, the produce being weighed every evening, failing which the contractor must accept the weights as recorded by the Farm authorities on the day of manufacture.

The earnest money and the security amount will be adjusted at the close of the transaction. The weight of the Farm Balance must be accepted as correct.

9. The purchaser should make his own arrangements for the transport of the produce from the Farm.

10. Failure to comply with any of the above conditions on the part of the successful tenderer will entail the forfeiture of the amounts deposited and the produce will be reauctioned at his risk and the expense of the successful tenderer who will have no claim to participate in the gain, if any.

C. PUTTIAH,
Agricultural Inspector in charge,
Babbur Farm.

OFFICE OF THE HUZUR SECRETARY TO HIS HIGHNESS THE MAHARAJA OF MYSORE.

Particulars can be obtained from the Munib, Modikhana, Mysore.

OFFICE OF THE HUZUR SECRETARY TO HIS HIGHNESS THE MAHARAJA OF MYSORE.

Tender Notice.

Sealed tenders for the supply of provisions, etc., to the Palace for the year 1940-41, will be received by the undersigned on Friday the 9th February 1940.

Particulars can be had from the Munib, Modikhana, Mysore.

T. THUMBOO CHETTY,
Huzur Secretary.

OFFICE OF THE SUPERINTENDENT OF POST OFFICES, MYSORE DIVISION, MYSORE.

Notification.

Sealed tenders will be received till the 29th February 1940 for the conveyance of mails by motor between French-Rocks Railway Station, French-Rocks Post Office and Krishnarajapete, for a period of three years from the 1st July 1940. Full particulars with form of tender can be had from the undersigned on application with Rs. 5 which will not be refunded.

G. G. E. COMBES,
Superintendent.

MYSORE STATE RAILWAY.

OFFICE OF THE DISTRICT ENGINEER, BANGALORE CITY.

Notification dated 21st December 1939.

Notice is hereby given that sealed tenders will be received at the Office of the District Engineer, Mysore State Railway, Bangalore City, on any day up to 12 NOON on Friday the 19th January 1940 for collecting and spreading broken stone ballast between Anandapuram and Sagara Section.

An approximate extimate of quantities is given in the following schedule. The quantities are not guaranteed. The whole work of collection and spreading should be completed by the 15th June 1940.

2. Details of work and conditions of schedule agreement may be seen at the District Engineer's Office, Mysore State Railway, Bangalore City, on all working days between 10-30 A.M. and 4-30 P.M.

3. Tenders should be submitted on printed forms which may be obtained from the District Engineer on payment of rupee one which will not be refunded.

4. Every tender must be accompanied by a deposit of Rs. 200 in cash as earnest money and should be superscribed "Tenders for collecting and spreading broken stone ballast on Anandapuram-Sagara Section" in default of which tenders will be rejected.

5. The earnest money of the rejected tenders will be returned as early as possible after the tenders are disposed of and in the case of accepted tender, it would be held as a part of security under Clause 4 of the Schedule Agreement referred to.

6. The final acceptance of any tender will rest with the Superintendent, Way and Works, Mysore State Railway, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender or any portion of a tender.

7. The name of the contractor whose tender has been accepted will be posted on the Notice Board in the District Engineer's Office. No enquiries regarding the acceptance or rejection of a tender will be answered.

8. Within eight days of the acceptance of the tender, the successful competitor is required to execute the usual schedule agreement, in default of which his tender will be considered as cancelled and the earnest money will be forfeited to Government.

9. Definite rates against each item of work in the schedule should be noted both in figures and in words.

10. In case the accepted tenderer quarries, ballasts, etc., from Railway, Government, or Forest land for use in this work, Royalty at the rates fixed by the Government will be recovered from his bills.

11. The whole of the work specified in the agreement to be completed as specified in para 1 above, failing which or failing to carry out any of the conditions of the agreement, the whole of the money held in deposit or so much of it as the General Manager considers proper will, without prejudice to any other legal or equitable right or remedy which the General Manager may have, be absolutely forfeited to the General Manager.

12. Should any dispute arise in the interpretation of the clauses of the tender or in respect of any items of work or specification, the decision of the Superintendent, Way and Works, shall be final.

13. The work of collection of metal ballast should be completed by the end of May 1940.

14. Contractors should specify mileages for the depots of collection and the quantity they propose to collect at each depot.

Schedule.

Items of work	Unit	Quantity	Rate	Cost
	C.ft.	C.ft.	Rs.	Rs.
(1) Collection of broken stone ballast, quartz or granite, broken to pass through a 2″ diameter ring in all directions and must not pass through a ring of $\frac{3}{4}$″ diameter including stacking the same in standard heaps of 50′×20′×2′ or 50′×10′×2′ absolutely free from earth and dust, wherever shown on prepared level ground inclusive of all charges within Railway limits	1,000	300,000		
Pebbles must on no account be mixed by quarrying or by field picking.				
The ballast must be collected at NIL points in line and on no account over cuttings more than three feet deep, or near banks over three feet high. Platforms should be got passed before starting collection. The collection at each place should not be less than a train load, *i.e.*, 3,000 C.ft. and heaps should be built parallel to the line for the full length of the train to facilitate loading.				
(2) Loading into and unloading from ballast train for leads under 20 miles	1,000	300,000		

M. RAMAIYA,
District Engineer.

OFFICE OF THE EXECUTIVE ENGINEER, S. T. RAILWAY CONSTRUCTION DIVISION, SAGARA.

Abstract Notification dated 16*th December* 1939.

Corrections to Tender Notifications dated 15*th December* 1939.

Linking Permanent Way on S. T. Railway, published on pages 2579 and 2580, Part VI of the *Mysore Gazette*, dated 21st December 1939.

Delete item No. 3 in the Schedule and *read* instead the following items :—

		Unit.	*Quantity.*
3.	Linking Permanent Way with 50 lbs. rails 30′ to 39′ long ..	Joint	1,709
4.	Loading and unloading rails and fastenings	Ton	910
5.	Loading and unloading sleepers	Per 100 (No.)	24,000

The last date of receipt of tender is extended to 12th January 1940 (3 P.M.)

M. R. KRISHNAMURTI,
Executive Engineer.

SUB-JAIL, TIRTHAHALLI.

Notification dated 20*th November* 1939.

1. Notice is hereby given that sealed tenders in triplicate half-sheet size will be received in the Sub-Jail, Tirthahalli, at 10 A.M. on Monday the 15th January 1940, by the Superintendent, Sub-Jail, Tirthahalli, for the supply of articles of diet and contingencies, etc., as per annexed list required for the use of the Sub-Jail, Tirthahalli, from 1st February 1940 to 31st January 1941, both days inclusive.

2. No tenders will be received after 10 A.M. on the 15th January 1940.

3. Tenders to be superscribed "Tender for the supply of provisions for the Sub-Jail, Tirthahalli, for the year 1940."

4. No tenders will be received unless accompanied by the deposit of Rs. 50 in treasury receipts, samples of ragi, rice, flour, tuvar and ballar dhall, curry stuff in white bottles, corked and sealed. *All articles should be according to sample.*

5. Tenders will be opened by the Superintendent, Sub-Jail, Tirthahalli on the date and hour abovenamed, in the presence of such tenderers as may choose to attend.

6. The quantities stated in the annexed list are not guaranteed.

7. The Superintendent, Sub-Jail, Tirthahalli, reserves to himself the right of rejecting any tender without assigning any reason for so doing.

8. The deposit of the successful tenderer will be retained and will be forfeited if he fails to execute the contract bond or to furnish security to the amount of Rs. 100 in cash or Government Bonds within three days from the date of acceptance of the contract being made known to him. The form of contract bond will be supplied by the Superintendent.

9. No advance of cash will be made over to the Contractor; payments for the articles supplied will be made by the Superintendent as soon as possible, in the following month on producing the necessary accounts and vouchers with a duplicate bill in English on or before the 5th of every month.

10. A store room will be made over to the contractor, in which he can keep all the non-perishable articles, of which not less than 15 days' supply must be always in store. Perishable articles such as vegetables, meat, curds, etc., must be at the Sub-Jail, by 7 A.M. daily. All articles except those mentioned otherwise should be of first sort and any articles of diet rejected should be replaced within an hour; if not, the articles will be got by the Superintendent, and the amount will be recovered from the contractor. The contingent articles such as bazaar things, etc., ordered should be supplied within 24 hours after the receipt of the order.

11. The contractor must not sublet.

12. A fine not exceeding Rs. 10 will be levied at the discretion of the Superintendent-in-charge of the Institution for every infringement of the stipulation of the contract and if it be frequently violated the contract will be annulled and the security confiscated to Government.

13. The decision of the Superintendent will be final in all questions of infringements of the contract.

14. The sale at the Contractor's Store room of any articles to the outside public or the servants of the Sub-Jail is strictly prohibited.

15. The contract will be subject to the confirmation by the Deputy Commissioner, who reserves to himself the right of rejecting all or any of the tenders.

16. The contractor must be prepared to pay the transit charges of prisoners, etc., if required, which will be paid at the time of payment of his bill.

17. The rations for the prisoners to be fed at 10-30 A.M. and 5-30 P.M. every day is to be issued by the contractor before 7 A.M. every morning as per voucher duly signed by the Superintendent.

18. Articles supplied on the authorised form only will be paid for and for all the articles supplied by the contractor, vouchers will be furnished which must be produced with his bill.

19. The vouchers with a consolidated bill therefor must be submitted to the Superintendent, who will arrange for payment.

20. The tender rate must be given both in figures and in words, for each item and not per rupee together with the totals of each line in the same form and order as in the annexed list.

N.B.—(1) Good old rice according to sample should be supplied.

(2) Ragi to be supplied which will be ground by convicts and issued as flour and the payment made upon the quantity of flour so issued.

(3) Any details, if required, may be enquired in the Office of the Superintendent, Sub-Jail, Tirthahalli.

Coriander ..	12 ozs.	Black pepper	6 ozs.	Mustard seeds	1 oz.
Turmeric ..	2 ozs.	Poppy seeds	3 ozs.	Karbevu leaves	1 oz.

Note.—(2) Only good and succulent vegetables after inspection and approval by the Superintendent and Medical Officer of the Jail will be accepted.

Notification dated 4th December 1939.

Notice is hereby given that sealed tenders in triplicate will be received up to 10 A.M. but not after on Monday the 15th January 1940 by the Superintendent of the Tirthahalli Sub-Jail for the supply of the vegetables for the consumption of prisoners confined in the jail during the calendar year 1940.

2. Tenders will be superscribed as " Tenders for the Supply of vegetables for the Tirthahalli Sub-Jail."

3. No tenders will be received unless accompanied by a deposit of Rs. 10 either in cash or currency notes.

4. Tenders will be opened by the Superintendent of the Tirthahalli Sub-Jail at his office on the date and the hour mentioned in the presence of such tenderers as may choose to attend.

5. All tenders must specify in words and figures the rates at which vegetables will be supplied in pound weight per rupee. No separate rates for each kind of vegetables need be quoted, but rates should be specified for greens on one side and the solid vegetables on the other.

6. The probable quantity of vegetables required will be 100 lbs. daily and it must be supplied by 9 A.M. every day but the quantity cannot be guaranteed and the contractor will be required to supply vegetables daily.

7. Only good and succulent vegetables after inspection and approval by the Superintendent or the Medical Officer of the jail will be accepted. Vegetables rejected should be replaced within an hour of rejection and the decision of the Superintendent shall be final in all matters concerning the quantity of vegetables.

8. The following are some of the varieties of vegetables that would be accepted for supplying in rotation. Two kinds of vegetables, *viz.*, green and solid vegetables are to be supplied daily in equal weight.

Under greens the following are a few :—

Dantus	Menthya greens	Spinnack
Soyee greens	Chockotha greens	

Under solid the following are a few :—

Beans	Gorikayi	Pumpkins
Cabbages	Lady's fingers	Snake gourds
Knol khol	Brinjals	Vegetable marrow
Beet Root	Potatoes	Drum sticks
Carrot	Radish	
Tomato	Tapioca	

and such other vegetables as may be previously approved by the Superintendent of the jail.

9. The contract for supply shall commence from 1st January 1940 as will be intimated three days beforehand and shall terminate on 31st December 1940.

10. The Superintendent reserves to himself the right of rejecting any tender without assigning any reason for so doing.

11. The deposits of the successful tenderer will be retained and will be forfeited if he fails to execute the contract bond and to furnish the security to the amount of Rs. 20 in cash or in Government Bonds within one week from the date of the acceptance of his tender being made known to him.

12. The contract for supply shall be entered into for the period above. Payments for articles supplied will be made by the Superintendent, Tirthahalli Sub-Jail on production of the bills in duplicate by the contractor on or before the 10th of every month.

13. A fine not exceeding Rs. 5 will be levied at the discretion of the Superintendent of the jail and subject to the approval of the Deputy Commissioner for any infringement of the stipulation of the contract or for the supply of inferior articles, and, if frequently violated the contract may be annulled and the security confiscated to the Government.

14. The decision of the Superintendent, subject to the approval of and revision by the Deputy Commissioner to be final in all questions of infringement of contract.

15. Any further information can be obtained by applying to the Superintendent's Office.

16. The contract will be subject to confirmation by the Deputy Commissioner who reserves to himself the right of rejecting all or any of the tenders.

17. If the contractor is unwilling or unable to carry out his agreements he should give at least one month's notice and shall be liable to forfeit the security money to Government.

18. The contractor will also be bound to make good to Government any loss which may arise from his failure or by the Superintendent having to purchase the articles specified in the contract in the local market at higher rates than those contracted for.

19. Any other articles not mentioned in the list, if required by the Superintendent, will have to be supplied by the contractor at market rates.

Notification dated 20th November 1939.

Notice is hereby given that sealed tenders in triplicate will be received on Monday the 15th January 1940, by the Superintendent of the Tirthahalli Sub-Jail, for the supply by contract of the following articles required for the use of the said Jail, for the period of one year from 1st February 1940 to 31st January 1941, both days inclusive.

2. Tenders to be superscribed as "Tender for the supply of fire wood."

3. No tender will be received unless accompanied by a deposit of Rs. 10.

4. Tenders will be opened by the Superintendent of the Bangalore Central Jail at his office on the date and hour abovementioned, in the presence of such tenderers as may choose to attend.

5. (*a*) All tenderers must specify the rate, both in words and figures at which the following article can be supplied in the pound weights per rupee and all articles supplied to be of good quality and subject to the approval of the Superintendent.

(*b*) Firewood required for the Manufactory Depot of the Jail should also be supplied.

Probable Annual Consumption.—1,00,000. Dry casuarina firewood and dry junglewood, the billets to be of not more than 3 feet in length and one cubic in diameter—1,000 lbs.

The quantity abovestated is not guaranteed. Rates must be given for both.

6. The Deputy Commissioner reserves to himself the right of rejecting any tender without assigning any reason for so doing.

7. The deposit of the successful tenderer will be retained and will be forfeited, if he fails to execute the contract bond, or to furnish security to the amount of Rs. 20 in cash or Government Bonds, within one week from the date of the acceptance of his contract being made known to him.

8. The contract for the supply of firewood shall be entered into for the whole year. Payments for articles supplied will be made by the Superintendent, Tirthahalli Sub-Jail on production of the bill in duplicate by the contractor on or before the 10th of every month.

9. A store room will be made over to the contractor, in which he can store his fire wood, of which not less than one month's supply must always be kept in stock. The Government shall have a lien on the firewood stored from time to time by the contractor on the jail premises, for the amount advanced to him from time to time. Convict labour will be supplied free to chop the firewood into billets suitable for jail ovens and payment made only for the quantity of firewood so chopped and used in the jail and not for the billets brought into it.

10. A fine not exceeding Rs. 5 will be levied at the discretion of the Superintendent of the Bangalore Central Jail and subject to the approval of the Deputy Commissioner in each case for any infringement of the stipulations of the contract or for the supply of any inferior article, and if frequently violated, the contract may be annulled and the security confiscated to Government.

11. The decision of the Superintendent of the Tirthahalli Sub-Jail subject to the approval of and revision by the Deputy Commissioner, will be final in all questions of infringement of contract.

12. Any further information can be obtained by applying at the Superintendent's Office.

13. The contract will be subject to the confirmation by the Inspector-General of Prisons.

14. In case of the contractor, after taking the contract, being not willing to carry out his agreement, he shall give at least one month's notice and shall forfeit the security money to Government. The contractor will also be bound to make good to Government any loss which may arise from his failure, or by Government having to purchase the article specified in the contract in the local market at higher rates than those contracted for.

N.B.—No concession of any kind will be allowed on the above contract.

T. M. AMEER,
Superintendent.

PRIVATE ADVERTISEMENTS.

IN THE COURT OF MUNSIFF AT KOLAR GOLD FIELDS.

Whereas the petitioner abovenamed has applied to this Court, by a petition dated 16th day of October 1939, to be declared an insolvent under the Mysore Insolvency Act, VI of 1911, this is to give notice that the Court has fixed the 23rd day of January 1940 for the hearing of the aforesaid petition and the examination of the debtor. If you desire to be represented in the matter you should attend in person or by duly instructed pleader.

D. SRINIVASACHAR,
Munsiff.

IN THE COURT OF THE ADDITIONAL SUBORDINATE JUDGE AT HASSAN.

Miscellaneous Case No. 11 *of* 1939-40.

H. M. Mohamed Jamal, son of shop Mustafa Sahib, residing in Hassan .. *Petitioner.*

Application under Section 9 of the Guardian and Wards Act is filed on 20th December 1939, for the appointment of guardian to the minor Abdul Azeez, son of the aforesaid petitioner and to his properties also, residing in Hassan town.

The petitioner abovenamed having applied to be appointed as the guardian of the person and property of the aforesaid his minor son, the 13th day of January 1940, has been fixed for the hearing of the application, and notice is hereby given to all that if any other relative, friend, kinsman or well-wisher of the aforesaid minor desire to be appointed or declared as guardian of the person and properties of the said minor Abdul Azeez, he or they should enter appearance in person in this Court, on the abovesaid date, and be prepared to adduce on that day, any documentary and oral evidence he or they may desire to adduce in support of his or their claim to such appointment or declaration.

Given under my hand and the seal of the Court, this 20th day of December 1939.

B. RAMANNA,
Additional Subordinate Judge.

IN THE COURT OF THE MUNSIFF AT HOLE-NARSIPUR.

Miscellaneous Case No. 175 *of* 39-40.

Honnamma, wife of Range Gowda, son of Range Gowda, Hindala Koppa, Kasaba Kote, Arakalgud .. *Petitioner.*

vs.

Nil .. *Opponents.*

In the matter of the estate of Range Gowda .. *Deceased.*

Whereas the petitioner is the resident of Arakalgud, claiming to be the wife of the deceased, Range Gowda, has applied to this Court, for a certificate under Act, VII of 1901, to collect debts payable in respect of the estate of Range Gowda, deceased, resident of Arakalgud.

Notice is hereby given of the said application and all claimants in the estate of the said Range Gowda, are invited to appear in this Court on the 25th day of January 1940 when the petition of the said Range Gowda, will be heard, and the right to the certificate will be determined.

Given under my hand and the seal of this Court, this 20th day of December 1939.

No. S. P. C. 19189-223, *dated* 16*th December* 1939.

To

The Firms dealing in Soap Cartons.

Enquiry No. 3825.

SMALL TOILET SOAP CARTONS.

GENTLEMEN,

The Stores Purchase Committee are in the market for thirty-six lakhs (36,00,000) of small toilet soap cartons and one sample of this soap carton is sent herewith. The size, the quality of the cardboard, colour, printing and punching, etc., of the cartons should be in strict conformity with the Sandal Soap Carton sent herewith. All the cartons should be lithographed or printed by off-set printing and not printed by the process of block printing.

Please be good enough to quote your best prices both for delivery f.o.r., Bangalore and c.i.f., Madras, forwarding samples of the cardboard to be used in the preparation of the above cartons and intimate the earliest time within which the cartons will be delivered if an order is placed. If delivery cannot be effected in a single lot it may be clearly stated in how many instalments and at what intervals the entire quantity of 36 lakhs of cartons would be supplied.

It should be distinctly understood that failure to supply the cartons in accordance with the approved sample or in time will entail cancellation of the order and purchase being made from other sources debiting the extra cost, if any, to the defaulting contractors in addition to the levy of a penalty of 3 per cent of the value of the order as liquidated damages.

The quotation should be superscribed quotation for "Small Toilet Soap Cartons" and sent to reach us on or before the 12th February 1940.

Your prices may be telegraphed if necessary, to reach us by the aforesaid date clearly specifying in the quotation whether the cartons you offer would be exact to the sample design furnished to you in every respect.

No. S. P. C. 19155-88, *dated* 15*th December* 1939.

To

The Firms dealing in Soap Cartons.

Enquiry No. 3826.

WASHING SOAP CARTONS.

GENTLEMEN,

The Stores Purchase Committee are in the market for ten lakhs of washing soap cartons. The size, design, workmanship, tri-colour printing, etc., should be as per sample Cartons enclosed. Should it be found necessary the Government Soap Factory will have the option of altering the existing design in case better designs are offered by the tendering firms.

Quotations should therefore be furnished both for cartons prepared in accordance with the sample designs furnished and also according to any other designs offered as alternatives.

Samples of cardboards from which the cartons will be made should be sent without which your quotation will not be considered.

As we require cartons to hold both 7 oz., and 8 oz., soap tablets, our exact requirements in each size will be intimated to you at the time of placing the order.

It should be distinctly understood that failure to supply the cartons in accordance with the approved sample or in time will entail cancellation of the order and purchase being made elsewhere debiting the extra cost, if any, to the defaulting contractor in addition to the levy of a penalty of 3 per cent of the value of the order as liquidated damages.

Your quotation should be superscribed "Quotation for Washing Soap Cartons" and sent to the undersigned on or before the 5th February 1940.

No. S. P. C. 19116-55, *dated* 15*th December* 1939.

To

The Firms dealing in Soap Cartons.

Enquiry No. 3827.

BIG TOILET SOAP CARTONS FOR THE GOVERNMENT SOAP FACTORY.

GENTLEMEN,

The Stores Purchase Committee are in the market for big cartons for Mysore Sandal Soaps as per sample enclosed.

The size, design, the quality of the cardboard and the colour printing of the soap cartons to be supplied should be in strict conformity with the sample enclosed.

Please be good enough to quote your best prices delivered both c.i.f., Madras and f.o.r., Bangalore, for supply of 12 lakhs of cartons and state how soon you deliver them if we decide to entrust the order to you. If delivery cannot be effected in one single lot, please state clearly in how many instalments and at what intervals the entire lot would be supplied.

It should be distinctly understood that the acceptance by us of your quotation will be subject to the following conditions :—

Supplies should strictly be according to the sample approved.

Failure to make supplies in time and in accordance with the approved sample will entail cancellation of the contract and purchases being made from other sources at the risk and expense of the contractors. The extra cost, if any, incurred on account of such purchases will be debited to the defaulting contractors. In such an event the Committee will also reserve to themselves the right to levy a penalty of 3 per cent of the value of the order as and by way of liquidated damages.

Counter samples of cartons must accompany the quotation.

The quotations should be superscribed " Quotation for Big Mysore Sandal Soap Cartons," and sent to the undersigned on or before the 12th February 1940.

No. S. P. C. 19639-41, *dated* 20*th December* 1939.

To

The Firms dealing in Resin Paste.

Enquiry No. 3831.

RESIN PASTE.

DEAR SIR/GENTLEMEN,

Please be good enough to intimate your best prices and the earliest time of delivery for the materials described in the form printed below.

It should be distinctly understood that the acceptance by us of your quotation will be subject to the following conditions :—

Withdrawal from the quotation after it is accepted or failure to make the supply within the specified time or according to specifications will entail cancellations of the order and purchases being made at your expense from other sources in addition to the levy of a penalty of 3 per cent of the value of the order as and by way of liquidated damages. In such an event, the Stores Purchase Committee reserve the right to remove your name from the list of approved firms.

The quotations should be superscribed " Quotations for Resin Paste " with the above enquiry Number.

This enquiry will be closed on the 6th January 1940.

	30-1-1940	Hampapur Saw Pit ..	1 heap of 963 C.ft. ..	....

Remarks.—Quantity more or less.

N.B.—(1) The cubical contents of heaps are only rough which includes saw dust also and should be accepted at the advertised quantity. No responsibility can be taken for measuring them and for its watch and ward after the date of confirmation of sale. The purchasers should therefore pay the full value and remove the parodes immediately the sale confirmation orders are received.

(2) If the sale is not concluded on the day notified, it will be continued and concluded on the next day.

Conditions.

1. Each bidder shall place a deposit of Rs. 200 with the officer conducting the sale but defaulter to the department will not be allowed to bid at the sales.

In the case of purchases not exceeding Rs. 200 in value, the initial deposit of Rs. 200 need not be insisted upon, provided that the full purchase money is paid on the spot.

2. Any person bidding at the sale may be required by the officer conducting the sale to state whether he is bidding on his own behalf or as an agent, and in the latter case, to produce a written authority duly signed by the principal.

3. Subject to the minima prices fixed in each case by the Chief Conservator of Forests (which will not be divulged), the highest bidder shall ordinarily be the purchaser, but the officer conducting the sale can reject any bid or stop the sale at any stage without assigning any reason to the intending purchasers. Should any lot be disputed, it shall again be put up and sold.

4. Immediately after the lot is knocked down to him, the successful bidder shall sign his name opposite the number and specification of the lot bought by him in a book provided for the purpose. Such signature shall be held as admission on his part of having bought such lot and of having accepted the terms of the sale as herein specified. All sales of which the amount exceeds Rs. 1,000 in each case, are subject to the confirmation of the Conservator, and in other cases to that of the District Forest Officer, subject to the following conditions :—

(*i*) That the rate realised in a sale does not fall short of the average of the three previous sales by more than 5 per cent or is more than that realised at the previous sales.

(*ii*) That the power of confirming sales up to the limit of Rs. 1,000 shall be exercised only in the case of timber.

(*iii*) That the confirmation of sales is ordered by the District Forest Officers only after the payment of the full purchase money.

5. After conclusion of the sale, each purchaser will be furnished with a memo, showing the total value and the purchase made by him. Thereupon, each purchaser shall pay ten per cent of the amount in cash to the officer conducting the sale and obtain in return from him a receipt vouching for the payment of the one-tenth value as well as the initial deposit of Rs. 200. Should any purchaser fail to comply with this rule, the initial deposit of Rs. 200 shall at once be forfeited to Government and the officer conducting the sale shall be at liberty to resell the timber purchased by such defaulter who shall be required to make good any loss, but shall not participate in any profit from such resale. The amount due by such defaulter on account of loss from resale shall be recovered from him as a revenue demand under Section 79 of the Mysore Forest Act. In calculating such losses, the initial deposit forfeited to Government shall not be taken into account.

In cases of resales for default of payment of value where no bidders are forthcoming, it will be open to the District Forest Officer to fix such price as may appear to him to be reasonable and to proceed for the recovery from the defaulter of the balance, if any, after deducting the price so fixed from the original sale amount. A registered notice should be issued to the defaulter intimating the price fixed by the District Forest Officer for the unsold wood and the amount still due from him which will be recovered as arrears of land revenue.

6. The deposits tendered by the unsuccessful bidders shall be returned immediately after the sales are concluded, those of the successful bidders being lodged in the Savings Bank as security deposit.

7. The full value of all timber purchased shall be paid for within 30 days after the date of sale or within 15 days after the date of notice of confirmation of the sale, whichever is later. In the case of purchases of above Rs. 1,000 in value, the purchaser shall be permitted to pay up the balance in instalments of not less than Rs. 1,000 provided the full value is paid not later than the 15th May 1940. The money shall be paid into such treasury as the District Forest Officer may direct within the time specified.

8. If the amount is not fully paid for by the purchaser before the dates fixed above, the initial deposit as well as the other moneys already paid in shall be forfeited to Government and all or any portion of the timber not fully paid for shall be resold at the risk of the purchaser in the manner prescribed for default of payment of one-tenth value in clause 5 *supra*. Interest at 6¼ per cent per annum will be levied on all arrears of amounts which are permitted to be paid after the due date.

9. No timber lot shall be permitted to be removed by the purchaser unless it has been paid for in full, calculated at the rates at which the timber is knocked down to him at the time of sale, excluding the 10 per cent deposit paid for the lot at the time of the sale, and no timber shall be removed from the depot unless a permit is obtained from the Forest Officer in charge of the depot. The earnest money will not be adjusted towards the value of timber until 90 per cent of the purchase money over and above the security deposit has been paid.

10. Timber purchased should be removed as early as possible, and in no case should it be allowed to remain longer than 90 days after the dates fixed in clause 7 *supra*. Timber not removed after purchase will remain in the depot at the risk of the purchaser from the date of the confirmation of the sale.

11. If the timber is not removed within the time allowed, the same may, after ten days' notice to the purchaser, be sold in public auction and the proceeds will be given to the purchaser after defraying all the expenses in connection with the resale.

12. The deposit of Rs. 200 will remain as security for the due fulfilment of all and every one of the terms of sale, on the breach of any of which by the purchaser, the District Forest Officer shall be entitled to forfeit the deposit in whole or in part and in the event of such forfeiture, the sum so forfeited shall be immediately made good by the purchaser, so long as the transaction is not finally

closed. The security deposit or the balance thereof, if any, shall be returned to the purchaser after the full value of timber purchased has been paid for and the timber fully removed.

Notification dated the 13th December 1939.

Under Section 40 of the Mysore Forest Act, notice is hereby given for general information that the following quantities of timber found unclaimed in the places noted against them are kept in the custody of the persons noted against each. Persons having any claim to the above timber may present a written statement of claim to the District Forest Offices, Mysore Division, Mysore, within a month from the date of publication of the notification, failing which, the ownership of the timber shall vest in Government free from all encumbrances under Section 42 of the Mysore Forest Act.

Name of Range	Place at which the timber was found	Kind of timber	Dimensions	With whom the timber is kept
Heggaddevankote Range.	On the bank of Kabbini River near Kittur.	Nandi	19′-3″×8′-4″×83 C.ft. (Bears mark T.K.A. 920.)	In the custody of the Patel of Kittur.

M. G. VENKATA RAO,
District Forest Officer.

ENGINEERING DEPARTMENT.

BUILDINGS DIVISION, BANGALORE.

Notification dated 30th December 1939.

Notice is hereby given that sealed tenders will be received up to 2 P.M., on 22nd January 1940 at the Office of the Executive Engineer, Buildings Division, Bangalore, for "running a Hindu Restaurant in the tiffin rooms attached to the District Office, Bangalore, for one year and five months, *i.e.*, from 1st February 1940 to 30th June 1941.

2. The period may be extended to three years at the discretion of Government on the basis of satisfaction being given by the lessee.

3. Tenders should be accompanied by an earnest money of Rs. 200 in cash and should be superscribed "Tender for running a Hindu Restaurant in the tiffin rooms of District Office, Bangalore."

4. The monthly rate of rent offered should be written both in words and figures and the same shall be paid always in advance by the 5th of each month.

5. No delay in payment of rent will be countenanced. Default in payment will involve cancellation of contract and forfeiture of deposit amount.

6. No alterations shall be effected in the building without obtaining permisssion of proper authorities beforehand. The club and its surrounds shall be kept neat and tidy. The proprietor shall be responsible for all the electrical and other fittings in the building.

7. He will provide his own stock of decent furniture and pay for light, electric, water, sanitary cess bills together with the Municipal taxes for the premises.

8. The right of running the club shall not be sublet or transferred.

9. The acceptance of tender lies with the Superintending Engineer, Mysore Circle, Mysore. His orders will be final and legally binding.

10. The name of the successful tenderer will be put up on the notice board by the end of January and the earnest money of the unsuccessful tenderers will be refunded on application.

11. The building shall not be used for dwelling purposes. Needful provision will be made for drawing electric power in the kitchen. Electric cooking ranges should be installed by the tenderer. He should put the necessary platforms and lead the smoke to the chimney.

12. The proprietor shall employ properly clothed and trained attendants and shall be bound to supply clean and wholesome preparations. The equipment of furniture will be on lines approved by Government.

M. K. RAJAM IYENGAR,
Executive Engineer.

BUREAU OF SANITARY ENGINEERING, BANGALORE.

Notification dated 22nd December 1939.

Notice is hereby given that sealed tenders will be received at the Office of the Sanitary Engineer, Bureau of Sanitary Engineering, Bangalore, up to 1 P.M. on 15th January 1940, for Labour portion of the work for laying pipe lines for Improving Water Supply to the extension of Mandya Town. An approximate estimate of quantities is given below. These quantities are not guaranted. The work should be completed by the end of June 1940.

2. The plans, detailed estimate and conditions may be seen at the Sanitary Engineer's Office between the hours of 11 A.M. and 5 P.M. on all office days.

3. Tenders should be submitted on printed forms which can be had on payment of four annas per each form. No tender not submitted in the prescribed form will be accepted, which may be obtained from the Sanitary Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of Rs. 50 in cash (no cheques will be accepted) as earnest money, and be superscribed "Tender for labour portion of the Work for Improving the Water Supply to the extension of Mandya Town," in default of which the tenders will be rejected.

5. The final acceptance of the tender will rest with the Sanitary Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond, in default of which his tender will be considered cancelled and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the Notice Board in the Sanitary Engineer's Office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

9. Charges on account of scaffolding materials, implements for setting out, barricading, clearing site, supply of water, etc., that may be found necessary during execution will not be paid for separately but should be borne by the contractor.

10. Rates for non-tendered and non-estimated items shall be as per schedule rates of the Department or those fixed by the Sanitary Engineer after working out data with not more than 10 per cent for contractor's profit.

11. In all matters not specifically provided for and in all matters of disputes about rates, quantities, measurements, quality of works, etc., and in all disputes of any kind, the decision of the Sanitary Engineer will be final and legally binding.

Estimate of the approximate quantities for labour portion of the work in laying pipe lines for improving water supply to the extension, Mandya Town.

K. S. HUTCHA RAO,
Sanitary Engineer.

KOLAR DIVISION.

Notification dated 30th December 1939.

1. Sealed tenders will be received at the Office of the Executive Engineer, Kolar Division, up to 2 P.M. on 26th January 1940, for construction of Sri Sappalammadevaru Temple at Thornahalli Village, Malur Taluk.

2. Tenders in the prescribed form obtainable from the Office of the Executive Engineer, Kolar Division, should be addressed to the Executive Engineer, Kolar Division, in a sealed cover and superscribed as "Tender for Sri Sappalammadevaru Temple." The name of the tenderer should also be superscribed on the top of the cover.

3. Each tender must be accompanied by a treasury challan for earnest money of Rs. 195, paid to the treasury to the credit of "17 (*a*) P. W. Deposits," against the account of the Executive Engineer, Kolar Division. The earnest money of the successful tenderer will be retained, as security for the due fulfilment of the contract. Such a deposit in cash will not carry any interest.

4. The tenders will be opened in the presence of such tenderers who wish to be present on 26th January 1940 at Kolar. The final acceptance of the tender will rest with the Executive Engineer, who does not bind himself to accept the lowest or any tender, or to assign any reason whatever for the rejection of any.

5. The name of the successful tenderer will be posted on the Notice Board in the Executive Engineer's Office in due course. Within eight days of the acceptance of the tender, the successful tenderer will be required to execute an agreement in the departmental Schedule Contract Form, for the due fulfilment of the contract, and for the execution of all items of work in accordance with the Bombay Specifications. A reserve of 5 per cent will be withheld in the work bills of the contractor and the same repaid after the due fulfilment of the contract.

6. Failure to comply with the condition 5 above or to agree to carry out the work in accordance with the specifications and agreements in force will entail forfeiture of the earnest money.

7. The earnest money of rejected tenders will be returned on submission of the receipt originally granted, along with an application to the Executive Engineer.

8. Copies of contract documents, schedules and drawings, may be seen at any time at the Executive Engineer's Office, Kolar, on all working days between 11 A.M. and 5 P.M.

9. Specific rates should be given for each item in the schedule accompanying the tender and the rates should be in rupees, annas and pies and expressed in words and figures. Tenders offering a percentage reduction on the estimate amount will be rejected.

10. Any rates or lumpsum amounts for the items not called for, if tendered by the tenderer, will not be taken notice of. The rates for such items may be entered in a separate schedule with date and reasons for the same. When lumpsum provisions are shown in the schedule of quantities the contractor will be paid at either his tendered rate for each item or the prevailing schedule of rates in the Division at the discretion of the Executive Engineer.

11. No alterations which are made by the tenderers in the tender form in the nomenclature of the items of work will be recognised and if corrections are made, the tenders are liable to rejection.

12. There should be no alterations or erasures in the tenders in the rates of items and any corrections made in the rates should be attested to, and the number of corrections, if any, in each page noted at the foot of the same by the tenderer.

13. No reference should be made to the Public Works Department schedule of rates.

14. In the event of the tender being submitted by a firm, it must be signed separately and severally by each member thereof or in the event of absence of any partner, it must be signed on his behalf by a person holding power-of-attorney authorising him to do so.

15. When once the rates tendered have been accepted, they will not be revised under any circumstances. In regard to items of work not tendered, the rates for the same will be calculated by the Executive Engineer on the basis of current rates for materials and labour with a contractor's profit of 5 per cent as may be approved by the Superintending Engineer. This shall be final and legally binding on the tenderer.

16. The quantities given in the schedule are only approximate and the drawings shown to the contractor are only tentative and are liable to alterations, omissions, deductions or additions, at the discretion of the Executive Engineer or his representative. The tendered rates will hold good for any quantity, whether higher or lower than those given in the enclosed schedule.

17. The works should be completed and handed over in a tidy condition to the Public Works Department by the end of September 1940, failing which the Executive Engineer may, at his discretion, levy a penalty of Rs. 5 per day which will ordinarily be calculated at 12 per cent per annum on the total outlay as liquidated damages for non-fulfilment of contract, and will be recovered from the contractor's outstandings for the period exceeded by him beyond the time fixed and until the work is completed and handed over.

18. In all matters of disputes of any kind not specially provided for in the agreement or of rates, penalties, measurements, quality of work, etc., the decision of the Chief or the Superintending Engineer shall be final and legally binding.

19. No claim for damages for delays caused by officers of the department in the execution of the work will be considered, whatever may be the reasons for such delays. Contractors should bear this in mind when tendering for the work. Extension of time due to delays caused by the departmental officers will, however be considered on the merits of each case.

20. The contract should not be sublet.

21. All materials, tools and plant and machinery that will be supplied by the Executive Engineer in the interest of the work shall be accepted by the tenderer at the rates fixed by the Executive Engineer. The tenderer will pay the hire on tools and plant and machinery as per rules from the date of taking over of such machinery, tools and plant from the Stores to the date of return thereto, the dates considered being the dates of acknowledgments of the vouchers in each transaction.

22. The contractor should arrange for the payment of royalty and tolls.

Note.—(*a*) The contractor should at his own cost—

(1) Provide rods, stakes, ropes and labour required in setting out the works.
(2) Provide all necessary scaffolding, centering, labour and appliances for hoisting.
(3) Provide mortar mills and sheds, to keep materials under cover and also for workmen
(4) Arrange for protecting work during inclement weather.
(5) Supply requisite temporary lights, water cisterns, water pumps and hoses, sieves, parahs, shoring, strutting and other requisite protective appliances during the progress of the work.
(6) Supply all water required for work and workmen and shall provide temporary latrines and drains.
(7) Clean away all dirt, rubbish, superfluous materials and debris as they accumulate.
(8) Provide arrangements for pumping and baling of water from excavations and foundations wherever and whenever necessary with his own pumping apparatus including necessary leading drains, slump pits, etc.
(9) Afford facilities to any other parties employed upon the work by the P. W. D., so that their work may proceed during the progress of the contract, and give such persons the use of ordinary scaffolding and ladders.
(10) The contractor is responsible for all accidents to workmen, etc., on the work and he must take precaution against all risk of accidents and if necessary provide for the same by insurance at the proper time.

Note.—(*b*) It is the business of the contractor to make his own arrangements for quarries and supplies of materials.

N.B.—Copies of tenders in the prescribed form are otbainable from the Office of the Executive Engineer, Kolar Division, Kolar, only on a payment of four annas per form.

Abstract of quantities for constructing Soppalammadevaru Temple at Thornahalli Village, Malur Taluk.

No.	Items of work	Unit	Rate	Quantity	Rate to be offered
			Rs. a. p.		Rs. a. p.
1	Earthwork excavation for foundation and filling in basement including tamping, etc., complete	C.yd.	0 3 0	62	
2	Burnt stone jelly concrete in lime mortar for foundation	C.ft.	0 3 6	568	
3	Size stone in mortar, to foundation and basement with necessary bond stones 6 feet apart ..	,,	0 4 0	1,204

C. R. IYENGAR,
Executive Engineer.

TUMKUR DIVISION.

Notification dated 2nd January 1940.

Notice is hereby given that sealed tenders will be received at the Office of the Executive Engineer, Tumkur Division, up to 2 P.M. on 22nd January 1940, for Restoring Kalkote Tank Register No. 19, Sira Taluk of Tumkur District. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of December 1940.

2. The plans, detailed estimate and conditions may be seen at the Executive Engineer's Office at Tumkur between the hours of 11 A.M. and 5 P.M.

3. Tenders should be submitted on printed forms which may be obtained on payment of annas four for each form from the Executive Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a treasury chellan for Rs. 450 credited to "17 (*a*) P. W. Deposits," as earnest money, and be superscribed "Tender for Restoring Kalkote Tank, Register No. 19, Sira Taluk," in default of which, tenders will be rejected.

5. The final acceptance of any tender will rest with the Executive Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender the successful competitor will be required to execute the usual contract bond, in default of which his tender will be considered cancelled and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the Notice Board in the Executive Engineer's Office in due course. No enquiry regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders the earnest money on rejected tenders will be returned.

9. Rates once tendered will not be enhanced on any account.

10. Rates for non-tendered and non-estimated items shall be as per current schedule rates of the Department or those fixed by the Executive Engineer after working out data with not more than 10 per cent for contractor's profit.

11. In all matters not specifically provided for and in all matters of dispute about rates, quantities, measurements, quality of works, etc., and in all disputes of any kind, the decision of the Executive Engineer will be final and legally binding.

12. Quotations must be given in words, as well as in figures and they must be in specific term of unit shown against each item of work. Any quotation quoted at so much percentage less or more than the estimated rate will not be accepted.

P. RAJAGOPALAN,
Executive Engineer.

BUREAU OF SANITARY ENGINEERING, BANGALORE.

Notification dated 2nd January 1940.

Notice is hereby given that sealed tenders will be received at the Office of the Sanitary Engineer, Bureau of Sanitary Engineering, Bangalore, up to 1 P.M. on 22nd January 1940, for constructing drains in Konanur Town for the year 1939-40. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of June 1940.

2. The plans, detailed estimate and conditions may be seen at the Sanitary Engineer's Office between the hours of 11 A.M. and 5 P.M. on all office days.

3. Tenders should be submitted on printed forms which may be obtained from the Sanitary Engineer on a payment of annas four per form. No tender not in the prescribed form will be accepted. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of Rs. 215 in cash (no cheques will be accepted) as earnest money, and be superscribed "Tender for Constructing Drains in Konanur Town for the year 1939-40," in default of which the tenders will be rejected.

5. The final acceptance of the tender will rest with the Sanitary Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond, in default of which his tender will be considered cancelled and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the Notice Board in the Sanitary Engineer's Office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

9. Charges on account of scaffolding materials, implements for setting out, barricading, clearing site, supply of water, etc., that may be found necessary during execution will not be paid for separately but should be borne by the contractor.

10. Rates for non-tendered and non-estimated items shall be as per schedule rates of the Department or those fixed by the Sanitary Engineer after working out data with not more than 10 per cent for contractor's profit.

11. In all matters not specifically provided for and in all matters of disputes about rates, quantities, measurements, quality of works, etc., and in all disputes of any kind, the decision of the Sanitary Engineer will be final and legally binding.

Estimate of the approximate quantities for constructing drains in Konanoor Town, during the year 1939-40.

Sl. No.	Particulars	Unit	Quantity	Rate
				Rs.
1	Constructing sylk pattern drains with burnt stone slab cheeks 3″ to 4″ thick, roughly dressed, on 3″ surki concrete and 1½″ thick cement concrete bed and forming central gutter portion with cement concrete in the proportion of 1 : 2 : 4 and surface plastered with ½″ thick cement mortar (1 : 3) and joints of slabs cement pointed including earth excavation and filling, etc., complete as per design of 3″ section	R.ft.	4,347	
	Do of 4″ (1) section	(Rate per R.ft. to be quoted).		
2	Constructing L shaped drain with 1½′ width of 3″ thick-old burnt stone slabs for the bed and side over 9″× 4½″ surki concrete bed at the vertex of the angle of the slabs with cement concrete fillet of about 3″ thickness for the longitudinal joints of the slabs and cement plastering the concrete and cement pointing the cross joints including earth work, etc., as per design	R.ft.	520	
	II. Constructing tunnels at junctions of roads.			
1	Earthwork excavation	C.yd.	12	
2	Surki concrete	C.ft.	27	
3	New size stone in surki mortar	,,	162	
4	Cement pointing to stone masonry	Sqr.	1.08	
5	Providing and fixing new covering slabs 6″ thick, roughly dressed	S.ft.	288

K. S. HUTCHA RAO,
Sanitary Engineer.

MEDICAL DEPARTMENT.

DISTRICT HOSPITAL, TUMKUR.

Tender Notice dated 30th December 1939.

1. Notice is hereby given that sealed tenders, in triplicate, on half-sheet foolscap size paper, will be received at the Office of the District Medical Officer, Tumkur, by the undersigned at 11 A.M. on Thursday the 25th January 1940, for the supply of articles of Bedding and Clothing required for the use of the District and Maternity Hospitals, Tumkur, during the year 1940-41.

2. No tender will be received after the date and hour abovementioned.

3. Tenders are to be superscribed "Tender for the supply of Bedding and Clothing to the District Hospital and Maternity Hospital, Tumkur."

4. No tender will be received unless accompanied by a deposit of Rs. 50 in treasury receipt.

5. Tenders will be opened by the District Medical Officer, Tumkur, on the date and at the hour abovementioned in the presence of such tenderers, as may choose to attend.

6. The rate of each item must be specified in figures as well as in words, and they must be for the particular kind or brand of the articles as specified in the list appended below. The value of each tender must be worked out according to the rates tendered and the total value must also be entered in ink. Tenders not conforming to this rule will be rejected.

7. The quantities stated in the list are not guaranteed.

8. The Senior Surgeon does not bind himself to accept the lowest or any other tender or to assign any reason for not accepting any tender. He may also accept one or more items in any one tender without accepting the other item or items.

9. The deposit of the successful tenderer will be returned after the whole quantity of linen supplied. The linen should be supplied within a month from the date of receiving information of the acceptance of his tender.

10. No advance of cash will be made to the contractor; payment will be made as early as possible on his producing the necessary bill for the whole quantity supplied.

11. In case the contractor fails to comply with the order given to him, he shall forfeit the deposit money to Government and also bound to make good to Government any loss which may arise from such occasion, which shall be recoverable as Land Revenue arrears.

12. All articles should be according to the hospital samples, which will be available for inspection at the hospitals and should be of superior quality.

13. Clothing materials should be shrunk before they are given for stitching.

14. A fine up to the extent of Rs. 50 will be levied by the undersigned for any infringement of the terms of the contractor or for the supply of inferior articles.

Sl. No.	Name of article	Probable quantity required	Specifications

GOVERNMENT OF MYSORE, STORES PURCHASE COMMITTEE, BANGALORE.

No. S. P. C. 20032-49, *dated 2nd January* 1940.

To

The Firms dealing in Copper Wire.

Enquiry No. 3835.

HARD DRAWN BARE COPPER WIRE.

GENTLEMEN,

I write to request you to quote your best price and the earliest time of delivery for the following material :—

18,000 lbs. of No. 8 S.W.G. or 6 B. & S. solid, bare, hard drawn copper wire.

The above wire shall fully conform to the latest B.S.S. or A.I.E.E. Standards and it shall be supplied in continuous lengths of not less than half a mile each, packed in coils and well protected with felt or Hessain wrapper. It will have to be tested before despatch as specified in B.S.S. No. 125—1930 and certified copies thereof submitted along with the supply.

Tenderers shall furnish along with their quotations full specifications of the wire offered along with the following particulars without which no quotation will be considered.

Particulars.

(1) Diameter.
(2) Cross-section in Sq. Inches.
(3) D.C. Resistance per 1,000 ft. of conductor at 20°C.
(4) Do do at 60°C.
(5) Weight per mile.
(6) Length of wire per coil.

The price to be quoted should be in Indian currency and for delivery c.i.f., Madras.

The base metal price on which your price is based should be specified in the tender.

The quotations should hold good for one week from the closing date of the enquiry specified below.

This enquiry will close on the 5th February 1940.

No. S. P. C. 20432-8, *dated* 30*th December* 1939.

To

The Firms dealing in Treasury Weighing Scales.

Enquiry No. 3840.

TREASURY WEIGHING SCALES.

DEAR SIR/GENTLEMEN,

Please be good enough to intimate your best prices and the earliest time of delivery for the materials described in the attached schedule.

It should be distinctly understood that the acceptance by us of your quotation will be subject to the following conditions :—

Withdrawal from the quotation after it is accepted or failure to make the supply within the specified time or according to specifications will entail cancellation of the order and purchases being made at your expense from other sources in addition to the levy of a penalty of 3 per cent of the value of the order as and by way of liquidated damages. In such an event, the Stores Purchase Committee reserve the right to remove your name from the list of approved firms.

The quotations should be superscribed "Quotations for Treasury Weighing Scales" with the above enquiry Number.

This enquiry will be closed on the 15th January 1940.

Schedule.

Item No.	Description of material offered	Quantity	Price quoted F. O. R.	Time of delivery
1	100 Rupee Weighing Scales, brass	5	*Bangalore.*

Remarks.—Quantity more or less.

N.B.—(1) The cubical contents of heaps are only rough which includes saw dust also and should be accepted at the advertised quantity. No responsibility can be taken for measuring them and for its watch and ward after the date of confirmation of sale. The purchasers should therefore pay the full value and remove the parodes immediately the sale confirmation orders are received.

Notification dated 30th December 1939.

The undermentioned quantities of timber will be sold by public auction by the District Forest Officer, Mysore Division, Mysore, or any other officer deputed by the District Forest Officer, Mysore, at 2 P.M. on the dates noted against each under the following conditions:—

Name of Depot	Date of sale	Teak	Honne	Mathi	Bite	Other kinds
		C.ft.	C.ft.	C.ft.	C.ft.	C.ft.
1. Saragur (Ainurmarigudi Range).	8th February 1940 ..	2 500	350	200	..	100
2. Ramanathapur (Hunsur Range).	25th January 1940 ..	5	..	5	77	18

Remarks:—More or less.

N.B.—If the sale is not concluded on the day notified it will be continued and concluded on the next day.

Conditions.

1. Each bidder shall place a deposit of Rs. 200 with the officer conducting the sale but defaulters to the department will not be allowed to bid at the sales.

In the case of purchases not exceeding Rs. 200 in value, this initial deposit of Rs. 200 need not be insisted upon, provided that the full purchase money is paid on the spot.

2. Any person bidding at the sale may be required by the officer conducting the sale to state whether he is bidding on his own behalf or as an agent, and in the latter case, to produce a written authority duly signed by the principal.

3. Subject to the minima prices fixed in each case by the Chief Conservator of Forests (which will not be divulged), the highest bidder shall ordinarily be the purchaser, but the officer conducting the sale can reject any bid or stop the sale at any stage without assigning any reason to the intending purchasers. Should any lot be disputed, it shall again be put up and sold.

4. Immediately after the lot is knocked down to him, the successful bidder shall sign his name opposite the number and specification of the lot bought by him in a book provided for the purpose. Such signature shall be held as admission on his part of having bought such lot and of having accepted the terms of the sale as herein specified. All sales of which the amount exceeds Rs. 1,000 in each case are subject to the confirmation of the Conservator, and in other cases to that of the District Forest Officer, subject to the following conditions :—

(1) That the rate realised in a sale does not fall short of the average of the three previous sales by more than 5 per cent or is more than that realised at the previous sales.

(2) That the power of confirming sales up to the limit of Rs. 1,000 shall be exercised only in the case of timber.

(3) That the confirmation of sales is ordered by the District Forest Officers only after the payment of the full purchase money.

5. After conclusion of the sale, each purchaser will be furnished with a memo, showing the total value and the purchase made by him. Thereupon, each purchaser shall pay 10 per cent of the amount in cash to the officer conducting the sale and obtain in return from him a receipt vouching for the payment of one-tenth value as well as the initial deposit of Rs. 200. Should any purchaser fail to comply with this rule, the initial deposit of Rs. 200 shall at once be forfeited to Government and the officer conducting the sale shall be at liberty to resell the timber purchased by such defaulter who shall be required to make good any loss, but shall not participate in any profit from such resale. The amount due by such defaulter on account of loss from resale shall be recovered from him as a revenue demand under Section 79 of the Mysore Forest Act. In calculating such losses, the initial deposit forfeited to Government shall not be taken into account.

In cases of resales for default of payment of value where no bidders are forthcoming, it will be open to the District Forest Officer to fix such price as may appear to him to be reasonable and to proceed for the recovery from the defaulter of the balance, if any, after deducting the price so fixed from the original sale amount. A registered notice should be issued to the defaulter intimating the price fixed by the District Forest Officer for the unsold wood and the amount still due from him which will be recovered as arrears of land revenue.

6. The deposits tendered by the unsuccessful bidders shall be returned immediately after the sales are concluded, those of the successful bidders being lodged in the Savings Bank as security deposit.

7. The full value of all timber purchased shall be paid for within 30 days after the date of sale or within fifteen days after the date of the notice of confirmation of the sale, whichever is later. In the case of purchasers of above Rs. 1,000 in value, the purchaser shall be permitted to pay up the balance in instalments of not less than Rs. 1,000 provided the full value is paid not later the 15th May 1940. The money shall be paid into such treasury as the District Forest Officer may direct within the time specified.

8. If the amount is not fully paid for by the purchaser before the dates fixed above, the initial deposit as well as the other moneys already paid in shall be forfeited to Government and all or any portion of the timber not fully paid for shall be resold at the risk of the purchaser in the manner prescribed for default of payment of one-tenth value in clause 5 *supra*. Interest at 6¼ per cent per annum will be levied on all arrears of amounts which are permitted to be paid after the due date.

9. No timber lot shall be permitted to be removed by the purchaser unless it has been paid for in full, calculated at the rates at which the timber is knocked down to him at the time of sale, excluding the 10 per cent deposit paid for the lot at the time of the sale, and no timber shall be removed from the depot, unless a permit is obtained from the Forest Officer in charge of the depot. The earnest money will not be adjusted towards the value of timber until 90 per cent of the purchase money over and above the security deposit has been paid.

10. Timber purchased should be removed as early as possible, and in no case should it be allowed to remain longer than 90 days after the dates fixed in clause 7 *supra*. Timber not removed after purchase will remain in the depot at the risk of the purchaser from the date of the confirmation of the sale.

11. If the timber is not removed within the time allowed, the same may, after ten days' notice to the purchaser, be sold in public auction and the proceeds will be given to the purchaser after defraying all the expenses in connection with the resale.

12. The deposit of Rs. 200 will remain as security for the due fulfilment of all and every one of the terms of sale, on the breach of any of which by the purchaser, the District Forest Officer shall be entitled to forfeit the deposit in whole or in part and in the event of such forfeiture, the sum so forfeited shall be immediately made good by the purchaser so long as the transaction is not finally closed. The security deposit or the balance thereof, if any, shall be returned to the purchaser after the full value of timber purchased has been paid for and the timber fully removed.

M. G. VENKATA RAO,
District Forest Officer.

HASSAN DISTRICT.

Notification dated 2nd January 1940.

It is hereby notified for general information that the exclusive right of collecting Tangadi and Kakke barks on all Government unoccupied lands and State Forests of the following taluks in the Hassan District from the date the successful bidders are permitted to so collect to 30th June 1941

will be sold by public auction, by the District Forest Officer, Hassan District, at the District Forest Office, Hassan, at 2 P.M. on Monday the 29th January 1940.

1. Hassan Taluk.
2. Manjarabad Taluk.
3. Arakalgud Taluk.
4. Holenarsipur Taluk.
5. Alur Sub-Taluk.

The confirmation of the sale rests with the Conservator of Forests or the Chief Conservator of Forests as the case may be.

For further conditions, etc., please refer to the detailed notification No. E. 247-964-38, dated 26th September 1939, published in page Nos. 1996-1999 of the *Mysore Gazette*, Part VI, dated 28th September 1939.

D. NARASIMHANOORTHY RAO,
District Forest Officer.

SHIMOGA FOREST DIVISION.

Abstract Notification dated the 16th December 1939.

Attention of the public is invited to this Office Notification, dated the 16th December 1939, published on pages 2568-2569 of Part VI of the *Mysore Gazette*, dated 21st December 1939, calling for sealed tenders for the supply of Elephant accoutrements to this Division.

	Total ..	40,500	..	..	..	..	

N.B.—The quantities noted are approximate.

Conditions.

1. Each bidder shall place a deposit of Rs. 200 with the officer conducting the sale. But defaulters to the department will not be allowed to bid at the sales.

In the case of purchasers of timber not exceeding Rs. 200 in value, this deposit will not be insisted upon, provided that the full purchase money is paid in cash on the spot.

2. Any person bidding at the sale may be required by the officer conducting the sale to state whether he is bidding on his own behalf or as an agent, and in the latter case, to produce a written authority duly signed by the principal.

3. The highest bidder shall ordinarily be the purchaser, but the officer conducting the sale can reject any bid or stop the sale at any stage without assigning any reason to the intending purchasers.

4. Immediately after the lot is knocked down to him, the successful bidder shall sign his name opposite the number and specification of the lot bought by him in a book provided for the purpose. Such signature shall be held as admission on his part of having bought such lot and of having accepted the terms of the sale as herein specified. The sale is subject to the confirmation of the Conservator of Forests if the amount exceeds Rs. 1,000.

5. After conclusion of the sale, each purchaser shall pay 10 per cent of the amount in cash to the officer conducting the sale and obtain in return from him a receipt vouching for the payment of the one-tenth value as well as the initial deposit of Rs. 200. Should any purchaser fail to comply with this rule, the initial deposit of Rs. 200 shall at once be forfeited to Government and the officer conducting the sale shall be at liberty to re-sell the timber purchased by such defaulter who shall be required to make good any loss, but shall not participate in any profit from such resale. The amount due by such defaulter, on account of loss from resale, shall be recovered from him as a revenue demand under Section 79 of the Mysore Forest Act. In calculating such losses, the initial deposit forfeited to Government shall not be taken into account.

In case of resales for default of payment of value where no bidders are forthcoming, it will be open to the District Forest Officer to fix such price, as may appear to him to be reasonable and to proceed for the recovery from the defaulter of the balance, if any, after deducting the price so fixed from the original sale amount. A registered notice should be issued to the defaulter intimating the price fixed by the District Forest Officer for the unsold wood and the amount still due from him which will be recovered as arrears of land revenue.

6. The deposits tendered by the unsuccessful bidders shall be returned immediately after the sales are concluded, those of successful bidders being lodged in the Savings Bank as security deposit.

7. The full value of all timber purchased shall be paid for within thirty days after the date of sale or within fifteen days after the date of the notice of confirmation of the sale, whichever is later. In case of purchases of above Rs. 1,000 in value, the purchaser shall be permitted to pay up the balance in instalments of not less than Rs. 1,000 provided the full value is paid not later than 15th May 1940. The money shall be paid into such treasury as the District Forest Officer may direct within the time specified.

8. If the amount is not fully paid for by the purchaser before the dates fixed above, the initial deposit as well as the other moneys already paid in shall be forfeited to Government and all or any portion of the timber not fully paid for shall be resold at the risk of the purchaser, in the manner prescribed, for default of payment of one-tenth value in clause 5 *supra*.

9. No timber lot shall be permitted to be removed by the purchaser unless it has been paid for in full, calculated at the rates at which the timber is knocked down to him at the time of sale, including the 10 per cent deposit paid for the lot at the time of the sale, and no timber shall be removed from the depot unless a permit is obtained from the Forest Officer in charge of the depot. The earnest money will not be adjusted towards the value of timber until 90 per cent of the purchase money over and above the security deposit has been paid.

10. Timber purchased should be removed, as early as possible, and in no case should it be allowed to remain longer than 90 days after 30th June 1940. Timber not removed after purchase will remain in the depot at the risk of the purchaser from the date of the confirmation of the sale.

11. If the timber is not removed within the time allowed, the same may, after ten days' notice to the purchaser, be sold in public auction and the proceeds will be given to the purchaser after defraying all the expenses in connection with the resale.

12. The deposit of Rs. 200 will remain as security for the due fulfilment of all and every one of the terms of sale, for the breach of any of which by the purchaser, the District Forest Officer shall be entitled to forfeit the deposit in whole or in part and in the event of such forfeiture, the sum so forfeited shall be immediately made good by the purchaser so long as the transaction is not finally closed. The security deposit or the balance thereof, if any, shall be returned to the purchaser after the full value of timber purchased has been paid for and the timber fully removed.

13. Interest will be charged on all belated payments from the date of their falling due up to the date of payment at 6¼ per cent per annum.

M. A. MUTHANNA,
District Forest Officer.

BHADRAVATI DIVISION.

Notification dated 8th January 1940.

The undermentioned quantities of timber will be sold by public auction under the following conditions at the following depots by the District Forest Officer or other officer deputed by him for the purpose on the dates noted below :—

Name of depot	Teak	Date of sale
	C.ft.	
Channagiri	5,000	5th February 1940.
Ubrani	2,000	8th February 1940.

The above quantities are only approximate.

N.B.—The sale will be held from 2 P.M.

Conditions.

1. Each bidder shall place a deposit of Rs. 200 with the officer conducting the sale, but defaulters to the department will not be allowed to bid at the sales.

In the case of purchasers of timber not exceeding Rs. 200 in value, full value thereof will be accepted if tendered on the spot and the payment of deposit in such cases will not be insisted upon.

2. Any person bidding at the sale may be required by the officer conducting the sale to state whether he is bidding on his own behalf or as an agent, and in the latter case, to produce a written authority duly signed by the principal.

3. The highest bidder shall ordinarily be the purchaser, but the officer conducting the sale can reject any bid or stop the sale at any stage without assigning any reason to the intending purchasers.

4. Immediately after the lot is knocked down to him, the successful bidder shall sign his name opposite the number and specification of the lot bought by him in a book provided for the purpose. Such signature shall be held as admission on his part of having bought such lot and of having accepted the terms of the sale as herein specified. All sales of which the amount exceeds Rs. 1,000 in each case is subject to the confirmation of the Conservator and in other cases to that of the District Forest Officer.

5. After conclusion of the sale, each purchaser shall pay 10 per cent of the amount in cash to the officer conducting the sale and obtain in return from him a receipt vouching for the payment of the one-tenth value as well as the initial deposit of Rs. 200. Should any purchaser fail to comply with this rule, the initial deposit of Rs. 200 shall at once be forfeited to Government and the officer conducting the sale shall be at liberty to resell the timber purchased by such defaulter who shall be required to make good any loss, but shall not participate in any profit from such resale. The amount due by such defaulter on account of loss from resale shall be recovered from him as a revenue demand under Section 79 of the Mysore Forest Act. In calculating such losses, the initial deposit forfeited to Government shall not be taken into account.

6. The deposits tendered by the unsuccessful bidders shall be returned immediately after the sales are concluded, those of successful bidders being lodged in the Savings Bank as security deposit.

7. The full value of all timber purchased shall be paid for within 30 days after the date of sale or within 15 days after the date of notice of confirmation of the sale, whichever is later. In case of purchases of above Rs. 1,000 in value, the purchaser shall be permitted to pay up the balance in instalments of not less than Rs. 1,000 provided the full value is paid not later than the 15th May 1940. The money shall be paid into such treasury as the District Forest Officer may direct within the time specified.

Ordinarily, no extension of time will be given for the payment of any amount, but if any amount is permitted to be paid after the due date, interest will be charged thereon at the rate in force.

8. If the amount is not fully paid for by the purchaser before the dates fixed above, the initial deposit as well as the other moneys already paid in shall be forfeited to Government and all or any portion of the timber not fully paid for shall be resold at the risk of the purchaser in the manner prescribed for default of payment of one-tenth value in clause 5 *supra*.

9. No timber lot shall be permitted to be removed by the purchaser unless it has been paid for in full, calculated at the rates at which the timber is knocked down to him at the time of sale excluding the 10 per cent deposit paid for the lot at the time of the sale ; and no timber shall be removed from the depot unless a permit is obtained from the Forest Officer in charge of the depot. The earnest money will not be adjusted towards the value of timber until 90 per cent of the purchase money over and above the security deposit has been paid.

10. Timber purchased should be removed as early as possible, and in no case should it be allowed to remain longer than 90 days after the dates fixed in clause 7 *supra*. Timber not removed after purchase will remain in the depot at the risk of the purchaser from the date of the confirmation of the sale.

11. If the timber is not removed within the time allowed, the same may, after ten days' notice to the purchaser, be sold in public auction and the proceeds will be given to the purchaser after defraying all the expenses in connection with the resale.

12. The deposit of Rs. 200 will remain as security for the due fulfilment of all and every one of the terms of sale, for the breach of any of which by the purchaser, the District Forest Officer shall be entitled to forfeit the deposit in whole or in part and in the event of such forfeiture, the sum so forfeited shall be immediately made good by the purchaser so long as the transaction is not finally closed. The security deposit or the balance thereof, if any, shall be returned to the purchaser after the full value of timber purchased has been paid for and the timber fully removed.

H. S. RANGACHAR,
District Forest Officer.

ENGINEERING DEPARTMENT.

BUILDINGS DIVISION, BANGALORE.

Notification dated 3rd January 1940.

Notice is hereby given that sealed tenders will be received at the Office of the Executive Engineer, Buildings Division, up to 26th January 1940, up to 2 P.M., for Constructing First Floor of Chamber of Commerce, Kempegowda Road, Bangalore City. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of June 1940.

2. The plans, detailed estimate and conditions may be seen at the Executive Engineer's Office at Bangalore, between the hours of 11 A.M. and 5 P.M.

3. Tenders should be submitted on printed forms which may be obtained from the Executive Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of rupees 1,000 (one thousand) in cash or Government Promissory Notes, as earnest money, and be superscribed "Tender for Constructing First Floor of Chamber of Commerce, Bangalore," in default of which tenders will be rejected.

5. The final acceptance of any tender will rest with the Superintending Engineer (Mysore Circle), who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond, in default of which his tender will be considered cancelled and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the Notice Board in the Executive Engineer's Office in due course. No enquiry regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

9. Rates once tendered will not be enhanced on any account.

10. Rates for non-tendered and non-estimated items shall be as per schedule rates of the department or those fixed by the Executive Engineer after working out data with not more than 10 per cent for contractor's profit.

11. In all matters not specifically provided for and in all matters of dispute about rates, quantities, measurements, quality of works, etc., and in all disputes of any kind, the decision of the Executive Engineer will be final and legally binding.

12. Quotation must be given in words as well as in figures and they must be in specific term of unit shown against each item of work. Any quotation quoted at so much percentage less or more than estimated rate will not be accepted.

Abstract estimate for Constructing the First Floor of Chamber of Commerce, Bangalore.

M. K. RAJAM IYENGAR,
Executive Engineer.

BANGALORE DIVISION.

Notification dated 4th January 1940.

1. Sealed tenders will be received at the office of the Executive Engineer, Bangalore Division, up to 2 P.M. on 27th January 1940, for restoring and improving Araladibbe Minor Tank Reg. No. 257 of Nelamangala Taluk.

2. Tenders in the prescribed form obtainable on payment of Re. 0-4-0 asper form, from the office of the Executive Engineer, Bangalore Division, should be addressed to the Executive Engineer, Bangalore Division, in a sealed cover and superscribed as "Tender for restoring and improving Araladibbe Minor Tank Reg. No. 257 of Nelamangala Taluk." The name of the tenderer should also be superscribed on the top of the cover.

3. Each tender must be accompanied by a duplicate challan for having credited into the treasury the deposit amount of Rs. 170, under 17(*a*) P. W. Deposits on Mysore Government Bonds, duly endorsed at a face value or market value, whichever is less, as earnest money. The earnest money of the successful tenderer will be retained as security deposit for due fulfilment of the contract. Such a deposit in cash will not carry any interest.

4. The tenders will be opened in the presence of such tenderers as wish to be present on 27th January 1940 at 3 P.M. The final acceptance of the tender will rest with the Executive Engineer, who does not bind himself to accept the lowest or any tender, or to assign any reason whatever for the rejection of any.

5. The name of the successful tenderer will be posted on the Notice Board in the Executive Engineer's Office in due course. Within eight days of the acceptance of the tender, the successful tenderer will be required to execute an agreement in the departmental Schedule Contract Form,

for the due fulfilment of the contract, and for the execution of all items of work in accordance with the Bombay Specifications (1931).

6. Failure to comply with the condition 5 above or to agree to carry out the work in accordance with the specifications and agreements in force, will entail forfeiture of the earnest money.

7. The earnest money of rejected tenders will be returned on submission of the receipt originally granted, along with an application to the Executive Engineer.

8. Copies of contract documents, schedules and drawings may be seen at any time at the Executive Engineer's Office, Bangalore, on all working days between 11 A.M. and 5 P.M. and may be obtained from that officer on payment of Rs. 3 for each.

9. Specific rates should be given for each item in the schedule accompanying the tender and the rates should be in rupees, annas and pies and expressed in words and figures. Tenders offering a percentage reduction on the estimate amount will be rejected.

10. Any rates or lumpsum amounts for the items not called for, if tendered by the tenderer, will not be taken notice of. The rates for such items may be entered in a separate schedule with date and reasons for the same.

11. No alterations which are made by the tenderers in the tender form in the nomenclature of the items of work will be recognised and if corrections are made, the tenders are liable to rejection.

12. There should be no alterations or erasures in the tenders in the rates of items and any corrections made in the rates should be attested to, and the number of corrections, if any, in each page noted at the foot of the same by the tenderer.

13. No reference should be made to the Public Works Department schedule of rates.

14. In the event of the tender being submitted by a firm, it must be signed separately and severally by each member thereof or in the event of absence of any partner, it must be signed on his behalf by a person holding power-of-attorney authorising him to do so.

15. When once the rates tendered have been accepted, they will not be revised under any circumstances. In regard to items of work not tendered, the rates for the same will be calculated by the Executive Engineer on the basis of current rates for materials and labour with a contractor's profit of 5 per cent as may be approved by the Superintending Engineer. This shall be final and legally binding on the tenderer.

16. The quantities given in the schedule are only approximate and the drawings shown to the contractor are only tentative and are liable to alterations, omissions, deductions or additions, at the discretion of the Executive Engineer or his representative. The tendered rates will hold good for any quantity, whether higher or lower than those given in the enclosed schedule.

17. The works should be completed and handed over in a tidy condition to the Public Works Department by the end of May 1940, failing which the Executive Engineer may, at his discretion, levy a penalty of Rs. 1-2-0 per day which will ordinarily be calculated at 12 per cent per annum on the total outlay as liquidated damages for non-fulfilment of contract, and will be recovered from the contractor's outstandings for the period exceeded by him beyond the time fixed and until the work is completed and handed over.

18. In all matters of disputes of any kind not specially provided for in the agreement or of rates, penalties, measurements, quality of work, etc., the decision of the Chief or the Superintending Engineer shall be final and legally binding.

19. No claim for damages for delays caused by officers of the department in the execution of the work will be considered, whatever may be the reasons for such delays. Contractors should bear this in mind when tendering for the work. Extension of time due to delays caused by the departmental officers will, however, be considered on the merits of each case.

20. The contract should not be sublet.

21. All materials, tools and plant and machinery that will be supplied by the Executive Engineer in the interest of the work shall be accepted by the tenderer at the rates fixed by the Executive Engineer. The tenderer will pay the hire on tools and plant and machinery as per rules from the date of taking over of such machinery, tools and plant from the Stores to the date of return thereto, the dates considered being the dates of acknowledgments of the vouchers in each transaction.

22. The contractor should arrange for the payment of royalty and tolls.

Note.—(*a*) The contractor should at his own cost—

(1) Provide rods, stakes, ropes and labour required in setting out the works.

(2) Provide all necessary scaffolding, centering, labour and appliances for hoisting.

(3) Provide mortar mills and sheds, to keep materials under cover and also for workmen.

(4) Arrange for protecting work during inclement weather.

(5) Supply requisite temporary lights, water cisterns, water pumps and hoses, sieves, parahs, shoring, strutting and other requisite protective appliances during the progress of the work.

(6) Supply all water required for work and workmen and shall provide temporary latrines and drains.

(7) Clean away all dirt, rubbish, superfluous materials and debris as they accumulate.

(8) Provide arrangements for pumping and baling of water from excavations and foundations wherever and whenever necessary with his own pumping apparatus including necessary leading drains, slump pits, etc.

(9) Afford facilities to any other parties employed upon the work by the P. W. D., so that their work may proceed during the progress of the contract, and give such persons the use of ordinary scaffolding and ladders.

(10) The contractor is responsible for all accidents to workmen, etc., on the work and he must take precaution against all risk of accidents and if necessary provide for the same by insurance at the proper time.

Note—(*b*) It is the business of the contractor to make his own arrangements for quarries and supplies of materials.

Notification dated 5th January 1940.

1. Sealed tenders will be received at the Office of the Executive Engineer, Bangalore Division, up to 2 P.M. on 27th Jannary 1940, for constructing a building for the Town Hall at Devanhalli.

2. Tenders in the prescribed form obtainable on payment of four annas per form from the Office of the Executive Engineer, Bangalore Division, should be addressed to the Executive Engineer, Bangalore Division, in a sealed cover and superscribed as "Tender for constructing a building for the Town Hall at Devanhalli." The name of the tenderer should also be superscribed on the top of the cover.

3. Each tender must be accompanied by a duplicate challan for having credited into the Treasury the deposit amount of Rs. 410 (four hundred and ten only) under 17 (a) P. W. Deposits in cash or Mysore Government Bonds, duly endorsed at face value or market value, whichever is less, as earnest money. The earnest money of the successful tenderer will be retained as security deposit for due fulfilment of the contract. Such a deposit in cash will not carry any interest.

4. The tenders will be opened in the presence of such tenderers who wish to be present on 27th January 1940 at 3 P.M. The final acceptance of the tender will rest with the Executive Engineer, who does not bind himself to accept the lowest or any tender, or to assign any reason whatever for the rejection of any.

5. The name of the successful tenderer will be posted on the Notice Board in the Executive Engineer's Office in due course. Within eight days of the acceptance of the tender, the successful tenderer will be required to execute an agreement in the departmental Schedule Contract Form, for the due fulfilment of the contract, and for the execution of all items of work in accordance with the Bombay Specifications (1931).

6. Failure to comply with the condition 5 above or to agree to carry out the work in accordance with the specifications and agreements in force will entail forfeiture of the earnest money.

7. The earnest money of rejected tenders will be returned on submission of the receipt originally granted, along with an application to the Executive Engineer.

8. Copies of contract documents, schedules and drawings may be seen at any time at the Executive Engineer's Office, Bangalore, on all working days between 11 A.M. and 5 P.M. and may be obtained from that officer on payment of Rs. 5 for each.

9. Specific rates should be given for each item in the schedule accompanying the tender and the rates should be in rupees, annas and pies and expressed in words and figures. Tenders offering a percentage reduction on the estimate amount will be rejected.

10. Any rates or lumpsum amounts for the items not called for, if tendered by the tenderer, will not be taken notice of. The rates for such items may be entered in a separate schedule with date and reasons for the same.

11. No alterations which are made by the tenderers in the tender form in the nomenclature of the items of work will be recognised and if corrections are made, the tenders are liable to rejection.

12. There should be no alterations or erasures in the tenders in the rates of items and any corrections made in the rates should be attested to, and the number of corrections, if any, in each page noted at the foot of the same by the tenderer.

13. No reference should be made to the Public Works Department schedule of rates.

14. In the event of the tender being submitted by a firm, it must be signed separately and severally by each member thereof or in the event of absence of any partner, it must be signed on his behalf by a person holding power-of-attorney authorising him to do so.

15. When once the rates tendered have been accepted, they will not be revised under any circumstances. In regard to items of work not tendered, the rates for the same will be calculated by the Executive Engineer on the basis of current rates for materials and labour with a contractor's profit of 5 per cent as may be approved by the Superintending Engineer. This shall be final and legally binding on the tenderer.

16. The quantities given in the schedule are only approximate and the drawings shown to the contractor are only tentative and are liable to alterations, omissions, deductions or additions, at the discretion of the Executive Engineer or his representative. The tendered rates will hold good for any quantity, whether higher or lower than those given in the enclosed schedule.

17. The works should be completed and handed over in a tidy condition to the Public Works Department by the end of May 1940, failing which the Executive Engineer may, at his discretion, levy a penalty of Rs. 2-12-0 per day which will ordinarily be calculated at 12 per cent per annum on the total outlay as liquidated damages for non-fulfilment of contract, and will be recovered from the contractor's outstandings for the period exceeded by him beyond the time fixed and until the work is completed and handed over.

18. In all matters of disputes of any kind not specially provided for in the agreement or of rates, penalties, measurements, quality of work, etc., the decision of the Chief or the Superintending Engineer shall be final and legally binding.

19. No claim for damages for delays caused by officers of the department in the execution of the work will be considered, whatever may be the reasons for such delays. Contractors should bear this in mind when tendering for the work. Extension of time due to delays caused by the departmental officers will, however, be considered on the merits of each case.

20. The contract should not be sublet.

21. All materials, tools and plant and machinery that will be supplied by the Executive Engineer in the interest of the work shall be accepted by the tenderer at the rates fixed by the Executive Engineer. The tenderer will pay the hire on tools and plant and machinery as per rules from the date of taking over of such machinery, tools and plant from the Stores to the date of return thereto, the dates considered being the dates of acknowledgments of the vouchers in each transaction.

22. The contractor should arrange for the payment of royalty and tolls.

Note.—(*a*) The contractor should at his own cost—

(1) Provide rods, stakes, ropes and labour required in setting out the works.
(2) Provide all necessary scaffolding, centering, labour and appliances for hoisting.
(3) Provide mortar mills and sheds, to keep materials under cover and also for workmen.
(4) Arrange for protecting work during inclement weather.
(5) Supply requisite temporary lights, water cisterns, water pumps and hoses, sieves, parahs, shoring, strutting and other requisite protective appliances during the progress of the work.
(6) Supply all water required for work and workmen and shall provide temporary latrines and drains.
(7) Clean away all dirt, rubbish, superfluous materials and debris as they accumulate.
(8) Provide arrangements for pumping and baling of water from excavations and foundations wherever and whenever necessary with his own pumping apparatus including necessary leading drains, slump pits, etc.
(9) Afford facilities to any other parties employed upon the work by the P. W. D., so that their work may proceed during the progress of the contract, and give such persons the use of ordinary scaffolding and ladders.
(10) The contractor is responsible for all accidents to workmen, etc., on the work and he must take precaution against all risk of accidents and if necessary provide for the same by insurance at the proper time.

Note.—(*b*) It is the business of the Contractor to make his own arrangements for quarries and supplies of materials.

N. LAKSHMINARASIMHAIYA,
Executive Engineer.

BUREAU OF SANITARY ENGINEERING, BANGALORE.

Abstract Notification dated 2nd January 1940.

The attention of the public is invited to the notification, calling for tenders for "Labour portion of the work in laying pipe lines for improving water supply to the extension of Mandya Town," published in page 40, Part VI of the *Mysore Gazette*, dated 4th January 1940.

The last date of receiving tenders is fixed on 15th January 1940.

Notification dated 2nd January 1940.

The attention of the public is invited to the notification, calling for tenders for the work of constructing drains in Konanur Town for the year 1939-40, published in pages 46-47, Part VI of the *Mysore Gazette*, dated 4th January 1940.

The last date of receiving tenders is fixed on 22nd January 1940.

K. S. HUTCHA RAO,
Sanitary Engineer.

KOLAR DIVISION.

Abstract Notification dated 31st December 1939.

The attention of the public is invited to the detailed notification dated 30th December 1939, published on pages 41-43, Part VI of the *Mysore Gazette*, dated 4th January 1940 regarding construction of Sri Sappalammadevaru Temple at Thornahalli village, Malur Taluk.

The last date for receiving tenders is 26th January 1940 up to 2 P.M.

C. R. IYENGAR,
Executive Engineer.

TUMKUR DIVISION.

Abstract Notification dated 2nd January 1940.

The attention of the public is drawn to the notification calling for tenders for restoring Kalkote Tank, Reg. No. 19, Sira Taluk, published on pages 43-46, Part VI of the *Mysore Gazette*, dated 4th January 1940.

2. The tenders will be received by the Executive Engineer up to 2 P.M. on 22nd January 1940.

3. The earnest money required for the work is Rs. 450 which should be credited to the treasury to "17 (*a*) P. W. Deposits" and the relative chellan enclosed.

Notification dated 3rd January 1940.

Notice is hereby given that sealed tenders will be received at the office of the Executive Engineer, Tumkur Division, up to 2 P.M. on 26th January 1940, for collection of burnt stone jelly in miles 71—98 (both inclusive) of Bangalore-Honnavar Road. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of June 1940.

2. The plans, detailed estimate and conditions may be seen at the Executive Engineer's Office at Tumkur, between the hours of 11 A.M. and 5 P.M.

3. Tenders should be submitted on printed forms which may be obtained on payment of four annas each form from the Executive Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a treasury challan for Rs. 50 credited to '17 (*a*) P. W. Deposits' for each section of mile noted in the statement as earnest money, and be superscribed "Tender for collection of burnt stone jelly in miles 71—98 (both inclusive) of Bangalore-Honnavar Road" in default of which tenders will be rejected.

5. The final acceptance of any tender will rest with the Executive Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond, in default of which his tender will be considered cancelled and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the Notice Board in the Executive Engineer's Office in due course. No enquiry regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

9. Rates once tendered will not be enhanced on any account.

10. Rates for non-tendered and non-estimated items shall be as per current schedule rates of the department or those fixed by the Executive Engineer after working out data with not more than 10 per cent for contractor's profit.

11. In all matters not specifically provided for and in all matters of dispute about rates, quantities, measurements, quality of works, etc., and in all disputes of any kind, the decision of the Executive Engineer will be final and legally binding.

12. Quotations must be given in words as well as in figures and they must be in specific term of unit shown against each item of work. Any quotation quoted at so much percentage less or more than estimated rate will not be accepted.

Abstract estimate for collection of burnt stone metal from 71st mile to 98th mile in Bangalore-Honnavar Road.

UNIVERSITY OF MYSORE.

Abstract Notification dated 28th December 1939.

Certain books will be sold by auction in the College of Engineering, Bangalore, on the 13th January 1940 at 10 A.M. For conditions of auction sale, please see notification dated the 14th December 1939 published in the *Mysore Gazette*, dated the 4th January 1940, on pages 7-9, Part VI.

V. GOPALASWAMI AIENGAR,
Registrar.

DEPARTMENT OF AGRICULTURE.

LIVE STOCK SECTION.

Notification dated 27th December 1939.

It is hereby notified for the information of the public that surplus Amrit Mahal Cattle (Males and Females) will be sold by public auction by the Live Stock Expert or any other officer deputed by him on the dates and places and subject to the conditions, mentioned below :—

The sale will commence at 2 P.M. precisely on each day.

No.	Sale Centre	Date	Remarks
1	Holalkere	25th and 26th January 1940	Near Holalkere Railway Station
2	Sulekere	29th January 1940	Chennagiri Taluk
3	Ajjampur	31st January 1940	Cattle Breeding Station, Ajjampur
4	Dudda	2nd February 1940	Hassan Taluk
5	Konehalli	5th and 6th February 1940	Honnavalli Road Railway Station
6	Hunsur	8th February 1940	Cattle Breeding Station, Hunsur

1. The sale shall be knocked down in favour of the person who offers the highest bid, provided the Live Stock Expert or the officer conducting the sale does not consider it unreasonably low. As soon as the sale is concluded, the purchaser shall pay 25 per cent of the sale amount and furnish suitable security for the balance. The balance shall be paid by him within three days from the date of sale, failing which the animal shall be resold at the risk of the original purchaser. Any loss that may accrue on such resale, shall be recoverable from him as arrears of land revenue, but he shall not be entitled to participate in the event of any profits. The animal, till then, will be retained by the Department at the risk of the purchaser.

2. Persons whose solvency may be considered to be doubtful, may be required by the officer conducting the sale at his discretion, to deposit from Rs. 10 to Rs. 25 so as to ensure their *bona fides* at the time of bidding.

3. Withdrawal or takarar of any kind will not be considered once the bid is offered in open sale and concluded and the final record of the sale in the register and signing thereof by the purchaser (which is compulsory) or in case the party refuses to sign, a note to this effect by the officer conducting the sale shall be tantamount to acceptance of all liabilities imposed in sale conditions.

B. LAKSHMIPATHY,
Live Stock Expert in-charge.

OFFICE OF THE ASSISTANT DIRECTOR OF AGRICULTURE, MANDYA CIRCLE.

Abstract Notification.

The attention of the public is invited to this office notification, dated 9th, December 1939 calling for tenders for supply of articles to the Irwin Canal Farm, Mandya, published on pages 2600-2602, Part VI of the *Mysore Gazette*, dated 21st December 1939.

The date and hour for receiving tenders is 3 P.M. of 15th January 1940.

K. KRISHNAMURTI,

OFFICE OF THE JUNIOR ASSISTANT BOTANIST, GOVERNMENT EXPERIMENTAL FARM, HIRIYUR.

Abstract Notification dated 25th December 1939.

The attention of the public is invited to the detailed notification dated 25th December 1939 calling for tenders for the purchase of jaggery manufactured on the Government Experimental Farm, Hiriyur, published on pages 11-12, Part VI of the *Mysore Gazette*, dated 4th January 1940.

The date fixed for the receipt of tenders is 22nd January 1940.

C. PUTTIAH,
Agricultural Inspector in-charge,
Junior Assistant Botanist
in-charge, Babbur Farm.

GOVERNMENT OF MYSORE—ELECTRICAL DEPARTMENT.

OFFICE OF THE CHIEF ELECTRICAL ENGINEER IN MYSORE, BANGALORE.

Notification dated 5th January 1940.

CARTING TENDER FOR THE ELECTRIFICATION OF SAKLESPUR TOWN.

Sealed tenders superscribed as "Tender for carting materials for the Electrification of Saklespur Town" will be received in the Office of the Chief Electrical Engineer up to 2 P.M. on Friday the 26th January 1940, for conveying materials required for the Electrification of Saklespur Town.

The materials will have to be carted from any or all of the following places to different work-spots along the abovementioned town or from the following places :—

(*a*) Electrical Department Stores or Railway Station at Hassan.
(*b*) Electrical Department Stores at Belur.
(*c*) Electrical Department Stores at Chikmagalur.

Each tender shall be accompanied with a deposit of Rs. 100, without which the tenders cannot be considered.

The rates to be tendered shall be in the following form and should be entered in words as well as in figures :—

No.	Details	Unit	Rate per mile	
			By Road	By cross country
			Rs. a. p.	Rs. a. p.
1	Wooden poles 26′ long	Cart of 4 poles		
2	Do 35′ ,,	Per pole		
3	Do 40′ ,,	,,		
4	Do 45′ ,,	,,		
5	Tabular steel poles 30′ long	,,		
6	Do 40′ ,,	,,		
7	Do 45′ ,,	,,		
8	Fabricated steel poles 46′-6″	,,		
9	Angle iron and other steel structural materials, including rails and rolled steel I-beams of sizes up to and including a length of 30 ft.	1,500 lbs.		
10	Suspension insulators in crates of 6 units each	18 crates		
11	All other materials such as conductors, ground wire, guy wire, bolts and nuts, clamps, distribution insulators, turn-buckles, cement and other miscellaneous materials	1,500 lbs.		

The Chief Electrical Engineer is at liberty to accept one or more tenders as he deems fit and reserve the right to reject any or all the tenders without assigning any reasons therefor. He is also at liberty to order the transport of materials by the Departmental lorries, hand-carts or by head-loads and the contractor cannot claim any compensation on that account.

On receipt of communication of the acceptance of tender, the tenderer will be required to deposit a further sum of Rs. 100 as earnest money repayable after satisfactory and complete execution of the contract and to sign an agreement with the Department to guarantee satisfactory execution of the contract.

When once a tender is accepted, the accepted rates cannot be enhanced on any account. The contractor may use either country carts or lorries for the conveyance of the materials, but he will be paid only on the unit basis referred to above. No departmental help will be given for loading or unloading the materials.

The successful tenderer shall be prepared to commence the execution of the contract as soon as an agreement has been entered into by him. The conveyance of the materials should be do ne in an expeditious manner as and when required by the Superintendent of Transmission Lines or his authorized representatives, so as not to inconvenience or delay in any manner the construction of the above lines.

The accepted tenderer shall arrange to have one of his representatives in each of the places mentioned above to take instructions regarding the items of materials to be carted and shall arrange to convey the materials as and when required within not more than 24 hours of notice in that behalf. In case of failure to do so, the Department reserves the right to make its own arrangements for conveying the materials and any extra cost incurred by the Department on that account will be recovered from the contractor.

The contract will be liable to be terminated at the discretion of the Chief Electrical Engineer, if the conditions of the contract are not fully complied with and the earnest money deposited will be forfeited to Government.

In all cases of dispute, the decision of the Chief Electrical Engineer will be final.

M. HAYATH,
For *Chief Electrical Engineer.*

OFFICE OF THE SUPERINTENDENT, POWER AND LIGHTING, MYSORE.

Notification dated 5th January 1940.

1. Sealed tenders in triplicate will be received at the office of the Superintendent, Power and Lighting, Mysore, superscribed with the name of the work noted below.

2. A sum of rupees three hundred and sixty (Rs. 360) is required to be sent along with the tender in cash or currency or cheque drawn in favour of the Superintendent, Power and Lighting, Mysore or order, being the earnest deposit. Tenders not accompanied with the said deposit will not be accepted.

3. The plans connected with the work may be seen at the office of the undersigned at all working hours. The same will be made available on payment of Rs. 3 per set, if required.

4. The tenders should be drawn up strictly in conformity to the specifications furnished, writing out the rate at which, each item of work will be executed in figures as well as in words failing which no cognizance will be taken of the tender. No items other than those noted in the statement should be included, as the items cover provision for all sundries that are necessary for the execution of the work to meet with the requirements of the Department, including painting and colour washing to suit the finish of the walls, etc.

5. Materials to be used on the work should be of best quality conforming to the specifications of this Department and B.S. or A.I.E.E. specifications. Mention should also be made of the manufacture and the catalogue numbers of the materials offered. Teakwood planks to be used on the work should be free from knots, cracks and should be well seasoned. No planks less than 12″ in width will be permitted to be used unless it is to make up the difference in size of the board required. Only lap joints should be adopted in all cases.

6. The undersigned reserves the right to reject the tenders without assigning any reason therefor.

7. The successful tenderer will be required to execute an agreement within two days from the date of communication of acceptance of the tender. He should send samples of all the materials required for the work mounted on a board and start the work after obtaining the approval of the undersigned with regard to the same within a week, from the date of communication of acceptance. Failure to adhere to the conditions above will entail forfeiture of the earnest deposit and adoption of such measures as are necessary for expediting the work otherwise entirely at his risk. He should also bind himself to execute the work strictly adhering to the wiring rules of this Department as well as those of I.E.E. He should also be prepared to adopt changes in the location of lighting fixtures, control points, etc., that might be desired by the undersigned during the progress of the work without any obligation if the tender is not materially affected thereby. The wiring adopted being in

lead covered cable sharp corners should invariably be avoided. The control switches, wall plugs, etc., should be grouped and located at inconspicuous corners. The wall plug points should be placed at heights not more than a foot from floor level. The height of switch points should vary between 3 and 4 feet above floor level.

8. The undersigned reserves the right to reject the work either in full or in part if the same is not executed according to the above specifications or is not satisfactory as regards workmanship.

9. Special care should be taken to afford metallic continuity and to provide efficient earthing to the installation as the system of wiring adopted is in lead covered cables.

10. *Name of the work.*—Installing Electric Lights and Heating Circuit, etc., to the District Hospital at Mandya (Ground Floor).

11. *Last date and time of receiving the tender.*—At 3 P.M. on the 22nd January 1940.

12. *Last date and time for opening the tender in public.*—At 4 P.M. 22nd January 1940.

13. A period of twelve weeks from the date of acceptance of tender will be allowed for the completion of the work in all respects. If the installation is not handed over to the Department with service on the due date, the Department will arrange to take charge of the installation at whatever stage it might be and arrange for completion of the work through any other agency, at the risk of the tenderer.

14. The firm executing the work should arrange while handing over the installation to this Department to pass a certificate of guarantee for the continuance of satisfactory service to the installation for a period of 12 calendar months from the date of handing over charge to this Department, while uninterrupted power supply is maintained. Further, it will be obligatory on the part of the firm to attend to any defects in the installation that might crop up during the above period without any return for service rendered.

15. *Details of work.*—The quantities given in the annexed statement are not guaranteed and are subject to variation at the time of executing the work.

Installing electric lights and heating circuit, etc., to the District Hospital at Mandya (Ground Floor).

Sl. No.	Names of materials, etc.	Unit	Quantity
	Part I—Mains, sub-mains including control boards.		
1	Supplying and running 3 phase mains in 2″ wrought iron pipe, using No. 19/.083 SWG. 660 volts grade insulated wires, bends and other necessary accessories.	Ft.	25
2	Supplying, fixing and wiring T.W. Board 6′×4′×1″ with battens 4″×2″ equipping it with—		
	(*a*) Two T.P.S.T. 60 amps. 500 volts ironclad switch with fuses for heating sub-mains		
	(*b*) Two T.P.S.T. 30 amps. 500 volts, ironclad switches for lighting sub-mains.		
	(*c*) Three D.P.S.T. 30 amps. 250 volts, ironclad switches for the heating distribution.		
	(*d*) One triple pole, 2-way, 15 amps. par way H.O. Pattern distribution box in metal case, with three 10-15 amps. S.P. circuit switches with reinforced bakelite cover, using No. 19/.083, 19/.052, 7/.044, 7/.036 and 7/.029 SWG. insulated wires and accessories rigidly fixed on 2½″×¼″ angle iron frame and ½″ rear board	No.	1
3	Do sub-board 4′×4′×1″ with 4″×2″ battens and ½″ rear board, well supported with the wall, using expansion bolts, equipping the same with—		
	(*a*) Three 60 amps. 500 volts ironclad service cut-outs for heating.		
	(*b*) Three 30 amps. 500 volts ironclad service cut-outs for lighting.		
	(*c*) Three D.P.S.T. 30 amps. ironclad switches with fuses for hearting distribution.		
	(*d*) One triple pole 2-way ,15 amps. per way distribution box in metal case with 3 of 10 to 15 amps. S.P. circuit switches, using No. 19/.052, 7/.044, 7/.036, 7/.029 SWG. insulated wires and accessories	No.	1
4	Supplying and laying No. 19/.064 SWG. 3 core V.C. insulated, lead-covered, double steel tape armoured under ground cable suitable for 1,000 volts working pressure in a trench of 3 ft. deep and surrounding the same with 3″ of fine sand, enclosing the ends in indoor type cast iron junction boxes of approved design filled with insulating compound, using 2″ G.I. pipe across the verandah for enclosing the cable (heating) and using accessories	Ft.	275

Sl. No.	Names of materials, etc.	Unit	Qantity
	Supplying, fixing and wiring bulk head fittings with cast iron enamelled reflector, etc., as above	..	3
5	Do Do 6″×½″ O.C. brackets complete with O.C. B.C. lamp holder, 10″×5″ white opal shade, as per specification above	..	20
6	Do do for china counter weights, complete with porcelain 2-plate ceiling rose, ring, pulley and guide, lead shots, flexible cord, etc., equipped with 'benflux' fittings, complete with shade, etc., using necessary accessories, as per specification above.	..	2
7	Supplying and fixing 'MYSORE' lamps 150 watts 230 volts, B.C. gas filled clear	..	1
8	Do do 100 watts clear	..	26
9	Do do 100 watts internally frosted ..	..	2
10	Do do 60 watts do	..	41

Notification dated 5th January 1940.

1. Sealed tenders in triplicate will be received at the Office of the Superintendent, Power and Lighting, Mysore, superscribed with the name of the work noted below.

2. A sum of (Rs. 250) Rupees two hundred and fifty only is required to be sent along with the tender in cash or currency or cheque drawn in favour of the Superintendent, Power and Lighting, Mysore or order, being the earnest deposit. Tenders not accompanied with the said deposit will not be accepted.

3. The plans connected with the work may be seen at the office of the undersigned at all working hours. The same will be made available on payment of Rs. 3 per set, if required.

4. The tender should be drawn up strictly in conformity to the specifications furnished writing out the rates at which each item of work will be executed in figures as well as in words, failing which no cognizance will be taken of the tender. *The type of wiring adopted being in conduit embedded in the wall it has been arranged to cut open the Grooves for laying the conduit, to plaster and finish the surface damaged through the agency of the Public Works Department. The tender should comprise provision exclusively for the electrical portion of the work.* No items other than those incorporated in the statement should be included in the tender as the items cover provision for all the necessities to the satisfactory execution of work.

5. Materials to be used on the work should be of best quality conforming to the specification of this Department and B.S. or A.I.E.E. Specifications. Mention should also be made of the manufacture and the catalogue numbers of the materials offered. Teak wood planks to be used on the work should be free from knots, cracks and should be well seasoned. No plank less than 12″ in width will be permitted to be used unless it is to make up the difference in size of the board required. Only lap joints should be adopted in all cases.

6. The undersigned reserves the right to reject the tenders without assigning any reason therefor.

7. The successful tenderer will be required to execute an agreement within two days from the date of communication of acceptance of the tender. He should send samples of all the materials required for the work mounted on a board and start the work after obtaining the approval of the undersigned with regard to the same within a week, from the date of communication of acceptance. Failure to adhere to the conditions above will entail forfeiture of the earnest deposit and adoption of such measures as are necessary for expediting completion of the work otherwise entirely at his risk. He should also bind himself to execute the work strictly adhering to the wiring rules of this Department as well as those of I.E.E. He should also be prepared to adopt changes in the location of lighting, fixtures, control points, etc., that might be desired by the undersigned during the progress of the work without any obligation if the tender is not materially affected thereby. It may be noted that the control switches of the lighting outlet should be grouped and located at a height between 3′ to 4′ above floor level as per directions at the time of the execution. The wall plug points together with their control should be located one foot above floor level in general.

8. The undersigned reserves the right to reject the work either in full or in part if the same is not executed according to the above specifications or is not satisfactory as regards workmanship.

9. Special care should be taken to afford metallic continuity and to provide efficient earthing to the installation as the system of wiring adopted is in conduit.

10. *Name of the work* :—Installing Electric lights, etc., to the Western Extension of Exhibition Buildings, Mysore.

11. *Last date and time of receiving the tender* :—At 3 P.M. on the 29th January 1940.

12. *Last date and time for opening the tender, in public* :—at 4 P.M. on 29th January 1940.

13. A period of four months from the date of acceptance of tender will be allowed for the completion of work in all respects. If the installation is not handed over to the Department with service on the due date, the Department will arrange to take charge of the installation at whatever stage it might be and arrange for completion of the work through any other agency at the risk of the tenderer.

14. The Firm executing the work should arrange while handing over the installation to this Department to pass a certificate of guarantee for the continuance of satisfactory service to the installation for a period of 12 calendar months from the date of handing over charge to this Department, while uninterrupted power supply is maintained. Further, it will be obligatory on the part of the Firm to attend to any defects in the installation that might crop up during the above period without any return for service rendered.

15. *Details of work* :—The quantities given in the annexed statement are not guaranteed and are subject to variation at the time of executing the work. Further, the execution of work in the first floor may have to be deferred, if the structure is not completed by the time the work is completed in the ground floor. It should be noted that the Department does not bind itself to allow any enhanced rate for the portion of the work executed.

INSTALLATION OF ELECTRIC LIGHTS TO THE WESTERN EXTENSION OF THE EXHIBITION BUILDINGS, MYSORE.

Part I—Mains and Control Equipment.

		Quantity.
1.	Supplying, fixing and wiring on the board available a T.P.S.T. 100 amps. knife switch mounted on slate base with renewable cartridges using No. 19/.083 SWG. insulated wire 660 volts grade and accessories	1
2.	Do 30 amps as above using No. 7/.044 S.W.G. insulated wire and accessories	1
3.	Supplying and laying No. 19/0.083 SWG 3 conductor V.C. insulated lead covered double steel tape armoured jute served underground cable for 1,000 volts pressure in a trench 3′ deep surrounding the same with 3″ of fine sand enclosing the ends in pole and indoor type C.I. junction boxes of approved design, tapping from the 25 cycle feeder at the distribution board of the pump house in block 'D' (the cable below the flooring of the pump house and near the approach to the verandah of the building being carried in 40′ length of G.I. pipe of 2″ dia.) using necessary accessories	275′
4.	Do No. 7/0.044 SWG 3 conductor cable tapping from 60 cycle feeder at the distribution board of the pump house in block 'D' as per specifications	275′
5.	Supplying and running 3 phase mains in 2″ W.I. pipe embeded in the wall using No. 19/0.083 SWG insulated wire for 660 volts pressure and accessories.	35′
6.	Do do do in 1″ W.I. pipe with No. 7/.044 SWG insulated wire, etc., as above	35′
7.	Supplying, fixing and wiring on a T.W. board 4′×4′×1″ with battens and rear board equipping it with 6 D.P.S.T. ironclad switches for 30 amps. with fuses, and 3 D.P.S.T. ironclad switches for 15 amps. with fuses enclosing the full equipment in a box made of ⅜″ thick compressed cement asbestos sheet mounted in the niche made in the wall provided with T.W. panelled shutters with pin head glass panes 1″ brass 6 lever lock and key, etc., using No. 37/.083, 7/.064 and 7/.036 SWG insulated wires and accessories	1
8.	Earthing	2

Part II—Interior Wiring.

1. Supplying, fixing and wiring in 1″ and ¾″ heavy guage welded conduit with flush mounting accessories, such as large round junction boxes, through and terminal boxes with fibre cover, bends, etc., embeded in the wall for lighting outlets complete with 5 amps. S.P. flush type control switches with cream bakelite plate, 2 plate bakelite ceiling rose all white, using

M. M. ALI KHAN,
Superintendent.

OFFICE OF THE ASSISTANT COMMISSIONER, MADHUGIRI SUB-DIVISION, MADHUGIRI.

Tender Notification No. 1 *of* 1939-40, *dated* 6*th January* 1940.

1. Sealed tenders will be received at the office of the Assistant Commissioner, Madhugiri Sub-Division, up to 2 P.M. on 22nd January 1940 for sinking draw wells in the villages of Sira Taluk as noted below.

2. Tenders in the annexed form and addressed to the Assistant Commissioner, in the sealed cover and superscribed as "Tender for well works at (village).....of.....taluk" and the name of the tender should also be superscribed on the top of the cover.

3. Each tender must be accompanied by a treasury receipt of Rs. (noted below) as paid as earnest money to the treasury to the credit of the R. W. S. funds in the name of the Assistant Commissioner, Madhugiri Sub-Division. The earnest money of the successful tenderer will be retained as security for the fulfilment of the contract. Such deposits in cash will not carry any interest.

4. The tenders will be opened in the presence of such of the tenderers as wish to be present in the Taluk Office of Sira on 23rd January 1940 at 1 P.M. by the Sub-Division Officer, Madhugiri. The final acceptance of the tender will rest with the Assistant Commissioner who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

5. The name of the successful tenderer will be posted on the notice Board in the Taluk Office, Sira and in the Sub-Division Office, Madhugiri, in due course. Within 8 days of the acceptance of the tender the successful tenderer will be required to execute an agreement on a stamped paper of the

due performance of the contract in accordance with the estimate for the work. In default, his tender will be considered as cancelled and the earnest money deposited by him will be forfeited.

6. On acceptance of one of the tenders the earnest money in respect of rejected tender will be returned to the depositors.

7. The contractor should at his own cost pay the charges on account of materials, implements, clearing sites, arrangements if any made for protecting works during inclement weather, water pumps, royalty, and tolls.

8. The contractor is responsible for all accidents to workmen, etc., during the execution of the work and he must take precautions against all risk of acceptance.

9. It is the business of the contractor to make his own arrangements for quarries and supply of materials.

10. Rates for non-tendered items shall be as per schedule rates. In all disputes of any kind the decision of the Assistant Commissioner, Madhugiri Sub-Division, will be final and legally binding.

11. The work should be completed and handed over in a tidy condition to the Amildar, Sira Taluk, by the end of April 1940, failing which the Assistant Commissioner may at his discretion levy a penalty which will ordinarily be calculated at 12 per cent per annum on the total outaly as liquidated damages for the period executed by him beyond the time fixed in the contract.

12. No claim for damages for delays by officers of the Department in the execution of the work will be considered, whatever may be the reason for such delays. Contractors should bear this in mind when tendering for the work. Extension of time due to delays caused by the departmental officers will however be considered on the merits of each cause. The contract should not be sublet.

13. The estimates will be open for inspection by the tenderes in the Taluk Office, Sira, during office hours on the working days.

Contractor.

OFFICE OF THE HUZUR SECRETARY TO HIS HIGHNESS THE MAHARAJA OF MYSORE.

Tender Notice.

Sealed tenders for the supply of provisions, etc., to the Palace for the year 1940-41, will be received by the undersigned on Friday the 9th February 1940.

Particulars can be had from the Munib, Modikhana, Mysore.

T. THUMBOO CHETTY,
Huzur Secretary.

MYSORE STATE RAILWAY.

OFFICE OF THE DISTRICT ENGINEER, MYSORE STATE RAILWAY, BANGALORE.

Abstract Notification dated 5th January 1940.

The attention of the public is invited to the detailed notification dated 21st December 1939, calling for tenders for collecting and spreading broken stone ballast between Anandapuram and Sagar Section, published on pages 12-13, Part VI of the *Mysore Gazette*, dated 4th January 1940.

The date and hour for receiving tenders is 12 NOON of 19th January 1940.

V. HANUMANTHA RAO,
Ag. *District Engineer.*

OFFICE OF THE DISTRICT ENGINEER, MYSORE.

Notification dated the 4th January, 1940.

Sealed tenders will be received at the Office of the District Engineer, Mysore State Railway, Mysore, up to 3 P.M. on Monday the 29th January 1940, from Contractors for works in connection with the deviation of Railway line for improving curves and grades between Miles 221–7 and 222–3 on Bangalore-Mysore Section.

2. Tenders should be submitted only in special forms, which can be purchased at Rupee one each from the Auditor, Mysore State Railway, Mysore.

3. The tender must be accompanied by a receipt of payment of earnest money of Rs. 200 to the Auditor, Mysore State Railway, Mysore, mentioning the above work, either in cash, Government bonds, Debenture bonds of Local Bodies and the Land Mortgage Banks in the State guaranteed by Government, or Fixed Deposit Receipts of Bangalore City Co-operative Bank, Ltd. No cheques will be received.

4. Tenders which give rates "as per estimate" or so much per cent above or below estimate rates will not be considered.

5. Any rates or lumpsum amounts for the items not called for, if tendered by the tenderer will not be taken notice of. The rates tendered should include all such lumpsum items.

6. The name of the accepted tenderer will be posted on the Notice Board of the District Engineer's Office. No enquiries regarding the acceptance or rejection of a tender will be replied to.

7. Detailed estimates, plans and specifications, conditions of works and conditions of Schedule Agreement may be seen at the District Engineer's Office, Mysore State Railway, Mysore, on all working days between 2–30 and 4–30 P.M. When in doubt, the tenderers should always ask for particulars and details.

8. The Contractor whose tender is accepted shall, before the acceptance of the Schedule Agreement deposit with the Auditor, Mysore State Railway, Mysore, cash or Government Promissory Notes endorsed in favour of the General Manager, Mysore State Railway, Mysore, the sum of Rs. 200 as security for the due fulfilment of the agreement in addition to Rs. 200 or in all 5 per cent of the work let out whichever is less, *vide* para 3 (cash amount will not carry any interest). No cheques will be accepted.

9. The earnest money (referred to in para 3 above) of the unsuccessful tenderers will be returned as soon as possible after the tenders are disposed of, while that of the successful tenderer will be accepted as part security for the due fulfilment of the terms of the Agreement.

10. The final acceptance of the tender will rest with the Superintendent, Way and Works, Mysore State Railway, Mysore, who does not bind himself to accept the lowest or any tender and who further reserves to himself the right to reject, without assigning any reason therefor, any or all the tenders or any portion of a tender, and also the right to accept a tender for any individual item or items without accepting the whole tender unless the tenderer expressly states in his tender that it must be accepted or rejected as a whole.

11. The work should be started within a week from the date of acceptance of the Schedule Agreement and work to the extent of Rs. 10,000 should be completed with a guaranteed monthly rate of progress before 15th June 1940.

12. Within a week from date of acceptance of the tender, the successful tenderer is required to execute the usual Schedule Agreement, in default of which his tender will be considered as cancelled and the earnest money forfeited to Government.

13. There should be no corrections or erasures in the tender in the rates of items and any corrections made in the rates should be attested to and the number of corrections, if any, in each page noted at the foot of the same by the tenderer.

14. Rates once tendered cannot be enhanced on any account. Rates for non-tendered and non-estimated items shall be as per minimum Schedule of Rates of the Railway Department, or those fixed by the District Engineer, after working out data with ten per cent for Contractor's profit.

15. Should any dispute arise in the interpretation of the clauses of the tender or in respect of any item of work or specification, the decision of the Superintendent, Way and Works, Mysore State Railway, Mysore, shall be final.

16. The accepted tenderer must make his own arrangements in advance for payment of royalties, toll, octroi, etc., in case he quarries stone, earth, kunkar, sand, etc., from Railway, Government or Forest land for use on this work, as this Department will not concern itself regarding the payment, recovery of royalty, tolls, octroi, etc.

17. No claims for damages, for delays caused by Officers of the Department in the execution of the work will be considered, whatever may be the reason for such delays. Contractors should bear this in mind when tendering for work. Extension of time due to delays caused by the Departmental Officers, will, however, be considered on the merits of each case.

18. The contract should not be sublet.

19. The contractor shall provide at his own expense before commencing work, such as watchmen, fencing, lights, etc., as may be required for the safety of his property, portion of his work and his workmen.

20. Blasting operations are to be carried out only in the presence of a qualified person in charge of the work and the contractor shall abide by the rules for blasting prescribed by the Railways. A copy of these may be seen in the office if necessary.

Note A.—

The Contractor should at his own cost—

(1) Provide bamboos, rods, stakes, ropes and labour required in setting out the work.

(2) Provide mortar mill and shed to keep materials under cover and also for workmen.

(3) Arrange for protecting work during inclement weather.

(4) Provide all necessary scaffolding, centering, labour and applicances for hoisting.

(5) Supply requisite temporary lights, water cisterns, water shoots, coverings to masonry sieves, parahs or measures, shoring and other requisite protection during the progress of the work.

(6) Supply all water required for work and workmen and shall provide latrines, drainage, etc.

(7) Clean away all dirt, rubbish, superfluous materials and debris as they accumulate and leave the whole of the work and premises in a clean and orderly condition.

(8) Provide arrangements for pumping and bailing from excavations and foundations, wherever and whenever necessary with his own pumping apparatus including necessary leading drains, slump pits, etc.

Note B.—

In general, works should be executed as per Marryat's Specifications.

Schedule.

Serial No.	Description of work	Approximate quantity	Unit
	I. *Formation.*

8	Cement pointing to masonry	800 ,,	100 ,,
9	Carving and painting details of foundations over the coping	Lumpsum	Lumpsum
10	Dismantling the existing two bridges 1—6′ culvert No. 473 and 1—3′ culvert No. 474 and stacking the released materials	Do	Do
	III. *Fencing.*		
1	Conveying departmental sleepers and fixing the same for fencing including necessary earth work	250 R.ft.	1 R.ft.
2	Removing, conveying and fixing Boundary stones ..	40	Each stone

Serial No.	Description of work	Approximate quantity	Unit
	IV. *Road Crossing.*		
1	Earthwork for forming road surface	8,000 C.ft.	1,000 C.ft.
2	Removing the existing gates and conveying them to the new position and fixing them complete including posts, etc. (one level crossing)	Lumpsum	Lumpsum
3	Dismantling the existing sleeper hut and stacking materials	Do	Do
4	Carting, stacking, road metal spreading including consolidation sanding, watering, etc., complete	1,000 C.ft. of metal.	1,000 C.ft.
	V. *Constructing Gate Lodge.*		
1	Earthwork excavation in all soils and filling in	176 C.ft.	1,000 C.ft.
2	Concrete broken stone jelly in chunam mortar	88 ,,	100 ,,
3	Burnt brick in chunam mortar	118 ,,	100 ,,
4	Burnt brick in mud	222 ,,	100 ,,
5	Burnt stone slabs 4″ thick roughly dressed and fixed in mortar	37 S.ft.	1 S.ft.
6	Teakwood door with G. I. Sheet shutter and all fittings complete as per specification	15 ,,	1 ,,
7	Providing and fixing R. C. perforated ventilators as per design	10 ,,	1 ,,
8	Chunam plastering	580 ,,	100 ,,
9	White and colour washing—two coats	580 ,,	100 ,,
10	Roofing with R. B. C. Terrace including plastering, etc., as per specification complete including R. C. chejja	235 ,,	100 ,,
11	Plain parapet wall 12″ high as per design including plastering, etc., complete	30 R.ft.	1 R.ft.
	Mile and Gradient Post.		
1	Removing and refixing Mile Stone	No. 1	Each
2	Do Gradient Posts	,, 4	,,
	Permanent Way.		
1	Loading and unloading Rails and fastening and conveying to site	69.5	Ton
2	Loading and unloading sleepers and conveying to site	1,365 Sleepers	100 Sleepers
	Ballast.		
1	Collecting and stacking stone ballast quartz or granite at site to pass through 2″ ring as per specification complete, rates for quartz and granite to be quoted separately	14,400 C.ft.	1,000 C.ft.
2	Spreading the above by head load	14,400 ,,	1,000 ,,
3	Removing from the old line the existing ballast and screening and spreading the same on the new line including all leads	14,400 ,,	1,000 ,,
	Station and Offices.		
1	Supplying and fixing cement concrete R. C. slabs 3 ft. long 2 ft. wide, 4″ thick including plastering and fixing for platform edging 1′ above Rail level as per design complete	200 C.ft.	C.ft.
2	Collecting, stacking and spreading gravel on platform	6,000 ,,	1,000 ,,
3	Removing and refixing the platform name board	1 No.	Each

Notification dated the 6th January 1940.

Sealed tenders will be received at the Office of the District Engineer, Mysore State Railway, Mysore, up to 3 P.M. on Wednesday the 31st January 1940, from Contractors for works in connection with "Providing a Crossing Station at Nagenhalli at mile 291-11, Bangalore-Mysore Section."

2. Tenders should be submitted only in special forms which can be purchased for rupee one from the Auditor, Mysore State Railway, Mysore.

3. The tender must be accompanied by a receipt of payment of earnest money of Rs. 100 to the Auditor, Mysore State Railway, Mysore, mentioning the above work, either in cash, Government Bonds, Debenture bonds of Local Bodies and the Land Mortgage Banks in the State guaranteed by Government or Fixed Deposit Receipts of Bangalore City Co-operative Bank, Ltd. No cheques will be received.

4. Tenders which give rates "as per estimate" or so much per cent above or below the estimate rates will not be considered.

5. Any rates or lumpsum amounts for the items not called for, if tendered by the tenderer will not be taken notice of. The rates tendered should include all such lumpsum items.

6. The name of the accepted tenderer will be posted on the Notice Board of the District Engineer's Office, as soon as it is approved. No enquiries regarding the acceptance or rejection of a tender will be replied to.

7. Detailed estimates, plans and specifications, conditions of works and conditions of Schedule Agreement may be seen at the District Engineer's Office, Mysore State Railway, Mysore, on all working days between 2-30 and 4-30 P.M. When in doubt, the tenderers should always ask for particulars and details.

8. The contractor whose tender is accepted shall, before the acceptance of the Schedule Agreement, deposit with the Auditor, Mysore State Railway, Mysore, cash or Government Promissory Notes endorsed in favour of the General Manager, Mysore State Railway, Mysore, the sum of Rs. 400 as security for the due fulfilment of the agreement in addition to Rs. 100 *vide* para 3 (cash amount will not carry any interest). No cheques will be accepted.

9. The earnest money (referred to in para 3 above) of the unsuccessful tenderers will be returned as soon as possible after the tenders are disposed of, while that of the successful tenderer will be accepted as part security for the due fulfilment of the terms of the Agreement.

10. The final acceptance of the tender will rest with the Superintendent, Way and Works, Mysore State Railway, Mysore, who does not bind himself to accept the lowest or any tender and who further reserves to himself the right to reject, without assigning any reason therefor, any or all the tenders or any portion of a tender, and also the right to accept a tender for any individual item or items without accepting the whole tender unless the tenderer expressly states in his tender that it must be accepted or rejected as a whole.

11. The work should be started within a week from the date of acceptance of the Schedule Agreement and should be completed to the extent of Rs. 12,000 for this official year, *i.e.*, before 15th June 1940, with a guaranteed monthly rate of progress.

12. Within a week from the date of acceptance of the tender, the successful tenderer is required to execute the usual Schedule Agreement, in default of which his tender will be considered as cancelled and the earnest money forfeited to Government.

13. There should be no corrections or erasures in the tender in the rates of items and any corrections made in the rates should be attested to and the number of corrections if any, in each page noted at the foot of the same by the tenderer.

14. Rates once tendered cannot be enhanced on any account. Rates for non-tendered and non-estimated items shall be as per minimum schedule of rates of the Railway Department, or those fixed by the District Engineer, after working out data with ten per cent for contractor's profit.

15. Should any dispute arise in the interpretation of the clauses of the tender or in respect of any items of work or specification, the decision of the Superintendent, Way and Works, Mysore State Railway, Mysore, shall be final.

16. The accepted tenderer must make his own arrangements in advance for payment of royalties, toll, octroi, etc., in case he quarries stone, earth, kunkar, sand, etc., from Railway, Government or Forest land for use on this work, as this Department will not concern itself regarding the payment, recovery of royalty, tolls, octroi, etc.

17. No claims for damages, for delays caused by Officers of the Department in the execution of the work will be considered, whatever may be the reason for such delays. Contractors should bear this in mind when tendering for work. Extension of time due to delays caused by the Departmental officers, will however, be considered on the merits of each case.

18. The contract should not be sublet.

Note A—

The contractor should at his own cost—

(1) Provide bamboos, rods, stakes, ropes and labour required in setting out the work.

(2) Provide mortar mill and shed to keep materials under cover and also for workmen.

(3) Arrange for protecting work during inclement weather.
(4) Provide all necessary scaffolding, centering, labour and appliances for hoisting.
(5) Supply requisite temporary lights, water cisterns, water shoots, coverings to masonry, sieves, parahs or measures, shoring and other requisite protection during the progress of the work.
(6) Supply all water required for work and workmen and shall provide latrines, drainage, etc.
(7) Clean away all dirt, rubbish, superfluous materials and debris as they accumulate.
(8) Provide arrangements for pumping and bailing from excavation and foundations wherever and whenever necessary with his own pumping apparatus including necessary leading drains, slump pits, etc.
(9) Wash floor at completion and leave the whole of the work and premises in a clean and orderly condition, etc.

Note (B).—

(1) In general, works should be executed as per Marryat's Specifications.
(2) Measurement for doors, windows and ventilators will be given for clear inside dimensions between frames only.

Schedule.

Serial No.	Description of work	Approximate quantity	Unit
	1. *Formation.*		
1	Earthwork in all soils including hard gravel moorum and soft rock and removing the spoil to places shown by the Department ..	2,54,000 C.ft.	1,000 C.ft.
2	Cutting hard rock including blasting and removing the spoil to the places shown by the Department	1,00,000 ,,	1,000 ,,
3	Forming bank in layers by cutting spoil and by borrow pits with all lead and lift complete as per specification	3,80,000 ,,	1,000 ,,
	2. *Walling.*		
1	Building ballast walls with size stones 12″×12″×9″ including necessary earthwork	2,000 R.ft.	100 R.ft.
	3. *Side Drains.*		
1	Earthwork in all soils including rock for catch water drains ..	9,600 C.ft.	1,000 C.ft.
2	Do for side drains including blasting rock	4,800 ,,	1,000 ,,
	4. *Fencing.*		
1	Supplying and fixing granite boundary stones 2½′ long 6″ square with top 6″ square and sides to a height of 6″ dressed on all sides and letters MSR chiselled and painted complete ..	10	Each
	5. *Extending 1—6″ Arch.*		
1	Dismantling the brick masonry	1,300 C.ft.	100 C.ft.
2	Removing and resetting rough stone apron	400 ,,	100 ,,
3	Earthwork excavation in all soils	2,500 ,,	1,000 ,,
4	Concrete in surki mortar	1,150 ,,	100 ,,
5	Burnt brick in cement mortar	3,600 ,,	100 ,,
6	Cement concrete coping slabs 4″ thick including plastering ..	75 ,,	,,
7	Burnt stone slabs 6″ thick roughly dressed and fixed for pin slab .	36 S.ft.	S.ft.
8	Rough stone apron 1½′ thick with contractor's stones	250 C.ft.	100 C.ft.
	6. *Extending the Syphon No. 738 B.*		
1	Earthwork excavation in all soils and filling in	1,000 ,,	1,000 ,,
2	Dismantling the existing cistern	1	Each
3	Surki concrete	200 C.ft.	100 C.ft.
4	Stone in lime mortar—or 1 : 6 cement mortar	310 ,,	100 ,,
5	Providing and fixing 6″ thick burnt stone slabs dressed and fixed in mortar	75 S.ft.	S.ft.
6	Cement pointing	300 ,,	100 ,,

Serial No.	Description of work	Approximate quantity	Unit
	7. Constructing Station Building.		
1	Earthwork excavation in all soils for founds	3,620 C.ft.	1,000 C.ft.
2	Concrete broken stone jelly in lime mortar	1,200 ,,	100 ,,
3	Burnt brick in mortar	1,600 ,,	100 ,,
4	Burnt brick in mud	2,250 ,,	100 ,,
5	Burnt stone slabs 6″ thick one line dressed and fixed in mortar	175 S.ft.	S.ft.
6	Teakwood doors with battened shutters 1″ thick with Acme brass rim door locks, 6″ brass hinges, tower bolts, etc., complete as per specification	132 ,,	,,
7	Arch work, burnt brick in mortar	50 C.ft.	100 C.ft.
8	Teakwood windows with battened shutters 1″ thick ¾″ sq. M.S. bars fixed at not more than 4″ centre to centre and all fittings complete as per specification	36 S.ft.	S.ft.
9	Teakwood Ticket window (as per design)	1	Each
10	Teakwood ventilators with battened shutters 1″ thick, ¾″ M.S. bars fixed at 4″ centre to centre and with all fittings as per specification	23 S.ft.	S.ft.
11	Teakwood circular ventilators with glazed shutters and with all fittings complete as per specification	10 ,,	,,
12	Teakwood wrought and put up including wood oiling two coats	74 C.ft.	C.ft.
13	Supplying and fixing wrought iron gate 5 ft. span as per design	1	Each
14	Wrought iron railings, 5 ft. span	1	,,
15	Fixing 41¼ lbs. rails (departmental)	55 R.ft.	R.ft.
16	Providing and fixing teakwood railings as per design	1	Each
17	Providing and fixing Teakwood barge board	50 S.ft.	S.ft.
18	Teakwood eave board 9″ wide plain	175 R.ft.	R.ft.
19	Fixing angle iron brackets (brackets supplied departmentally)	8	Each
20	Chunam plastering	4,050 S.ft.	100 S.ft.
21	White-washing two coats	4,050 S.ft.	100 ,,
22	Roofing with 1st class Mangalore pattern Yelahanka tiles on Teak reepers 2″×1″ including wood oiling to reepers, providing chunam borders and teakwood wind ties, etc., with R. M. C. for tiles	2,012 ,,	100 ,,
23	Ridge tiles set in mortar and cement pointed	53 R.ft.	R.ft.
24	Providing and fixing teakwood pendents and finials	6	Each
25	Providing and fixing teakwood planks 1″ thick, 1½′ wide with teakwood brackets, wood oiling, etc., complete	50 Sft.	S.ft.
26	Flooring with granite slabs 4″ thick cut to 2′ square two lines dressed and fixed on a bed of 6″ thick, stone jelly concrete in chunam mortar and pointed with cement	1,300 ,,	100 S.ft.
27	Cement concrete bund in front of Station building for floor edging	58 R.ft.	R.ft.
28	Chocolate painting two coats	600 S.ft.	100 S.ft.
29	Providing and fixing reinforced cement concrete name boards 8′×2′	2	Each
	8. Constructing a Platform Latrine.		
1	Earthwork excavation in all soils for founds	2,800 C.ft.	1,000 C.ft.
2	Concrete broken stone jelly in mortar	108 ,,	100 ,,
3	Burnt brick in mortar	208 ,,	100 ,,
4	Burnt brick in mud	257 ,,	100 ,,
5	Chunam plastering	838 S.ft.	100 S.ft.
6	White and colour washing	838 ,,	100 ,,
7	Cement plastering ½″ thick	150 ,,	100 ,,
8	Flooring with 6″ thick chunam concrete and plastered over with ½″ thick cement	65 ,,	100 ,,
9	Cement U-shaped drain 4½″ wide	27 R.ft.	R.ft.
10	Cement concrete slabs 1½′×1′ including fixing	8	Each
11	Providing and fixing outlet pipes	4	,,
12	Do G. I. Latrine pans (as per design)	4	,,
13	Burnt stone slabs 6″ thick dressed and fixed in chunam mortar	5 S.ft.	S.ft.
14	Providing and fixing reinforced cement concrete name boards	2	Each
15	Providing and fixing teakwood plain shutters, two of 1¼′×3½′ for each opening	4	,,
16	Providing masonry cistern 2′×2′×2′	1	,,

Serial No.	Description of work	Approximate quantity	Unit
	9. *Providing Old Sleeper Fencing and Sleeper edge Platform.*		
1	Providing fencing with departmental sleeper including earthwork	600 R.ft.	R.ft.
2	Edging the platform with Departmental sleepers with necessary earthwork	600 ,,	,,
3	Collecting and spreading sand	600 S.ft.	100 S.ft.
4	Burnt stone slabs 6″ thick roughly dressed and fixed in mortar for steps	272 ,,	S.ft.
	10. *Forming Station Approach Road.*		
1	Earthwork for levelling ground	13,000 C.ft.	1,000 C.ft.
2	Picking and forming road surface	26,000 S.ft.	100 S.ft.
3	Collecting, stacking and consolidating metal	52,000 C.ft.	1,000 C.ft.
4	Collecting and spreading gravel	2,170 ,,	1,000 ,,
5	Do sand	270 ,,	100 ,,
6	Watering and tamping	2	Furlong
	11. *Constructing Station Master's and Assistant Station Master's Quarters.*		
1	Earthwork excavation in all soils and filling in basement	1,400×2 C.ft.	1,000 C.ft.
2	Concrete stone jelly in chunam mortar	540×2 ,,	100 ,,
3	Burnt brick in mortar	1,581×2 ,,	100 ,,
4	Burnt brick in mud	1,793×2 ,,	100 ,,
5	Burnt stone slabs one line dressed and fixed in mortar	190×2 S.ft.	S.ft.
6	Teakwood doors with battened shutters 1″ thick with all fittings as per specification	108×2 ,,	,,
7	Teakwood windows with battened shutters 1″ thick with ¾″ sq. M. S. bars, etc., complete as per specification	60×2 S.ft.	S.ft.
8	Teakwood wrought and put up including two coats wood oiling	465×2 C.ft.	C.ft.
9	Roofing with 1st class Mangalore pattern Yelahanka tiles on teak reepers 2″×1″ with wood oiling to reepers and providing chunam borders, teakwood wind ties, etc., complete with R.M.C. for tiles	1,410×2 S.ft.	100 S.ft.
10	Ridge tiles set in mortar and cement pointed, R.M.C. for tiles	25×2 R.ft.	R.ft.
11	Chunam plastering	5,360×2 S.ft.	100 S.ft.
12	White and colour washing two coats	5,360×2 S.ft.	100 ,,
13	Flooring with 3″ concrete and plastered over with ½″ thick cement	680×2 ,,	100 ,,
14	Flooring with 6″ thick gravel and tamping, etc., complete	61×2 ,,	100 ,,
15	Conveying from depot and fixing second-hand 41¼ lbs. section rails (Rails supplied departmentally)	126×2 R.ft.	R.ft.
16	Providing oven	2×2	Each
17	Providing mortar and pestle	1×2	,,
18	Chocolate painting two coats	532×2 S.ft.	100 S.ft.
19	Providing teakwood pendants and finials	8×2	Each
20	Smoke tiles	4×2	,,
	12. *Constructing Menials' Quarters, one block of 4 units.*		
1	Earthwork excavation and filling in basement	1,862 C.ft.	1,000 C.ft.
2	Concrete broken stone jelly in chunam mortar	690 ,,	100 ,,
3	Burnt brick in chunam mortar	1,536 ,,	100 ,,
4	Burnt brick in mud	2,500 ,,	100 ,,
5	Burnt stone slabs 6″ thick one line dressed and fixed in mortar	35 S.ft.	S.ft.
6	Teakwood doors with battened shutters 1″ thick with necessary fittings as per specification	72 ,,	,,
7	Teakwood window with necessary fittings complete as per specification	52·5 ,,	,,
8	Conveying from Railway Station or depot and fixing 41¼ lbs. second-hand rails (rails supplied departmentally)	134 R.ft.	R.ft.
9	Teakwood wrought and put up with wood oiling two coats	44 C.ft.	C.ft.
10	Roofing with 1st class Mangalore pattern Yelahanka tiles over teak reepers 2″×1″ including wood oiling to reepers and providing chunam borders and teakwood wind ties, etc., with R.M.C. for tiles	1,470 S.ft.	100 S.ft.

Serial No.	Description of work	Approximate quantity	Unit
11	Ridge tiles set in mortar and cement pointed	49 R.ft.	R.ft.
12	Chunam plastering..	7,500 S.ft.	100 S.ft.
13	White and colour washing two coats..	7,500 ,,	100 ,,
14	Flooring with 3″ thick chunam concrete and plastered over with ½″ thick cement	780 ,,	100 ,,
15	Providing ovens	4	Each
16	Do mortar and pestle	4	,,
17	Do smoke tiles	8	,,
18	Chocolate painting two coats	250 S.ft.	100 S.ft.
	13. *Constructing 6 feet dia. Staff Well.*		
1	Earthwork excavation in all soils including blasting hard rock if any :—		
	1st fathom 0′ to 6′	384 C.ft.	100 C.ft.
	2nd ,, 6′ to 12′	384 ,,	100 ,,
	3rd ,, 12′ to 18′	170 ,,	100 ,,
	4th ,, 18′ to 24′	170 ,,	100 ,,
	5th ,, 24′ to 30′	170 ,,	100 ,,
	6th ,, 30′ to 36′	170 ,,	100 ,,
	7th ,, 36′ to 42′	170 ,,	100 ,,
2	Baling water for 6 feet clear dia. well	16 ft.	Feet
3	Dry stone steining 1½′ thick with 6″ jelly backing	234 C.ft.	100 C.ft.
4	Providing and fixing 6″ thick burnt stone slabs or cement concrete slabs below and above steining	78 S.ft.	S.ft.
5	Size stone masonry in chunam mortar	100 C.ft.	100 C.ft.
6	Cement pointing	130 S.ft.	100 S.ft.
7	Cement plastering ¾″ thick over 6″ concrete over parapet wall ..	39 S.ft.	100 S.ft.
8	Providing and fixing 9″ dia. iron pulley	1	Each
9	Fixing departmental 41¼ lbs. second-hand rails	30 R.ft.	R.ft.
10	Providing U-shaped cement drain 4½″ wide	20 R.ft.	R.ft.
11	Providing soak pit	1	Each
	14. *Ballast.*		
1	Collecting and stacking gravel	18,600 C.ft.	1,000 C.ft.
2	Spreading gravel ballast	18,600 ,,	1,000 ,,
3	Collecting and stacking broken stone metal ballast at site to pass through 2″ ring and not to pass through ¾″ ring, free from dust, pebbles, etc., of quartz or granite metal in standard heaps ..	6,000 ,,	1,000 ,,
4	Spreading the above on line by removing earth from track ..	6,000 ,,	1,000 ,,
5	Screening the existing metal ballast and spreading the same on the new formation	4,000 ,,	1,000 ,,

D. V. NARASIMHA RAO,
District Engineer.

OFFICE OF THE EXECUTIVE ENGINEER, S. T. RAILWAY CONSTRUCTION DIVISION, SAGARA.

Corrections to Tender Notifications dated 15th December 1939.

Linking Permanent Way on S. T. Railway, published on pages 2579 and 2580, Part VI of the *Mysore Gazette*, dated 21st December 1939.

Delete item No. 3 in the Schedule and *read* instead the following items :—

		Unit.	*Quantity.*
3.	Linking Permanent Way with 50 lbs. rails 30′ to 39′ long ..	Joint	1,709
4.	Loading and unloading rails and fastenings	Ton	910
5.	Loading and unloading sleepers	Per 100 (No.)	24,000

The last date of receipt of tender is extended to 12th January 1940 (3 P.M.)

M. R. KRISHNAMURTI,
Executive Engineer.

PRIVATE ADVERTISEMENTS.

IN THE COURT OF THE DISTRICT JUDGE, BANGALORE DIVISION, BANGALORE.

Miscellaneous Case No. 103 *of* 1939-40.

V. Shama Rao, Native Doctor, 532, Pattabhiramasastry Lane, Halsoorpet, Bangalore City .. .. *Petitioner.*

Enquiry No. 3843.

TOOL STEEL AND REAMERS REQUIRED FOR THE CENTRAL INDUSTRIAL WORKSHOP, BANGALORE.

DEAR SIR/GENTLEMEN,

Please be good enough to intimate your best prices and the earliest time of delivery for the materials described in the form printed below.

It should be distinctly understood that the acceptance by us of your quotation will be subject to the following conditions :—

Withdrawal from the quotation after it is accepted or failure to make the supply within the specified time or according to specifications will entail cancellations of the order and purchases being made at your expense from other sources in addition to the levy of a penalty of 3 per cent of the value of the order as and by way of liquidated damages. In such an event, the Stores Purchase Committee reserve the right to remove your name from the list of approved firms.

The quotations should be superscribed "Quotations for Tool steel and reamers required for the Central Industrial Workshop" with the above enquiry number.

This enquiry will be closed on the 17th January 1940.

SCHEDULE.

K. THIPPERUDRIAH,
Secretary,
Central Recruitment Board.

ENGINEERING DEPARTMENT.

BANGALORE DIVISION.

Notification dated 6th January 1940.

The attention of the public is hereby invited to the detailed notification inviting sealed tenders for the maintenance work to Jigani Major Tank, Reg. No. 145 of Anekal Taluk, published on pages 2510-11 of Part VI of the *Mysore Gazette,* dated 14th December 1939 and to inform that the last day for the receipt of the tender is extended from 23rd December 1939 to 26th January 1940.

Duplicate challan for having credited into the Treasury the deposit amount of Rs. 125 should accompany each tender.

N. LAKSHMINARASIMHAIYA,
Executive Engineer.

KOLAR DIVISION.

Notification dated 9th January 1940.

1. Sealed tenders will be received at the Office of the Executive Engineer, Kolar Division, up to 2 P.M. on 29th January 1940, for restoring Muniganahalli (Minor) Tank Reg. No. 666—407, Chintamani Taluk.

2. Tenders in the prescribed form obtainable from the Office of the Executive Engineer, Kolar Division, should be addressed to the Executive Engineer, Kolar Division, in a sealed cover and superscribed as "Tender for restoring Muniganahalli Minor Tank." The name of the tenderer should also be superscribed on the top of the cover.

3. Each tender must be accompanied by a treasury challan for earnest money of Rs. 230, paid to the treasury to the credit of "17 (*a*) P. W. Deposits," against the account of the Executive Engineer, Kolar Division. The earnest money of the successful tenderer will be retained, as security for the due fulfilment of the contract. Such a deposit in cash will not carry any interest.

4. The tenders will be opened in the presence of such tenderers who wish to be present on 29th January 1940 at Kolar. The final acceptance of the tender will rest with the Executive Engineer, who does not bind himself to accept the lowest or any tender, or to assign any reason whatever for the rejection of any.

5. The name of the successful tenderer will be posted on the Notice Board in the Executive Engineer's Office in due course. Within eight days of the acceptance of the tender, the successful, tenderer will be required to execute an agreement in the departmental Schedule Contract Form, for the due fulfilment of the contract, and for the execution of all items of work in accordance with the Bombay Specifications. A reserve of 5 per cent will be withheld in the work bills of the contractor and the same repaid after the due fulfilment of the contract.

6. Failure to comply with the condition 5 above or to agree to carry out the work in accordance with the specifications and agreements in force will entail forfeiture of the earnest money.

7. The earnest money of rejected tenders will be returned on submission of the receipt originally granted, along with an application to the Executive Engineer.

8. Copies of contract documents, schedules and drawings, may be seen at any time at the Executive Engineer's Office, Kolar, on all working days between 11 A.M. and 5 P.M.

9. Specific rates should be given for each item in the schedule accompanying the tender and the rates should be in rupees, annas and pies and expressed in words and figures. Tenders offering a percentage reduction on the estimate amount will be rejected.

10. Any rates or lumpsum amounts for the items not called for, if tendered by the tenderer, will not be taken notice of. The rates for such items may be entered in a separate schedule with date and reasons for the same. When lumpsum provisions are shown in the schedule of quantities the contractor will be paid at either his tendered rate for each item or the prevailing schedule of rates in the Division at the discretion of the Executive Engineer.

11. No alterations which are made by the tenderers in the tender form in the nomenclature of the items of work will be recognised and if corrections are made, the tenders are liable to rejection.

12. There should be no alterations or erasures in the tenders in the rates of items and any corrections made in the rates should be attested to, and the number of corrections, if any, in each page noted at the foot of the same by the tenderer.

13. No reference should be made to the Public Works Department schedule of rates.

14. In the event of the tender being submitted by a firm, it must be signed separately and severally by each member thereof, or in the event of absence of any partner, it must be signed on his behalf by a person holding power-of-attorney authorising him to do so.

15. When once the rates tendered have been accepted, they will not be revised under any circumstances. In regard to items of work not tendered, the rates for the same will be calculated by the Executive Engineer, on the basis of current rates for materials and labour with a contractor's profit of 5 per cent as may be approved by the Superintending Engineer. This shall be final and legally binding on the tenderer.

16. The quantities given in the schedule are only approximate and the drawings shown to the contractor are only tentative and are liable to alterations, omissions, deductions or additions, at the discretion of the Executive Engineer or his representative and may be due to any reason whatsoever. The tendered rates will hold good for any quantity, whether higher or lower than those given in the enclosed schedule.

17. The works should be completed and handed over in a tidy condition to the Public Works Department by the end of May 1940, failing which the Executive Engineer may, at his discretion, levy a penalty of Rs. 5 per day which will ordinarily be calculated at 12 per cent per annum on the total outlay as liquidated damages for non-fulfilment of contract, and will be recovered from the contractor's outstandings for the period exceeded by him beyond the time fixed and until the work is completed and handed over.

18. In all matters of disputes of any kind not specially provided for in the agreement or of rates, penalties, measurements, quality of work, etc., the decision of the Chief or the Superintending Engineer shall be final and legally binding.

19. No claim for damages for delays caused by officers of the Department in the execution of the work will be considered, whatever may be the reasons for such delays. Contractors should bear this in mind when tendering for the work. Extension of time due to delays caused by the departmental officers will, however be considered on the merits of each case.

20. The contract should not be sublet.

21. All materials, tools and plant and machinery that will be supplied by the Executive Engineer in the interest of the work shall be accepted by the tenderer at the rates fixed by the Executive Engineer. The tenderer will pay the hire on tools and plant and machinery as per rules from the date of taking over of such machinery, tools and plant from the Stores to the date of return thereto, the dates considered being the dates of acknowledgments of the vouchers in each transaction.

22. The contractor should arrange for the payment of royalty and tolls.

Note.—(*a*) The contractor should at his own cost—

(1) Provide rods, stakes, ropes and labour required in setting out the works.
(2) Provide all necessary scaffolding, centering, labour and appliances for hoisting.
(3) Provide mortar mills and sheds, to keep materials under cover and also for workmen.
(4) Arrange for protecting work during inclement weather.
(5) Supply requisite temporary lights, water cisterns, water pumps and hoses, sieves, parahs, shoring, strutting and other requisite protective appliances during the progress of the work.
(6) Supply all water required for work and workmen and shall provide temporary latrines and drains.
(7) Clean away all dirt, rubbish, superfluous materials and debris as they accumulate.
(8) Provide arrangements for pumping and baling of water from excavations and foundations wherever and whenever necessary with his own pumping apparatus including necessary leading drains, slump pits, etc.

(9) Afford facilities to any other parties employed upon the work by the P. W. D., so that their work may proceed during the progress of the contract, and give such persons the use of ordinary scaffolding and ladders.

(10) The contractor is responsible for all accidents to workmen, etc., on the work and he must take precaution against all risk of accidents and if necessary provide for the same by insurance at the proper time.

Note.—(*b*) It is the business of the contractor to make his own arrangements for quarries and supplies of materials.

N.B.—Copies of tenders in the prescribed form are obtainable from the Office of the Executive Engineer, Kolar Division, Kolar, only on a payment of four annas per form.

MISCELLANEOUS DEPARTMENTS.

GOVERNMENT OF MYSORE—ELECTRICAL DEPARTMENT.

OFFICE OF THE CHIEF ELECTRICAL ENGINEER, BANGALORE.

Gazette Notification No. G. N. 18, dated 8th January 1940.

To

The Hardware Merchants.

Sealed tenders for the purchase of the following material will be received in the office of the Chief Electrical Engineer, Bangalore, up to 2 P.M. on 31st January 1940.

The exact quantity that will be available for sale must be accepted by the successful tenderer. The material is available at Sivasamudram Stores and may be inspected there. Intending purchasers should quote their highest offer Ex-Sivasamudram Stores. The purchaser must make his own arrangements and remove the material from the Stores-house within three days after receipt of intimation of acceptance of his tender. He must pay the full value of the material before the same could be handed over, in the office of the General Superintendent, Sivasamudram.

The Chief Electrical Engineer reserves to himeslf the right to refuse the highest or any tender, whole or part, without assigning any reason therefor.

Tenders should be superscribed "Tender for the purchase of Angles and Flats to be opened at 2 P.M. on 31st January 1940".

Lengths 400 of New Angle Iron 4"×4"×½", in standard lengths, 12.75 lbs. per foot Sec.
Lengths 400 of New Flat Iron M.S. 3"×½", in standard lengths, 5.10 lbs. per foot.

M. HAYATH,
For *Chief Electrical Engineer.*

OFFICE OF THE SUPERINTENDENT, POWER AND LIGHTING, BANGALORE.

Notification dated 8th January 1940.

Sealed tenders for carting 310 Baliga poles of 30 ft. long, and miscellaneous line materials, will be received in the office of the Superintendent, Power and Lighting, Bangalore, up to 3 P.M. on 27th January 1940 in connection with the electrification of Sulebele and other villages in Hoskote Taluk.

2. Tenders should be superscribed as "Tender for carting 310 Baliga poles and sundry materials to Sulebele and other villages in Hoskote Taluk" to be opened on 27th January 1940, and sent in triplicate along with an earnest money of Rs. 50.

3. Within four days from the date of acceptance of the tender, the successful tenderer will be required to execute an agreement, failing which, the tender will be treated as cancelled and the earnest money deposited will be forfeited to Government.

4. The rates to be tendered should be in the form noted below and should be entered both in words and figures.

5. Payment will be made on bills, prepared in duplicate in ink or typewritten and submitted by the contractor in the prescribed printed forms, as and when the materials are carted. All claims relating to one consignment should be included in one bill for each section.

6. Loading and unloading carts or lorry should be arranged to be done by the contractor himself. The decision of the Chief Electrical Engineer, for all carting done will be final in all cases of doubt and legally binding.

7. The carting contractor should be in constant touch with the Assistant Controller of Stores, Bangalore, and Operator, Hoskote, and supply carts whenever called upon to do so at the shortest notice possible. The cartmen or coolies should submit to the rules of the Department.

8. If carts are not supplied, as and when required, other carts will be engaged on the spot, at the available rates, and any extra cost incurred thereby will be deducted from the pending bills or earnest money of the contractor. His complaint thereof will not prevail.

9. Fractions of a rupee, in the totals of bills amounting to Rs. 25 or more, will be rounded to the nearest rupee, that is, fractions of less than half a rupee will be disregarded and half a rupee and above taken as a rupee. Totals of bills for less than Rs. 25 will be rounded to the nearest anna, that is, half an anna and above will be taken as one anna and less than half an anna will be disregarded.

10. The Superintendent, Power and Lighting, Bangalore, reserves the right to accept the lowest or any other tender. He is also at liberty to accept or reject any or all the tenders without assigning any reasons therefor.

Sl. No.	Particulars	Unit	Rate
1	From Central Stores near "A" Station, Bangalore City to Power House, Hoskote.	Load of 1,500 lbs.	
2	Do to Upparahalli, Hoskote Taluk	40 Baliga poles 30 ft. long.

Enquiry No. 3858.

GENTLEMEN,

Please quote your best prices for ferro prussiate paper, ferro-gallic cloth and Ozalid paper described below for delivery at the several places noted therein :—

	Rate f.o.r., any Railway Station in the State	
	For supplies in lots of 12 rolls or more at a time	For smaller lots less than 12 rolls
1. Ferro Prussiate paper, 40″ wide, 10 yds. long, 110 gr./gm.		
2. Ferro Gallic cloth for taking prints and survey maps, 40″ wide, 10 yds. long ..		
3. Ferro gallic paper, 40″ wide, 10 yds. long		
4. Ozalid paper, 40″ wide, 10 yds. long ..		

N.B.—Samples should accompany the quotation.

The contract for these materials will be subject to the following conditions :—

(1) The prices quoted should hold good for a period of one year from the date of order.

(2) No enhancement in the prices accepted will be allowed during the period of contract.

(3) The quantities of different kinds of articles required cannot be guaranteed. Only such quantities as may be required by the departments from time to time will have to be supplied on indents from them. The contract will be deemed to be limited to the quantities actually drawn. All indents should be complied with within two weeks from the date of receipt of indents.

(4) As a guarantee for the proper performance of the contract the successful tenderers will have to execute an agreement undertaking to abide by our terms and also to furnish a security deposit of Rs. 100 which is refundable after the expiry of the period of contract.

This enquiry will be closed on the 22nd January 1940.

No. S. P. C. 22323-39, *dated 9th January* 1940.

To

The Firms dealing in M. S. Channel Iron.

Enquiry No. 3861.

M. S. CHANNEL IRON FOR GOVERNMENT ELECTRIC FACTORY.

DEAR SIR/GENTLEMEN,

Please be good enough to intimate your best prices and the earliest time of delivery for the materials described in the form printed below.

It should be distinctly understood that the acceptance by us of your quotation will be subject to the following conditions :—

Withdrawal from the quotation after it is accepted or failure to make the supply within the specified time or according to specifications will entail cancellations of the order and purchases being made at your expense from other sources in addition to the levy of a penalty of 3 per cent of the value of the order as and by way of liquidated damages. In such an event, the Stores Purchase Committee reserve the right to remove your name from the list of approved firms.

The quotations should be superscribed "Quotations for M. S. Channel Iron for Government Electric Factory" with the above enquiry Number.

This enquiry will be closed on the 22nd January 1940.

SCHEDULE.

Item No.	Description of material offered	Quantity	Price quoted F. O. R.	Time of delivery
1	M. S. Channel Iron of size $3'' \times 1\frac{1}{2}'' \times \frac{1}{4}''$	100 lengths	Bangalore City.	

N.B.—The names of the manufacturers should be clearly specified.

Yours faithfully,
MIR SAFDAR HUSSAIN,
Secretary,
Stores Purchase Committee.

Remarks:—More or less.

M. G. VENKATA RAO,
District Forest Officer.

SHIMOGA FOREST DIVISION.

Notification dated 12th January 1940.

It is hereby notified for general information that the right of collecting thupra leaves on all Government unoccupied lands, Amijt Mahal Kavals, State Forests, Reserve lands and Plantations in

the Shimoga Taluk as noted below from the date of confirmation of sale up to end of June 1942 will be sold in auction subject to the following conditions :—

Taluk	Place of Sale	Date of sale	Officer conducting the sale
1. Shimoga ..	District Forest Office, Shimoga.	Saturday the 3rd February 1940	District Forest Officer, Shimoga.

N.B.—(*a*) Government have reserved their power of issuing individual licenses for *bona fide* local consumers.

(*b*) Excludes the Produce of Inam, Jodi, Kayamgutta, Sarvamanya and other lands which are in the occupancy of private individuals as well as Village Forests.

1. The auction will commence at 3 P.M. and if it is not concluded on the same day, will be continued on the following day.

2. Defaulters on account of previous lease will not be permitted to bid.

3. No person will be allowed to bid unless he has deposited with the officer conducting the sale, a sum of Rs. 50. The deposits of unsuccessful bidders will be returned immediately after the sale.

4. The above right of collecting and removing the produce will be disposed of to the highest bidder subject to the confirmation of the District Forest Officer or the Conservator of Forests, as the case may be, who at his discretion may accept or reject the highest or any other bid without assigning any reason therefor.

5. The successful bidder shall, at the close of the sale, credit into the Taluk or District Treasury one-fourth sale amount (exclusive of the deposit amount already paid) together with Local Cess at one anna per rupee, Railway Cess at three pies per rupee and Education cess at six pies per rupee on the entire sale amount. In default of payment, the deposit already paid will be forfeited and the right resold. Such resale will be at the risk of the defaulting purchaser, who will be liable to make good any loss that may result to Government by such resale, but will not participate in any profit accruing therefrom.

N.B.—If the deficit be not paid it will be recovered as arrears of land revenue.

6. If the sale is not confirmed, the amount paid will be refunded.

7. The accepted bidder shall pay the balance of sale amount within fifteen days of the intimation of the confirmation of the sale and execute an agreement binding himself to observe the conditions mentioned hereunder. In default, the acceptance of the bid will be revoked, the money already paid forfeited and the right resold.

Further conditions to be entered in the agreement are :—

(*a*) The lessee shall hold himself responsible for the cutting or injuring of any other trees on the plea of collecting the produce. The lessee shall be held personally responsible for the acts of his agents or servants.

(*b*) The lessee shall furnish a list of sub-contractors, agents or servants who may be appointed by him for the collection of produce.

(*c*) The lessee shall work out the lease himself and not transfer or sublet it to others without the previous sanction of the District Forest Officer.

(*d*) The lessee, his agents or servants shall render all possible help in preventing the occurrence of fires in Forest in which he or they may be working and render prompt assistance in extinguishing such fires, as may break out accidentally.

(*e*) The lessee shall remove out of the limits of the Forests all produce collected under the terms of the lease before the 30th June 1942.

(*f*) Neither the lessee nor his servants shall enter the State Forests either before sunrise or after sunset.

8. In the event of the breach of any of the above conditions, the lease will be liable to be cancelled, and the lessee fined to the extent of Rs. 25 which will be recovered as an arrear of land revenue.

9. Interest at 6¼ per cent will be charged on all belated payments.

M. A. MUTHANNA,
District Forest Officer.

SAGAR FOREST DIVISION.

Notification dated the 8th January 1940.

It is hereby notified for the information of the public that there is one Bite log of 17′—3″ in length and 4′—1″ in girth measuring 18 C.ft., found in Kaneshumari No. 29 of Hariharpur Becharak Village, Shikarpur Taluk and kept in the custody of the Ex-Patel, Mr. Gouse Sab at Ambligola.

Persons having any claim to the above Bite log may intimate their claims in writing within a month from the date of this Notification after which, the said timber will lapse to Government under Section 42 of the Mysore Forest Act.

Notification dated 9th January 1940.

SALE OF TIMBER.

It is notified for the general information that the undermentioned kinds and quantities of timber will be sold by public auction under the following conditions at the following depots on the dates noted against the same :—

Name of depot	Date of sale	Teak logs	Sura-honne	Nandi	Honne	Other kinds	Remarks
Sagar	2-3-40	..	132	1,000	200	300	The sale will be conducted by the District Forest Officer, Sagar Division, or any other officer deputed by him.
Shiralkoppa	22-2-40	2,000	..	1,000	500	500	
Shikarpur	28-2-40	500	..	500	500	1,500	
Shakunvalli	26-2-40	1,500	..	..	..	..	
Anivatti	23-2-40	3,000	..	500	..	500	The sale of timber will commence at 2 P.M. in all the depots on the dates fixed.

N.B.—Quantities noted are only approximate.

Conditions.

1. Each bidder shall place a deposit of Rs. 200 with the officer conducting the sale. But defaulters to the department will not be allowed to bid at the sales.

In the case of purchasers of timber not exceeding Rs. 200 in value, this deposit will not be insisted upon, provided that the full purchase money is paid in cash on the spot.

2. Any person bidding at the sale may be required by the officer conducting the sale to state whether he is bidding on his own behalf or as an agent, and in the latter case, to produce a written authority duly signed by the principal.

3. The highest bidder shall ordinarily be the purchaser, but the officer conducting the sale can reject any bid or stop the sale at any stage without assigning any reason to the intending purchasers.

4. Immediately after the lot is knocked down to him, the successful bidder shall sign his name opposite the number and specification of the lot bought by him in a book provided for the purpose. Such signature shall be held as admission on his part of having bought such lot and of having accepted the terms of the sale as herein specified. The sale is subject to the confirmation of the Conservator of Forests if the amount exceeds Rs. 1,000 and to that of the District Forest Officer in other cases.

5. After conclusion of the sale, each purchaser shall pay 10 per cent of the amount in cash to the officer conducting the sale and obtain in return from him a receipt vouching for the payment of the one-tenth value as well as the initial deposit of Rs. 200. Should any purchaser fail to comply with this rule, the initial deposit of Rs. 200 shall at once be forfeited to Government and the officer conducting the sale shall be at liberty to resell the timber purchased by such defaulter who shall be required to make good any loss, but shall not participate in any profit from such resale. The amount due by such defaulter on account of loss from resale shall be recovered from him as a revenue demand under Section 79 of the Mysore Forest Act. In calculating such losses, the initial deposit forfeited to Government shall not be taken into account.

6. The deposits tendered by the unsuccessful bidders shall be returned immediately after the sales are concluded, those of the successful bidders being lodged in the Savings Bank as security deposit.

7. The full value of all timber purchased shall be paid for within 30 days after the date of sale or within 15 days after the date of notice of confirmation of the sale, whichever is later. The moneys shall be paid into such treasury as the District Forest Officer may direct, within the time specified.

8. If the amount is not fully paid for by the purchaser before the dates fixed above, the initial deposit as well as the other moneys already paid in shall be forfeited to Government and all or any portion of the timber not fully paid for shall be resold at the risk of the purchaser in the manner prescribed for default of payment of one-tenth value in clause 5 *supra*.

9. No timber lot shall be permitted to be removed by the purchaser unless it has been paid for in full, calculated at the rates at which the timber is knocked down to him at the time of sale, including the 10 per cent deposit paid for the lot at the time of the sale ; and no timber shall be removed from the depot unless a permit is obtained from the Forest Officer in charge of the depot. The earnest money will not be adjusted towards the value of timber until 90 per cent of the purchase money over and above the security deposit has been paid.

10. Timber purchased should be removed as early as possible, and in no case should it be allowed to remain longer than 90 days after the date of sale. Timber not removed after purchase will remain in the depot at the risk of purchaser from the date of the confirmation of the sale.

11. If the timber is not removed within the time allowed, the same may, after ten days' notice to the purchaser, be sold in public auction and the proceeds will be given to the purchaser after defraying all the expenses in connection with the resale.

12. The deposit of Rs. 200 will remain as security for the due fulfilment of all and every one of the terms of sale, for the breach of any of which by the purchaser, the District Forest Officer shall be entitled

to forfeit the deposit in whole or in part and in the event of such forfeiture, the sum so forfeited shall be immediately made good by the purchaser so long as the transaction is not finally closed. The security deposit or the balance thereof, if any, shall be returned to the purchaser after the full value of timber purchased has been paid for and the timber fully removed.

13. Interest will be charged on all belated payments at 6¼ per cent per annum from the date of their falling due up to the date of payment.

N. VENKATARAMAIYA,
District Forest Officer.

BHADRAVATI DIVISION.

Abstract Notification dated 8th January 1940.

The attention of the public is invited to the detailed notification of date regarding the auction sale of timber in the following depots, published on pages 56-57, Part VI of the *Mysore Gazette*, dated 11th January 1940.

Name of Depot	*Quantity*	*Date of sale*
Channagiri	Teak 5,000 C.ft.	5th February 1940.
Ubrani	„ 2,000 „	8th February 1940.

Notification dated 12th January 1940.

Sealed tenders will be received by the District Forest Officer, Bhadravati Division, till 4 P.M. on Saturday the 10th February 1940, for the supply of the following kinds and quantities of rations to the departmental elephants working in the Division, commencing from 15th February 1940 or the date of execution of the agreement to the end of 31st January 1941 or of execution of agreement by the subesquent tenderer of the succeeding year, whichever is later.

2. The approximate quantity of rations is as follows :—

Paddy	500 pallas	More or less
Salt	6 „	
Castor oil	50 maunds	
Paddy Straw during hot weather	12,000 bundles	
Rice	10 pallas	

3. Each tender must be accompanied by a deposit of Rs. 100 in currency notes as earnest money, and be superscribed as "Tender for the supply of rations to elephants."

4. The final acceptance of the tender will rest with the Conservator of Forests, Shimoga, who does not bind himself to accept the lowest or any tender or to assign any reason whatsoever for the rejection of the same.

5. The name of the successful tenderer will be notified in due course on the Notice Board of the District Forest Office, Bhadravati Division, and the tenderer should, within a week of the intimation thereof, enter into an agreement for the due fulfilment of the contract, duly furnishing a cash security deposit of Rs. 200 in the Government Treasury inclusive of the amount of earnest money already paid. In default to execute the bond and to furnish security deposit, the tender will be cancelled and the earnest money forfeited to Government.

6. The tenderer should supply the rations in time and at the appointed places to the Range Officer and should also be prepared to remove and replace all provisions which may be rejected by the Range Officers. In case he fails to do so, the supply will be made by the Department and all extra charges will have to be borne by the contractor himself which will be recovered from the security deposit.

7. Once in a month, the tenderer will be paid through the Range Forest Officer for the value of the rations that may be supplied during the month on a bill to be prepared and sent to his office for sanction along with the receipts previously obtained by him for the supply of rations to the Range Officers after the bill is countersigned by the District Forest Officer.

8. The earnest money of the rejected tenderers will be returned to them immediately if they happen to be present at the time of opening of tenders and to others by post at their cost.

9. In all cases of disputes concerning the contract, the decision of the Conservator of Forests will be treated as final.

10. The contractor should also supply any special rations required whenever required at the current market rates.

11. For breach of any of the foregoing conditions, the District Forest Officer will be at liberty either to fine the contractor to the extent of Rs. 5 in each case or to cancel the contract at any stage and forfeit the deposit in full or part. The fine, if any levied on the contractor, will be recovered from the contractor's bill or security deposit.

12. The deposit of the contractor will be returned one month after the expiry of the contract period if the terms of the contract as per tender notification are fulfilled.

FORM OF TENDER.

Sl. No.	Name of provision	Quantity	Rate	Remarks

H. S. RANGACHAR,
District Forest Officer.

ENGINEERING DEPARTMENT.

BUILDINGS DIVISION, BANGALORE.

Abstract Notification dated 3rd January 1940.

The attention of the public is hereby invited to the detailed notification calling for tenders for constructing first floor of Chamber of Commerce, Bangalore, published on pages 57-59, Part VI of the *Mysore Gazette*, dated 11th January 1940. The last date of tender is 26th January 1940.

Abstract Notification dated 5th January 1940.

The attention of the public is hereby invited to the detailed notification calling for tenders for constructing additional rooms to the Kannada Boys' Middle School at new Sawar Lines, Bangalore, published on pages 60-61, Part VI of the *Mysore Gazette*, dated 11th January 1940. The last date of tender is 29th January 1940.

M. K. RAJAM IYENGAR,
Executive Engineer.

BANGALORE DIVISION.

Notification dated 6th January 1940.

The attention of the public is hereby invited to the detailed notification inviting sealed tenders for the maintenance work to Jigani Major Tank, Reg. No. 145 of Anekal Taluk, published on pages 2510-11 of Part VI of the *Mysore Gazette*, dated 14th December 1939 and to inform that the last day for the receipt of the tender is extended from 23rd December 1939 to 26th January 1940.

Duplicate challan for having credited into the Treasury the deposit amount of Rs. 125 should accompany each tender.

Abstract Notification dated 5th January 1940.

The attention of the public is hereby invited to the detailed notification inviting sealed tenders for restoring and improving Araladibbe Minor Tank, Reg. No. 257 of Nelamangala Taluk, published on pages 61-64 of Part VI of the *Mysore Gazette*, dated 11th January 1940.

The last date for the receipt of the tender is 2 P.M. on 27th January 1940. Duplicate challan for having credited the deposit amount of Rs. 170 into the Treasury under "17 (*a*) P. W. Deposits" should accompany each tender.

Abstract Notification dated 5th January 1940.

The attention of the public is hereby invited to the detailed notification inviting sealed tenders for constructing a building for the Town Hall at Devanahalli, published on pages 64-66 of Part VI of the *Mysore Gazette*, dated 11th January 1940.

The last date for the receipt of the tender is 2 P.M. on 27th January 1940. Duplicate challan for having credited the deposit amount of Rs. 410 into the Treasury under "17 (*a*) P. W. Deposits" should accompany each tender.

Notification dated 10th January 1940.

1. Sealed tenders will be received at the Office of the Executive Engineer, Bangalore Division, up to 2 P.M. on 3rd February 1940, for constructing a masonry anecut at 1/13th mile of Madras-Cannanore Road, Kengeri side.

2. Tenders in the prescribed form obtainable on payment of four annas per form from the Office of the Executive Engineer, Bangalore Division, should be addressed to the Executive Engineer, Bangalore Division, in a sealed cover and superscribed as "Tender for constructing a masonry anecut at 1/13th mile of Madras-Cannanore Road, Kengeri side." The name of the tenderer should also be superscribed on the top of the cover.

3. Each tender must be accompanied by a duplicate challan for having credited into the Treasury the deposit amount of Rs. 160 under 17 (a) P. W. Deposits in cash or Government Promissory Notes or Mysore Government Bonds, duly endorsed at face value or market value, whichever is less, as earnest money. The earnest money of the successful tenderer will be retained as security deposit for due fulfilment of the contract. Such a deposit in cash will not carry any interest.

4. The tenders will be opened in the presence of such tenderers who wish to be present on 3rd February 1940 at 3 P.M. The final acceptance of the tender will rest with the Executive Engineer, who does not bind himself to accept the lowest or any tender, or to assign any reason whatever for the rejection of any.

5. The name of the successful tenderer will be posted on the Notice Board in the Executive Engineer's Office in due course. Within eight days of the acceptance of the tender, the successful tenderer will be required to execute an agreement in the departmental Schedule Contract Form, for the due fulfilment of the contract, and for the execution of all items of work in accordance with the Bombay Specifications (1931).

6. Failure to comply with the condition 5 above or to agree to carry out the work in accordance with the specifications and agreements in force will entail forfeiture of the earnest money.

7. The earnest money of rejected tenders will be returned on submission of the receipt originally granted, along with an application to the Executive Engineer.

8. Copies of contract documents, schedules and drawings may be seen at any time at the Executive Engineer's Office, Bangalore, on all working days between 11 A.M. and 5 P.M. and may be obtained from that officer on payment of Rs. 3 per each.

9. Specific rates should be given for each item in the schedule accompanying the tender and the rates should be in rupees, annas and pies and expressed in words and figures. Tenders offering a percentage reduction on the estimate amount will be rejected.

10. Any rates or lumpsum amounts for the items not called for, if tendered by the tenderer, will not be taken notice of. The rates for such items may be entered in a separate schedule with date and reasons for the same.

11. No alterations which are made by the tenderers in the tender form in the nomenclature of the items of work will be recognised and if corrections are made, the tenders are liable to rejection.

12. There should be no alterations or erasures in the tenders in the rates of items and any corrections made in the rates should be attested to, and the number of corrections, if any, in each page noted at the foot of the same by the tenderer.

13. No reference should be made to the Public Works Department schedule of rates.

14. In the event of the tender being submitted by a firm, it must be signed separately and severally by each member thereof or in the event of absence of any partner, it must be signed on his behalf by a person holding power-of-attorney authorising him to do so.

15. When once the rates tendered have been accepted, they will not be revised under any circumstances. In regard to items of work not tendered, the rates for the same will be calculated by the Executive Engineer on the basis of current rates for materials and labour with a contractor's profit of 5 per cent as may be approved by the Superintending Engineer. This shall be final and legally binding on the tenderer.

16. The quantities given in the schedule are only approximate and the drawings shown to the contractor are only tentative and are liable to alterations, omissions, deductions or additions, at the discretion of the Executive Engineer or his representative. The tendered rates will hold good for any quantity, whether higher or lower than those given in the enclosed schedule.

17. The works should be completed and handed over in a tidy condition to the Public Works Department by the end of May 1940, failing which the Executive Engineer may, at his discretion, levy a penalty of Re. 1-0-0 per day which will ordinarily be calculated at 12 per cent per annum on the total outlay as liquidated damages for non-fulfilment of contract, and will be recovered from the contractor's outstandings for the period exceeded by him beyond the time fixed and until the work is completed and handed over.

18. In all matters of disputes of any kind not specially provided for in the agreement or of rates, penalties, measurements, quality of work, etc., the decision of the Chief or the Superintending Engineer shall be final and legally binding.

19. No claim for damages for delays caused by officers of the department in the execution of the work will be considered, whatever may be the reasons for such delays. Contractors should bear this in mind when tendering for the work. Extension of time due to delays caused by the departmental officers will, however, be considered on the merits of each case.

20. The contract should not be sublet.

21. All materials, tools and plant and machinery that will be supplied by the Executive Engineer in the interest of the work shall be accepted by the tenderer at the rates fixed by the Executive Engineer: The tenderer will pay the hire on tools and plant and machinery as per rules from the date of taking over of such machinery, tools and plant from the Stores to the date of return thereto, the dates considered being the dates of acknowledgments of the vouchers in each transaction.

22. The contractor should arrange for the payment of royalty and tolls.

Note.—(*a*) The contractor should at his own cost—

(1) Provide rods, stakes, ropes and labour required in setting out the works.
(2) Provide all necessary scaffolding, centering, labour and appliances for hoisting.
(3) Provide mortar mills and sheds, to keep materials under cover and also for workmen.
(4) Arrange for protecting work during inclement weather.
(5) Supply requisite temporary lights, water cisterns, water pumps and hoses, sieves, parahs, shoring, strutting and other requisite protective appliances during the progress of the work.
(6) Supply all water required for work and workmen and shall provide temporary latrines and drains.
(7) Clean away all dirt, rubbish, superfluous materials and debris as they accumulate.
(8) Provide arrangements for pumping and baling of water from excavations and foundations wherever and whenever necessary with his own pumping apparatus including necessary leading drains, slump pits, etc.
(9) Afford facilities to any other parties employed upon the work by the P. W. D., so that their work may proceed during the progress of the contract, and give such persons the use of ordinary scaffolding and ladders.
(10) The contractor is responsible for all accidents to workmen, etc., on the work and he must take precaution against all risk of accidents and if necessary provide for the same by insurance at the proper time.

Note.—(*b*) It is the business of the contractor to make his own arrangements for quarries and supplies of materials.

Approximate quantities for constructing a masonry anecut in 1—13 of Madras-Cannanore Road, Kengeri side.

No.	Items of work	Unit	Rate	Quantity	Rate to be quoted

N. LAKSHMINARASIMHAIYA,
Executive Engineer.

BUREAU OF SANITARY ENGINEERING, BANGALORE.

Notification dated 2nd January 1940.

The attention of the public is invited to the notification, calling for tenders for the work of constructing drains in Konanur Town for the year 1939-40, published in pages 46-47, Part VI of the *Mysore Gazette*, dated 4th January 1940.

The last date of receiving tenders is fixed on 22nd January 1940.

Notification dated 9th January 1940.

Notice is hereby given that sealed tenders will be received at the Office of the Sanitary Engineer, Bureau of Sanitary Engineering, Bangalore, up to 1 P.M. on 31st January 1940, for the work of constructing 1st stage drains in Bhadravati Old Town. An approximate estimate of quantities is given below. These quantities are not guaranted. The work should be completed by the end of June 1940.

2. The plans, detailed estimate and conditions may be seen at the Sanitary Engineer's Office between the hours of 11 A.M. and 5 P.M. on all office days.

3. Tenders should be submitted on printed forms which may be obtained from the Sanitary Engineer on a payment of annas four per each form. No tender not in the prescribed form will be accepted. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of Rs. 425 in cash (no cheques will be accepted) as earnest money, and be superscribed "Tender for the work of constructing 1st stage drains in Bhadravati Old Town," in default of which the tenders will be rejected.

5. The final acceptance of the tender will rest with the Sanitary Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond, in default of which his tender will be considered cancelled and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the Notice Board in the Sanitary Engineer's Office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

9. Charges on account of scaffolding materials, implements for setting out, barricading, clearing site, supply of water, etc., that may be found necessary during execution will not be paid for separately but should be borne by the contractor.

10. Rates for non-tendered and non-estimated items shall be as per schedule rates of the Department or those fixed by the Sanitary Engineer after working out data with not more than 10 per cent for contractor's profit.

11. In all matters not specifically provided for and in all matters of disputes about rates, quantities, measurements, quality of works, etc., and in all disputes of any kind, the decision of the Sanitary Engineer will be final and legally binding.

Estimate of the approximate quantities for the work of constructing 1st stage drains in Bhadravati Old Town.

K. S. HUTCHA RAO,
Sanitary Engineer.

KOLAR DIVISION.

Abstract Notification dated 31st December 1939.

The attention of the public is invited to the detailed notification dated 30th December 1939, published on pages 41-43, Part VI of the *Mysore Gazette*, dated 4th January 1940 regarding construction of Sri Sappalammadevaru Temple at Thornahalli village, Malur Taluk.

The last date for receiving tenders is 26th January 1940 up to 2 P.M.

Abstract Notification dated 9th January 1940.

The attention of the public is invited to the detailed notification dated 9th January 1940, published on pages 100-103, Part VI of the *Mysore Gazette*, dated 11th January 1940, regarding tenders for restoring Muniganahalli Minor Tank, Reg. No. 666-407, in Chintamani Taluk.

The last date for receiving tenders is 29th January 1940, up to 2 P.M.

C. R. IYENGAR,
Executive Engineer.

TUMKUR DIVISION.

Abstract Notification dated 2nd January 1940.

The attention of the public is drawn to the notification calling for tenders for restoring Kalkote Tank, Reg. No. 19, Sira Taluk, published on pages 43-46, Part VI of the *Mysore Gazette*, dated 4th January 1940.

2. The tenders will be received by the Executive Engineer up to 2 P.M. on 22nd January 1940.

3. The earnest money required for the work is Rs. 450 which should be credited to the treasury to "17 (*a*) P. W. Deposits" and the relative chellan enclosed.

Abstract Notification dated 3rd January 1940.

The attention of the public is drawn to the Notification calling for tenders for collection of burnt stone jelly in miles 71 to 98 (both inclusive) of Bangalore-Honnavar road, published in pages 67-68, Part VI of the *Mysore Gazette*, dated 11th January 1940.

2. The tenders will be received by the Executive Engineer up to 2 P.M. on 26th January 1940.

3. The earnest money required for the work is Rs. 50 for each section of mile, which should be credited to the treasury to "17 (*a*) P. W. Deposits" and the relative chellan enclosed.

Notification dated 11th *January* 1940.

Notice is hereby given that sealed tenders will be received at the Office of the Executive Engineer, Tumkur Division, up to 2 P.M. on 2nd February 1940, for restoring the breached Kagglodu Major Tank, Reg. No. 146 of Sira Taluk. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of December 1940.

2. The plans, detailed estimate and conditions may be seen at the Executive Engineer's Office at Tumkur between the hours of 11 A.M. and 5 P.M.

3. Tenders should be submitted on printed forms which may be obtained from the Executive Engineer on payment of annas four for each form. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a treasury chellan for Rs. 315 credited to the Treasury to "17 (*a*) P. W. Deposits," as earnest money, and be superscribed "Tender for restoring the breached Kagglodu Major Tank, Reg. No. 146 of Sira Taluk," in default of which tenders will be rejected.

5. The final acceptance of any tender will rest with the Executive Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender the successful competitor will be required to execute the usual contract bond, in default of which his tender will be considered cancelled and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the Notice Board in the Executive Engineer's Office in due course. No enquiry regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders the earnest money on rejected tenders will be returned.

9. Rates once tendered will not be enhanced on any account.

10. Rates for non-tendered and non-estimated items shall be as per current schedule rates of the Department or those fixed by the Executive Engineer after working out data with not more than 10 per cent for contractor's profit.

11. In all matters not specifically provided for and in all matters of dispute about rates, quantities, measurements, quality of works, etc., and in all disputes of any kind, the decision of the Executive Engineer will be final and legally binding.

12. Quotations must be given in words, as well as in figures and they must be in specific term of unit shown against each item of work. Any quotation quoted at so much percentage less or more than the estimated rate will not be accepted.

P. RAJAGOPALAN,
Executive Engineer.

CHITALDRUG DIVISION.

Notification dated 11th January 1940.

1. Sealed tenders will be received at the Office of the Executive Engineer, Chitaldrug Division, up to 2 P.M. on 5th February 1940, for Additional Accommodation in the District Lock-up at Chitaldrug.

2. Tenders in the prescribed form obtainable from the Office of the Executive Engineer, Chitaldrug Division, should be addressed to the Executive Engineer, Chitaldrug Division, in a sealed cover and superscribed as "Tender for the Additional Accommodation in the District lock-up, Chitaldrug." The name of the tenderer should also be superscribed on the top of the cover.

3. Each tender must be accompanied by a deposit of Rs. 125 (Rupees one hundred and twenty-five) in cash or Government Promissory Notes or Mysore Government Bonds, duly endorsed at face value or market value, whichever is less, as earnest money in the first instance and 5 per cent will be reserved in bills up to 10 per cent. The earnest money of the successful tenderer will be retained as security deposit for the due fulfilment of the contract. Such a deposit in cash will not carry any interest.

4. The tenders will be opened in the presence of such tenderers as wish to be present on 5th February 1940 at 4 P.M. The final acceptance of the tender will rest with the Executive Engineer, who does not bind himself to accept the lowest or any tender, or to assign any reason whatever for the rejection of any.

5. The name of the successful tenderer will be posted on the Notice Board in the Executive Engineer's Office in due course. Within eight days of the acceptance of the tender, the successful tenderer will be required to execute an agreement in the departmental Schedule Contract Form, for the due fulfilment of the contract, and for the execution of all items of work in accordance with the Bombay Specifications (1931).

6. Failure to comply with the condition 5 above or to agree to carry out the work in accordance with the specifications and agreements in force, will entail forfeiture of the earnest money.

7. The earnest money of rejected tenders will be returned on submission of the receipt originally granted, along with an application to the Executive Engineer.

8. Copies of contract documents, schedules and drawings may be seen at any time at the Executive Engineer's Office, Chitaldrug on all working days between 11 A.M. and 5 P.M. and the Tender Notification may be obtained from that officer on payment of Re. 0-4-0.

9. Specific rates should be given for each item in the schedule accompanying the tender and the rates should be in rupees, annas and pies and expressed in words and figures. Tenders offering a percentage reduction on the estimate amount will be rejected.

10. Any rates or lumpsum amounts for the items not called for, if tendered by the tenderer, will not be taken notice of. The rates for such items may be entered in a separate schedule with date and reasons for the same.

11. No alterations which are made by the tenderers in the tender form in the nomenclature of the items of work will be recognised and if corrections are made, the tenders are liable to rejection.

12. There should be no alterations or erasures in the tenders in the rates of items and any corrections made in the rates should be attested to, and the number of corrections, if any, in each page noted at the foot of the same by the tenderer.

13. No reference should be made to the Public Works Department schedule of rates.

14. In the event of the tender being submitted by a firm, it must be signed separately and severally by each member thereof or in the event of absence of any partner, it must be signed on his behalf by a person holding power-of-attorney authorising him to do so.

15. When once the rates tendered have been accepted, they will not be revised under any circumstances. In regard to items of work not tendered, the rates for the same will be calculated by the Executive Engineer on the basis of current rates for materials and labour with a contractor's profit of 5 per cent as may be approved by the Superintending Engineer. This shall be final and legally binding on the tenderer.

16. The quantities given in the schedule are only approximate and the drawings shown to the contractor are only tentative and are liable to alterations, omissions, deductions or additions, at the discretion of the Executive Engineer or his representative. The tendered rates will hold good for any quantity, whether higher or lower than those given in the enclosed schedule.

17. The works should be completed and handed over in a tidy condition to the Public Works Department by the 15th of June 1940, failing which the Executive Engineer may, at his discretion, levy a penalty of Rs. 10 per day which will ordinarily be calculated at 12 per cent per annum on the total outlay as liquidated damages for non-fulfilment of contract, and will be recovered from the contractor's outstandings for the period exceeded by him beyond the time fixed and until the work is completed and handed over.

18. In all matters of disputes of any kind not specially provided for in the agreement or of rates, penalties, measurements, quality of work, etc., the decision of the Chief or the Superintending Engineer shall be final and legally binding.

19. No claim for damages for delays caused by officers of the department in the execution of the work will be considered, whatever may be the reasons for such delays. Contractors should bear this in mind when tendering for the work. Extension of time due to delays caused by the departmental officers will, however, be considered on the merits of each case.

20. The contract should not be sublet.

21. All materials, tools and plant and machinery that will be supplied by the Executive Engineer in the interest of the work shall be accepted by the tenderer at the rates fixed by the Executive Engineer. The tenderer will pay the hire on tools and plant and machinery as per rules from the date of taking over of such machinery, tools and plant from the Stores to the date of return thereto, the dates considered being the dates of acknowledgments of the vouchers in each transaction.

22. The contractor should arrange for the payment of royalty and tolls.

23. Chamundi Brand cement alone to be used.

24. All lumpsum items will be paid for as per lowest schedule of rates after measuring the the details of work done.

Note.—(*a*) The contractor should at his own cost—

(1) Provide rods, stakes, ropes and labour required in setting out the works.

(2) Provide all necessary scaffolding, centering, labour and appliances for hoisting.

(3) Provide mortar mills and sheds, to keep materials under cover and also for workmen.

(4) Arrange for protecting work during inclement weather.

(5) Supply requisite temporary lights, water cisterns, water pumps and hoses, sieves, parahs, shoring, strutting and other requisite protective appliances during the progress of the work.

(6) Supply all water required for work and workmen and shall provide temporary latrines and drains.

(7) Clean away all dirt, rubbish, superfluous materials and debris as they accumulate.

(8) Provide arrangements for pumping and baling of water from excavations and foundations wherever and whenever necessary with his own pumping apparatus including necessary leading drains, slump pits, etc.

(9) Afford facilities to any other parties employed upon the work by the P. W. D., so that their work may proceed during the progress of the contract, and give such persons the use of ordinary scaffolding and ladders.

(10) The contractor is responsible for all accidents to workmen, etc., on the work and he must take precaution against all risk of accidents and if necessary provide for the same by insurance at the proper time.

Note.—(*b*) It is the business of the contractor to make his own arrangements for quarries and supplies of materials.

Estimate for the additional accommodation in the District Lock-up at Chitaldrug.

Chitaldrug T. B. .... From 28th January 1940 to 3rd February 1940 (both days inclusive).

B. TIRUMALACHAR,
Executive Engineer.

MEDICAL DEPARTMENT.

OFFICE OF THE DISTRICT MEDICAL OFFICER, TUMKUR DISTRICT, TUMKUR.

Abstract Notification dated 1st January 1940.

Notice is hereby given that sealed tenders in triplicate, on half-sheet foolscap size paper, will be received at the office of the District Medical Officer, Tumkur, by the undersigned at 11 A.M. on Thursday the 25th January 1940, for the supply of Bedding and Clothing required for the use of District and Maternity Hospitals, Tumkur, for the year 1939-40.

For further particulars please refer to detailed notification published in Part VI, on pages 47-48, of the *Mysore Gazette*, dated 4th January 1940.

P. SHAMA RAO,
District Medical Officer.

EPIDEMIC DISEASES HOSPITAL, KOLAR GOLD FIELDS.

Tender Notification dated 13th January 1940.

1. Notice is hereby given that sealed tenders in triplicate on half sheet foolscap size paper will be received at the Office of the District Medical Officer, Kolar Gold Fields, Robertsonpet, by the undersigned at 11 A.M., on 8th February 1940, for the supply of "Bedding and Clothing." (as per list annexed), required for the Epidemic Diseases Hospital, for the year 1940-41.

2. No tender will be received after the date and time abovementioned.

3. Tenders to be superscribed "Tender for the supply of Bedding and Clothing to the Epidemic Diseases Hospital, Robertsonpet, Kolar Gold Fields" addressed to the District Medical Officer, Kolar Gold Fields.

4. No tender will be received unless accompanied by (Rs. 50) rupees fifty in *treasury receipt*.

5. The rate of each item must be superscribed in figures, as well as in words, and they must be for the particular brand or kind of articles as specified in the list appended hereto. The value of each tender must be worked out according to the rates tendered and the total value must also be in words and in ink. Tenders not conforming to this rule will be rejected.

6. The tenders will be opened by the District Medical Officer at his office on the date and hour abovementioned in the presence of such tenderers as may choose to attend.

7. The quantities stated in the list are not guaranteed.

8. The Senior Surgeon does not bind himself to accept the lowest or any tender or to assign any reason for not accepting any tender.

9. No advance of cash will be made to the contractor.

10. The deposit of successful tenderer will be retained and will be forfeited to Government, if he fails to complete the contract by executing the necessary agreements within three days from the date of receiving intimation of the acceptance of his tender.

11. The contract must not be sublet.

12. In payments, the contractor must accept the following rule regarding the fractions of a rupee. Orders passed by Government: "In payments made to the contractor, fractions of a rupee in totals will be rounded to the nearest rupee, *i.e.*, fractions less than half a rupee will be disregarded, half a rupee and over taken as a rupee."

13. The articles of Bedding and Clothing should be according to the hospital samples which will be available for inspection at the hospital during the hours of 7-30 A.M. to 11-30 A.M. and 3 P.M. to 5 P.M.

14. The articles should be supplied within a month from the date of receiving intimation of the acceptance of the tender.

List of probable quantities of articles required for the use of the Epidemic Diseases Hospital, Kolar Gold Fields, for the year 1940-41.

6	Sadies, 8 yards, white with red border, Mysore Mills	40
7	Towels, Honey Comb, 3′×2′	24

C. NARAYANA RAO,
District Medical Officer.

MISCELLANEOUS DEPARTMENTS.

OFFICE OF THE INSPECTOR-GENERAL OF POLICE IN MYSORE, BANGALORE.

Notice No. T. C. 295—37-38, *dated* 19*th November* 1937.

The public are hereby informed that an Avery's Weigh-bridge to weigh motor vehicles is erected in the Office of the Inspector-General of Police in Mysore, Cenotaph Road, Bangalore City, and that motor vehicles brought for weighment will be weighed on payment of a fee of Rs. 10 for each weighment. A certificate of weighment will invariably be issued with each weighment so made.

F. A. HAMILTON,
Inspector-General of Police.

OFFICE OF THE RESIDENCY SURGEON, CIVIL & MILITARY STATION, BANGALORE.

Notice.

Notice is hereby given that sealed tenders will be received on Friday the 2nd February 1940 by the Residency Surgeon, Bangalore, for the supply by contract of all articles of diet, etc., required for the use of the Bowring, Lady Curzon, Gosha and Isolation Hospitals, Bangalore, during the period from 1st April 1940 to 31st March 1941.

Forms of tender (which also contain the specifications and conditions on which tenders will be considered and contracts let) can be had at the Office of the Residency Surgeon, Bowring Civil Hospital, Bangalore, on any day except Sundays between 9 A.M. and 12 NOON.

Each tender must be accompanied by a deposit (in Government Promissory Notes or Bank Receipts) as earnest deposit money of the amount noted against each group. When several groups are tendered for, one Bank receipt for the total amount of earnest deposit money will be received. This earnest money will be returned to unsuccessful tenderers immediately and to the others as soon as they have lodged the security mentioned in para 9 of the tender form. No cash will be received. In default of such deposit the tender will be rejected.

J. B. HANCE,
Lieut.-Col., I. M. S.,
Residency Surgeon, Bangalore.

The Firms dealing in Maps and Charts.

Enquiry No. 3856.

CONTRACT FOR THE SUPPLY OF MAPS DURING THE YEAR 1940.

GENTLEMEN,

Please be good enough to intimate your best prices for the supply of maps described in the attached schedule.

Tenderers should bind themselves to abide by the following conditions:—

(1) The price you quote should hold good for a period of one year from the date the contract is let.

(2) No enhancement in the prices accepted will be allowed during the period of contract.

(3) The Stores Purchase Committee do not bind themselves to purchase any definite number. The actual requirements of all the schools should be supplied.

(4) The indents of the Educational Officers should be complied within two weeks after their receipt.

(5) The prices to be quoted should be for free delivery on rails at the different Railway Stations in the State.

(6) The maps should be guaranteed to be of sound manufacture and such as are found to be defective or become unserviceable under normal use during the year will have to be replaced by sound ones free of cost to us.

(7) The maps to be supplied should be stamped with letters "D.P.I." without extra cost.

(8) The successful tenderer will be required to execute an agreement and deposit a sum of Rs. 50 as security for the due fulfilment of the contract.

(9) Withdrawal from the quotation after it is accepted or failure to make the supply within the specified time or according to specifications will entail cancellation of the order and purchases being made at your expense from other sources in addition to the levy of a penalty of 3 per cent of the value of the order as and by way of liquidated damages. In such an event, the Stores Purchase Committee reserve the right to remove your name from the list of approved firms.

The quotations should be superscribed "Quotations for the supply of maps with the above Enquiry Number."

This enquiry will be closed on the 25th January 1940.

MISCELLANEOUS DEPARTMENTS.

MYSORE STATE TROOPS, BANGALORE.

AUCTION SALE.

Notification dated 16*th January* 1940.

The undermentioned articles will be sold by public auction on Saturday, the 27th January 1940, commencing at 12 noon at the Mysore Military Stores, Hebbal, Bangalore.

The terms and conditions of the auction sales will be as follows :—

1. The articles will be knocked down to the highest bidder, and in the event of any dispute arising between two or more bidders at the same price, the lot or lots shall be put up again and resold forthwith. All sales are subject to confirmation by the Chief Commandant except where the value realised is Rs. 25 or under, when the sale will be confirmed by the Superintendent or the sale-conducting officer, as the case may be.

2. If the amount realised is Rs. 5 or less for one lot of articles, the whole amount should be paid at once.

3. In other cases, a deposit of 25 per cent of the amount should be recovered from the successful bidder immediately the lot is knocked down in his favour and the deposit shall be forfeited to Government in default of payment of the balance of the purchase money within the time prescribed in clause 4.

4. The articles purchased should be removed within three days from the date of sale.

5. All articles purchased shall be at the risk of the purchaser thereof from the time of sale.

6. The lot shall be removed with faults and errors of all descriptions as sold. Delivery shall be made only after cash is paid in full and after closing of the sale.

7. In cases of default of payment of the purchase amount by any bidder, the articles will be resold and the latter will be held liable for any loss incurred thereby.

8. On resale as laid down in clause (7), the bidder will be liable to make good any loss incurred thereby without having right to participate in any excess realised.

Abstract Notification dated 12th January 1940.

The attention of the public is invited to the detailed Notification of date regarding the sale of Tupra leaves of Shimoga Taluk for 1939-42, published on pages 110-111, Part VI of the *Mysore Gazette*, dated 18th January 1940.

The sale of the lease of Shimoga Taluk will be held by the District Forest Officer, Shimoga, at the District Forest Office, Shimoga, at 3 P.M. on Saturday the 3rd February 1940.

Notification dated 15th January 1940.

Sealed tenders will be received by the District Forest Officer, Shimoga Division, till the 12th (Monday) February 1940, up to 2 P.M., for the supply of rations to the Departmental Elephants of this Division for one year commencing from 1st March 1940 to the date of execution of the agreement by the tenderer of the succeeding year whichever is later.

2. An approximate estimate of the quantities of rations required is as follows:—

Paddy	400 pallas	More or less.
Salt	4 ,,	
Straw	5,000 Bundles	
Castor Oil	25 maunds	
Rice		To be supplied occasionally.
Ragi flour		
Jaggery		
Broken rice		
Cocoanut oil		
Mill bran		
Broken gram		

3. The supply should be made once in a week at Sacrebyle, Settihalli, Hanagere, Siveswar Agumbe, Hulikal and other places, as the case may be, where the elephants would be working.

4. Tenders should be submitted in the following form showing the rates at which the different kinds of rations specified above will be supplied.

5. The tender must be accompanied by a deposit of Rs. 100 in currency notes, as earnest money and be superscribed as "Tender for the supply of rations to the Elephants in 1940."

6. The final acceptance of the tender will rest with the Conservator of Forests, Shimoga, who does not bind himself to accept the lowest or any tender or to assign any reason whatsoever for rejection of the same.

7. The successful tenderer will be required to execute a contract bond within a week from the date of acceptance of the tender and deposit Rs. 100 more within the said time as security. In default, his tender will be considered as cancelled and his earnest money forfeited to Government.

8. Tenders will be opened by the District Forest Officer, Shimoga Division, on the 12th February 1940 at 2 P.M., in the presence of such of the tenderers as may be present in the District Forest Office, Shimoga, at that time.

9. The name of the successful tenderer will be posted on the Notice Board of the District Forest Office, Shimoga. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

10. The tenderer should supply the required rations which should be of good quality within the time fixed. He should also remove or replace the provisions rejected by the Department. Complaints regarding the supply of bad stuffs will render the contract liable to be cancelled and the security deposit forfeited to Government.

11. The earnest money of the rejected tenderers will be returned after the opening up of the tenders at their cost.

N. LAKSHMINARASIMHAIYA,
Executive Engineer.

BUREAU OF SANITARY ENGINEERING, BANGALORE.

Abstract Notice dated 12th January 1940.

The attention of the public is invited to the Notification calling for tenders for the work of constructing 1st stage drains in Bhadravati Old Town, published in pages 117-118 of Part VI of the *Mysore Gazette*, dated 18th January 1940.

The last date of receiving tenders is fixed on 31st January 1940.

Notification dated 18th January 1940.

Notice is hereby given that sealed tenders will be received from licensed plumbers at the Office of the Sanitary Engineer, Bureau of Sanitary Engineering, Bangalore, up to 1 P.M. on 10th February 1940, for the work of providing Sanitary fittings and Drainage arrangements to the Cricket Stadium behind Central College Hostel at Bangalore. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of March 1940.

2. The plans, detailed estimate and conditions may be seen at the Sanitary Engineer's Office between the hours of 11 A.M. and 5 P.M. on all office days.

3. Tenders should be submitted on printed forms which may be obtained from the Sanitary Engineer. On a payment of annas four per form per copy. No tender not in prescribed form will be accepted. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of Rs. 72 in cash (no cheques will be accepted) as earnest money, and be superscribed "Tender for the work of providing Sanitary fittings and Drainage arrangement to the Cricket Stadium behind Central College Hostel at Bangalore," in default of which the tenders will be rejected.

5. The final acceptance of the tender will rest with the Sanitary Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond, in default of which his tender will be considered cancelled and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the Notice Board in the Sanitary Engineer's Office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

9. Charges on account of scaffolding materials, implements for setting out, barricading, clearing site, supply of water, etc., that may be found necessary during execution will not be paid for separately but should be borne by the contractor.

10. Rates for non-tendered and non-estimated items shall be as per schedule rates of the Department or those fixed by the Sanitary Engineer after working out data with not more than 10 per cent for contractor's profit.

11. In all matters not specifically provided for and in all matters of disputes about rates, quantities, measurements, quality of works, etc., and in all disputes of any kind, the decision of the Sanitary Engineer will be final and legally binding.

Estimate of the approximate quantities for the work of providing Sanitary Fittings and Drainage arrangements to the Cricket Stadium behind Central College Hostel at Bangalore.

K. S. HUTCHA RAO,
Sanitary Engineer.

KOLAR DIVISION.

Abstract Notification dated 9th January 1940.

The attention of the public is invited to the detailed notification dated 9th January 1940, published on pages 100-103, Part VI of the *Mysore Gazette*, dated 11th January 1940, regarding tenders for restoring Muniganahalli Minor Tank, Reg. No. 666-407, in Chintamani Taluk.

The last date for receiving tenders is 29th January 1940, up to 2 P.M.

Notification dated 16th January 1940.

1. Sealed tenders will be received at the Office of the Executive Engineer, Kolar Division, up to 2 P.M. on 5th February 1940, for restoring Chinchandlahalli Doddakere Minor Tank, Reg. No. 224 of Bowringpet Taluk.

2. Tenders in the prescribed form obtainable from the Office of the Executive Engineer, Kolar Division, should be addressed to the Executive Engineer, Kolar Division, in a sealed cover and superscribed as "Tender for restoring Chinchandlahalli Doddakere Minor Tank, Reg. No. 224 of Bowringpet Taluk." The name of the tenderer should also be superscribed on the top of the cover.

3. Each tender must be accompanied by a treasury challan for earnest money of Rs. 280 paid to the treasury to the credit of "17(*a*) P. W. Deposits," against the account of the Executive Engineer, Kolar Division. The earnest money of the successful tenderer will be retained as

security for the due fulfilment of the contract. Such a deposit in cash will not carry any interest.

4. The tenders will be opened in the presence of such tenderers who wish to be present on 5th February 1940 at Kolar. The final acceptance of the tender will rest with the Executive Engineer, who does not bind himself to accept the lowest or any tender, or to assign any reason whatever for the rejection of any.

5. The name of the successful tenderer will be posted on the Notice Board in the Executive Engineer's Office in due course. Within eight days of the acceptance of the tender, the successful tenderer will be required to execute an agreement in the departmental Schedule Contract Form, for the due fulfilment of the contract, and for the execution of all items of work in accordance with the Bombay Specifications. A reserve of 5 per cent will be with held in the work bills of the contractor and the same repaid after the due fulfilment of the contract.

6. Failure to comply with the condition 5 above or to agree to carry out the work in accordance with the specifications and agreements in force will entail forfeiture of the earnest money.

7. The earnest money of rejected tenders will be returned on submission of the receipt originally granted, along with an application to the Executive Engineer.

8. Copies of contract documents, schedules and drawings may be seen at any time at the Executive Engineer's Office, Kolar Division, on all working days between 11 A.M. and 5 P.M.

9. Specific rates should be given for each item in the schedule accompanying the tender and the rates should be in rupees, annas and pies and expressed in words and figures. Tenders offering a percentage reduction on the estimate amount will be rejected.

10. Any rates or lumpsum amounts for the items not called for, if tendered by the tenderer, will not be taken notice of. The rates for such items may be entered in a separate schedule with date and reasons for the same. When lumpsum provisions are shown in schedule of quantities the contractor will be paid at either his tendered rate for each item or the prevailing schedule of rates in the Division at the discretion of the Executive Engineer.

11. No alterations which are made by the tenderers in the tender form in the nomenclature of the items of work will be recognised and if corrections are made, the tenders are liable to rejection.

12. There should be no alterations or erasures in the tenders in the rates of items and any corrections made in the rates should be attested to, and the number of corrections, if any, in each page noted at the foot of the same by the tenderer.

13. No reference should be made to the Public Works Department schedule of rates.

14. In the event of the tender being submitted by a firm, it must be signed separately and severally by each member thereof or in the event of absence of any partner, it must be signed on his behalf by a person holding power-of-attorney authorising him to do so.

15. When once the rates tendered have been accepted, they will not be revised under any circumstances. In regard to items of work not tendered, the rates for the same will be calculated by the Executive Engineer on the basis of current rates for materials and labour with a contractor's profit of 5 per cent as may be approved by the Superintending Engineer. This shall be final and legally binding on the tenderer.

16. The quantities given in the schedule are only approximate and the drawings shown to the contractor are only tentative and are liable to alterations, omissions, deductions or additions, at the discretion of the Executive Engineer or his representative and may be due to any reasons whatsoever. The tendered rates will hold good for any quantity, whether higher or lower than those given in the enclosed schedule.

17. The works should be completed and handed over in a tidy condition to the Public Works Department by the end of May 1940, failing which the Executive Engineer may, at his discretion, levy a penalty of Rs. 5 per day which will ordinarily be calculated at 12 per cent per annum on the total outlay as liquidated damages for non-fulfilment of contract, and will be recovered from the contractor's outstandings for the period exceeded by him beyond the time fixed and until the work is completed and handed over.

18. In all matters of disputes of any kind not specially provided for in the agreement or of rates, penalties, measurements, quality of work, etc., the decision of the Chief or the Superintending Engineer shall be final and legally binding.

19. No claim for damages for delays caused by officers of the department in the execution of the work will be considered, whatever may be the reasons for such delays. Contractors should bear this in mind when tendering for the work. Extension of time due to delays caused by the departmental officers will, however, be considered on the merits of each case.

20. The contract should not be sublet.

21. All materials, tools and plant and machinery that will be supplied by the Executive Engineer in the interest of the work shall be accepted by the tenderer at the rates fixed by the Executive Engineer. The tenderer will pay the hire on tools and plant and machinery as per rules from the date of taking over of such machinery, tools and plant from the Stores to the date of return thereto, the dates considered being the dates of acknowledgments of the vouchers in each transaction.

22. The contractor should arrange for the payment of royalty and tolls.

Note.—(*a*) The contractor should at his own cost—

(1) Provide rods, stakes, ropes and labour required in setting out the works.
(2) Provide all necessary scaffolding, centering, labour and appliances for hoisting.
(3) Provide mortar mills and sheds, to keep materials under cover and also for workmen.
(4) Arrange for protecting work during inclement weather.
(5) Supply requisite temporary lights, water cisterns, water pumps and hoses, sieves, parahs, shoring, strutting and other requisite protective appliances during the progress of the work.
(6) Supply all water required for work and workmen and shall provide temporary latrines and drains.
(7) Clean away all dirt rubbish, superfluous materials and debris as they accumulate.
(8) Provide arrangements for pumping and baling of water from excavations and foundations wherever and whenever necessary with his own pumping apparatus including necessary leading drains, slump pits, etc.
(9) Afford facilities to any other parties employed upon the work by the P. W. D. so that their work may proceed during the progress of the contract, and give such persons the use of ordinary scaffolding and ladders.
(10) The contractor is responsible for all accidents to workmen, etc., on the work and he must take precaution against all risk of accidents and if necessary provide for the same by insurance at the proper time.

Note.—(*b*) It is the business of the contractor to make his own arrangements for quarries and supplies of materials.

N.B.—Copies of tenders in the prescribed form are obtainable from the Office of the Executive Engineer, Kolar Division, Kolar, only on a payment of four annas per form.

Abstract of quantities for restoring Chunchandlahalli Doddakere Minor Tank, Reg. No. 224 of Bowringpet Taluk.

Notification dated 19th January 1940.

1. Sealed tenders will be received at the Office of the Executive Engineer, Kolar Division, up to 2 P.M. on 20th February 1940, for constructing one block of Line Inspector's Quarters at Bethamangala, Bowringpet Taluk.

2. Tenders in the prescribed form obtainable from the Office of the Executive Engineer, Kolar Division, should be addressed to the Executive Engineer, Kolar Division, in a sealed cover and superscribed as "Tender for constructing One block of Line Inspector's Quarters." The name of the tenderer should also be superscribed on the top of the cover.

3. Each tender must be accompanied by a treasury chellan for earnest money of Rs. 195 paid to the treasury to the credit of "17 (*a*) P. W. Deposits" against the account of the Executive Engineer, Kolar Division. The earnest money of the successful tenderer will be retained as security for the due fulfilment of the contract. Such a deposit in cash, will not carry any interest.

4. The tenders will be opened in the presence of such tenderers who wish to be present on 20th February 1940 at Kolar. The final acceptance of the tender will rest with the Executive Engineer, who does not bind himself to accept the lowest or any tender, or to assign any reason whatever for the rejection of any.

5. The name of the successful tenderer will be posted on the Notice Board in the Executive Engineer's Office in due course. Within eight days of the acceptance of the tender, the successful tenderer will be required to execute an agreement in the departmental schedule contract form, for the due fulfilment of the contract, and for the execution of all items of work in accordance with the Bombay specifications. A reserve of 5 per cent will be withheld in the work bills of the contract and the same repaid after the due fulfilment of the contract.

6. Failure to comply with the condition 5 above, or to agree to carry out the work in accordance with the specifications and agreements in force will entail forfeiture of the earnest money.

7. The earnest money of rejected tenders will be returned on submission of the receipt originally granted, along with an application to the Executive Engineer.

8. Copies of contract documents, schedules and drawings may be seen at any time at the Executive Engineer's Office, Kolar, on all working days between 11 A.M. and 5 P.M.

9. Specific rates should be given for each item in the schedule accompanying the tender and the rates should be in rupees, annas and pies and expressed in words and figures. Tenders offering a percentage reduction on the estimate amount will be rejected.

10. Any rates or lumpsum amounts for the items not called for, if tendered by the tenderer, will not be taken notice of. The rates for such items may be entered in a separate schedule with date and reasons for the same. When lumpsum provisions are shown in the schedule of quantities, the contractor will be paid at either his tendered rate for each item or the prevailing schedule of rates in the Division at the discretion of the Executive Engineer.

11. No alterations which are made by the tenderers in the tender form in the nomenclature of the items of work will be recognised and if corrections are made the tenders are liable to rejection.

12. There should be no alterations or erasures in the tenders in the rates of items and any corrections made in the rates should be attested to, and the number of corrections, if any, in each page noted at the foot of the same by the tenderer.

13. No reference should be made to the Public Works Department schedule of rates.

14. In the event of the tender being submitted by a firm, it must be signed separately and severally by each member thereof, or in the event of absence of any partner, it must be signed on his behalf by a person holding power-of-attorney authorising him to do so.

15. When once the rates tendered have been accepted, they will not be revised under any circumstances. In regard to items of work not tendered, the rates for the same will be calculated by the Executive Engineer, on the basis of current rates for materials and labour with a contractor's profit of 5 per cent as may be approved by the Superintending Engineer. This shall be final and legally binding on the tenderer.

16. The quantities given in the schedule are only approximate and the drawings shown to the contractor are only tentative and are liable to alterations, omissions, deductions or additions, at the discretion of the Executive Engineer or his representative and may be due to any reasons whatsoever. The tendered rates will hold good for any quantity, whether higher or lower than those given in the enclosed schedule.

17. The works should be completed and handed over in a tidy condition to the Public Works Department by the end of September 1940, failing which the Executive Engineer may, at his discretion, levy a penalty of Rs. 5 per day which will ordinarily be calculated at 12 per cent per annum on the total outlay as liquidated damages for non-fulfilment of contract, and will be recovered from the contractor's outstandings for the period exceeded by him beyond the time fixed and until the work is completed and handed over.

18. In all matters of disputes of any kind not specially provided for in the agreement or of rates, penalties, measurements, quality of work, etc., the decision of the Chief or the Superintending Engineer shall be final and legally binding.

19. No claim for damages for delays caused by officers of the department in the execution of the work will be considered, whatever may be the reasons for such delays. Contractors should bear this in mind when tendering for the work. Extension of time due to delays caused by the departmental officers will, however, be considered on the merits of each case.

20. The contract should not be sublet.

21. All materials, tools and plant and machinery that will be supplied by the Executive Engineer in the interest of the work shall be accepted by the tenderer at the rates fixed by the Executive Engineer. The tenderer will pay the hire on tools and plant and machinery as per rules from the date of taking over of such machinery, tools and plant from the Stores to the date of return thereto, the dates considered being the dates of acknowledgments of the vouchers in each transaction.

22. The contractor should arrange for the payment of royalty and tolls.

Note.—(*a*) The contractor should at his own cost—

(1) Provide rods, stakes, ropes and labour required in setting out the works.
(2) Provide all necessary scaffolding, centering, labour and appliances for hoisting.
(3) Provide mortar mills and sheds, to keep materials under cover and also for workmen.
(4) Arrange for protecting work during inclement weather.
(5) Supply requisite temporary lights, water cisterns, water pumps and hoses, sieves, parahs, shoring, strutting and other requisite protective appliances during the progress of the work.
(6) Supply all water required for work and workmen and shall provide temporary latrines and drains.
(7) Clean away all dirt, rubbish, superfluous materials and debris as they accumulate.
(8) Provide arrangements for pumping and baling of water from excavations and foundations wherever and whenever necessary with his own pumping apparatus including necessary leading drains, slump pits, etc.
(9) Afford facilities to any other parties employed upon the work by the P. W. D., so that their work may proceed during the progress of the contract, and give such persons the use of ordinary scaffolding and ladders.
(10) The contractor is responsible for all accidents to workmen, etc., on the work and he must take precaution against all risk of accidents and if necessary provide for the same by Insurance at the proper time.

Note.—(*b*) It is the business of the contractor to make his own arrangements for quarries and supplies of materials.

N. B.—Copies of tenders in the prescribed form are obtainable from the office of the Executive Engineer, Kolar Division, Kolar, only on a payment of Re. 0-4-0 per form.

Abstract estimate for the probable cost of constructing one block of Line Inspector's Quarters at Bethamangala.

C. R. IYENGAR,
Executive Engineer.

TUMKUR DIVISION.

Abstract Notification dated 3rd January 1940.

The attention of the public is drawn to the Notification calling for tenders for collection of burnt stone jelly in miles 71 to 98 (both inclusive) of Bangalore-Honnavar road, published in pages 67-68, Part VI of the *Mysore Gazette*, dated 11th January 1940.

2. The tenders will be received by the Executive Engineer up to 2 P.M. on 26th January 1940.

3. The earnest money required for the work is Rs. 50 for each section of mile, which should be credited to the treasury to "17 (*a*) P. W. Deposits" and the relative chellan enclosed.

Abstract Notification dated 13th January 1940.

The attention of the public is drawn to the Notification calling for tenders for restoring the breached Kagglodu Major Tank, Reg. No. 146, Sira Taluk, published in pages 119-120, Part VI of the *Mysore Gazette*, dated 18th January 1940.

2. The tenders will be received by the Executive Engineer up to 2 P.M. on 2nd February 1940.

3. The earnest money required for the work is Rs. 315 which should be credited to the treasury to "17 (*a*) P. W. Deposits" and the relative chellan enclosed.

Abstract Notification dated 13th January 1940.

The attention of the public is drawn to the Notification calling for tenders for raising the weirs of Haldodderi Major Tank, Reg. No. 211 of Sira Taluk, published in pages 120-121, Part VI of the *Mysore Gazette*, dated 18th January 1940.

2. The tenders will be received by the Executive Engineer up to 2 P.M. on 9th February 1940.

3. The earnest money required for the work is Rs. 450 which should be credited to the treasury to "17 (*a*) P. W. Deposits" and the relative chellan enclosed.

P. RAJAGOPALAN,
Executive Engineer.

OFFICE OF THE ASSISTANT ENGINEER, HEADQUARTER RANGE, MYSORE.

Notification dated 19th January 1940.

1. Sealed tenders will be received at the Office of the Assistant Engineer, Headquarter Range, Mysore, up to 2 P.M. on 5th February 1940, for constructing a building for Medical Officers' quarters, P. K. Sanatorium, Mysore.

2. Tenders in the prescribed form obtainable from the Office of the Assistant Engineer, Headquarter Range, Mysore, on payment of four annas for each form, should be addressed to the

Assistant Engineer, Headquarter Range, and should be superscribed as "Tender for constructing a building for Medical Officers' quarters in P. K. Sanatorium, Mysore." The name of the tenderer should also be superscribed on the sealed cover.

3. Each tender must be accompanied by a deposit of Rs. 450 only in cash (at cash payment value at the time of deposits and not face value), as earnest money. The earnest money of the successful tenderer will be retained as cash security for due fulfilment of the contract. (Cash amount will not carry any interest.) The amount of earnest money should be paid direct to the Treasury and the duplicate Treasury chellan submitted separately along with the tender.

4. The tenders will be opened in the presence of such tenderers who wish to be present on 5th February 1940 at 4 P.M. The final acceptance of the tender will rest with the Superintending Engineer, who does not bind itself to accept the lowest or any tender, or to assign any reasons whatever for the rejection of any.

5. The name of the successful tenderer will be posted on the Notice Board in the Assistant Engineer's Office in due course. Within eight days of the acceptance of the tender, the successful tenderer will be required to execute the agreement in the departmental schedule contract form for the due fulfilment of the contract.

6. Failure to comply with the condition 5 above or to agree to carry out the work in accordance with the specifications and agreements in force will entail forfeiture of the earnest money.

7. Copies of contract documents, estimates and drawings may be seen at any time at the Office of the Assistant Engineer, Headquarter Range, Mysore, on all working days, between 11 A.M. and 5 P.M.

8. Specific rate should be given for each item in the schedule and the rates should be in rupees, annas and in multiples of three pies and expressed in words and figures.

9. Any rates or lumpsum amounts for the items not called for, if tendered by the tenderer will not be taken notice of. The rates tendered should include all such lumpsum items.

10. No alterations which are made by the tenderers in the contract documents in the nomenclature of the sanctioned sub-heads will be recognised and if corrections are made, the tenders will be liable to rejection.

11. There should be no corrections or erasures in the tenders in the rates of items and any corrections made in the rates should be attested to and the number of corrections, if any, in each page noted at the foot of the same by the tenderer.

12. No reference should be made to the Public Works Department current schedule of rates.

13. On the event of the tender being submitted by a firm, it must be signed separately and severally by each member thereof or in the event of absence of any partner, it must be signed on his behalf by a person holding power-of-attorney authorising him to do so.

14. When once the rates tendered have been accepted, they will not be revised under any circumstances. In regard to items of work not tendered, the rates to be proposed by the Assistant Engineer, Headquarter Range, Mysore, and approved by the Superintending Engineer shall be final and legally binding on the tenderer.

15. The quantities as estimated are only approximate and are liable to alterations, omissions, deductions or additions, at the discretion of the Assistant Engineer or his representative. The tendered rates will hold good for any quantity whether higher or lower than those estimated for.

16. The work should be completed as per departmental specifications for different items and handed over to the Public Works Department within three months from the date of issue of order for commencement of the work, failing which the Assistant Engineer may, at his discretion, levy a penalty up to Rs. 10 per day, of delay, which will be recovered from the contractor's outstandings for the period exceeded by him till the work is completed and handed over.

17. In all matters of dispute of any kind, not specially provided for in the agreement or of rates, penalties, measurements, quality of work, etc., the decision of the Chief Engineer shall be final and legally binding.

18. The earnest money of rejected tenders will be returned on surrender of the receipts originally granted, along with an application to the Assistant Engineer, Headquarter Range, Mysore.

19. No claims for damages for delays caused by officers of the department in the execution of the work will be considered, whatever may be the reason for such delays. Contractors should bear this in mind when tendering for work. Extension of time due to delays caused by the departmental officers will, however, be considered on the merits of each case.

20. The contract should not be sublet.

21. All materials, tools, plant and machinery, that will be supplied by the Assistant Engineer in the interest of the work, shall be accepted by the tenderer at the rates fixed by the Assistant Engineer, and the tenderer will pay the hire, etc., on machinery at the prescribed per cent per annum of the booked value of the tools and plant supplied from the date of taking over of tools and plant from the Stores to the date of return to the Stores, the dates considered being the dates of acknowledgments of the vouchers in each transaction.

22. The contractors should arrange for the payment of royalty and tolls.

NOTE.—(*A*) The contractor should at his own cost—

(1) Provide rods, stakes, ropes and labours required in setting out the works.
(2) Provide all necessary scaffolding, centering labour and appliances for hoisting.
(3) Provide mortar mills and sheds to keep materials under cover and also for workmen.
(4) Arrange for protecting work during inclement weather.
(5) Supply requisite temporary lights, water cisterns, water-shoots, coverings to masonry, tile pieces to steps, sieves, parahs or measures, shoring and other requisite protection during the progress of the work.
(6) Supply all water required for work and workmen and shall provide latrines, drainages, etc.
(7) Clean away all dirt, rubbish, superfluous materials and debris as they accumulate.
(8) Provide arrangements for pumping and baling from excavations and foundations, wherever and whenever necessary, with their own pumping apparatus including necessary leading drains, slump pits, etc.
(9) Wash floors at completion and leave the whole of the work and premises in a clean and orderly condition, etc.
(10) Afford facilities to any other parties employed upon the work, so that their work may proceed during the progress of the contract and give such persons the use of ordinary scaffolding and ladders.

NOTE.—(*B*) It is the business of the contractors to make their own arrangements for the quarries and supplies of materials.

23. The rates for woodwork for all works quoted should be based on the rates of the departmental supply as noted below. Only Mysore teak selected from the Mysore Government Depots must be used.

24. Work to the extent of Rs. 3,000 will have to be carried out each month.

Prevailing Government rates at Mysore Forest Depot for Mysore Teak is as follows :—

	Rs.	a.	p.	
(1) Selected 1st class logs	2	8	0	per c.ft.
(2) Cut scantling of sizes 3″×4″	3	4	0	,,
(2*a*) Do 3″×5″ to 4″×7″	3	12	0	,,
(3) Planks 1″ to 1¾″ to required sizes	4	8	0	,,

25. Only Chamundi Brand cement should be used for all works requiring this nature.

26. Such of the tenders which do not clearly quote with detailed specification for all the items without exception, will not be considered.

M. N. LAKSHMAN RAO,
Assistant Engineer

KADUR DIVISION.

Notification dated 19th January 1940.

1. Sealed tenders will be received at the Office of the Executive Engineer, Kadur Division, Chikmagalur. up to 3 P.M. on 12th February 1940, for the work of providing additional accommodation to the Kannada Middle School at Kadur during.

2. Tenders in the prescribed form obtainable from the Office of the Executive Engineer, Kadur Division, should be addressed to the Executive Engineer, Kadur Division, Chikmagalur in a sealed cover and superscribed as "Tender for the work of providing additional accommodation to the Kannada Middle School at Kadur." The name of the tenderer should also be superscribed on the top of the cover.

3. Each tender must be accompanied by a Treasury chellan for Rs. 200 (Rupees two hundred only) for having credited this earnest money to 17 (*a*) P. W. Deposits in any approved Government Treasury. The earnest money of the successful tenderer will be retained as security deposit for due fulfilment of the contract. Such a deposit will not carry any interest. Tenders unaccompanied by earnest money will not be accepted.

4. The tenders will be opened in the presence of such tenderers as wish to be presen on 12th February 1940 at Chikmagalur. The final acceptance of the tender will rest with the Executive Engineer, who does not bind himself to accept the lowest or any tender, or to assign any reason whatever for the rejection of any.

5. The name of the successful tenderer will be posted on the Notice Board in the Executive Engineer's Office in due course. Within eight days of the acceptance of the tender, the successful tenderer will be required to execute an agreement in the departmental Schedule Contract Form, for the due fulfilment of the contract.

6. Failure to comply with the condition 5 above or to agree to carry out the work in accordance with the specifications and agreements in force, will entail forfeiture of the earnest money.

7. The earnest money of rejected tenders will be returned on submission of the receipt originally granted, along with an application to the Executive Engineer.

8. Copies of contract documents, schedules and drawings may be seen at any time at the Executive Engineer's Office, Chikmagalur, on all working days between 11 A.M. and 5 P.M.

9. Specific rates should be given for each item in the schedule accompanying the tender and the rates should be in rupees, annas and pies and expressed in words and figures.

10. Any rates or lumpsum amounts for the items not called for, if tendered by the tenderer, will not be taken notice of. The rates for such items may be entered in a separate schedule with date and reasons for the same.

11. No alterations which are made by the tenderers in the tender form in the nomenclature of the items of work will be recognised and if corrections are made, the tenders are liable to rejection.

12. There should be no alterations or erasures in the tenders in the rates of items and any corrections made in the rates should be attested to, and the number of corrections if any, in each page noted at the foot of the same by the tenderer.

13. No reference should be made to the Public Works Department schedule of rates.

14. In the event of the tender being submitted by a firm, it must be signed separately and severally by each member thereof or in the event of absence of any partner, it must be signed on his behalf by a person holding power-of-attorney authorising him to do so.

15. When once the rates tendered have been accepted, they will not be revised under any circumstances. In regard to items of work not tendered, the rates for the same will be calculated by the Executive Engineer on the basis of current rates for materials and labour with a contractor's profit of 5 per cent as may be approved by the Superintending Engineer. This shall be final and legally binding on the tenderer.

16. The quantities given in the schedule are only approximate and the drawings shown to the contractor are only tentative and are liable to alterations, omissions, deductions or additions, at the discretion of the Executive Engineer or his representative. The tendered rates will hold good for any quantity, whether higher or lower than those given in the enclosed schedule.

17. The works should be completed and handed over in a tidy condition to the Public Works Department by the end of June 1940, failing which the Executive Engineer may, at his discretion, levy a penalty of Rs. 100 per fortnight which will be recovered from the contractor's outstandings for the period exceeded by him beyond the time fixed and until the work is completed and handed over.

18. In all matters of disputes of any kind not specially provided for in the agreement or of rates, penalties, measurements, quality of work, etc., the decision of the Superintending Engineer shall be final and legally binding.

19. No claim for damages for delays caused by officers of the department in the execution of the work will be considered, whatever may be the reasons for such delays. Contractors should bear this in mind when tendering for the work. Extension of time due to delays caused by the departmental officers will, however, be considered on the merits of each case.

20. The contract should not be sublet.

21. All materials, tools and plant and machinery that will be supplied by the Executive Engineer in the interest of the work shall be accepted by the tenderer at the rates fixed by the Executive Engineer. The tenderer will pay the hire on tools and plant and machinery as per rules from the date of taking over of such machinery, tools and plant from the Stores to the date of return thereto, the dates considered being the dates of acknowledgments of the vouchers in each transaction.

22. Chamundi brand cement must be used for the work.

23. The contractor should arrange for the payment of royalty and tolls.

Note.—(*a*) The contractor should at his own cost—

(1) Provide rods, stakes, ropes and labour required in setting out the works.

(2) Provide all necessary scaffolding, centering, labour and appliances for hoisting.

(3) Provide mortar mills and sheds, to keep materials under cover and also for workmen.

(4) Arrange for protecting work during inclement weather.

(5) Supply requisite temporary lights, water cisterns, water pumps and hoses, sieves, parahs, shoring, strutting and other requisite protective appliances during the progress of the work.

(6) Supply all water required for work and workmen and shall provide temporary latrines and drains.

(7) Clean away all dirt, rubbish, superfluous materials and debris as they accumulate.

(8) Provide arrangements for pumping and baling of water from excavations and foundations wherever and whenever necessary with his own pumping apparatus including necessary leading drains, slump pits, etc.

(9) Afford facilities to any other parties employed upon the work by the P. W. D., so that their work may proceed during the progress of the contract, and give such persons the use of ordinary scaffolding and ladders.

(10) The contractor is responsible for all accidents to workmen, etc., on the work and he must take precaution against all risk of accidents and if necessary provide for the same by insurance at the proper time.

Note.—(*b*) It is the business of the contractor to make his own arrangements for quarries and supplies of materials.

Abstract estimate for constructing Additional Accommodation in Kannada Middle School at Kadur.

M. HAYATH,
For *Chief Electrical Engineer*.

Abstract Notification.

Subject:—NOTIFICATION NO. G. N. 19, DATED 16TH JANUARY 1940—PRINTING AND SUPPLYING MISCELLANEOUS BOOKS AND FORMS.

Attention is drawn to this office Notification No. G. N. 19, dated 16th January 1940, inviting tenders for the above work, published in Part VI, pages 154-155 of the *Mysore Gazette*, dated 18th January 1940. The last date of receiving tenders is 5th February 1940.

P. V. K. MURTHY,
For *Deputy Chief Electrical Engineer*.

OFFICE OF THE SUPERINTENDENT, POWER & LIGHTING, BANGALORE.

Abstract Notification.

CARTING MATERIALS IN CONNECTION WITH THE ELECTRIFICATION OF SULEBELE AND OTHER VILLAGES IN HOSKOTE TALUK.

Attention is drawn to this office Notification dated 8th January 1940 inviting tenders for the above work, published in Part VI, pages 103-104 of the *Mysore Gazette*, dated 11th January 1940. The last date of receiving tenders is 27th January 1940 and the earnest money required is Rs. 50.

C. R. GOWDA,
Superintendent.

OFFICE OF THE SUPERINTENDENT, POWER & LIGHTING, MYSORE.

Abstract Notification dated 5th January 1940.

Attention of the public is invited to the detailed Notification of date in connection with the installation of electric lights to the Western Extension of the New Exhibition Buildings, Mysore, published on pages 74-76 of Part VI of the *Mysore Gazette*, dated 11th January 1940.

Notification dated 16th January 1940.

1. Sealed tenders in triplicate will be received at the Office of the Superintendent, Power and Lighting, Mysore, superscribed with the name of the work noted below.

2. A sum of rupees three hundred and sixty (Rs. 360) is required to be sent along with the tender in cash or currency or cheque drawn in favour of the Superintendent, Power and Lighting, Mysore, or order, being the earnest deposit. Tenders not accompanied with the said deposit will not be accepted.

3. The plans connected with the work may be seen at the office of the undersigned at all working hours. The same will be made available on payment of Rs. 3 per set, if required.

4. The tenders should be drawn up strictly in conformity to the specifications furnished, writing out the rate at which, each item of work will be executed in figures as well as in words failing which no cognizance will be taken of the tender. No items other than those noted in the statement should be included, as the items cover provision for all sundries that are necessary for the execution of the work to meet with the requirements of the Department, including painting and colour washing to suit the finish of the walls, etc.

5. Materials to be used on the work should be of best quality conforming to the specifications of this Department and B.S. or A.I.E.E. specifications. Mention should also be made of the manufacture and the catalogue numbers of the materials offered. Teakwood planks to be used on the work should be free from knots, cracks and should be well seasoned. No planks less than 12″ in width will be permitted to be used unless it is to make up the difference in size of the board required. Only lap joints should be adopted in all cases.

6. The undersigned reserves the right to reject the tenders without assigning any reason therefor.

7. The successful tenderer will be required to execute an agreement within two days from the date of communication of acceptance of the tender. He should send samples of all the materials required for the work mounted on a board and start the work after obtaining the approval of the undersigned with regard to the same within a week, from the date of communication of acceptance. Failure to adhere to the conditions above will entail forfeiture of the earnest deposit and adoption of such measures as are necessary for expediting the work otherwise entirely at his risk. He should also bind himself to execute the work strictly adhering to the wiring rules of this Department as well as those of I.E.E. He should also be prepared to adopt changes in the location of lighting fixtures, control points, etc., that might be desired by the undersigned during the progress of the work without any obligation if the tender is not materially affected thereby. The wiring adopted being in lead covered cable sharp corners should invariably be avoided. The control switches, wall plugs, etc., should be grouped and located at inconspicuous corners. The wall plug points should be placed at heights not more than a foot from floor level. The height of switch points should vary between 3 and 4 feet above floor level.

8. The undersigned reserves the right to reject the work either in full or in part if the same is not executed according to the above specification or is not satisfactory as regards workmanship.

9. Special care should be taken to afford metallic continuity and to provide efficient earthing the installation as the system of wiring adopted is in lead covered cables.

10. *Name of the work.*—Installing Electric Lights and Heating Circuit, etc., to the District Hospital at Mandya (Ground Floor).

11. *Last date and time of receiving the tender.*—At 3 P.M. on the 3rd February 1940.

12. *Last date and time for opening the tender in public.*—At 4 P.M. on 3rd February 1940.

13. A period of twelve weeks from the date of acceptance of tender will be allowed for the completion of the work in all respects. If the installation is not handed over to the Department with service on the due date, the Department will arrange to take charge of the installation at whatever stage it might be and arrange for completion of the work through any other agency at the risk of the tenderer.

14. The firm executing the work should arrange while handing over the installation to this Department to pass a certificate of guarantee for the continuance of satisfactory service to the installation for a period of 12 calendar months from the date of handing over charge to this Department, while uninterrupted power supply is maintained. Further, it will be obligatory on the part of the firm to attend to any defects in the installation that might crop up during the above period without any return for service rendered.

15. *Details of work.*—The quantities given in the annexed statement are not guaranteed and are subject to variation at the time of executing the work.

Installing electric lights and heating circuit, etc., to the District Hospital at Mandya (Ground Floor).

M. M. ALI KHAN,
Superintendent.

MYSORE STATE RAILWAY.

DISTRICT ENGINEER'S OFFICE, MYSORE.

Abstract Notification dated 13th January 1940.

The attention of the public is invited to the detailed Notification dated 4th January 1940, published in the *Mysore Gazette*, dated 11th January 1940, on pages 79 to 81 of Part VI, regarding deviation of Railway line for improving curves and grades between miles 221–7 and 222–3, Bangalore-Mysore Section. The last day of receiving tenders is up to 3 P.M. on Monday the 29th January 1940.

Intending tenderers will please note the following additions in the Schedule :—

II. Constructing 1-6′ *Slab Top.*

Item No. 11.—Loading departmental stones and slabs into Ballast Train and unloading the same and conveying them to site with a lead up to 15 miles
Approximate quantity 4,357 c.ft. Unit 100 c.ft.

Item No. 12.—Coursed rubble size stone masonry first class with the above departmental stones in lime mortar or 1 in 6 cement mortar
Quantity 4,357 c.ft. Unit 100 c.ft.

Abstract Notification dated 13th January 1940.

The attention of the public is invited to the detailed Notification dated 6th January 1940, published in the *Mysore Gazette*, dated 11th January 1940, on pages 82 to 86 of Part VI, regarding providing a Crossing Station at Nagenahalli at mile 291–11 on Bangalore-Mysore Section. The last day of receiving tenders is up to 3 P.M. on Wednesday the 31st January 1940.

D. V. NARASIMHA RAO,
District Engineer.

OFFICE OF THE EXECUTIVE ENGINEER, S. T. RAILWAY CONSTRUCTION, SAGARA.

Notification dated 13th January 1940.

Sealed tenders will be received at the Office of the Executive Engineer, Sagara-Talguppa Railway, Sagara, up to 3 P.M. on the 3rd February 1940, from Contractors for works in connection with "Constructing Pumpers' Quarters at Talguppa."

2. Tenders should be submitted only in special forms which can be obtained from the Executive Engineer, S.-T. Railway Construction, Sagara, on payment of rupee one being the cost of the form.

3. The tender must be accompanied by a receipt of payment of earnest money of Rs. 200 to the Executive Engineer, S.-T. Railway Construction, Sagara, mentioning the above work, in cash. No cheques will be received.

4. Tenders which give rates "as per estimate" or so much per cent above or below estimate rates will not be considered.

5. Any rates or lumpsum amounts for the items not called for, if tendered by the tenderer will not be taken notice of. The rates tendered should include all such lumpsum items.

6. The name of the accepted tenderer will be posted on the Notice Board of the Executive Engineer's Office, as soon as it is approved. No enquiries regarding the acceptance or rejection of a tender will be replied to.

7. Detailed estimates, plans and specifications, conditions of Schedule Agreement may be seen at the Executive Engineer's Office, S.-T. Railway Construction, Sagara, on all working days between 11 A.M. and 5 P.M. When in doubt, the tenderers should always ask for particulars and details.

8. The earnest money (referred to in para 3 above) of the unsuccessful tenderers will be returned as soon as possible after the tenders are disposed of, while that of the successful tenderer will be accepted as part security for the due fulfilment of the terms of the Agreement.

9. The final acceptance of the tender will rest with the Superintendent, Way and Works, Mysore State Railway, Mysore, who does not bind himself to accept the lowest or any tender and who further reserves himself the right to reject, without assigning any reason therefor, any or all the tenders or any portion of a tender.

10. The work should be started within a week from the date of acceptance of the Schedule Agreement and should be completed before the end of April 1940, with a guaranteed monthly rate of progress. The whole work should be completed by the 30th April 1940.

11. Within a week from the date of acceptance of the tender, the successful tenderer is required to execute the usual Schedule Agreement, in default of which his tender will be considered as cancelled and the earnest money forfeited to Government.

12. There should be no corrections or erasures in the tender in the rates of items and any corrections made in the rates should be attested to and the number of corrections if any, in each page noted at the foot of the same by the tenderer.

13. Rates once tendered cannot be enhanced on any account. Rates for non-tendered and non-estimated items shall be as per minimum schedule of rates of the Railway Department, or those fixed by the Executive Engineer, after working out data with 10 per cent for Contractor's profit.

14. Should any dispute arise in the interpretation of the clauses of the tender or in respect of any item of work or specification, the decision of the Superintendent, Way and Works, Mysore State Railway, Mysore, shall be final.

15. The accepted tenderer must make his own arrangements in advance for payment of royalties, toll, octroi, etc., in case he quarries stone, earth, kunkar, sand, etc., from Railway, Government or Forest land for use on this work, as this Department will not concern itself regarding the payment recovery of royalty, tolls, octroi, etc.

16. No claims for damages, for delays caused by Officers of the Department in the execution of the work will be considered, whatever may be the reason for such delays. Contractors should bear this in mind when tendering for work. Extension of time due to delays caused by Departmental Officers, will, however, be considered on the merits of each case.

17. The contract should not be sublet.

Note A.—

The Contractor should at his own cost—

(1) Provide bamboos, rods, stakes, ropes and labour required in setting out the work.
(2) Provide mortar mill and shed to keep materials under cover and also for workmen.
(3) Arrange for protecting work during inclement weather.
(4) Provide all necessary scaffolding, centering, labour and appliances for hoisting.
(5) Supply requisite temporary lights, water cisterns, water shoots, coverings to masonry, sieves, parahs, or measures, shoring and other requisite protection during the progress of work.
(6) Supply all water required for work and workmen and shall provide latrines, drainage, etc.
(7) Clean away all dirt, rubbish, superfluous materials and debris as they accumulate.

(8) Provide arrangements for pumping and bailing from excavation and foundations wherever and whenever necessary with his own pumping apparatus including necessary leading drains, slump pits, etc.

(9) Wash floor at completion and leave the whole of the work and premises in a clean and orderly condition, etc.

Note B.—

(1) In general, works should be executed as per Marryat's Specifications.

Note C.—

R.M.C. Certificates will be given for cement from Bhadravati, slabs from Kadur or Karadi and Teakwood from Shimoga Town or Tarikere.

Schedule.

D. SRINIVASACHAR,
Munsiff.

IN THE COURT OF THE MUNSIFF AT CHIKBALLAPUR.

Miscellaneous Case No. 45 *of* 1938-39.

D. V. Thotadappa, son of D. Veerabhadrappa, Nagartha, No. 3, Appu Rao lane, Nagarthapet, Bangalore City .. *Petitioner.*

vs.

(1) D. K. Nanjundappa, son of Kalappa, Nagartha, Tailor, Devanhalli,
(2) Paramma *alias* Parvathamma, residing in Gurappa's house at Vadigenahalli, Devanhalli Taluk .. *Opponents.*

Application under Section 38 (*d*) read with Section 40 of Guardian and Wards Act filed by petitioner for his being appointed guardian (of the person and property of minors Chennaveeramma and Veeramma residing at Bangalore with petitioner for the present) in the place of D. K. Nanjundappa, resident of Devanhalli.

The petitioner abovenamed has applied to this Court, stating that the interest of 1st opponent in whose name a certificate has already issued, has become adverse to the interests of abovenamed minors and that he may be appointed as guardian and that 1st opponent be removed.

In spite of notices being served personally on 1st opponent Nanjundappa to produce the guardianship-certificate issued to him in Mis. No. 294 of 1934-35 for the same being cancelled, he has failed to do so.

Notice is hereby published that, if the 1st opponent does not appear and object before Court on 9th February 1940, the certificate which has already been issued in his favour will be deemed to have been cancelled and a fresh certificate will be issued in favour of petitioner.

M. SADASIVAYYA,
Munsiff.

IN THE COURT OF THE MUNSIFF AT NARASIMHARAJAPURA.

Miscellaneous No. 30 *of* 1939-40.

R. Venkataramaiah, son of Ramaswami Ramanna, Municipal Clerk, Tarikere Town. *Petitioner.*

vs.

R. Ganeshaiah, son of Ramaswami Ramanna, resident of Tarikere Town .. .. *Opponent.*

Application for an appointment of a guardian to the minor Saraswatiyamma, Tarikere Town.

The petitioner abovenamed having applied to be appointed as the guardian of the person and property of the aforesaid minor, 23rd day of February 1940 has been fixed for the hearing of the application and notice is hereby given to all, if any other relative, friend, kinsman or well-wisher of the aforesaid minor desires to be appointed or declared as guardian of the person and properties of the said minor Saraswatiyamma, he or they should enter appearance in person in this Court, on the abovesaid date, and be prepared to adduce on that day, any documentary, oral evidence he or they may desire to adduce in support of his or their claim to such appointment or declaration.

Given under my hand and the seal of the Court, this 19th day of January 1940.

H. VENKATAKRISHNA SETTY,
Munsiff.

IN THE COURT OF THE DISTRICT JUDGE AT SHIMOGA.

The Firms dealing in Power Looms.

Enquiry No. 3857.

POWER LOOMS REQUIRED FOR THE GOVERNMENT ADIKARNATAKA INSTITUTE, MYSORE.

DEAR SIR/GENTLEMEN,

Please be good enough to intimate your best prices and the earliest time of delivery for the materials described in the attached schedule, in the form printed below.

It should be distinctly understood that the acceptance by us of your quotation will be subject to the following conditions :—

Withdrawal from the quotation after it is accepted or failure to make the supply within the specified time or according to specifications will entail cancellations of the order and purchases being made at your expense from other sources in addition to the levy of a penalty of 3 per cent of the value of the order as and by way of liquidated damages. In such an event, the Stores Purchase Committee reserve the right to remove your name from the list of approved firms.

The quotations should be superscribed "Quotations for Power Looms required for the Government Adikarnataka Institute, Mysore," with the above enquiry number.

No. S. P. C. 24847, *dated* 22*nd January* 1940.

NOTICE.

Enquiry No. 3873.

Sealed tenders will be received by the Secretary, Stores Purchase Committee, for the supply of Barley, Oats, Bran, Kulthi, etc., required for the animals of the Mysore Military Units during the year 1940-41 up to 5 P.M. on 15th February 1940.

Intending tenderers may, on application to the Secretary, Stores Purchase Committee, obtain the requisite tender forms on which tenders should be submitted. Applications should be accompanied by a cash remittance of Rs. 5 which is the price fixed for a set of forms and which is not refundable.

Cheques and postage stamps will not be accepted towards the cost of forms nor will the forms be sent by V. P. P.

No. S. P. C. 24515-30, *dated* 19*th January* 1940.

NOTICE.

Enquiry No. 3881.

SUPPLY OF CASTOR OIL REQUIRED FOR THE MEDICAL STORES.

Sealed tenders will be received by the undersigned for the supply of 25,000 lbs. of Pure Castor Oil required for the Medical Stores, up to 5 P.M. on the 1st February 1940.

Tenders will be subject to the following conditions:—

(1) The quantity noted above is only approximate and not guaranteed. The total quantity to be purchased shall be deemed to be limited to the actual quantities drawn on indents from time to time.

(2) The prices should hold good for a period of one year from the date of letting the contract. Applications for enhancement of prices due to whatever causes will not be considered during the period of contract.

(3) The oil will be required to be supplied in tins of 38 lbs. net weight and the price should be quoted in terms of tins.

(4) The oil should be pure and free from adulteration or other impurities. It should also be free from bad smell and taste.

(5) Samples should be submitted in duplicate. One sample thereof will be got tested and analysed at the expense of the tenderer and the cost of such tests, *viz.*, Rs. 15 per sample should be remitted to this office along with the tender.

(6) All indents from the Superintendent, Medical Stores, will be required to be complied with, within seven days from their receipt.

(7) Supplies made otherwise than according to the accepted quality will be rejected at the risk of the contractors, who should replace the rejected supplies by those conforming to the approved samples.

(8) Failure to make supplies in time and satisfactorily will entail cancellation of the order and forfeiture of the Security Deposit specified in the following clause. The Stores Purchase Committee will, in such an event, be at liberty to purchase the oil from other sources, the extra cost, if any, being debited to contractors, in addition to the levy of a penalty of 3 per cent of the value of the contract, as and by way of liquidated damages.

(9) Successful tenderers will be required to execute an agreement undertaking to abide by the above conditions and also to deposit an amount equal to 5 per cent of the value of the contract as security for the proper performance of the contract.

(10) Withdrawal from tender before acceptance or thereafter or failure to execute the agreement and furnish the requisite deposit will entail removal of the tenderer's name from the list of approved firms.

By Order,
MIR SAFDAR HUSSAIN,
Secretary,
Stores Purchase Committee.

FOREST DEPARTMENT.

SHIMOGA FOREST DIVISION.

Notification dated 19*th January* 1940.

Sealed tenders for the preparation of charcoal in Cast Iron Kilns or Country Kilns, separately, including the filling of the same in bags and carting to Railway Stations and loading into wagons during the period from 15th June 1940 or from the date of execution of the bond to 14th November 1940 and from 15th November 1940 to end of December 1940 as per statements below will be received by the District Forest Officer, Shimoga Division, up to 2 P.M. on Monday the 26th February 1940.

2. Each tender should be superscribed as "Tender for Collection and Carting of Charcoal" and should be accompanied by a deposit of Rs. 50 in currency notes in each case.

3. The localities from which charcoal has to be prepared are detailed below.

4. The Conservator of Forests, Shimoga, will be at liberty to accept or reject the lowest or any tender without assigning any reason therefor. In the case of unsuccessful tenderers, their deposits will be returned.

5. Within a week from the date of intimation of acceptance of the tender, the successful tenderer should furnish a cash security of Rs. 100 and execute an agreement on a duly stamped paper, binding himself to the conditions noted below, failing which the earnest money already furnished will be forfeited to Government and the contract cancelled.

6. The particulars of working centres and the quantity to be collected and carted from each working area have been furnished below.

7. The work that will be allotted to the successful tenderer should be commenced and supplies started from 15th June 1940 and will have to be completed before the 14th November 1940 and 31st December 1940 as per agreement to be executed by him.

8. Further the tenderers are at liberty to apply for one or more items of works.

Conditions.

(*a*) Only such of the trees as are not marked by the Range Officer in charge of fuel works should be felled.

(*b*) While doing the fuel collection, etc., works, the contractor should see that no damage is caused to any trees by negligence in felling or cutting and dragging any tree or by stripping off the bark or leaves from or otherwise any trees which are marked by the Range Officer.

(*c*) The tools and other instruments required for charcoal preparation should be provided by the contractor himself. In burning charcoal, the contractor should not kindle any fire in such manner as to endanger the forest growth.

(*d*) No advances, under any circumstances, would be granted for the work. Payments will be made only on bills supported by the acknowledged invoices of the Iron Works once in a month. No payment will be made for the quantity treated as braize by the works authorities.

(*e*) All the instructions issued by the concerned Range Officer should be adhered to.

(*f*) The tenderer must not sublet his work. The contractor or his duly authorised representative must be at the work spot always.

(*g*) If the contractor fails to supply the stipulated quantity each day, his contract is liable to be cancelled, making him responsible for all losses that might occur therefrom.

(*h*) The orders of the District Forest Officer in all matters connected with the supply of charcoal will be final and in case of any breach of the rules, he may fine the contractor to the extent of Rs. 25.

(*i*) Empty bags will be supplied on indent from the contractor in writing near the station yard to the duly authorised person.

(*j*) The contractor is held responsible for the loss of bags or materals lost in transit.

(*k*) The charcoal prepared by the contractor should be without any braize and should be free from particles of fire, etc.

(*l*) The contractor shall abide by the rules of the department as regards the kindling of the fires and shall hold himself responsible for any Forest offences that may be committed by himself, his agents, employees or workmen.

(*m*) It should be clearly noted that the contractor should make his own arrangements in the matter of opening of roads, etc., in the Forests for the carting of fuel to the working centre.

(*n*) Fellings should be made in a methodical manner from one side, leaving the standards marked on the area intact along with trees less than one foot in girth; trees yielding Minor Forest Produce and all trees that are within a radius of six feet from sandal trees and sapplings should be spared.

(*o*) To safeguard against fire, the contractor should make fire lines around the area where he has stored charcoal and burn such lines in time. He will himself be responsible for the loss of any charcoal either by fire or otherwise through his own negligence or that of other until they are handed over to the department. In the case of charcoal, he will be responsible for it until the same is loaded on waggons.

(*p*) The supplies at any cost should be completed by the specified time.

(*q*) Should the contractor fail to abide by any of the above conditions the District Forest Officer will be at liberty to forfeit the security deposit in full or any portion of it as he thinks fit.

(*r*) Separate rates should be quoted for monsoon supplies and fair weather supplies.

Schedule.

M. A. MUTHANNA,
District Forest Officer.

ENGINEERING DEPARTMENT.

BANGALORE DIVISION.

Tender Notice.

Tenders for the purchase of about 5,000 R.ft. of 90 lbs. double headed rails now fixed on Hosakote tank Bund on 15th mile of Bangalore-Kolar Road (Madras-Cannanore Road, Kolar side) will be received by the undersigned till 3 P.M. of 3rd February 1940 with an earnest money of Rs. 200. The acceptance of tender will be intimated within three days thereafter and permission to remove the rails will be given on payment of entire cost of rail to the Executive Engineer, Bangalore Division, within a week of acceptance of tender. Further details may be had from the office.

Notification dated 22nd January 1940.

1. Sealed tenders will be received at the Office of the Executive Engineer, Bangalore Division, up to 2 P.M. on 5th February 1940, for widing the tank Bund of Gudemaranahalli from 2/1 to 5/1 of Magadi Road, and providing iron railing on the water side.

2. Tenders in the prescribed form obtainable from the Office of the Executive Engineer, Bangalore Division, after the production of the challan for having credited into the treasury the deposit amount of Rs. 210 under 17 (a) P. W. Deposits should be addressed to the Executive Engineer, Bangalore Division, in a sealed cover and superscribed as "Tender for widening the tank bund of Gudemaranahalli from 2/1 to 5/1 of Magadi Road, and providing iron railings." The name of the tenderer should also be superscribed on the top of the cover.

3. Each tender must be accompanied by a deposit of Rs. 210 (in words) rupees two hundred and ten only Government Promissory Notes or Mysore Government Bonds, duly endorsed at face value or market value, whichever is less, as earnest money. The earnest money of the successful tenderer will be retained as security deposit for due fulfilment of the contract. Such a deposit in cash will not carry any interest.

4. The tenders will be opened in the presence of such tenderers who wish to be present on 5th February 1940, at 3 P.M. The final acceptance of the tender will rest with the Executive Engineer, who does not bind himself to accept the lowest or any tender, or to assign any reason whatever for the rejection of any.

5. The name of the successful tenderer will be posted on the Notice Board in the Executive Engineer's Office in due course. Within eight days of the acceptance of the tender, the successful tenderer will be required to execute an agreement in the departmental Schedule Contract Form, for the due fulfilment of the contract, and for the execution of all items of work in accordance with the Bombay Specifications (1931).

6. Failure to comply with the condition 5 above or to agree to carry out the work in accordance with the specifications and agreements in force will entail forfeiture of the earnest money.

7. The earnest money of rejected tenders will be returned on submission of the receipt originally granted, along with an application to the Executive Engineer.

8. Copies of contract documents, schedules and drawings may be seen at any time at the Executive Engineer's Office, Bangalore Division, on all working days between 11 A.M. and 5 P.M. and may be obtained from that officer on payment of Rs. 3.

9. Specific rates should be given for each item in the schedule accompanying the tender and the rates should be in rupees, annas and pies and expressed in words and figures. Tenders offering a percentage reduction on the estimate amount will be rejected.

10. Any rates or lumpsum amounts for the items not called for, if tendered by the tenderer, will not be taken notice of. The rates for such items may be entered in a separate schedule with date and reasons for the same.

11. No alterations which are made by the tenderers in the tender form in the nomenclature of the items of work will be recognised and if corrections are made, the tenders are liable to rejection.

12. There should be no alterations or erasures in the tenders in the rates of items and any corrections made in the rates should be attested to, and the number of corrections, if any, in each page noted at the foot of the same by the tenderer.

13. No reference should be made to the Public Works Department schedule of rates.

14. In the event of the tender being submitted by a firm, it must be signed separately and severally by each member thereof or in the event of absence of any partner, it must be signed on his behalf by a person holding power-of-attorney authorising him to do so.

15. When once the rates tendered have been accepted, they will not be revised under any circumstances. In regard to items of work not tendered, the rates for the same will be calculated by the Executive Engineer on the basis of current rates for materials and labour with a contractor's profit of 5 per cent as may be approved by the Superintending Engineer. This shall be final and legally binding on the tenderer.

16. The quantities given in the schedule are only approximate and the drawings shown to the contractor are only tentative and are liable to alterations, omissions, deductions or additions,

at the discretion of the Executive Engineer or his representative. The tendered rates will hold good for any quantity, whether higher or lower than those given in the enclosed schedule.

17. The works should be completed and handed over in a tidy condition to the Public Works Department by the end of October 1940, failing which the Executive Engineer may, at his discretion, levy a penalty calculated at 12 per cent per annum on the total outlay as liquidated damages for non-fulfilment of contract, and will be recovered from the contractor's outstandings for the period exceeded by him beyond the time fixed and until the work is completed and handed over.

18. In all matters of disputes of any kind not specially provided for in the agreement or of rates, penalties, measurements, quality of work, etc., the decision of the Chief or the Superintending Engineer shall be final and legally binding.

19. No claim for damages for delays caused by officers of the department in the execution of the work will be considered, whatever may be the reasons for such delays. Contractors should bear this in mind when tendering for the work. Extension of time due to delays caused by the departmental officers will, however, be considered on the merits of each case.

20. The contract should not be sublet.

21. All materials, tools and plant and machinery that will be supplied by the Executive Engineer in the interest of the work shall be accepted by the tenderer at the rates fixed by the Executive Engineer. The tenderer will pay the hire on tools and plant and machinery as per rules from the date of taking over of such machinery, tools and plant from the Stores to the date of return thereto, the dates considered being the dates of acknowledgments of the vouchers in each transaction.

22. The contractor should arrange for the payment of royalty and tolls.

Note.—(*a*) The contractor should at his own cost—

(1) Provide rods, stakes, ropes and labour required in setting out the works.
(2) Provide all necessary scaffolding, centering, labour and appliances for hoisting.
(3) Provide mortar mills and sheds, to keep materials under cover and also for workmen.
(4) Arrange for protecting work during inclement weather.
(5) Supply requisite temporary lights, water cisterns, water pumps and hoses, sieves, parahs, shoring, strutting and other requisite protective appliances during the progress of the work.
(6) Supply all water required for work and workmen and shall provide temporary latrines and drains.
(7) Clean away all dirt, rubbish, superfluous materials and debris as they accumulate.
(8) Provide arrangements for pumping and baling of water from excavations and foundations wherever and whenever necessary with his own pumping apparatus including necessary leading drains, slump pits, etc.
(9) Afford facilities to any other parties employed upon the work by the P. W. D., so that their work may proceed during the progress of the contract, and give such persons the use of ordinary scaffolding and ladders.
(10) The contractor is responsible for all accidents to workmen, etc., on the work and he must take precaution against all risk of accidents and if necessary provide for the same by insurance at the proper time.

Note.—(*b*) It is the business of the contractor to make his own arrangements for quarries and supplies of materials.

23. Forms can be had on payment of four annas (0-4-0) per form.

Approximate quantities for widening the tank bund of Gudemaranahalli from 2–1 to 5–1 of Magadi Road and providing iron railings on the water side.

AUCTION SALE.

Notification dated 23rd January 1940.

The auction sale of unserviceable articles of this department which was notified to be held on the 27th instant at Mysore Military Stores, Bangalore, has been postponed to Friday the 23rd February 1940.

GOVERNMENT STUD FARM, KUNIGAL.

Notification dated 16th January 1940.

It is hereby notified that 1,000 empty gunny bargs (one thousand only) belonging to this Farm will be sold by public auction at 11 A.M. on 5th February 1940 at the Farm premises. The auction is subject to the usual conditions governing such auctions. The bags are open to inspection on any working day between 11 A.M. and 5 P.M. and details regarding the conditions of auction sale may also be ascertained at the Office of the Stud Farm, Kunigal.

G. MALLIKARJUNIAH,
For *Chief Commandant,*
Mysore State Troops.

GOVERNMENT OF MYSORE—ELECTRICAL DEPARTMENT.

OFFICE OF THE SUPERINTENDENT, POWER AND LIGHTING, K. G. F., CHAMPION REEFS.

Notification dated 22nd January 1940.

Notice is hereby given that sealed tenders will be received from the Licensed Electrical Contractors at the Office of the Superintendent, Power and Lighting, Kolar Gold Fields, up to 3 P.M. on 19th February 1940, for the Electrification of Chintamani Railway Station.

The quantities are not guaranteed. The work should be completed before 20th March 1940.

2. The place and conditions may be ascertained from the Line Inspector, Power and Lighting, Chintamani.

3. The tenders should be accompanied by a statement in the form given below showing the rates at which the different items will be executed, both in figures as well as in words, failing which no cognisance will be taken of the tender. The materials to be used on the work should strictly conform to the specifications and executed as per regulations and instructions of the department.

4. Each tender must be accompanied by a deposit of Rs. 30 in cash as Earnest Money, and be superscribed "Tender for Electrification of Railway Station at Chintamani," in default of which the tenders will be rejected.

5. The final acceptance of the tender will rest with the Superintendent, Power and Lighting, Kolar Gold Fields, Champion Reefs, who does not bind himself to accept the lowest tender or to assign any reason whatever for the rejection of the tender.

6. Within eight days of the acceptance of the tender, the successful tenderer will be required to execute the usual agreement, in default of which his tender will be considered as cancelled and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the Notice Board in the Office of the Superintendent, Power and Lighting, Kolar Gold Fields, Champion Reefs, and of the Line Inspector, Power and Lighting, Chintamani, in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of the tenders, the earnest money on rejected tenders will be refunded.

9. Materials that may be found necessary during execution should be supplied by the contractor himself.

10. In all matters not specifically provided for the decision of the Superintendent, Power and Lighting, Kolar Gold Fields, Champion Reefs, will be final and legally binding.

11. The materials to be used on the work should be of best quality conforming to the specification of this department and B.S. or A.I.E.E. specification. Teak wood planks to be used on the work should be free from knots, and cracks and well seasoned.

12. A period of two weeks will be allowed for the completion of the work in all respects from the date of final acceptance of the tender. A penalty of Rs. 10 for each day of delay over the stipulated period for completion of the work during the first week and Rs. 20 in the second week will be enforced. If there be further delay, the department will take charge of the installation at whatever stage it might be and arrange for the completion entirely at the risk of the tenderer.

13. If after the completion of the work any defect or fault develops in the installation within 12 calendar months due to bad workmanship or inferior quality of materials used, it will be binding on the tenderer to rectify the same, "Free of Cost." On this account 5 per cent of the total amount of the bill will be withheld and the same would be paid after the above period is over.

14. Approximate quantities of materials required for the Electrification of Chintamani Railway Station :—

1.	Supplying and fixing S.M. Rail 24′ long, tarred	1
2.	Supplying and fixing guy sets, complete with 7 strand guy wire, anchor rod, turn buckles, etc.	1 Set.
3.	Do 2-pin double cross-arms with insulators and pins for 600-V. bolts and nuts, clamps, etc., tarred, complete	2 Sets.
4.	Supplying and stringing overhead line with No. 6 B. & S. bare copper wire from Government pole to consumer's pole	20 Lbs.
5.	Grounding with tinned copper plate, etc., complete	1 Item.
6.	Supplying and fixing 2″×1″ T.W. casing and wiring for two independent circuits, with required length of No. 12 B. & S. insulated wire, using brass screws and two coats of shellac varnish from the meter board to Station Master's Room to the top of the stone pillar in Verandah	15 Ft.
7.	Do 2-way cable junction boxes and G.I. pipes of 1½″ dia. each 10′ long, clamping them suitably to the stone pillar	2 Sets.
8.	Supplying and laying underground cable twin conductor No. 12 B. & S. 600 Meg.-Ohm. grade, paper insulated, lead covered, jute served, double tape steel armoured, from the cable junction boxes to the ornamental posts L-1, L-3 and L-2 independently	380 Ft.
9.	Supplying and fixing cable junction boxes, complete with cover, rubber rings, etc., at the foot of L-2-3 Way and 2 way at L-1 and L-3	3 No.
10.	Excavating trench 3′×1½′ wide, surrounding cable with fine sand 3″ all round, filling it up and tamping for a length of 300′ including the supply of sand	1 Item.
11.	Supplying and fixing masonry brick in mortar 2′×2′×2′ each and four foundation bolts per lamp and cement plastering the basement inside and outside with necessary window for the cable end and fuse	3 No.
12.	Fixing three ornamental lamp posts and lamps (lamp posts and fixtures and lamps to be supplied by the department)	1 Item.
13.	Supplying the required length of No. 14 B. & S. R.I. wire and wiring the three ornamental posts	1 ,,
14.	Providing and fixing twin-conductor underground cable No. 12 B. & S. as Item No. 8 above from cut-out fixed at the base of lamp 2 to the cable junction box for the light in the Latrine	170 Ft.
15.	Providing and fixing 2-way junction box at the latrine partition	1 No.
16.	Providing and fixing on the latrine partition one batten holder mounted on wooden block and wire-guard for protecting lamp and wiring the same with No. 14 B. & S. wire	1 Item.
17.	Digging trench 3′×1½′ and surrounding cable with fine sand as in Item No. 10 above for a length of 40 ft. from lamp 2 to latrine	1 ,,

Abstract Notification dated 19th January 1940.

The attention of the public is invited to the detailed tender notification dated 19th January 1940, regarding the supply of charcoal to the Mysore Iron and Steel Works, during the monsoon period of 1940 and from 15th November 1940 to end of December 1940, published on pages 204-206, Part VI of the *Mysore Gazette*, dated 25th January 1940.

The last date for receiving tenders is Monday the 26th February 1940.

Notification dated 24th January 1940.

Re : SALE OF JALARI LOPS AND TOPS.

It is hereby notified for general information that the right of collecting and removing Jalari lops and tops in the undermentioned Forests of Ripponpet Range by the District Forest Officer, Shimoga, or any other officer deputed by him as noted below :—

Name of forest and locality	Kind and quantity	Place of sale	Date of sale
Mugudthi State Forest Kamachi District Forest Heddaripur District Forest	Jalari lops and tops 500 C.ft.	Mugudthi Village	Saturday the 24th February 1940 at 3 P.M.

2. Each bidder shall, before he is permitted to bid, be required to furnish a solvency certificate as under the Thangadi Sale Rules and deposit a sum of Rs. 50 (fifty) as earnest money with the officer conducting the sale; the deposit will be returnable to him at the close of the sale, if his bid is not accepted. The person whose bid is accepted shall, immediately after the close of the sale, pay 25 per cent of the bid amount less the deposit already paid, failing which the right will be resold or worked by the department at the risk of the defaulting bidder. He will be liable for the loss, if any, that may result by such resale or departmental working which will be recoverable from him as arrears of land revenue, but he shall not participate in any gain.

3. Defaulters to the department will not be allowed to bid at the sale.

4. The timber will be sold in terms of cubic feet (*i.e.*, the bidders will have to bid at so much per cubic foot of timber).

5. Power is reserved to the District Forest Officer or such other officer conducting the sale, as may be deputed by the District Forest Officer, to accept or reject any bid without assigning any reason therefor.

6. Any person bidding at the sale may be required by the officer conducting the sale to state whether he is bidding on his own behalf or as an agent and, in the latter case, to produce a written authority signed by the principal.

7. Within a week from the date of intimation regarding the confirmation of the sale, the person whose bid is accepted shall deposit a sum of Rs. 100 (one hundred) or 25 per cent of the sale amount, whichever is less, as security towards the due fulfilment of his contract. He shall also pay, within that period, the remaining 75 per cent of the contract amount due by him and shall execute an agreement, on a stamped paper of proper value, accepting the above terms and the terms specified below, failing which the amount already paid will be forfeited to Government and the produce resold or worked by the department at his risk as noted in clause (2) *supra*. The security deposit or the balance thereof as may remain over shall be repayable to the contractor on his producing proof relieving him of any liability under the contract.

The following are the further conditions to which the contractor should bind himself :—

(*a*) That he shall collect and remove the timber purchased by him before the 31th May 1940.

(*b*) That he shall furnish the Range Officers concerned with a list of agents and workmen who will be employed by him in the forest for extraction of timber.

(*c*) That he shall bind himself to pay in advance the value of the minimum quantity of timber to be fixed by the District Forest Officer and shall remove all marketable portions either in logs, pieces or poles.

(*d*) That he will not be eligible for any refund of advance revenue if the minimum quantity fixed is not removed, but any excess quantity removed shall be paid for at auction rates.

(*e*) That no timber prepared in the coupe shall be removed unless it is measured and stamped at the stump by the Range Officer or such other officer as the District Forest Officer may authorise and until it is duly paid for.

(*f*) That each consignment of timber shall be covered by a passport issued by the Range Officer or any other officer deputed by the District Forest Officer in this behalf.

(*g*) That he shall abide by the rules of the department as regards the kindling of fires and shall hold himself responsible for any forest offences committed by his agents, employees or workmen.

(*h*) That he shall not sublet the contract to anybody except with the written sanction of the District Forest Officer.

(*i*) That no timber operation shall take place in the forest after sunset and before sunrise.

(*j*) That he shall have no right whatsoever over the coupe and over the timber paid for but left unremoved after the 15th June 1940.

(*k*) That he shall maintain a register in the form prescribed by the District Forest Officer showing the quantity of timber of each kind collected and shall keep it open for the examination of Forest Officers above the grade of guards.

(*l*) That for the breach of any of the conditions of contract by the contractor or his agents, the contract shall be void at the option of the District Forest Officer and that the latter may, after issuing to the contractor, a notice of cancellation of contract, enforce forfeiture of all or any part of the deposit and shall resell the right or work it departmentally at the risk of the contractor as in column (2) *supra*. If the deposit or part thereof is so forfeited, it shall be immediately made good by the contractor.

(*m*) Interest at $6\frac{1}{4}$ per cent per annum will be levied on all arrears of amounts which are permitted to be paid after the due date.

Notification dated the 25th January 1940.

It is hereby notified for general information under Section 40 of the Mysore Forest Act that the following timber found unclaimed at the places noted below has been seized and given to the custody of the persons noted against them. Persons having any claim to the said timber are hereby required to present statements of their claims to the undersigned within a month from the date of the publication of this notice and establish their claims failing which the timber will lapse to Government under Section 42 of the said Act.

N. VENKATARAMAIYA,
District Forest Officer.

BHADRAVATI DIVISION.

Abstract Notification dated 12th January 1940.

The attention of the public is invited to the detailed Notification published on pages 113-114, Part VI of the *Mysore Gazette*, dated 18th January 1940, regarding tenders for supply of rations to elephants of Bhadravati Division during the year 1940-41.

H. S. RANGACHAR,
District Forest Officer.

KADUR FOREST DIVISION.

Notification dated 21st January 1940.

It is hereby notified for general information that the undermentioned quantities of timber will be sold by public auction under the following conditions at the following places by the District Forest Officer, Kadur Division, at 2 P.M. on the following dates.

Name of place	Teak	Honne	Nandi	Mathi	Yetti-yaga	Hunnal	Hettges of Mathi, Honne and Hunal	Place of sale	Date of sale
	C.ft.	C.ft.	C.ft.	C.ft.	C.ft.	C.ft.	C.ft.

Yelekal Plantation Area, Koppa Range.	..	50	50	..	50	250	400	Sangameswara-pet.	15-2-1940

Remarks:—More or less.

Conditions.

1. Each bidder shall place a deposit of Rs. 200 in the case of Kadur District, of Rs. 20 in the case of Koppa Range, with the officer conducting the sale, but defaulters to the department will not be allowed to bid at the sales.

In the case of purchasers of timber in small quantities, full value thereof will be accepted if tendered on the spot and the payment of deposit in such cases will not be insisted upon.

2. Any person bidding at the sale may be required by the officer conducting the sale to state whether he is bidding on his own behalf or as an agent, and in the latter case to produce a written authority duly signed by the principal.

3. The highest bidder shall ordinarily be the purchaser, but the officer conducting the sale can reject any bid or stop the sale at any stage without assigning any reason to the intending purchasers.

4. Immediately after the lot is knocked down to him, the successful bidder shall sign his name opposite the number and specification of the lot bought by him in a book provided for the purpose. Such signature shall be held as admission on his part of having bought such lot and of having accepted the terms of the sale as herein specified. All sales of which the amount exceeds Rs. 500 in each case is subject to the confirmation of the Conservator and in other cases, to that of the District Forest Officer.

5. After conclusion of the sale, each purchaser shall pay 10 per cent of the amount in cash to the officer conducting the sale and obtain in return from him a receipt vouching for the payment of the one-tenth value as well as the initial deposit. Should any purchaser fail to comply with this rule, the initial deposit shall at once be forfeited to Government and the officer conducting the sale shall be at liberty to resell the timber purchased by such defaulter who shall be required to make good any loss, but shall not participate in any profit from such resale. The amount due by such defaulter, on account of loss from resale, shall be recovered from him as a revenue demand under Section 79 of the Mysore Forest Act. In calculating such losses, the initial deposit forfeited to Government shall not be taken into account.

In cases of resales for default of payment of value, where no bidders are forthcoming, it will be open to the District Forest Officer to fix such price as may appear to him reasonable and to proceed for the recovery from the defaulter of the balance, if any, after deducting the price so fixed from the original sale amount. A registered notice should be issued to the defaulter intimating the price fixed by the District Forest Officer for the unsold wood and the amount still due from him which will be recovered as arrears of land revenue.

6. The deposits tendered by the unsuccessful bidders shall be returned immediately after the sales are concluded, those of the successful bidders being lodged in the Savings Bank as security deposit.

7. The full value of all timber purchased shall be paid for within 30 days after the date of sale or within 15 days after the date of notice of confirmation of the sale, whichever is later. In case of purchases of above Rs. 1,000 in value, the purchaser shall be permitted to pay up the balance in instalments of not less than Rs. 1,000, provided the full value is paid not later than the 15th May 1940. The money shall be paid into such treasury as the District Forest Officer may direct within the time specified.

8. If the amount is not fully paid for by the purchaser before the dates fixed above, the initial deposit as well as the other moneys already paid in shall be forfeited to Government and all or any portion of the timber not fully paid for shall be resold at the risk of the purchaser in the manner prescribed for default of payment of one-tenth value in clause 5 *supra*.

9. No timber lot shall be permitted to be removed by the purchaser unless it has been paid for in full, calculated at the rates at which the timber is knocked down to him at the time of sale, excluding the 10 per cent deposit paid for the lot at the time of the sale; and no timber shall be removed from the depot unless a permit is obtained from the Forest Officer in charge of the depot. The earnest money will not be adjusted towards the value of timber until 90 per cent of the purchase money over and above the security deposit has been paid. Interest at 6¼ per cent per annum will be levied on all arrears of amount permitted to be paid after the due dates.

10. The timber purchased should be removed as early as possible, and in no case should it be allowed to remain longer than 90 days after the dates fixed in clause 7 *supra*. Timber not removed after purchase will remain in the depot at the risk of the purchaser from the date of the confirmation of the sale.

11. If the timber is not removed within the time allowed, the same may, after ten days' notice to the purchaser, be sold in public auction and the proceeds will be given to the purchaser after defraying all the expenses in connection with the resale.

12. The deposit will remain as security for the due fulfilment of all and every one of the terms of sale, on the breach of any of which by the purchaser, the District Forest Officer shall be entitled to forfeit the deposit in whole or in part and in the event of such forfeiture, the sum so forfeited shall be immediately made good by the purchaser so long as the transaction is not finally closed. The security deposit or the balance thereof, if any, shall be returned to the purchaser after the full value of timber purchased has been paid for and the timber fully removed.

B. T. THIMMARAYAPPA,
District Forest Officer.

ENGINEERING DEPARTMENT.

BANGALORE DIVISION.

Tender Notice.

Tenders for the purchase of about 5,000 R.ft. of 90 lbs. double headed rails now fixed on Hosakote tank Bund on 15th mile of Bangalore-Kolar Road (Madras-Cannanore Road, Kolar side) will be received by the undersigned till 3 P.M. of 3rd February 1940 with an earnest money of Rs. 200. The acceptance of tender will be intimated within three days thereafter and permission to remove the rails will be given on payment of entire cost of rail to the Executive Engineer, Bangalore Division, within a week of acceptance of tender. Further details may be had from the office.

Abstract Notification dated 12th January 1940.

The attention of the public is hereby invited to the detailed notification inviting sealed tenders for constructing a masonry anicut at 1/13th mile of Madras-Cannanore Road, Kengeri side, published on pages 115-116 of Part VI of the *Mysore Gazette*, dated 18th January 1940.

2. The last date for the receipt of the tenders is 2 P.M. on 3rd February 1940. Duplicate challan for having credited the deposit amount of Rs. 160 into the Treasury under "17 (*a*) P. W. Deposits" should accompany each tender.

Abstract Notification dated 22nd January 1940.

The attention of the public is hereby invited to the detailed notification inviting sealed tenders for widening the tank bund of Gudemaranhalli, from 2/1 to 5/1 of Magadi Road and providing Iron Railings on the Water side, published on pages 207-208 of Part VI of the *Mysore Gazette*, dated 25th January 1940.

The last date for the receipt of the tender is 2 P.M. on 5th February 1940. Each tender should accompany with a duplicate challan for having credited the deposit amount of Rs. 210 into the treasury under "17 (a) P. W. Deposits".

Notification dated 26th January 1940.

1. Sealed tenders will be received at the Office of the Executive Engineer, Bangalore Division, up to 2 P.M. on 20th February 1940, for constructing a Dispensary Building with Out houses at Kengeri, Bangalore Taluk.

2. Tenders in the prescribed form obtainable on payment of Re. 0-4-0 per form from the Office of the Executive Engineer, Bangalore Division, should be addressed to the Executive Engineer,

Bangalore Division, in a sealed cover and superscribed as "Tender for constructing a Dispensary building with out houses at Kengeri. The name of the tenderer should also be superscribed on the top of the cover.

3. Each tender must be accompanied by a duplicate challan for having credited into the Treasury the deposit amount of Rs. 200 under "17(a) P. W. Deposits" as earnest money. The earnest money of the successful tenderer will be retained as security deposit for the due fulfilment of the contract. Such a deposit in cash will not carry any interest.

4. The tenders will be opened in the presence of such tenderers who wish to be present on 20th February 1940, at 3 P.M. The final acceptance of the tender will rest with the Executive Engineer, who does not bind himself to accept the lowest or any tender, or to assign any reason whatever for the rejection of any.

5. The name of the successful tenderer will be posted on the Notice Board in the Executive Engineer's Office in due course. Within eight days of the acceptance of the tender, the successful tenderer will be required to execute an agreement in the departmental Schedule Contract Form, for the due fulfilment of the contract, and for the execution of all items of work in accordance with the Bombay Specifications (1931).

6. Failure to comply with the condition 5 above or to agree to carry out the work in accordance with the specifications and agreements in force will entail forfeiture of the earnest money.

7. The earnest money of rejected tenders will be returned on submission of the receipt originally granted, along with an application to the Executive Engineer.

8. Copies of contract documents, schedules and drawings may be seen at any time at the Executive Engineer's Office, Bangalore Division, Bangalore, on all working days between 11 A.M. and 5 P.M. and may be obtained from that officer on payment of Rs. 3 for each.

9. Specific rates should be given for each item in the schedule accompanying the tender and the rates should be in rupees, annas and pies and expressed in words and figures. Tenders offering a percentage reduction on the estimate amount will be rejected.

10. Any rates or lumpsum amounts for the items not called for, if tendered by the tenderer, will not be taken notice of. The rates for such items may be entered in a separate schedule with date and reasons for the same.

11. No alterations which are made by the tenderers in the tender form in the nomenclature of the items of work will be recognised and if corrections are made, the tenders are liable to rejection.

12. There should be no alterations or erasures in the tenders in the rates of items and any corrections made in the rates should be attested to, and the number of corrections, if any, in each page noted at the foot of the same by the tenderer.

13. No reference should be made to the Public Works Department schedule of rates.

14. In the event of the tender being submitted by a firm, it must be signed separately and severally by each member thereof or in the event of absence of any partner, it must be signed on his behalf by a person holding power-of-attorney authorising him to do so.

15. When once the rates tendered have been accepted, they will not be revised under any circumstances. In regard to items of work not tendered, the rates for the same will be calculated by the Executive Engineer on the basis of current rates for materials and labour with a contractor's profit of 5 per cent as may be approved by the Superintending Engineer. This shall be final and legally binding on the tenderer.

16. The quantities given in the schedule are only approximate and the drawings shown to the contractor are only tentative and are liable to alterations, omissions, deductions or additions, at the discretion of the Executive Engineer or his representative. The tendered rates will hold good for any quantity, whether higher or lower than those given in the enclosed schedule.

17. The works should be completed and handed over in a tidy condition to the Public Works Department by the end of April 1940, failing which the Executive Engineer may, at his discretion, levy a penalty calculated of Rs. 1-5-0 per day, which will ordinarily be calculated at 12 per cent per annum on the total outlay as liquidated damages for non-fulfilment of contract, and will be recovered from the contractor's outstandings for the period exceeded by him beyond the time fixed and until the work is completed and handed over.

18. In all matters of disputes of any kind not specially provided for in the agreement or of rates, penalties, measurements, quality of work, etc., the decision of the Chief or the Superintending Engineer shall be final and legally binding.

19. No claim for damages for delays caused by officers of the department in the execution of the work will be considered, whatever may be the reasons for such delays. Contractors should bear this in mind when tendering for the work. Extension of time due to delays caused by the departmental officers will, however, be considered on the merits of each case.

20. The contract should not be sublet.

21. All materials, tools and plant and machinery that will be supplied by the Executive Engineer in the interest of the work shall be accepted by the tenderer at the rates fixed by the Executive Engineer. The tenderer will pay the hire on tools and plant and machinery as per rules from the date of taking over of such machinery, tools and plant from the Stores to the date of return thereto, the dates considered being the dates of acknowledgments of the vouchers in each transaction.

22. The contractor should arrange for the payment of royalty and tolls.

Note.—(*a*) The contractor should at his own cost—

(1) Provide rods, stakes, ropes and labour required in setting out the works.
(2) Provide all necessary scaffolding, centering, labour and appliances for hoisting.
(3) Provide mortar mills and sheds, to keep materials under cover and also for workmen.
(4) Arrange for protecting work during inclement weather.
(5) Supply requisite temporary lights, water cisterns, water pumps and hoses, sieves, parahs, shoring, strutting and other requisite protective appliances during the progress of the work.
(6) Supply all water required for work and workmen and shall provide temporary latrines and drains.
(7) Clean away all dirt, rubbish, superfluous materials and debris as they accumulate.
(8) Provide arrangements for pumping and baling of water from excavations and foundations wherever and whenever necessary with his own pumping apparatus including necessary leading drains, slump pits, etc.
(9) Afford facilities to any other parties employed upon the work by the P. W. D., so that their work may proceed during the progress of the contract, and give such persons the use of ordinary scaffolding and ladders.
(10) The contractor is responsible for all accidents to workmen, etc., on the work and he must take precaution against all risk of accidents and if necessary provide for the same by insurance at the proper time.

Note.—(*b*) It is the business of the contractor to make his own arrangements for quarries and supplies of materials.

N. LAKSHMINARASIMHAIYA,
Executive Engineer.

BUREAU OF SANITARY ENGINEERING, BANGALORE.

Abstract Notification dated 22nd January 1940.

The attention of the public is invited to the notification, calling for tenders for the work of "Providing Sanitary fittings and drainage arrangements to the Cricket Stadium behind Central College Hostel at Bangalore" published in pages 163-165, Part VI of the *Mysore Gazette*, dated 25th January 1940.

The last date of receiving tenders is fixed on 10th February 1940.

Notification dated 25th January 1940.

Notice is hereby given that sealed tenders will be received from the licensed Plumbers at the Office of the Sanitary Engineer, Bureau of Sanitary Engineering, Bangalore, up to 1 P.M. on 16th February 1940, for labour portion of the work for laying pipe lines for giving water-supply to further extension of Fig Gardens at Ganjam. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of June 1940.

2. The plans, detailed estimate and conditions may be seen at the Sanitary Engineer's Office between the hours of 11 A.M. and 5 P.M. on all office days.

3. Tenders should be submitted on printed forms which may be obtained from the Sanitary Engineer on payment of annas four per form. No tender not in the prescribed form will be accepted. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of Rs. 198 in cash (no cheques will be accepted) as earnest money, and be superscribed "Tender for labour portion of the work for laying pipe lines for giving water-supply to further extension of Fig Gardens at Ganjam," in default of which the tenders will be rejected.

5. The final acceptance of the tender will rest with the Sanitary Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond, in default of which his tender will be considered cancelled and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the Notice Board in the Sanitary Engineer's Office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

9. Charges on account of scaffolding materials, implements for setting out, barricading, clearing site, supply of water, etc., that may be found necessary during execution will not be paid for separately but should be borne by the contractor.

10. Rates for non-tendered and non-estimated items shall be as per schedule rates of the Department or those fixed by the Sanitary Engineer after working out data with not more than 10 per cent for contractor's profit.

11. In all matters not specifically provided for and in all matters of disputes about rates, quantities, measurements, quality of works, etc., and in all disputes of any kind, the decision of the Sanitary Engineer will be final and legally binding.

Approximate estimate of quantities of work for laying pipe-line for giving water-supply to further extension of Fig Gardens at Ganjam.

2	Do do in soft rock ..	,,	200	
3	Do do in hard rock ..	,,	50	
4	Making lead joints with laying 5 C. I. pipes and specials including of specials and cuts wherever necessary (lead at six lbs. per joint will be supplied departmentally) ..	Joint	100	
5	Making lead joints to 4″ C. I. pipes with laying pipes and specials including cuts wherever necessary .. (*N.B.*—For 86 joints the old lead should be used and for others lead at 5 lbs. per joint will be issued departmentally.)	,,	126	
6	Making lead joints to 3″ C. I. pipes and specials with laying pipes and specials including cuts wherever necessary and using removed lead ..	Joints	160	
7	Removing 3″ C. I. pipes by removing lead from the joints including conveying pipes and stacking the same in required place ..	Cwt.	167	
8	Laying and jointing do with available lead ..	,,	145	
9	Removing 2″ and 1½″ G. I. pipes including earth work excavating the pipe trench and refilling the same watering and consolidation ..	R.ft.	1,500	
10	Laying and jointing 2″ and 1½″ G. I. pipes including cutting and threading, fixing of specials and earthwork, etc., complete ..	R.ft.	4,000	

K. S. HUTCHA RAO,
Sanitary Engineer.

KOLAR DIVISION.

Abstract Notification dated 16th January 1940.

The attention of the public is invited to the detailed notification dated 6th January 1940, published on pages 165-168, Part VI of the *Mysore Gazette*, dated 25th January 1940, regarding tenders for Restoring Chindhandlahalli Doddakere, Minor Tank, Register No. 224, of Bowringpet Taluk.

The last date for receiving tenders is 5th February 1940 up to 2 P.M.

Abstract Notification dated 20th January 1940.

The attention of the public is invited to the detailed notification dated 19th January 1940, published on pages 168-171, Part VI of the *Mysore Gazette*, dated 25th January 1940, *re* tenders for construction of one block of Line Inspector's quarters at Bethamangala, Bowringpet Taluk.

The last date for receiving tenders is 20th February 1940 up to 2 P.M.

Notification dated 22nd January 1940.

1. Sealed tenders will be received at the Office of the Executive Engineer, Kolar Division, up to 2 P.M. on 10th February 1940, for constructing Electrical Buildings in the Srinivasapur Town, Kolar District.

2. Tenders in the prescribed form obtainable from the Office of the Executive Engineer, Kolar Division, should be addressed to the Executive Engineer, Kolar Division, in a sealed cover and superscribed as "Tender for Constructing Electrical Buildings in Srinivasapur Town." The name of the tenderer should also be superscribed on the top of the cover.

3. Each tender must be accompanied by a treasury chellan for earnest money of Rs. 445, paid to the treasury to the credit of "17. (*a*) P. W. Deposits," against the account of the Executive Engineer of Kolar Division. The earnest money of the successful tenderer will be retained as security for the due fulfilment of the contract. Such a deposit in cash will not carry any interest.

4. The tenders will be opened in the presence of such tenderers who wish to be present on 10th February 1940 at Kolar. The final acceptance of the tender will rest with the Executive Engineer. who does not bind himself to accept the lowest or any tender, or to assign any reason whatever for the rejection of any.

5. The name of the successful tenderer will be posted on the Notice Board in the Executive Engineer's Office in due course. Within eight days of the acceptance of the tender, the successful tenderer will be required to execute an agreement in the departmental Schedule Contract Form, for the due fulfilment of the contract and for the execution of all items of work in accordance with the Bombay Specifications. A reserve of 5 per cent will be withheld in the work bills of the contractor and the same repaid after the due fulfilment of the contract.

6. Failure to comply with the condition 5 above or to agree to carry out the work in accordance with the specifications and agreements in force will entail forfeiture of the earnest money.

7. The earnest money of rejected tenders will be returned on submission of the receipt originally granted, along with an application to the Executive Engineer.

8. Copies of contract documents, schedules and drawings, may be seen at any time at the Executive Engineer's Office, Kolar, on all working days between 11 A.M. and 5 P.M.

9. Specific rates should be given for each item in the schedule accompanying the tender and the rates should be in rupees, annas and pies and expressed in words and figures. Tenders offering a percentage reduction on the estimate amount will be rejected.

10. Any rates or lumpsum amounts for the items not called for, if tendered by the tenderer, will not be taken notice of. The rates for such items may be entered in a separate schedule with date and reasons for the same. When lumpsum provisions are shown in the schedule of quantities the contractor will be paid at either his tendered rate for each item or the prevailing schedule of rates in the Division at the discretion of the Executive Engineer.

11. No alterations which are made by the tenderers in the tender form in the nomenclature of the items of work will be recognised and if corrections are made, the tenders are liable to rejection.

12. There should be no alterations or erasures in the tenders in the rates of items and any corrections made in the rates should be attested to, and the number of corrections, if any, in each page noted at the foot of the same by the tenderer.

13. No reference should be made to the Public Works Department schedule of rates.

14. In the event of the tender being submitted by a firm, it must be signed separately and severally by each member thereof, or in the event of absence of any partner, it must be signed on his behalf by a person holding power-of-attorney authorising him to do so.

15. When once the rates tendered have been accepted, they will not be revised under any circumstances. In regard to items of work not tendered, the rates for the same will be calculated by the Executive Engineer, on the basis of current rates for materials and labour with a contractor's profit of 5 per cent as may be approved by the Superintending Engineer. This shall be final and legally binding on the tenderer.

16. The quantities given in the schedule are only approximate and the drawings shown to the contractor are only tentative and are liable to alterations, omissions, deductions or additions, at the discretion of the Executive Engineer or his representative and may be due to any reason whatsoever. The tendered rates will hold good for any quantity, whether higher or lower than those given in the enclosed schedule.

17. The works should be completed and handed over in a tidy condition to the Public Works Department by the end of December 1940, failing which the Executive Engineer may, at his discretion, levy a penalty of Rs. 5 per day which will ordinarily be calculated at 12 per cent per annum on the total outlay as liquidated damages for non-fulfilment of contract, and will be recovered from the contractor's outstandings for the period exceeded by him beyond the time fixed and until the work is completed and handed over.

18. In all matters of disputes of any kind not specially provided for in the agreement or of rates, penalties, measurements, quality of work, etc., the decision of the Chief or the Superintending Engineer shall be final and legally binding.

19. No claim for damages for delays caused by officers of the Department in the execution of the work will be considered, whatever may be the reasons for such delays. Contractors should bear this in mind when tendering for the work. Extension of time due to delays caused by the departmental officers will, however be considered on the merits of each case.

20. The contract should not be sublet.

21. All materials, tools and plant and machinery that will be supplied by the Executive Engineer in the interest of the work shall be accepted by the tenderer at the rates fixed by the Executive Engineer. The tenderer will pay the hire on tools and plant and machinery as per rules from the date of taking over of such machinery, tools and plant from the Stores to the date of return thereto, the dates considered being the dates of acknowledgments of the vouchers in each transaction.

22. The contractor should arrange for the payment of royalty and tolls.

Note.—(*a*) The contractor should at his own cost—

(1) Provide rods, stakes, ropes and labour required in setting out the works.
(2) Provide all necessary scaffolding, centering, labour and appliances for hoisting.
(3) Provide mortar mills and sheds, to keep materials under cover and also for workmen.
(4) Arrange for protecting work during inclement weather.
(5) Supply requisite temporary lights, water cisterns, water pumps and hoses, sieves, parahs, shoring, strutting and other requisite protective appliances during the progress of the work.
(6) Supply all water required for work and workmen and shall provide temporary latrines and drains.
(7) Clean away all dirt, rubbish, superfluous materials and debris as they accumulate.
(8) Provide arrangements for pumping and baling of water from excavations and foundations wherever and whenever necessary with his own pumping apparatus including necessary leading drains, slump pits, etc.
(9) Afford facilities to any other parties employed upon the work by the P. W. D., so that their work may proceed during the progress of the contract, and give such persons the use of ordinary scaffolding and ladders.
(10) The contractor is responsible for all accidents to workmen, etc., on the work and he must take precaution against all risk of accidents and if necessary provide for the same by insurance at the proper time.

Note.—(*b*) It is the business of the contractor to make his own arrangements for quarries and supplies of materials.

N.B.—Copies of tenders in the prescribed form are obtainable from the Office of the Executive Engineer, Kolar Division, Kolar, only on a payment of four annas per form.

Notification dated 27th January 1940.

1. Sealed tenders will be received at the Office of the Executive Engineer, Kolar Division, up to 2 P.M. on 20th February 1940, for constructing an additional Rearing house at Sidlaghatta.

2. Tenders in the prescribed form obtainable from the Office of the Executive Engineer, Kolar Division, should be addressed to the Executive Engineer, Kolar Division, in a sealed cover and superscribed as "Tender for constructing an additional Rearing house." The name of the tenderer should also be superscribed on the top of the cover.

3. Each tender must be accompanied by a treasury challan for earnest money for Rs. 140 paid to the treasury to the credit of "17(*a*) P. W. Deposits," against the account of the Executive Engineer, Kolar Division. The earnest money of the successful tenderer will be retained as security for the due fulfilment of the contract. Such a deposit in cash will not carry any interest.

4. The tenders will be opened in the presence of such tenderers who wish to be present on 20th February 1940 at Kolar. The final acceptance of the tender will rest with the Executive Engineer, who does not bind himself to accept the lowest or any tender, or to assign any reason whatever for the rejection of any.

5. The name of the successful tenderer will be posted on the Notice Board in the Executive Engineer's Office in due course. Within eight days of the acceptance of the tender, the successful tenderer will be required to execute an agreement in the departmental Schedule Contract Form, for the due fulfilment of the contract, and for the execution of all items of work in accordance with the Bombay Specifications. A reserve of 5 per cent will be withheld in the work bills of the contractor and the same repaid after the due fulfilment of the contract.

6. Failure to comply with the condition 5 above or to agree to carry out the work in accordance with the specifications and agreements in force will entail forfeiture of the earnest money.

7. The earnest money of rejected tenders will be returned on submission of the receipt originally granted, along with an application to the Executive Engineer.

8. Copies of contract documents, schedules and drawings may be seen at any time at the Executive Engineer's Office, Kolar Division, on all working days between 11 A.M. and 5 P.M.

9. Specific rates should be given for each item in the schedule accompanying the tender and the rates should be in rupees, annas and pies and expressed in words and figures. Tenders offering a percentage reduction on the estimate amount will be rejected.

10. Any rates or lumpsum amounts for the items not called for, if tendered by the tenderer, will not be taken notice of. The rates for such items may be entered in a separate schedule with date and reasons for the same. When lumpsum provisions are shown in the schedule of quantities the contractor will be paid at either his tendered rate for each item or the prevailing schedule of rates in the Division at the discretion of the Executive Engineer.

11. No alterations which are made by the tenderers in the tender form in the nomenclature of the items of work will be recognised and if corrections are made, the tenders are liable to rejection

12. There should be no alterations or erasures in the tenders in the rates of items and any corrections made in the rates should be attested to, and the number of corrections, if any, in each page noted at the foot of the same by the tenderer.

13. No reference should be made to the Public Works Department schedule of rates.

14. In the event of the tender being submitted by a firm, it must be signed separately and severally by each member thereof or in the event of absence of any partner, it must be signed on his behalf by a person holding power-of-attorney authorising him to do so.

15. When once the rates tendered have been accepted, they will not be revised under any circumstances. In regard to items of work not tendered, the rates for the same will be calculated by the Executive Engineer on the basis of current rates for materials and labour with a contractor's profit of 5 per cent as may be approved by the Superintending Engineer. This shall be final and legally binding on the tenderer.

16. The quantities given in the schedule are only approximate and the drawings shown to the contractor are only tentative and are liable to alterations, omissions, deductions or additions, at the discretion of the Executive Engineer or his representative and may be due to any reasons whatsoever. The tendered rates will hold good for any quantity, whether higher or lower than those given in the enclosed schedule.

17. The works should be completed and handed over in a tidy condition to the Public Works Department by the end of July 1940, failing which the Executive Engineer may, at his discretion, levy a penalty of Rs. 5 per day which will ordinarily be calculated at 12 per cent per annum on the total outlay as liquidated damages for non-fulfilment of contract, and will be recovered from the contractor's outstandings for the period exceeded by him beyond the time fixed and until the work is completed and handed over.

18. In all matters of disputes of any kind not specially provided for in the agreement or of rates, penalties, measurements, quality of work, etc., the decision of the Chief or the Superintending Engineer shall be final and legally binding.

19. No claim for damages for delays caused by officers of the department in the execution of the work will be considered, whatever may be the reasons for such delays. Contractors should bear this in mind when tendering for the work. Extension of time due to delays caused by the departmental officers will, however, be considered on the merits of each case.

20. The contract should not be sublet.

21 All materials, tools and plant and machinery that will be supplied by the Executive Engineer in the interest of the work shall be accepted by the tenderer at the rates fixed by the Executive Engineer. The tenderer will pay the hire on tools and plant and machinery as per rules from the date of taking over of such machinery, tools and plant from the Stores to the date of return thereto, the dates considered being the dates of acknowledgments of the vouchers in each transaction.

22. The contractor should arrange for the payment of royalty and tolls.

Note.—(*a*) The contractor should at his own cost—

(1) Provide rods, stakes, ropes and labour required in setting out the works.
(2) Provide all necessary scaffolding, centering, labour and appliances for hoisting.
(3) Provide mortar mills and sheds, to keep materials under cover and also for workmen.
(4) Arrange for protecting work during inclement weather.
(5) Supply requisite temporary lights, water cisterns, water pumps and hoses, sieves, parahs, shoring, strutting and other requisite protective appliances during the progress of the work.
(6) Supply all water required for work and workmen and shall provide temporary latrines and drains.
(7) Clean away all dirt rubbish, superfluous materials and debris as they accumulate.
(8) Provide arrangements for pumping and baling of water from excavations and foundations wherever and whenever necessary with his own pumping apparatus including necessary leading drains, slump pits, etc.
(9) Afford facilities to any other parties employed upon the work by the P. W. D. so that their work may proceed during the progress of the contract, and give such persons the use of ordinary scaffolding and ladders.
(10) The contractor is responsible for all accidents to workmen, etc., on the work and he must take precaution against all risk of accidents and if necessary provide for the same by insurance at the proper time.

Note.—(*b*) It is the business of the contractor to make his own arrangements for quarries and supplies of materials.

N.B.—Copies of tenders in the prescribed form are obtainable from the Office of the Executive Engineer, Kolar Division, Kolar, only on a payment of four annas per form.

C. R. IYENGAR,
Executive Engineer.

TUMKUR DIVISION.

Abstract Notification dated 13th January 1940.

The attention of the public is drawn to the Notification calling for tenders for restoring the breached Kagglodu Major Tank, Reg. No. 146, Sira Taluk, published in pages 119-120, Part VI of the *Mysore Gazette*, dated 18th January 1940.

2. The tenders will be received by the Executive Engineer up to 2 P.M. on 2nd February 1940.

3. The earnest money required for the work is Rs. 315 which should be credited to the treasury to "17 (*a*) P. W. Deposits" and the relative chellan enclosed.

Abstract Notification dated 13th January 1940.

The attention of the public is drawn to the Notification calling for tenders for raising the weirs of Haldodderi Major Tank, Reg. No. 211 of Sira Taluk, published in pages 120-121, Part VI of the *Mysore Gazette*, dated 18th January 1940.

2. The tenders will be received by the Executive Engineer up to 2 P.M. on 9th February 1940.

3. The earnest money required for the work is Rs. 450 which should be credited to the treasury to "17 (*a*) P. W. Deposits" and the relative chellan enclosed.

Notification dated 23rd January 1940.

Notice is hereby given that sealed tenders will be received at the Office of the Executive Engineer, Tumkur Division, up to 2 P.M. on 9th February 1940, for collecting, breaking and stacking Burnt metal 1" to 1½" thick size inclusive of lead, etc., complete in miles 45–70 (both inclusive) of Bangalore-Honnavar Road. An approximate estimate of quantities is given below. These quantities are not guaranteed. The contract will be binding on the contractor at the rate accepted for a period of Three years.

2. The conditions may be seen at the Executive Engineer's Office at Tumkur, between the hours of 11 A.M. and 5 P.M.

3. Tenders should be submitted on printed forms which may be obtained on payment of Re. 0-4-0 for each form from the Executive Engineer. The tenders should be accompanied by a statement in the form given below showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a Treasury challan for Rs. 50 for each Section of miles noted in the statement in cash or Government Promissory Notes, as earnest money and be superscribed "Tender for collection of Burnt Stone metal in Bangalore-Honnavar Road" in default of which tenders will be rejected.

5. The final acceptance of any tender will rest with the Executive Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond, in default of which his tender will be considered cancelled and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the Notice Board in the Executive Engineer's Office in due course. No enquiry regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

9. Rates once tendered will not be enhanced on any account.

10. In all matters not specifically provided for and in all matters of dispute about rates, quantities, measurements, quality of works, etc., and in all disputes of any kind, the decision of the Executive Engineer will be final and legally binding.

11. Quotations must be given in words as well as in figures and they must be in specific term of unit shown against each item of work. Any quotation quoted at so much percentage less or more than estimated rate will not be accepted.

12. The quantity of metal required for each mile will be intimated at the beginning of November each year.

Abstract statement for collection of burnt stone metal from 45th mile to 70th mile (both inclusive) of Bangalore-Honnavar Road.

Notification dated 26th January 1940.

Notice is hereby given that sealed tenders will be received at the Office of the Executive Engineer, Tumkur Division, up to 2 P.M. on 12th February 1940, for collecting, breaking and stacking granite metal 1″ to 1½″ size inclusive of lead in miles 59 to 86 (both inclusive) in Salem-Bellary Road. An approximate estimate of quantities is given below. These quantities are not guaranteed. The contract will be binding on the contractor at the rate accepted for 3 years.

2. The conditions may be seen at the Executive Engineer's Office at Tumkur between the hours of 11 A.M. and 5 P.M.

3. Tenders should be submitted on printed forms which may be obtained on payment of annas four for each form from the Executive Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a treasury chellan for Rs. 50 for each section in cash or Government Promissory Notes as earnest money and be superscribed "Tender for collection of Granite Metal in Salem-Bellary Road" in default of which tenders will be rejected.

5. The final acceptance of any tender will rest with the Executive Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender the successful competitor will be required to execute the usual contract bond, in default of which his tender will be considered cancelled and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the Notice Board in the Executive Engineer's Office in due course. No enquiry regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders the earnest money on rejected tenders will be returned.

9. Rates once tendered will not be enhanced on any account.

10. In all matters not specifically provided for and in all matters of dispute about rates, quantities, measurements, quality of works, etc., and in all disputes of any kind, the decision of the Executive Engineer will be final and legally binding.

11. Quotations must be given in words, as well as in figures and they must be in specific term of unit shown against each item of work. Any quotation quoted at so much percentage less or more than the estimated rate will not be accepted.

12. The quantity of metal required for each mile will be intimated at the beginning of November each year.

OFFICE OF THE SUPERINTENDENT OF POST OFFICES, BANGALORE DIVISION, BANGALORE.

Tender Notice dated 24th January 1940.

Sealed tenders are invited for the conveyance of mails by motor vehicles daily between Closepet and Kankanhalli for Up and Down journeys throughout the year on a fixed monthly subsidy for a period of two years and one month commencing from the 1st June 1940. The approximate daily mileage at present involved is thirty-six miles. No tenders quoting "Any remuneration deemed suitable" or words to that effect will be accepted.

2. A copy of the schedules showing full details of the services required and copies of the forms of tender (on which tenders must be made) and agreement and any further information in the matter may be obtained on application from the office of the undersigned on payment of Rs. 5. This sum will not be refunded in any case.

3. All tenders must be addressed to the undersigned by name clearly marked "Tender for Closepet-Kankanhalli Mail Contract" on the outside of the cover and must reach him on or before the 21st February 1940.

4. Tenders will be opened by the undersigned in his office on 24th February 1940 at 12 NOON in the presence of such tenderers as may wish to be present there.

5. The undersigned does not bind himself to accept the lowest tender or to assign any reason for the rejection of any tender.

CONDITIONS OF TENDER FOR THE CONVEYANCE OF MAILS BETWEEN CLOSEPET AND KANKANHALLI.

All tenders must be sealed and addressed to the undersigned by name and clearly marked "Tender for Closepet-Kankanhalli Mail Motor Contract" on the outside of the cover and must reach him on or before the 21st February 1940 by 5 P.M.

2. The approximate daily mileage at present involved is 36 miles. A copy of the schedule showing the number, timings and other details of the service required and copies of the form of tender (on which tenders must be made) and of agreement and bond which will have to be executed by the successful tenderer are given herewith. The successful tenderer will be required to get the contract deed registered at his own cost.

3. Tenders will be opened in the office of the undersigned at 12 NOON on the 24th February 1940 in the presence of such tenderers as may wish to be present there.

4. No tenders quoting "Any remuneration deemed suitable" or words to that effect will be accepted. Should a tenderer so desire, he may, however offer to convey the mail free or mention the amount which he is prepared to pay the Department per month for the privilege of conveying the mail. If a subsidy is quoted it should be for a complete rupee or rupees and should not contain any fraction of a rupee.

5. Each tender must be accompanied by Rs. 25 in cash as deposit money which will be refunded if the tender is not accepted. Tenders without earnest money are liable to be summarily rejected. Should the selected contractor fail to take up the work by the specified date, his tender will automatically lapse and deposit money pledged by him forfeited.

6. The minimum number of motor vehicles required to be maintained by the contractor will be three. Tenderers must clearly state whether they have this number of vehicles as otherwise their tenders will not be considered.

7. Tenderers should forward with their tenders letters of evidence from the District Superintendent of Police or other concerned District Authorities to the effect that the vehicles mentioned in their tender have been or will be licensed and permitted to run on the particular road or roads mentioned in the tender.

8. The undersigned does not bind himself to accept the lowest or any tender or to assign any reason for the rejection of any tender.

Tender Notice, dated 24th January 1940.

Sealed tenders are invited for the conveyance of mails by motor vehicles daily between Closepet-Alahalli Post Offices *via* Kankanhalli Post Office for Up and Down journeys throughout the year on a fixed monthly subsidy for a period of two years and one month commencing from the 1st June 1940. The approximate daily mileage at present involved is sixty eight miles. No tenders quoting "Any remuneration deemed suitable" or words to that effect will be accepted.

2. A copy of the schedules showing full details of the services required and copies of the forms of tender (on which tenders must be made) and agreement and any further information in the matter may be obtained on application from the office of the undersigned on payment of Rs. 5. This sum will not be refunded in any case.

3. All tenders must be addressed to the undersigned by name clearly marked "Tender for Closepet-Alahalli *via* Kankanhalli Mail Contract" on the outside of the cover and must reach him on or before the 21st February 1940.

4. Tenders will be opened by the undersigned in his office on 24th February 1940 at 12 NOON in the presence of such tenderers as may wish to be present there.

5. The undersigned does not bind himself to accept the lowest or any tender or to assign any reason for the rejection of any tender.

CONDITIONS OF TENDER FOR THE CONVEYANCE OF MAILS BETWEEN CLOSEPET AND ALAHALLI POST OFFICES *via* KANKANHALLI.

All tenders must be sealed and addressed to the undersigned by name and clearly marked "Tender for Closepet-Alahalli *via* Kankanhalli Mail Motor Contract" on the outside of the cover and must reach him on or before the 21st February 1940 by 5 P.M.

2. The approximate daily mileage at present involved is 68 miles. A copy of the schedule showing the number, timings and other details of the service required and copies of the form of tender (on which tenders must be made) and of agreement and bond which will have to be executed by the successful tenderer are given herewith. The successful tenderer will be required to get the contract deed registered at his own cost.

3. Tenders will be opened in the office of the undersigned at 12 NOON on the 24th February 1940 in the presence of such tenderers as may wish to be present there.

4. No tenders quoting "Any remuneration deemed suitable" or words to that effect will be accepted. Should a tenderer so desire, he may however offer to carry the mail free or mention the amount which he is prepared to pay the Department per month for the privilege of conveying the mail. If a subsidy is quoted it should be for a complete rupee or rupees and should not contain any fraction of a rupee.

5. Each tender must be accompanied by Rs. 25 in cash as deposit money which will be refunded if the tender is not accepted. Tenders without earnest money are liable to be summarily rejected. Should the selected contractor fail to take up the work by the specified date, his tender will automatically lapse and deposit money pledged by him forfeited.

6. The minimum number of motor vehicles required to be maintained by the contractor will be three. Tenderers must clearly state whether they are agreeable to maintain this number of vehicles as otherwise their tenders will not be considered.

7. Tenderers should forward with their tenders letter of evidence from the District Superintendent of Police or other concerned District Authorities to the effect that the vehicles mentioned in their tender have been or will be licensed and permitted to run on the particular road or roads mentioned in the tender.

8. The undersigned does not bind himself to accept the lowest or any tender or to assign any reason for the rejection of any tender.

Enquiry No. 3886.

DISTRIBUTION LIGHTNING ARRESTERS.

GENTLEMEN,

I write to request you to quote your best prices and earliest time of delivery for the following materials :—

Item (1) 120 single-pole, distribution lightning Arresters, for out-door service, suitable for non-grounded A.C. Circuits of 1,000 to 3,000 Volts between phases and required for operation at altitudes not exceeding 6,000 ft. above the sea level. The arresters should have steel mounting brackets, hot dip galvanised for installation on angle iron cross-arms.

Item (2)	57	Do	do	do	do	3,000 to 6,000 Volts	do
Item (3)	31	Do	do	do	do	6,000 to 9,000 Volts	do

The design and manufacture of the arresters shall be such that they are perfectly moisture-proof and free from deterioration due to either physical, mechanical or electrical causes. The arresters shall be capable of maintaining their initial characteristics throughout life without appreciable change and conform to the latest B.S.S. or A.I.E.E. Standards.

The cathode-ray oscillograms showing the protectite characteristics of the arresters, when subjected to A.I.E.E. Standard test surge, shall be submitted with the tenders, along with the technical information relating to the breakdown voltage, the discharge capacity in amperes and the impedance drop of the arrester. Full details and descriptive literature explaining the construction and the characteristics of the materials used in the manufacture of the arrester shall also be submitted along with the tenders, without which quotations will not be considered.

The prices to be quoted should be for delivery, c.i.f., Madras.

Your quotation should be sent in duplicate.

This enquiry will close on the 25th March 1940.

No. S. P. C. 24922-39, *dated 25th January* 1940.

To

The Firms dealing in Filter Press Cloth.

Enquiry No. 3888.

FILTER PRESS CLOTH REQUIRED FOR GOVERNMENT PORCELAIN FACTORY.

DEAR SIR/GENTLEMEN,

Please be good enough to intimate your best prices and the earliest time of delivery for the materials described in the undermentioned schedule in the form printed below.

It should be distinctly understood that the acceptance by us of your quotation will be subject to the following conditions :—

Withdrawal from the quotation after it is accepted or failure to make the supply within the specified time or according to specifications will entail cancellations of the order and purchases being made at your expense from other sources in addition to the levy of a penalty of 3 per cent of the value of the order as and by way of liquidated damages. In such an event, the Stores Purchase Committee reserve the right to remove your name from the list of approved firms.

The quotations should be superscribed "Quotations for Filter Press Cloth for the Government Procelain Factory," with the above enquiry Number.

This enquiry will be closed on the 20th February 1940.

Schedule.

Item No.	Description of material offered	Quantity	Price quoted F. O. R.	Time of delivery
1	Filter Press Cloth, 36" width as per *sample marked "A" (40 Yds. per piece)	200-250 pieces.	Bangalore City.	
	Alternatively.— Filter Press Cloth 36" width as per *sample marked "B" (40 Yds. per piece)	200-250 pieces.		

* Samples can be had from the undersigned on application.

It should be distinctly understood that the acceptance by us of your quotation will be subject to the following conditions :—

(1) The contract will be in force for one year.

(2) The total quantity to be indented for during the year will vary from 200 to 250 pieces The contract should be deemed to be limited to the actual quantity indented for.

(3) The quantity to be supplied at a time will be 50 pieces.

(4) All indents should be complied within a fortnight from date of receipt of the indents.

(5) Payment will be made for the actual quantity delivered at the Factory premises.

(6) Any supplies which fail to conform to specifications or conditions stipulated above, will be rejected at the supplier's risk and cost and he will be required to replace the same by correct material without extra cost to us.

(7) In the event of failure to supply the materials in time or in accordance with the specifications, the Stores Purchase Committee reserve the right to cancel the order and arrange for the purchase of material from other sources, debiting the extra cost, incurred thereby to the suppliers. In such an event the security deposit referred to in the following clause will be forfeited to Government and a penalty of 3 per cent of the value of contract will be levied as and by way of liquidated damages.

(8) The supplier should enter into an agreement with the General Manager, Government Porcelain Factory, Bangalore, binding himself to execute the contract in accordance with the foregoing conditions and also to deposit with him 5 per cent of the value of contract as security for the proper performance of the contract.

COPPER TUBING.

GENTLEMEN,

I write to request you to quote your best prices and earliest time of delivery for the following materials :—

(1) Copper tubing seamless $\frac{3}{4}''$ external dia., $\frac{5}{8}''$ internal diameter in standard lengths of 16 feet .. .. 100 lbs.

(2) Do do 15/16″ external diameter and $\frac{3}{4}''$ internal diameter in standard lengths of 16 ft. .. .. 100 lbs.

The weight per foot of the tubing may be specified.

The price to be quoted should be for delivery, f.o.r., Bangalore.

This enquiry will close on the 10th February 1940.

No. S. P. C. 25468-77, *dated 29th January* 1940.

To

The Firms dealing in Telephones.

Enquiry No. 3894.

PORTABLE MAGNETO TELEPHONES.

GENTLEMEN,

I write to request you to quote your best prices and the earliest time of delivery for the following materials :—

Sixty Portable Magneto Telephones with tropical finish, enclosed in a case made of leather or other suitable material and provided with a carrying strap.

The above telephones shall be provided with a powerful hand generator of 5 magnets, high impedance ringer, inset transmitter and receiver with high transmission efficiency for 15 stations working in parallel on 60 miles of a telephone trunk line consisting of a pair of 200 lbs. per mile iron wire.

The telephones shall generally conform to the following specifications :—

(a) Minimum output of 20 cycles hand generator after 1 minute short circuit on 1,000 ohms : 4.4. watts, 67 MA, 67 volts.

(b) Ringer resistance 2×2500 ohms, Impedance about 50,000 ohms. Minimum operating current 0.9 MA.

(c) Ringing range with only 2 sets connected in parallel at the ends of a trunk line as specified above, the ringer should ring through about 300 miles of line and should still operate over a series resistance of 150,000 ohms.

(d) Speaking range 30 db (under conditions as laid down in item (c) above). Fifteen sets connected in parallel to the above specified line should not have higher attenuation than 20 db overall.

(e) The instrument complete with the case, etc., shall be as light as possible.

Full specifications with illustrative and descriptive literature of the instrument offered together with their actual weight should be furnished along with the tenders, without which no tender will be considered, and the lightness of the instrument will have the same importance as its price while considering the tenders.

The price to be quoted should be for delivery, c.i.f., Madras.

The quotation should be in duplicate.

This enquiry will close on the 30th March 1940.

No. S. P. C. 25448-67, *dated* 27*th January* 1940.

To,

The Firms dealing in Fish Bolts.

Enquiry No. 3895.

FISH BOLTS FOR BAIRAMANGALA WORKS.

DEAR SIR/GENTLEMEN,

Please be good enough to intimate your best prices and the earliest time of delivery for the materials described in the attached schedule in the form printed below.

It should be distinctly understood that the acceptance by us of your quotation will be subject to the following conditions :—

Withdrawal from the quotation after it is accepted or failure to make the supply within the specified time or according to specifications will entail cancellations of the order and purchases being made at your expense from other sources in addition to the levy of a penalty of 3 per cent of the value of the order as and by way of liquidated damages. In such an event, the Stores Purchase Committee reserve the right to remove your name from the list of approved firms.

The quotations should be superscribed "Quotations for Fish Bolts for Bairamangala Works" with the above enquiry number.

This enquiry will be closed on the 15th February 1940.

ENGINEERING DEPARTMENT.

SHIMOGA DIVISION.

Tender Notification dated 27*th January* 1940.

1. Notice is hereby given that sealed tenders will be received at the office of the Executive Engineer, Shimoga Division, up to 4 P.M. on Friday the 19th February 1940 for opening out a New Road from Anandapuram to Gowja to join on to Sagar-Ambligola Road, Shimoga District. An approximate estimate of quantities is given below. The quantities are not guaranteed. The work should be completed by the end of September 1940.

2. Tenders in the prescribed form obtainable from the office of the Executive Engineer, Shimoga Division, should be addressed to the Executive Engineer, Shimoga Division, Shimoga, in a sealed cover and superscribed as '*Tender for opening out a New Road from Anandapuram to Gowja to join on to Sagar-Ambligola Road,*' Shimoga District. The name of the tenderer should also be superscribed on the top of the cover.

3. Each tender must be accompanied by a duplicate chellan for having credited into the treasury the deposit of Rs. 450 under "17 (a) P. W. Deposits" as earnest money and superscribed as in paragraph 2 above, failing which the tenders will be rejected.

4. Copies of contract documents, detailed drawings and estimates may be seen at the Executive Engineer's Office, Shimoga Division, on all working days between 11 A.M. and 5 P.M.

5. The final acceptance of any tender will rest with the Executive Engineer who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender the successful competitor will be required to execute the usual contract bond in default of which his tender will be considered cancelled and his earnest money forfeited.

7. The name of the successful tenderer whose tender has been accepted will be posted on the notice board in the Executive Engineer's office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. Items of works not called for in the tender will be paid at the prevailing schedule of rates.

9. On acceptance of one of the tenders, the earnest money on the rejected tenders will be refunded on application.

10. The work should be completed by the end of September 1940, and the work should be executed as per specifications and handed over to the Public Works Department.

11. In all cement constructions, only '*Chamundi Brand Cement*' should be used.

Abstract estimate for opening out a new road from Anandapuram to Gowja to join on to Sagar-Ambilgola Road, Shimoga District.

PRIVATE ADVERTISEMENTS

GOVERNMENT OF MYSORE, STORES PURCHASE COMMITTEE, BANGALORE.

No. S. P. C. 25813-16, *dated 29th January* 1940.

To

The Firms dealing in Blankets.

Enquiry No. 3896.

BLANKETS REQUIRED FOR THE HOSPITALS.

DEAR SIR/GENTLEMEN,

Please be good enough to intimate your best prices and the earliest time of delivery for the materials described in the attached schedule, in the form printed below.

It should be distinctly understood that the acceptance by us of your quotation will be subject to the following conditions :—

Withdrawal from the quotation after it is accepted or failure to make the supply within the specified time, or according to specifications will entail cancellations of the order and purchases being made at your expense from other sources in addition to the levy of a penalty of 3 per cent of the value of the order as and by way of liquidated damages. In such an event, the Stores Purchase Committee reserve the right to remove your name from the list of approved firms.

The quotations should be superscribed "Quotations for Hospital Blankets" with the above enquiry Number.

This enquiry will be closed on the 15th February 1940.

Schedule.

Item No.	Description of material offered	Quantity	Price quoted F. O. R.	Time of delivery
			Any Railway Station or Out-Agency in the Mysore State.	
1	Scarlet Blankets with whipped ends size 90″×60″ weight about 4 lbs.	101

N.B.—(1) The samples of cuttings of Blankets offered should accompany your quotation.
(2) The weight of the Blankets offered should be specified.

Yours faithfully,
MIR SAFDAR HUSSAIN,
Secretary,
Stores Purchase Committee.

MISCELLANEOUS DEPARTMENTS

OFFICE OF THE DEPUTY COMMISSIONER, KOLAR DISTRICT.

Notice No. A. 5 *L. B.* 14—39-40, *dated the 28th January* 1940.

To

The Proprietors of Printing Presses.

Quotations are hereby invited for printing Voters' Lists in Kannada in connection with the ensuing general elections to the Kolar District Board. The quality of paper to be used should be

of 8 lbs. Foolscap and printing may be done on both sides of the paper. The cost of printing per each page of running matter should be quoted. The work should be completed and the lists delivered in book form separately for each taluk in the district, to the office of the undersigned on or before the 25th February 1940. Payment of the bill of cost will be made only after scrutiny of the bill by the Superintendent, Government Printing, Bangalore.

It should be distinctly understood that the acceptance of the quotation will be subject to the following conditions :—

(1) Withdrawal from the quotation after it is accepted or failure to make the supply within the specified time or according to specifications will entail cancellation of the order and the work being got done from other firms at the cost of the defaulting firm.

(2) The quotations should be superscribed "Quotations for printing Voters' lists for the Kolar District Board Elections."

This enquiry will be closed on the 5th February 1940, and quotations received after that date will not be considered.

G. SUNDARA RAO,
Deputy Commissioner.

PUBLIC ADVERTISEMENTS

FOREST DEPARTMENT.

BANGALORE DISTRICT.

Notification dated 25th January 1940.

TENDER FOR THE RIGHT OF THE COLLECTION AND REMOVAL OF MANGO CROP (*viz.*, FRUITS) IN THE NEW JARAKABANDE KAVAL (NILGIRI PAPANNA'S GARDEN) FOR 1940.

Sealed tenders for the right of the collection and removal of mango crop of the year 1940 (*viz.*, fruits) in the New Jarakabande Kaval (Nilgiri Papanna's Garden) will be received at the Office of the District Forest Officer, Bangalore District, Seshadri Road, Bangalore City, by the District Forest Officer, Bangalore District, up to 3 P.M. on Friday the 1st March 1940.

2. The tenders should be superscribed "Tender for the right of collection and removal of mango crop (*viz.*, fruits) in the New Jarakabande Kaval."

3. No tender will be received unless accompanied by an earnest deposit of Rs. 100 in currency notes.

4. The exclusive right of the collection and removal of the produce will be disposed of to the highest tenderer subject to confirmation by the Chief Conservator of Forests in Mysore or the District Forest Officer, as the case may be, who at his discretion may accept or reject the highest or any other tender without assigning any reason therefor.

5. Within seven days from the date of receipt of the notice of the acceptance of the tender, the successful tenderer shall credit into the Government Treasury including the earnest deposit of Rs. 100 the total lease amount together with local cess at one anna and education cess at six pies per rupee calculated on the entire lease amount and produce the treasury receipt at the District Forest Office. In default, the acceptance of the tender will be cancelled, the earnest money forfeited and the right resold at the risk of the tenderer who will be liable to make good any loss that may result to Government thereby but will have no claim to any surplus accruing therefrom. Such oss shall be recoverable as an arrear of Land Revenue.

6. If the tender is not accepted, all moneys paid will be refunded to the party.

7. Within 15 days from the date of acceptance of the tender, the successful tenderer shall execute an agreement with one or more sureties to the satisfaction of the District Forest Officer on a stamped paper of the value of ten annas procured at his own cost and also furnish a security deposit of Rs. 200 or one-quarter of the lease amount, whichever is less, for the due fulfilment of the conditions of contract in the shape of Government Savings Bank Deposit. In default either to execute the agreement or to furnish the required security or both, the contract will be cancelled, all the moneys already paid forfeited to Government and the right resold at the defaulter's risk. He will have no claim to any surplus accruing from such resale but shall be liable for the loss arising therefrom which will be recovered as an arrear of Land Revenue under Section 79 of the Mysore Forest Act.

8. The other conditions to be entered in the agreement will be intimated at the time of the execution of the bond.

9. Interest at the rates in force will be charged on all belated payments.

P. KRISHNASWAMI RAO,
District Forest Officer.

MYSORE DIVISION.

Notification dated 2nd February 1940.

The undermentioned quantities of timber will be sold by public auction by the District Forest Officer, Mysore Division, Mysore, or any other officer deputed by him at 2 P.M. (except for Mysore Depot in which the sale starts from 8 A.M. to 12 NOON and from 2 P.M. to 5 P.M.) on the dates noted against each under the following conditions.

Name of Depot and place of sale	Date of sale	Teak	Honne	Mathi	Bite	Other kinds	Teak sawn	Teak Reepers
		C.ft.	C.ft.	C.ft.	C.ft.	C.ft.	C.ft.	C.ft.
1. Mysore Wood Yard and Mysore Wood Yard near Mysore South Railway Station.	4-3-1940 and 5-3-1940	18,000	4,000	6,000	200	400	500	1,500
2. Hampapur	6-3-1940	1,500	500	..		50		
3. Periyapatna	24-2-1940	3,500	500	200		300		

N.B.—(1) Quantity more or less.

(2) *In Mysore Wood Yard, the sale commences in the morning from* 8 A.M. *to* 12 NOON *and again from* 2 P.M. *to* 5 P.M.

(3) If the sale is not concluded on the day notified, it will be continued and concluded on the next day.

Conditions.

1. Each bidder shall place a deposit of Rs. 200 with the officer conducting the sale but defaulters to the department will not be allowed to bid at the sales.

(*a*) In the case of purchases not exceeding Rs. 200 in value, the initial deposit of Rs. 200 need not be insisted upon provided that the full purchase money is paid on the spot.

(*b*) The deposit of Rs. 200 to be placed with the officer conducting the sale is reduced to Rs. 50 in cases where the purchase of timber does not exceed Rs. 200 in value in Hunsur and Periyapatna Depots only.

2. Any person bidding at the sale may be required by the officer conducting the sale to state whether he is bidding on his own behalf or as an agent, and in the latter case, to produce a written authority duly signed by the principal.

3. Subject to the minima prices fixed in each case by the Chief Conservator of Forests (which will not be divulged), the highest bidder shall ordinarily be the purchaser, but the officer conducting the sale can reject any bid or stop the sale at any stage without assigning any reason to the intending purchasers. Should any lot be disputed, it shall again be put up and sold.

4. Immediately after the lot is knocked down to him, the successful bidder shall sign his name opposite the number and specification of the lot bought by him in a book provided for the purpose. Such signature shall be held as admission on his part of having bought such lot and of having accepted the terms of the sale as herein specified. All sales of which the amount exceeds Rs. 1,000 in each case, are subject to the confirmation of the Conservator, and in other cases to that of the District Forest Officer, subject to the following conditions :—

(*i*) That the rate realised in a sale does not fall short of the average of the three previous sales by more than 5 per cent or is more than that realised at the previous sales.

(*ii*) That the power of confirming sales up to the limit of Rs. 1,000 shall be exercised only in the case of timber.

(*iii*) That the confirmation of sales is ordered by the District Forest Officers only after the payment of the full purchase money.

5. After conclusion of the sale, each purchaser will be furnished with a memo, showing the total value and the purchase made by him. Thereupon, each purchaser shall pay ten per cent of the amount in cash to the officer conducting the sale and obtain in return from him a receipt vouching for the payment of the one-tenth value as well as the initial deposit of Rs. 200. Should any purchaser fail to comply with this rule, the initial deposit of Rs. 200 shall at once be forfeited to Government and the officer conducting the sale shall be at liberty to resell the timber purchased by such defaulter who shall be required to make good any loss, but shall not participate in any profit from such resale. The amount due by such defaulter on account of loss from resale shall be recovered from him as a revenue demand under Section 79 of the Mysore Forest Act. In calculating such losses, the initial deposit forfeited to Government shall not be taken into account.

In cases of resales for default of payment of value where no bidders are forthcoming, it will be open to the District Forest Officer to fix such price as may appear to him to be reasonable and to proceed for the recovery from the defaulter of the balance, if any, after deducting the price so fixed from the original sale amount. A registered notice should be issued to the defaulter intimating the price fixed by the District Forest Officer for the unsold wood and the amount still due from him which will be recovered as arrears of land revenue.

6. The deposits tendered by the unsuccessful bidders shall be returned immediately after the sales are concluded, those of the successful bidders being lodged in the Savings Bank as security deposit.

7. The full value of all timber purchased shall be paid for within 30 days after the date of sale or within 15 days after the date of notice of confirmation of the sale, whichever is later. In the case of purchases of above Rs. 1,000 in value, the purchaser shall be permitted to pay up the balance in instalments of not less than Rs. 1,000 provided the full value is paid not later than the 15th May 1940. The money shall be paid into such treasury as the District Forest Officer may direct within the time specified.

8. If the amount is not fully paid for by the purchaser before the dates fixed above, the initial deposit as well as the other moneys already paid in shall be forfeited to Government and all or any portion of the timber not fully paid for shall be resold at the risk of the purchaser in the manner prescribed for default of payment of one-tenth value in clause 5 *supra*. Interest at 6¼ per cent per annum will be levied on all arrears of amounts which are permitted to be paid after the due date.

9. No timber lot shall be permitted to be removed by the purchaser unless it has been paid for in full, calculated at the rates at which the timber is knocked down to him at the time of sale, excluding the 10 per cent deposit paid for the lot at the time of the sale, and no timber shall be removed from the depot unless a permit is obtained from the Forest Officer in charge of the depot. The earnest money will not be adjusted towards the value of timber until 90 per cent of the purchase money over and above the security deposit has been paid.

10. Timber purchased should be removed as early as possible, and in no case should it be allowed to remain longer than 90 days after the dates fixed in clause 7 *supra*. Timber not removed after purchase will remain in the depot at the risk of the purchaser from the date of the confirmation of the sale.

11. If the timber is not removed within the time allowed, the same may, after ten days' notice to the purchaser, be sold in public auction and the proceeds will be given to the purchaser after defraying all the expenses in connection with the resale.

12. The deposit of Rs. 200 will remain as security for the due fulfilment of all and every one of the terms of sale, on the breach of any of which by the purchaser, the District Forest Officer shall be entitled to forfeit the deposit in whole or in part and in the event of such forfeiture, the sum so forfeited shall be immediately made good by the purchaser, so long as the transaction is not finally closed. The security deposit or the balance thereof, if any, shall be returned to the purchaser after the full value of timber purchased has been paid for and the timber fully removed.

M. G. VENKATA RAO,
District Forest Officer.

HASSAN DISTRICT.

Notification dated 3rd February 1940.

SALE OF TIMBER.

The undermentioned quantities of timber will be sold by public auction under the following conditions at the following depot by the District Forest Officer, Hassan District, (from 2 P.M. to 5 P.M.) on the date noted below :—

Sl. No.	Name of depot	Description of timber	Quantity	Place and date of sale
			More or less	
1	Hassan ..	Teak ..	1,250 c.ft	Sandal Koti, Hassan, 5th March 1940 at 2 P. M.
		Honne ..	900 ,,	Do do
		Nandi ..	1,000 ,,	Do do
		Matti ..	250 ,,	Do do
		Other kinds ..	20 ,,	Do do

Conditions.

1. Each bidder shall place a deposit of Rs. 200 with the officer conducting the sale, but defaulters to the department will not be allowed to bid at the sales.

In the case of purchasers of timber in small quantities, full value thereof will be accepted if tendered on the spot and the payment of deposit in such cases will not be insisted upon.

2. Any person bidding at the sale may be required by the officer conducting the sale to state whether he is bidding on his own behalf or as an agent, and in the latter case, to produce a written authority duly signed by the principal.

3. The highest bidder shall ordinarily be the purchaser, but the officer conducting the sale can reject any bid or stop the sale at any stage without assigning any reason to the intending purchasers.

4. Immediately after the lot is knocked down to him, the successful bidder shall sign his name opposite the number and specification of the lot bought by him in a book provided for the purpose. Such signature shall be held as admission on his part of having bought such lot and of having accepted the terms of the sale as herein specified. All sales of which the amount exceeds Rs. 1,000 in each case is subject to the confirmation of the Conservator of Forests, Shimoga, and in other cases to that of the District Forest Officer.

5. After conclusion of the sale, each purchaser shall pay 10 per cent of the amount in cash to the officer conducting the sale and obtain in return from him a receipt vouching for the payment of the one-tenth value as well as the initial deposit of Rs. 200. Should any purchaser fail to comply with this rule, the initial deposit of Rs. 200 shall at once be forfeited to Government, and the officer conducting the sale shall be at liberty to resell the timber purchased by such defaulter who shall be required to make good any loss, but shall not participate in any profit from such resale. The amount due by such defaulter on account of loss from resale shall be recovered from him as a revenue demand under Section 79 of the Mysore Forest Act. In calculating such losses, the initial deposit forfeited to Government shall not be taken into account.

In cases of resales for default of payment of value, where no bidders are forthcoming, it will be open to the District Forest Officer to fix such price as may appear to him reasonable and to proceed for the recovery from the defaulter of the balance, if any, after deducting the price so fixed from the original sale amount. A registered notice should be issued to the defaulter intimating the price fixed by the District Forest Officer for the unsold wood and the amount still due from him which will be recovered as arrears of land revenue.

6. The deposits tendered by the unsuccessful bidders shall be returned immediately after the sales are concluded, those of successful bidders being lodged in the Savings Bank as security deposit.

7. The full value of all timber purchased shall be paid for within 30 days after the date of notice of confirmation of the sale. The money shall be paid into such treasury as the District Forest Officer may direct within the time specified.

No extension of time will be given for the payment of any amount, but if any amount is permitted to be paid after the due date, interest will be charged thereon at 6¼ per cent per annum.

8. If the amount is not fully paid for by the purchaser before the date fixed above, the initial deposit as well as the other moneys already paid in shall be forfeited to Government and all or any portion of the timber not fully paid for shall be resold at the risk of the purchaser in the manner prescribed for default of payment of one-tenth value in clause 5 *supra*.

9. No timber lot shall be permitted to be removed by the purchaser unless it has been paid for in full, calculated at the rates at which the timber is knocked down to him at the time of sale, excluding the 10 per cent deposit paid for the lot at the time of the sale, and no timber shall be removed from the depot unless a permit is obtained from the Forest Officer in charge of the depot. The earnest money will not be adjusted towards the value of timber until 90 per cent of the purchase money over and above the security deposit has been paid.

10. The timber purchased should be removed as early as possible, and in no case should it be allowed to remain longer than 90 days after the dates fixed in clause 7 *supra*. Timber not removed after

purchase will remain in the depot at the risk of the purchaser from the date of the confirmation of the sale.

11. If the timber is not removed within the time allowed, the same may, after ten days' notice to the purchaser, be sold in public auction and the proceeds will be given to the purchaser after defraying all the expenses in connection with the resale.

12. The deposit of Rs. 200 will remain as security for the due fulfilment of all and every one of the terms of sale, on the breach of any of which by the purchaser, the District Forest Officer shall be entitled to forfeit the deposit in whole or in part and in the event of such forfeiture, the sum so forfeited shall be immediately made good by the purchaser so long as the transaction is not finally closed. The security deposit or the balance thereof, if any, shall be returned to the purchaser after the full value of timber purchased has been paid for and the timber fully removed.

D. NARASIMHAMOORTHY RAO,
District Forest Officer.

SHIMOGA FOREST DIVISION.

Abstract Notification dated 15th January 1940.

The attention of the public is invited to the detailed tender notification dated the 15th January 1940, for the supply of rations to the Departmental Elephants for one year from 1st March 1940, published on page 161, Part VI of the *Mysore Gazette*, dated 25th January 1940.

Tenders will be received up to Monday the 12th February 1940.

Abstract Notification dated 19th January 1940.

The attention of the public is invited to the detailed tender notification dated 19th January 1940, regarding the supply of charcoal to the Mysore Iron and Steel Works, during the monsoon period of 1940 and from 15th November 1940 to end of December 1940, published on pages 204-206, Part VI of the *Mysore Gazette*, dated 25th January 1940.

The last date for receiving tenders is Monday the 26th February 1940.

Abstract Notification dated 24th January 1940.

The attention of the public is invited to the detailed Notification of date regarding the sale of lops and tops of Jalari felled trees in Mugudthi State Forest and Kamachi and Heddaripur District Forests of Ripponpet Range, published on pages 212-213, Part VI of the *Mysore Gazette*, dated 1st February 1940.

The sale will be held by the District Forest Officer, Shimoga or any other Officer deputed by him for the purpose at Mugudthi Village, on 24th February 1940 at 3 P.M.

Notification dated 31st January 1940.

(SALE OF OLD TENT.)

It is hereby notified for general information that the undermentioned tent belonging to this Divisional office, will be sold by public auction at the Sandal Koti, Shimoga, by the District Forest Officer, Shimoga or any other officer deputed by him on Wednesday the 28th February 1940.

Condition of Sale.

1. Immediately after the close of the sale, the successful bidder shall sign his name in the sale list in token of his having accepted the bid offered by him.

2. The purchaser shall pay the sale amount in full to the officer conducting the sale and obtain a receipt therefor. The tent can be removed only after the sale is approved.

3. Should the purchaser fail to comply with these conditions the articles will be resold at the risk of the defaulter, who shall be required to make good any loss, but shall not participate in any profit from such resale. The amount due by such defaulter on account of loss from resale will be recoverable from him as revenue demand under Section 79 of the Mysore Forest Act.

4. The sale is subject to the confirmation of the Conservator of Forests, Shimoga.

One Single Pole Hill tent.

M. A. MUTHANNA,
District Forest Officer.

KADUR FOREST DIVISION.

Abstract Notification dated 21st January 1940.

The attention of the public is invited to the detailed notification regarding the sale of timber in this Division published on pages 215-216, Part VI of the *Mysore Gazette*, dated 1st February 1940.

The date of sale is .. Kadur Depot, 12th February 1940.
Sangameswarapet, 15th February 1940.

Notification dated 27th January 1940.

Sealed tenders will be received by the District Forest Officer, Kadur Division, Chikmagalur, till 4 P.M. on Thursday the 22nd February 1940, for the supply of the following kinds and quantities of rations to the departmental elephants working in the Division, commencing from 1st March 1940 or the date of execution of the agreement to the end of 31st January 1941 or of execution of agreement by the subsequent tenderer of the succeeding year, whichever is later.

2. The approximate quantity of rations is as follows :—

Paddy	80 pallas	More or less.
Salt	1 palla	
Castor oil	12 maunds	
Paddy Straw during hot weather ..	6,000 bundles	
Rice	3 pallas	

3. Each tender must be accompanied by a deposit of Rs. 100 in currency notes as earnest money, and be superscribed as "Tender for the supply of rations to elephants."

4. The final acceptance of the tender will rest with the Conservator of Forests, Shimoga, who does not bind himself to accept the lowest or any tender or to assign any reason whatsoever for the rejection of the same.

5. The name of the successful tenderer will be notified in due course on the Notice Board of the District Forest Office, Kadur Division, and the tenderer should, within a week of the intimation thereof, enter into an agreement for the due fulfilment of the contract, duly furnishing a cash security deposit of Rs. 200 in the Government Treasury inclusive of the amount of earnest money already paid. In default to execute the bond and to furnish security deposit, the tender will be cancelled and the earnest money forfeited to Government.

6. The tenderer should supply the rations in time and at the appointed places to the Range Officer and should also be prepared to remove and replace all provisions which may be rejected by the Range Officers. In case he fails to do so, the supply will be made by the Department and all extra charges will have to be borne by the contractor himself which will be recovered from the security deposit.

7. Once in a month, the tenderer will be paid through the Range Forest Officer for the value of the rations that may be supplied during the month on a bill to be prepared and sent to his office for sanction along with the receipts previously obtained by him for the supply of rations to the Range Officers after the bill is countersigned by the District Forest Officer.

8. The earnest money of the rejected tenderers will be returned to them immediately if they happen to be present at the time of opening of tenders and to others by post at their cost.

9. In all cases of disputes concerning the contract, the decision of the Conservator of Forests will be treated as final.

10. The contractor should also supply any special rations required whenever required at the current market rates.

11. For breach of any of the foregoing conditions, the District Forest Officer will be at liberty either to fine the contractor to the extent of Rs. 5 in each case or to cancel the contract at any stage and forfeit the deposit in full or part. The fine, if any levied on the contractor, will be recovered from the contractor's bill or security deposit.

12. The deposit of the contractor will be returned one month after the expiry of the contract period if the terms of the contract as per tender notification are fulfilled.

ENGINEERING DEPARTMENT.

BANGALORE DIVISION.

Tender Notice.

Tenders for the purchase of about 5,000 R.ft. of 90 lbs. double headed rails now fixed on Hosakote tank Bund on 15th mile of Bangalore-Kolar Road (Madras-Cannanore Road, Kolar side) will be received by the undersigned till 3 P.M. of 3rd February 1940 with an earnest money of Rs. 200. The acceptance of tender will be intimated within three days thereafter and permission to remove the rails will be given on payment of entire cost of rail to the Executive Engineer, Bangalore Division, within a week of acceptance of tender. Further details may be had from the office.

Abstract Notification dated 27th January 1940.

The attention of the public is hereby invited to the detailed notification, inviting sealed tenders for constructing a Dispensary Building with Out-houses at Kengeri, Bangalore Taluk, published on pages 216-220 of Part VI of the *Mysore Gazette*, dated 1st February 1940.

The last date for the receipt of the tender is 2 P.M. on 20th February 1940. Duplicate challan for having credited the deposit amount of Rs. 200 into the Treasury under "17 (*a*) P.W. Deposits" should accompany each tender.

N. LAKSHMINARASIMHAIYA,
Executive Engineer.

BUREAU OF SANITARY ENGINEERING, BANGALORE.

Abstract Notification dated 22nd January 1940.

The attention of the public is invited to the notification, calling for tenders for the work of "Providing Sanitary fittings and drainage arrangements to the Cricket Stadium behind Central College Hostel at Bangalore" published in pages 163-165, Part VI of the *Mysore Gazette*, dated 25th January 1940.

The last date of receiving tenders is fixed on 10th February 1940.

Abstract Notification dated 27th January 1940.

The attention of the public is invited to the notification calling for tenders for the labour portion of the work for laying pipe lines for giving water supply to further extension of Fig Gardens at Ganjam, published in pages 220-221, Part VI of the *Mysore Gazette*, dated 1st February 1940.

The last date of receiving tenders is fixed on 16th February 1940.

Notification dated 29th January 1940.

Notice is hereby given that sealed tenders will be received at the Office of the Sanitary Engineer, Bureau of Sanitary Engineering, Bangalore, up to 1 P.M. on 20th February 1940, for the work of Improving Distribution System of Koppa Town (Kadur District) Water Supply. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of June 1940.

2. The plans, detailed estimate and conditions may be seen at the Sanitary Engineer's Office between the hours of 11 A.M. and 5 P.M. on all office days.

3. Tenders should be submitted on printed forms which may be obtained from the Sanitary Engineer on a payment of annas four per each form. No tender not in the prescribed form will be accepted. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of Rs. 150 in cash (no cheques will be accepted) as earnest money, and be superscribed "Tender for the work of Improving Distribution System of Koppa Town (Kadur District) Water Supply," in default of which the tenders will be rejected.

5. The final acceptance of the tender will rest with the Sanitary Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond, in default of which his tender will be considered cancelled and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the Notice Board in the Sanitary Engineer's Office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

9. Charges on account of scaffolding materials, implements for setting out, barricading, clearing site, supply of water, etc., that may be found necessary during execution will not be paid for separately but should be borne by the contractor.

10. Rates for non-tendered and non-estimated items shall be as per schedule rates of the Department or those fixed by the Sanitary Engineer after working out data with not more than 10 per cent for contractor's profit.

11. In all matters not specifically provided for and in all matters of disputes about rates, quantities, measurements, quality of works, etc., and in all disputes of any kind, the decision of the Sanitary Engineer will be final and legally binding.

Sanitary Engineer.

KOLAR DIVISION.

Abstract Notification dated 20th January 1940.

The attention of the public is invited to the detailed notification dated 19th January 1940, published on pages 168-171, Part VI of the *Mysore Gazette*, dated 25th January 1940, *re* tenders for construction of one block of Line Inspector's quarters at Bethamangala, Bowringpet Taluk.

The last date for receiving tenders is 20th February 1940 up to 2 P.M.

Abstract Notification dated 23rd January 1940.

The attention of the public is invited to the detailed Notification, dated 22nd January 1940, published on pages 222-227, Part VI of the *Mysore Gazette*, dated 1st February 1940, regarding tenders for the construction of Electrical Buildings in Srinivaspur Town, Kolar District.

The last date for lodging of tender is 10th February 1940 up to 2 P.M.

Abstract Notification dated 28th January 1940.

The attention of the public is invited to the detailed notification dated 27th January 1940 published on pages 227-229, Prat VI of the *Mysore Gazette*, dated 1st Februray 1940, *re* tenders for "Constructing an Additional Rearing House at Sidlaghatta."

The last date for lodging of tender is 20th February 1940 up to 2 P.M.

Notification dated 30th January 1940.

1. Sealed tenders will be received at the Office of the Executive Engineer, Kolar Division, up to 2 P.M. on 21st February 1940, for restoring Amblikallu, Hongekere Tank, Reg. No. 327 in Mulbagal Taluk.

2. Tenders in the prescribed form obtainable from the Office of the Executive Engineer, Kolar Division, should be addressed to the Executive Engineer, Kolar Division, in a sealed cover and superscribed as "Tender for Restoring Amblikallu, Hongekere Tank." The name of the tenderer should also be superscribed on the top of the cover.

3. Each tender must be accompanied by a treasury chellan for earnest money of Rs. 155, paid to the treasury to the credit of "17. (*a*) P. W. Deposits," against the account of the Executive Engineer, Kolar Division. The earnest money of the successful tenderer will be retained as security for the due fulfilment of the contract. Such a deposit in cash will not carry any interest.

4. The tenders will be opened in the presence of such tenderers who wish to be present on 21st February 1940 at Kolar. The final acceptance of the tender will rest with the Executive Engineer, who does not bind himself to accept the lowest or any tender, or to assign any reason whatever for the rejection of any.

5. The name of the successful tenderer will be posted on the Notice Board in the Executive Engineer's Office in due course. Within eight days of the acceptance of the tender, the successful tenderer will be required to execute an agreement in the departmental Schedule Contract form, for the due fulfilment of the contract and for the execution of all items of work in accordance with the Bombay Specifications. A reserve of 5 per cent will be withheld in the work bills of the contractor and the same repaid after the due fulfilment of the contract.

6. Failure to comply with the condition 5 above or to agree to carry out the work in accordance with the specifications and agreements in force will entail forfeiture of the earnest money.

7. The earnest money of rejected tenders will be returned on submission of the receipt originally granted, along with an application to the Executive Engineer.

8. Copies of contract documents, schedules and drawings, may be seen at any time at the Executive Engineer's Office, Kolar, on all working days between 11 A.M. and 5 P.M.

9. Specific rates should be given for each item in the schedule accompanying the tender and the rates should be in rupees, annas and pies and expressed in words and figures. Tenders offering a percentage reduction on the estimate amount will be rejected.

10. Any rates or lumpsum amounts for the items not called for, if tendered by the tenderer, will not be taken notice of. The rates for such items may be entered in a separate schedule with date and reasons for the same. When lumpsum provisions are shown in the schedule of quantities the contractor will be paid at either his tendered rate for each item or the prevailing schedule of rates in the division at the discretion of the Executive Engineer.

11. No alterations which are made by the tenderers in the tender form in the nomenclature of the items of work will be recognised and if corrections are made, the tenders are liable to rejection.

12. There should be no alterations or erasures in the tenders in the rates of items and any corrections made in the rates should be attested to, and the number of corrections, if any, in each page noted at the foot of the same by the tenderer.

13. No reference should be made to the Public Works Department schedule of rates.

14. In the event of the tender being submitted by a firm, it must be signed separately and severally by each member thereof, or in the event of absence of any partner, it must be signed on his behalf by a person holding power-of-attorney authorising him to do so.

15. When once the rates tendered have been accepted, they will not be revised under any circumstances. In regard to items of work not tendered, the rates for the same will be calculated by the Executive Engineer, on the basis of current rates for materials and labour with a

contractor's profit of 5 per cent as may be approved by the Superintending Engineer. This shall be final and legally binding on the tenderer.

16. The quantities given in the schedule are only approximate and the drawings shown to the contractor are only tentative and are liable to alterations, omissions, deductions or additions, at the discretion of the Executive Engineer or his representative and may be due to any reason whatsoever. The tendered rates will hold good for any quantity, whether higher or lower than those given in the enclosed schedule.

17. The works should be completed and handed over in a tidy condition to the Public Works Department by the end of October 1940, failing which the Executive Engineer may, at his discretion, levy a penalty of Rs. 5 per day which will ordinarily be calculated at 12 per cent per annum on the total outlay as liquidated damages for non-fulfilment of contract, and will be recovered from the contractor's outstandings for the period exceeded by him beyond the time fixed and until the work is completed and handed over.

18. In all matters of disputes of any kind not specially provided for in the agreement or of rates, penalties, measurements, quality of work, etc., the decision of the Chief or the Superintending Engineer shall be final and legally binding.

19. No claim for damages for delays caused by officers of the Department in the execution of the work will be considered, whatever may be the reasons for such delays. Contractors should bear this in mind when tendering for the work. Extension of time due to delays caused by the departmental officers will, however, be considered on the merits of each case.

20. The contract should not be sublet.

21. All materials, tools and plant and machinery that will be supplied by the Executive Engineer in the interest of the work shall be accepted by the tenderer at the rates fixed by the Executive Engineer. The tenderer will pay the hire on tools and plant and machinery as per rules from the date of taking over of such machinery, tools and plant from the Stores to the date of return thereto, the dates considered being the dates of acknowledgments of the vouchers in each transaction.

22. The contractor should arrange for the payment of royalty and tolls.

Note.—(*a*) The contractor should at his own cost—

(1) Provide rods, stakes, ropes and labour required in setting out the works.
(2) Provide all necessary scaffolding, centering, labour and appliances for hoisting.
(3) Provide mortar mills and sheds, to keep materials under cover and also for workmen.
(4) Arrange for protecting work during inclement weather.
(5) Supply requisite temporary lights, water cisterns, water pumps and hoses, sieves, parahs, shoring, strutting and other requisite protective appliances during the progress of the work.
(6) Supply all water required for work and workmen and shall provide temporary latrines and drains.
(7) Clean away all dirt, rubbish, superfluous materials and debris as they accumulate.
(8) Provide arrangements for pumping and baling of water from excavations and foundations wherever and whenever necessary with his own pumping apparatus including necessary leading drains, slump pits, etc.
(9) Afford facilities to any other parties employed upon the work by the P. W. D., so that their work may proceed during the progress of the contract, and give such persons the use of ordinary scaffolding and ladders.
(10) The contractor is responsible for all accidents to workmen, etc., on the work and he must take precaution against all risk of accidents and if necessary provide for the same by insurance at the proper time.

Note.—(*b*) It is the business of the contractor to make his own arrangements for quarries and supplies of materials.

N.B.—Copies of tenders in the prescribed form are obtainable from the Office of the Executive Engineer, Kolar Division, Kolar, only on a payment of four annas per form.

TUMKUR DIVISION.

Abstract Notification dated 24th January 1940.

The attention of the public is drawn to the notification, calling for tenders for collecting, breaking and stacking burnt metal 1″ to 1½″ size inclusive of lead in miles 45 to 70 (both inclusive) in Bangalore-Honnavar road, published in pages 230-231, Part VI of the *Mysore Gazette*, dated 1st February 1940.

2. The tenders will be received by the Executive Engineer up to 2 P.M. on 9th February 1940.

3. The earnest money required for the work is Rs. 50 for each section of mile noted in the abstract statement which should be credited to the Treasury to "17 (*a*) P.W. Deposits" and the relative chellan enclosed.

Abstract Notification dated 26th January 1940.

The attention of the public is drawn to the notification, calling for teners for collecting, breaking and stacking granite metal 1" to 1½" size including lead in miles 59 to 86 (both inclusive) in Salem-Bellary road, published in page 231, Part VI of the *Mysore Gazette*, dated 1st February 1940.

2. The tenders will be received by the Executive Engineer up to 2 P.M. on 12th February 1940.

3. The earnest money required for the work is Rs. 100 per each section of miles in the statement which should be credited to the Treasury to "17 (*a*) P.W. Deposits" and the relative chellan enclosed.

Notification dated 31th January 1940.

Notice is hereby given that sealed tenders will be received at the Office of the Executive Engineer, Tumkur Division, up to 2 P.M. on 26th February 1940, for widening Honnudike to Sugganahalli Road from 6/6 to 4/7 mile on Honnudike Doddakere Tank bund. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of December 1940.

2. The plans, detailed estimate and conditions may be seen at the Executive Engineer's Office at Tumkur, between the hours of 11 A.M. and 5 P.M.

3. Tenders should be submitted on printed forms, which may be obtained on payment of annas four for each form from the Executive Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a treasury chellan of Rs. 350 credited to Treasury to "17 (*a*) P. W. Deposits" as earnest money, and be superscribed "Tender for widening Honnudike-Sugganahalli Road from 6/6 to 4/7 mile" in default of which tenders will be rejected.

5. The final acceptance of any tender will rest with the Executive Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond, in default of which his tender will be considered cancelled and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the Notice Board in the Executive Engineer's Office in due course. No enquiry regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

9. Rates once tendered will not be enhanced on any account.

10. Rates for non-tendered and non-estimated items shall be as per current schedule rates of the department or those fixed by the Executive Engineer after working out data with not more than 10 per cent for contractor's profit.

11. In all matters not specifically provided for and in all matters of dispute about rates, quantities, measurements, quality of works, etc., and in all disputes of any kind, the decision of the Executive Engineer will be final and legally binding.

12. Quotations must be given in words as well as in figures and they must be in specific term of unit shown against each item of work. Any quotation quoted at so much percentage less or more than estimated rate will not be accepted.

Notice is hereby given that sealed tenders will be received at the Office of the Executive Engineer, Tumkur Division, up to 2 P.M. on 26th February 1940, for restoring Naragondanahalli breached Minor Tank, Sira Taluk. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of June 1940.

2. The plans, detailed estimate and conditions may be seen at the Executive Engineer's Office at Tumkur, between the hours of 11 A.M. and 5 P.M.

3. Tenders should be submitted on printed forms which may be obtained from the Executive Engineer on payment of four annas for each form. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a challan for Rs. 150 credited to the treasury to "17 (*a*) P. W. Deposits" as earnest money, and be superscribed "Tender for restoring Naragondanahalli Breached Tank, Sira Taluk, in default of which tenders will be rejected.

5. The final acceptance of any tender will rest with the Executive Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond, in default of which his tender will be considered cancelled and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the Notice Board in the Executive Engineer's Office in due course. No enquiry regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

9. Rates once tendered will not be enhanced on any account.

10. Rates for non-tendered and non-estimated items shall be as per current schedule rates of the Department or those fixed by the Executive Engineer after working out data with not more than 10 per cent for contractor's profit.

11. In all matters not specifically provided for and in all matters of dispute about rates, quantities, measurements, quality of works, etc., and in all disputes of any kind, the decision of the Executive Engineer will be final and legally binding.

12. Quotations must be given in words as well as in figures and they must be in specific term of unit shown against each item of work. Any quotation quoted at so much percentage less or more than estimated rate will not be accepted.

P. RAJAGOPALAN,
Executive Engineer.

SHIMOGA DIVISION.

Abstract Notification dated 29th January 1940.

OPENING OUT A NEW ROAD FROM ANANDAPURAM TO GOWJA TO JOIN ON TO SAGAR-AMBLIGOLA ROAD, SHIMOGA DISTRICT.

The attention of the public is hereby invited to the advertisement in pages 257-258, Part VI of the *Mysore Gazette*, dated 1st February 1940, calling for tenders for opening out a new road from Anandapuram to Gowja to join on to Sagar-Ambligola road, Shimoga District.

Each tender must be accompanied by a treasury challan for having deposited Rs. 450 as earnest money.

The last date for receiving tenders is 19th February 1940.

D. A. HUKERI,
Executive Engineer.

KADUR DIVISION.

Abstract Notification dated 19th January 1940.

The attention of the public is invited to the Notification, published on pages 175-177, Part VI of the *Mysore Gazette*, dated 25th January 1940, calling for Tenders for the work of Providing additional accommodation to the Kannada Middle School at Kadur.

The last date of receipt of tender in this office is 12th February 1940. Each tender should accompany with a challan for having credited the deposit amount of Rs. 200 to the Treasury under 17 (a) P. W. Deposits towards the earnest money for the work in question.

M. A. RAMANUJAM,
Executive Engineer.

MEDICAL DEPARTMENT.

OFFICE OF THE MEDICAL OFFICER IN CHARGE, E. D. HOSPITAL, ROBERTSONPET, K. G. F.

Abstract Notification dated the 24th January 1940.

It is hereby informed for the information of the public that sealed tenders on half sheet foolscap size paper for the supply of "Bedding and Clothing" required for the Epidemic Diseases Hospital, Kolar Gold Fields, Robertsonpet, during the official year 1939-40, will be received by the District Medical Officer, Kolar Gold Fields, in his office in the Civil Hospital, Robertsonpet, at 11 A.M. on 8th February 1940. For full particulars, please refer to detailed notification published on page 127 of the *Mysore Gazette*, Part VI, dated 18th January 1940.

C. NARAYANA RAO,
Medical Officer in charge.

MISCELLANEOUS DEPARTMENTS.

OFFICE OF THE INSPECTOR-GENERAL OF POLICE IN MYSORE, BANGALORE.

Notice No. T. C. 295—37-38, *dated 19th November* 1937.

The public are hereby informed that an Avery's Weigh-bridge to weigh motor vehicles is erected in the Office of the Inspector-General of Police in Mysore, Cenotaph Road, Bangalore City, and that motor vehicles brought for weighment will be weighed on payment of a fee of Rs. 10 for each weighment. A certificate of weighment will invariably be issued with each weighment so made.

F. A. HAMILTON,
Inspector-General of Police.

OFFICE OF THE SPECIAL OFFICER, CITY DRAINAGE DIVISION, SESHADRI ROAD, BANGALORE.

Notification.

Notice is hereby given that sealed tenders will be received at the Office of the Special Officer, City Drainage Division, Bangalore, up to 1 P.M. on 15th February 1940, for laying underground pipe sewers for new sites in Wilsons Gardens, near Mental Hospital in Bangalore City. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of March 1940.

2. The plans, detailed estimates and conditions may be seen at the Office of the Special Officer, City Drainage Division, Seshadri Road, Bangalore, between the hours of 11 A.M. and 5 P.M. on all office days.

3. Tenders should be submitted on printed forms which may be obtained from the Special Officer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of Rs. 1,100 *in cash* (no cheques will be accepted) as earnest money and be superscribed "Tender for laying underground pipe sewers for new sites in Wilsons Gardens, near Mental Hospital in Bangalore City," in default of which the tenders will be rejected.

5. The final acceptance of the tender will rest with the Government of Mysore, who do not bind themselves to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful tenderer will be required to execute the usual contract bond, in default of which his tender will be considered cancelled and his earnest money will be forfeited.

7. The name of the successful competitor whose tender has been accepted, will be posted on the Notice Board, in the Office of the Special Officer, City Drainage Division, Seshadri Road, Bangalore, in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned

9. Charges on account of scaffolding materials, implements for setting out, barricading, clearing site, supply of water, etc., that may be found necessary during execution will not be paid for separately but should be borne by the contractor.

10. Rates for non-tendered and non-estimated items shall be as per schedule rates of the Department, or those fixed by the Special Officer, City Drainage Division, after working out data with not more than 10 per cent for contractor's profit.

11. In all matters not specifically provided for and in all matters of dispute about rates, quantities, measurements, quality of works, etc., and in all disputes of any kind, the decision of the Special Officer will be final and legally binding.

12. This department is not bound to give the entire work to the lowest tenderer. In the interest of quick execution of work, it may be split into different portions and distributed amongst two or more contractors, at the lowest tendered rates.

Abstract estimate of quantities of work for laying pipe sewers for new sites in Wilsons Gardens, near Mental Hospital, Bangalore City.

Item No.	Items of work	Unit	Quantity
1	Earthwork excavation in soil, gravel, wet earth, soft rock, slush, etc., for laying pipe sewers and refilling the same to original level with proper consolidation with watering and tamping including barricading, lighting, watchman, shoring, water bailing and cutting metalled portion and tarred road, etc., complete	C.yd.	3,744
2	Providing and laying glazed stoneware pipes of tested quality and standard specification and caulking with hemp, jointing with cement mortar 1 : 2 proportion, including testing with water, etc., complete :—		
	7″ diar. stoneware pipes	R.ft.	7,321
	9″ diar. do	,,	1,600
3	Providing and fixing junction pipes of tested quality, right angled or oblique and caulking with hemp and jointing with cement mortar, 1 : 2 proportion including testing with water, etc., complete—		
	7″×4″ Junction pipes	Each	187
	9″×4″ do	,,	38
4	Constructing circular manholes 4′ diar. inside on 1 ft. thick bed of cement concrete (1 : 2½ : 5) for 7′ diar. walls, with approved radial wire-cut bricks, in cement mortar of 1 : 4 proportion and 1⅛′ thickness, top portion being conical section—including supplying and fixing cast iron frame and cover 1′–9″ diar. of 4 cwts. in weight, with benching and cement concrete drain in bed, proportion 1 : 2½ : 5 using baby jelly up to ¾s diar. of pipe, cement plastering ½″ thick 1 : 2 proportion inside and exposed parts outside including supplying and fixing cast iron steps at intervals of 1′—3″ including earthwork excavation, slush removal, shoring, water bailing, refilling and tamping earth both watering, barricading, lighting, watchman, and painting iron materials, etc., complete—		
	Manholes up to 4′ depth	Each	13
	Manholes between 4′ to 5′ depth	,,	21
	Do 5′ to 6′ ,, ...	,,	10
	Do 6′ to 7′ ,, ...	,,	8
	Do 7′ to 8′ ,, ...	,,	1
	Do 8′ to 9′ ,, ...	,,	2
	(*a*) Constructing manholes as per above specification with 2 cwts. cast iron manhole frame and cover for the above depths may also be quoted.		
5	Constructing flush tanks of 200 gallons capacity with burnt brick in cement mortar walls 9″ thick cement plastering ½″ thick 1 : 2 proportion including providing stoneware bent tube syphon 6″ diar. both inlet and outlet ends as per standard design and including 1′–9″ diar. cast iron frame and lid 4 cwts. in weight for inlet and outlet chambers, etc., complete	Each	2
6	Constructing ventilating shafts by providing 16′ to 20′ length of 4″ diar. boiler tube pipes with cast iron specials and 6″ zinc ornamental cowl including masonry with burnt brick in cement mortar 1 : 4 proportion and ½″ thick cement plaster, etc., complete ..	,,	4

Item No.	Items of work	Unit	Quantity
7	Carting surplus earth to any distance within the municipal limits as pointed out during execution	C.yd.	374
8	Removing and reconstructing storm water box drain wherever necessary for laying pipe sewers by using existing materials including temporary deviation	R.ft.	½′×1′
		,,	1½′×1½′
		,,	2′×3′
9	Deviating water supply pipe lines wherever necessary	Each	½″
		,,	¾″
		,,	1″
10	Chiseling hard rock met with during earthwork excavation and removing and stacking them	C.yd.	416
11	Constructing 24″×24″ cisterns in burnt brick in cement mortar 1 : 4 proportion and walls 9″ thick on 6″ thick cement concrete bed 1 : 2½ : 5 proportion cement plastering ½″ thick 1 : 2 proportion inside, using 2 cwts. C. I. frame and cover including benching, chanelling, earthwork, etc., complete up to 3 ft. depth ..	Each	..
	All pipes, bends and junctions used in the work shall be purchased from the Mysore Stone Ware Pipes and Potteries, Ltd.		

N. KRISHNIENGAR,
Special Officer.

For Ex-officio *Controller of Patents and Designs.*

OFFICE OF THE SUPERINTENDENT OF POST OFFICES, BANGALORE DIVISION, BANGALORE.

Tender Notice dated the 30*th January* 1940.

Sealed tenders are invited for the conveyance of mails by motor vehicles daily between Srinivaspur and Rayalpad Road for up and down journeys throughout the year on a fixed monthly subsidy for a period of three years commencing from the 1st July 1940 . The approximate daily mileage at present is 36 miles. No tenders quoting "Any remuneration deemed suitable" or words to that effect will be accepted.

2. A copy of the schedules showing full details of the services required and copies of the forms of tender (on which tenders must be made) and agreement and any further information in the matter may be obtained on application from the Office of the Superintendent of Post Offices, Bangalore Division, Bangalore, on payment of Rs. 5. This sum will not be refunded in any case.

3. All tenders must be addressed to the undersigned by name clearly marked "Tender fo Srinivaspur and Rayalpad Road Mail Contract" on the outside of the cover and must reach him on or before the 4th March 1940.

4. Tenders will be opened by the undersigned in his office on 6th March 1940 at 12 NOON in the presence of such tenderers as may wish to be present there.

5. The undersigned does not bind himself to accept the lowest or any tender or to assign any reason for the rejection of any tender.

CONDITIONS OF TENDER FOR THE CONVEYANCE OF MAILS BETWEEN SRINIVASPUR-RAYALPAD ROAD.

All tenders must be sealed and addressed to the undersigned by name and clearly marked "Tender for Srinivaspur-Rayalapd Road Mail Motor Contract" on the outside of the cover and must reach him on or before the 4th March 1940 by 5 P.M.

2. The approximate daily mileage at present involved is 36 miles. A copy of the schedule showing the number, timings and other details of the service required and copies of the form of tender (on which tenders must be made) and of agreement and bond which will have to be executed by the successful tenderer are given herewith. The successful tenderer will be required to get the contract deed registered at his own cost.

3. Tenders will be opened in the Office of the undersigned at 12 NOON on the 6th March 1940 in the presence of such tenderers as may wish to be present there.

4. No tenders quoting "Any remuneration deemed suitable" or words to that effect will be accepted. Should a tenderer so desire he may however offer to carry the mail free or mention the amount which he is prepared to pay the Department per month for the privileges of carrying of the mail. If a subsidy is quoted it should be for a complete rupee or rupees and should not contain any fraction of a rupee.

5. Each tender must be accompanied by Rs. 25 in cash as deposit money which will be refunded if the tender is not accepted. Tenders without earnest money are liable to be summarily rejected. Should the selected contractor fail to take up the work by the specified date, his tender will automatically lapse and deposit money pledged by him forfeited.

6. The minimum number of motor vehicles required to be maintained by the contractor will be three. Tenderers must clearly state whether they have this number of vehicles as otherwise their tenders will not be considered.

7. Tenderers should forward with their tenders letters of evidence from the District Superintendent of Police or other concerned District Authorities to the effect that the vehicles mentioned in their tender have been or will be licensed and permitted to run on the particular road or roads mentioned in the tender.

8. The undersigned does not bind himself to accept the lowest or any tender or to assign any reason for the rejection of any tender.

Tender Notice dated 30th January 1940.

Sealed tenders are invited for the conveyance of mails by motor vehicles daily between Bangalore City R.M.S. and Magadi for Up and Down journeys throughout the year on a fixed monthly subsidy for a period of three years commencing from the 1st July 1940. M. V. SUBBA RAO,
Superintendent.

GOVERNMENT OF MYSORE—ELECTRICAL DEPARTMENT.

OFFICE OF THE CHIEF ELECTRICAL ENGINEER IN MYSORE, BANGALORE.

Abstract Notification No. G. N. 20, dated 27th January 1940.

M. S. ANGLES.

Attention is drawn to this office Notification dated 27th January 1940, inviting tenders for the above work, published in Part VI, page 235 of the *Mysore Gazette*, dated 1st February 1940. The last date of receiving tenders is 10th February 1940.

Abstract Notification No. 21, *dated 29th January* 1940.

V. C. INSULATED CABLES.

Attention is drawn to this office Notification dated 29th January 1940, inviting tenders for the above work, published in Part VI, page 236 of the *Mysore Gazette*, dated 1st February 1940. The last date of receiving tenders is 19th February 1940.

Notification, dated 2nd February 1940.

To

All Electrical Firms.

TOOLS REQUIRED FOR AUTOMATIC TELEPHONE.

GENTLEMEN,

Sealed tenders will be received in the Office of the Chief Electrical Engineer in Mysore, Bangalore, for the supply of tools as per attached schedule up to 12 NOON on 23rd February 1940 and the tenders should be superscribed "Tenders for Tools required for Automatic Telephones to be opened at 12 NOON on 23rd February 1940.

The firms should quote their best rates for delivery f.o.r., Bangalore, and also mention the exact date of delivery.

The Chief Electrical Engineer does not bind himself to accept the lowest or any tender, but reserves to himself the right to select any tender as he may consider it expedient to accept.

Withdrawal from the quotation after it is accepted or failure to make the supply within the stipulated time will entail cancellation of the order and the purchase being made at the firm's expense elsewhere.

Supply on this tender will be subject to the general conditions of contract prevailing in the Department for local purchases.

M. HAYATH,
Deputy Chief Electrical Engineer.

OFFICE OF THE SUPERINTENDENT, POWER AND LIGHTING, K. G. F., CHAMPION-REEFS.

ELECTRIFICATION OF CHINTAMANI RAILWAY STATION.

Attention is drawn to this office Notification, dated 22nd January 1940, inviting tenders for the above work, published in Part VI, pages 209-210 of the *Mysore Gazette*, dated 25th January 1940. The last date of receiving tenders is 19th February 1940 and the earnest money required is Rs. 30.

RAM PRASAD,
Superintendent.

OFFICE OF THE SUPERINTENDENT, POWER & LIGHTING, MYSORE.

Notification dated 3rd February 1940.

1. Sealed tenders in triplicate will be received at the Office of the Superintendent, Power and Lighting, Mysore, superscribed with the name of the work noted below.

2. A sum of Rs. 55 (Rupees Fifty-five) only is required to be sent along with the tender in cash or currency or cheque drawn in favour of the Superintendent, Power and Lighting, Mysore, or order, being the earnest deposit. Tenders not accompanied with the said deposit will not be accepted.

3. The plans connected with the work may be seen at the Office of the undersigned at all working hours. The same will be made available on payment of Rs. 3 per set, if required.

4. The tenders should be drawn up strictly in conformity to the specification furnished, writing out the rate at which, each item of work will be executed in figures as well as in words failing which no cognizance will be taken of the tender. No items other than those noted in the statement should be included, as the items cover provision for all sundries that are necessary for the execution of the work to meet with the requirements of the Department, including painting and colour-washing to suit the finish of the walls, etc.

5. Materials to be used on the work should be of best quality conforming to the specifications of this Department and B.S. or A.I.E.E. specifications. Mention should also be made of the manufacture and the catalogue numbers of the materials offered. Teakwood planks to be used on the work should be free from knots, cracks and should be well seasoned. No planks less than 12″ in width will be permitted to be used unless it is to make up the difference in size of the board required. Only lap joints should be adopted in all cases.

6. The undersigned reserves the right to reject the tenders without assigning any reason therefor.

7. The successful tenderer will be required to execute an agreement within two days from the date of communication of acceptance of the tender. He should send samples of all the materials required for the work mounted on a board and start the work after obtaining the approval of the undersigned with regard to the same within a week from the date of communication of acceptance. Failure to adhere to the conditions above will entail forfeiture of the earnest deposit and adoption of such measures as are necessary for expediting the work otherwise entirely at his risk. He should also bind himself to execute the work strictly adhering to the wiring rules of this Department as well as those of I.E.E. He should also be prepared to adopt changes in the location of heating outlets, control points, etc., that might be desired by the undersigned during the progress of the work without any obligation if the tender is not materially affected thereby. The wiring adopted being in lead covered cable sharp corners should invariably be avoided.

8. The undersigned reserves the right to reject the work either in full or in part if the same is not executed according to the above specification or is not satisfactory as regards workmanship.

9. Special care should be taken to afford metallic continuity and to provide efficient earthing to the installation as the system of wiring adopted is in lead covered cables.

10. *Name of work.*—Installing Heating Circuit to the Ayurvedic College, Mysore.

11. *Last date and time of receiving the tender.*—At 3 P.M. on the 20th February 1940.

12. *Last date and time for opening the tenders in public.*—At 4 P.M. on the 20th February 1940.

13. A period of eight weeks from the date of acceptance of tender will be allowed for the completion of the work in all respects. If the installation is not handed over to the Department with service on the due date, the Department will arrange to take charge of the installation at whatever stage it might be and arrange for completion of the work through any other agency at the risk of the tenderer.

14. The Firm executing the work should arrange while handing over the installation to this Department to pass a certificate of guarantee for the continuance of satisfactory service to the installation for a period of 12 calendar months from the date of handing over charge to this Department while uninterrupted power supply is maintained. Further, it will be obligatory on the part of the Firm to attend to any defects in the installation that might crop up during the above period without any return for service rendered.

15. *Details of work.*—The quantities given in the annexed statement are not guaranteed and are subject to variation at the time of executing the work.

Installing Heating Circuit to the Ayurvedic College, Mysore.

TRAFFIC MANAGER'S OFFICE, MYSORE.

Notice dated 27th January 1940.

Applications are invited from non-Brahmin candidates who have passed the School Final Examination for appointment as Signallers, Ticket Collectors and Station Clerks. The selected candidates should be prepared as a preliminary course to work as temporary staff on Rs. 20 for 6 to 12 months. They should then attend the Railway Telegraph School and pass the necessary examination. During the period they attend the School, they will get no stipend and will have to pay fees prescribed.

Preference will be given to candidates who complete the above training satisfactorily in filling up all outdoor subordinate jobs in the Traffic Department.

Applications giving full particulars regarding (1) Educational qualifications, (2) Caste, (3) Age, and (4) Other particulars should reach this office on or before the 20th February 1940.

K. GUNDAPPA,
Traffic Manager.

OFFICE OF THE CONTROLLER OF STORES, MYSORE.

Abstract Notification.

The attention of the public is hereby invited to the notification dated 25th January 1940, published in the *Mysore Gazette*, dated 1st February 1940 on page 237 of Part VI, regarding sale by Public Auction of dealwood boxes, crates, empty iron drums of four and five gallon capacity kegs and one gallon tins, etc., at Railway Central Stores, near Railway Central Workshops, Mysore South, on Sunday the 25th February 1940 at 9-30 A.M.

A. VISWANATH,
Controller of Stores.

S.-T. RAILWAY CONSTRUCTION DIVISION, SAGARA.

Abstract Notification dated 26th January 1940.

The attention of the public is hereby invited to Notification dated 13th January 1940, published in the *Mysore Gazette*, dated 25th January 1940, on pages 184 and 185 of Part VI, regarding tender for "Constructing Pumpers' Quarters at Talguppa." The last date for the receipt of tenders is extended up to 3 P.M. on the 10th February 1940.

M. R. KRISHNAMURTHI,
Executive Engineer.

GOVERNMENT HIGH SCHOOL, SHIMOGA.

Notification dated 29th January 1940.

The following broken and unserviceable articles of furniture of the Government High School, Shimoga, will be sold by public auction on *Sunday the 3rd March* 1940 *at* 9 A.M. before the office room of the Government High School, Shimoga.

Bench	One	Map easels	Four
Chairs	Three	Bell (broken)	One
Examination Tables	Two	Big foot-rule (broken)	One
Stools	Six	T. square	One
Notice Board	One	Tin jug	One
Notice Board (cloth)	One	Wooden tray	One
Notice Board (Card board)	One	Wooden Screen	One

1. Articles will be sold in convenient lots.
2. The highest bidder shall ordinarily be the purchaser, but the officer conducting the sale can reject any bid or stop the sale at any stage without assigning any reason to the intending purchasers.
3. Immediately after a lot is knocked down to the successful bidder, he shall sign his name opposite the number and specification of the lot bought by him in a book provided for the purpose. Such signature shall be held as admission on his part of having bought the lot and of having accepted terms of the sale.

4. After conclusion of the sale, each purchaser shall pay the whole amount in cash to the officer conducting the sale and obtain in return from him a receipt vouching for the payment of the value.

5. Should any purchaser fail to comply with this rule, the officer conducting the sale shall be at liberty to auction the articles purchased by the defaulter who shall be required to make good any loss but shall not participate in any profit from such sale. The amount due by such defaulter on account of loss from resale shall be recovered from him.

M. S. RAMACHANDRAN,
Head Master.

PRIVATE ADVERTISEMENTS.

Enquiry No. 3903.

PUMPING SET REQUIRED FOR WATER SUPPLY TO THE JAIL AT SHIMOGA.

GENTLEMEN,

Please be good enough to intimate your best prices and the earliest time of delivery for one pumping set of the description given below :—

One direct coupled shallow well pumping set consisting of one pump with a capacity of 30 gallons per minute against a delivery head of 85 feet from all causes, with suitable electric motor mounted on a common cast iron bed plate, with all the necessary adjuncts including :—

(1) Glenfield and Kennedy's C.I. foot valve 1.
(2) Non-Return delivery valve 1.
(3) Glenfiled and Kennedy's double flanged sluice valve 1.
(4) Pressure guage.
(5) Ammeter.

N.B.—(1) The size of valve, etc., to be suitable to the suction and delivery connections.

(2) The power supply at the site is of the 220 volt, 3 phase, 25 cycles alternating current system.

(3) Separate quotations may also be given for automatic pumps with pressure tanks.

(4) The quotations should be for delivery f.o.r., Shimoga.

(5) Quotations for delivery of the pumping set immediately from Indian stock will be preferred.

It should be distinctly understood that the acceptance by us of your quotation will be subject to the following conditions :—

Withdrawal from the quotation after it is accepted or failure to make the supply within the specified time or according to specifications will entail cancellations of the order and purchases being

made at your expense from other sources in addition to the levy of a penalty of 3 per cent of the value of the order as and by way of liquidated damages. In such an event, the Stores Purchase Committee reserve the right to remove your name from the list of approved firms.

The quotations should be superscribed "Quotations for Pumping set for water-supply to the Jail at Shimoga" with the above enquiry Number.

This enquiry will be closed on the 16th February 1940.

ELECTRIFICATION OF THE PUMPING PLANT OF DAVANGERE WATER WORKS AT HARIHAR.

GENTLEMEN,

Please be good enough to intimate your best prices and the earliest time of delivery for the materials described in the undermentioned schedule in the form printed below.

It should be distinctly understood that the acceptance by us of your quotation will be subject to the following conditions:—

Withdrawal from the quotation after it is accepted or failure to make the supply within the specified time or according to specifications will entail cancellations of the order and purchases being made at your expense from other sources in addition to the levy of a penalty of 3 per cent of the value of the order as and by way of liquidated damages. In such an event, the Stores Purchase Committee reserves the right to remove your name from the list of approved firms.

The quotation should be superscribed "Quotations for Electrification of the Pumping Plant of Davangere Water Works at Harihar", with the above enquiry Number.

This enquiry will be closed on the 11th of March 1940.

Schedule.

Item No.	Description of the material	Quantity	Price quoted F. O. R., Harihar
1	*Direct coupled Pumping Set* capable of discharging 500 gallons of water per minute against a total head of 500′ conforming to the specification attached	One set	
2	Direct coupled pumping set capable of discharging 600 gallons of water per minute against a total head of 70′ from all causes and conforming to the specification attached ..	One set	
3	Electric motor capable of producing 7½ H.P. when running at 720 r.p.m. and provided with necessary extension shaft to take a driving pulley 6″ wide at one end in order to run the agitator shaft	Two	

Specification for the direct coupled pumping units for Davangere Water Works, Harihar.

Item I.—One unit consisting of a centrifugal pump capable of discharging 500 gallons per minute against a total head of 500′ directly driven by an electric motor of suitable capacity.

The pump should be a centrifugal pump having a capacity of pumping 500 gallons of filtered water per minute against a total head of 500′ from all causes, the suction lift being limited to 15′.

The pump casing should be made of close grained C.I. and it should be preferably split horizontally with faces accurately machined to make a water tight joint and the flanges held together by machine made bolts. The pump should be self balanced and hence it may be of double entry type.

Impeller.—The Impeller should be made of hard phosphor-bronze material; and all blanks, sleeves, etc., should be made of gun metal or other non-corrosive material. It should be fitted with ball-end thrust bearing to take up the residual if any.

Shaft.—The shaft shall be of high quality forged steel or stainless steel, if possible, and it should be carefully and accurately machined and ground. It should have sleeves made of gun-metal or other non-corrosive material at all the wearing points, so that the wear on the shaft may be kept at a minimum.

Bearing.—The bearings may be ball or roller bearings.

Glands.—The glands may be of split variety in the case of horizontally split casing type and shall be provided with a suitable water seal arrangement. They should have renewable sleeves on the shaft so that the shaft may not be damaged by frequent tightening of the packing.

Specification of motors required in connection with Water Supply to Davangere.

The motors covered by the following brief specifications shall be suitable for operating on 220 volts, 25 cycles, 3 phase system at present and later on, on 220 volts, 50 cycles, 3 phase system. The motors are required for working centrifugal pumps directly coupled and mounted on a common bed plate.

The terminals of the windings should be so brought out that the connection to be made for running the motors on the above two systems of supply can be easily effected.

The variations in the frequency and voltage of the power supply to the motors will be 2 per cent and 7½ per cent, respectively, and the motors shall operate satisfactorily under these variations.

General.—For approximately six months in the year, the out-door shade temperature is 40° C. with a humidity varying between 50 to 75 per cent. For the remaining portion of the year, the out-door shade temperature is 30° C. with a humidity varying brtween 70 and 100 per cent. During the hot weather, the sun's temperature in vacua is 75° C. The air is heavily laden with fine dust which it is desired to exclude from the windings.

The motors shall be semi-enclosed, with drip-proof casing to meet the above requirements and they shall be of the Induction type provided with squirrel cage motor.

Temperature rise.—The motors shall be designed for continuous operation with a temperagure rise of not more than 35° C. above an ambient temperature of 40° C.

Overload Capacity.—The motors shall be capable of withstanding 25 per cent overload for at least two hours without any undue rise in temperature that will injure the windings and the core.

Windings.—The windings shall be insulated with class 'A' insulation and shall be specially impregnated to withstand the tropical climatic conditions.

Item II.—One direct coupled unit consisting of a pump which can discharge 600 gallons a minute against a total head of 70′ from all causes. The pump and motor to have the same specifications as the above.

The unit must have vertical shaft so that the pump may be installed at a point 20 ft. below the motor. This unit is to be fixed inside a well and hence girders 15′ long have got to be provided in the tender for supporting the pump and motor independently. The girders will be fixed inside the masonry of the well so as to avoid vibration and necessary Gusset plate may be provided at the ends of the girders, if necessary.

Item III.—Two 7½ H.P. Electric Motors running on the above power supply at 720 R.P.M. and provided with necessary extension of shaft to take a driving pulley 6″ wide at one end in order to run the agitator shaft. If necessary, an end bearing also may be provided.

All the motors have to conform generally to the same specifications as the first and they should be provided with starters suitable for the respective size of motors while the bearing should be of the ball or roller type.

So far as the motors are concerned, quotations may be given for motors suitable for use on both 25 and 50 cycles systems as per specification given above and alternatively for motors that will be suitable only for use on 25 cycle, 220 volts, 3 phase system and conforming generally to the same specifications.

No. S. P. C. 26175-86, *dated* 1*st February* 1940.

Secretary,
Central Recruitment Board.

ENGINEERING DEPARTMENT.

BANGALORE DIVISION.

Notification dated 5th February 1940.

1. Sealed tenders will be received at the Office of the Executive Engineer, Bangalore Division, up to 2 P.M. on 20th February 1940, for the maintenance work to Jigani Major Tank Reg. No. 145 of Anekal Taluk.

2. Tenders in the prescribed form obtainable on payment of Re. 0-4-0 per form from the Office of the Executive Engineer, Bangalore Division, should be addressed to the Executive Engineer, Bangalore Division, in a sealed cover and superscribed as "Tender for the Maintenance work to Jigani Major Tank Reg. 145 of Anekal Taluk." The name of the tenderer should also be superscribed on the top of the cover.

3. Each tender must be accompanied by a duplicate chellan for having credited into the treasury the deposit amount of Rs. 125 under 17 (*a*) P. W. Deposits or Mysore Government Bonds, duly endorsed at face value or market value, whichever is less, as earnest money. The earnest money of the successful tenderer will be retained as security deposit for due fulfilment of the contract. Such a deposit in cash will not carry any interest.

4. The tenders will be opened in the presence of such tenderers who wish to be present on 20th February 1940 at 3 P.M. The final acceptance of the tender will rest with the Executive Engineer, who does not bind himself to accept the lowest or any tender, or to assign any reason whatever for the rejection of any.

5. The name of the successful tenderer will be posted on the Notice Board in the Executive Engineer's Office in due course. Within eight days of the acceptance of the tender, the successful tenderer will be required to execute an agreement in the departmental Schedule Contract form for the due fulfilment of the contract, and for the execution of all items of work in accordance with the Bombay specifications (1931).

6. Failure to comply with the condition 5 above or to agree to carry out the work in accordance with the specifications and agreements in force will entail forfeiture of the earnest money.

7. The earnest money of rejected tenders will be returned on submission of the receipt originally granted, along with an application to the Executive Engineer.

8. Copies of contract documents, schedules and drawings may be seen at any time at the Executive Engineer's Office, Bangalore, on all working days, between 11 A.M. and 5 P.M. and may be obtained from that officer on payment of Rs. 3 for each.

9. Specific rates should be given for each item in the schedule accompanying the tender and the rates should be in rupees, annas and pies and expressed in words and figures. Tenders offering a percentage reduction on the estimate amount will be rejected.

10. Any rates or lumpsum amounts for the items not called for, if tendered by the tenderer, will not be taken notice of. The rates for such items may be entered in a separate schedule with date and reasons for the same.

11. No alterations which are made by the tenderers in the tender form in the nomenclature of the items of work will be recognised and if corrections are made, the tenders are liable to rejection.

12. There should be no alterations or erasures in the tenders in the rates of items and any corrections made in the rates should be attested to, and the number of corrections, if any, in each page, noted at the foot of the same by the tenderer.

13. No reference should be made to the Public Works Department schedule of rates.

14. In the event of the tender being submitted by a firm, it must be signed separately and severally by each member thereof, or in the event of absence of any partner, it must be signed on his behalf by a person holding power-of-attorney authorising him to do so.

15. When once the rates tendered have been accepted, they will not be revised under any circumstances. In regard to items of work not tendered, the rates for the same will be calculated by the Executive Engineer on the basis of current rates for materials and labour with a contractor's profit of 5 per cent as may be approved by the Superintending Engineer. This shall be final and legally binding on the tenderer.

16. The quantities given in the schedule are only approximate and the drawings shown to the contractor are only tentative and are liable to alterations, omissions, deductions, or additions at the discretion of the Executive Engineer or his representative. The tendered rates will hold good for any quantity, whether higher or lower than those given in the enclosed schedule.

17. The works should be completed and handed over in a tidy condition to the Public Works Department by the end of May 1940, failing which the Executive Engineer may, at his discretion, levy a penalty of Re. 0-13-0 per day which will ordinarily be calculated at 12 per cent per annum on the total outlay as liquidated damages for non-fulfilment of contract, and will be recovered from the contractor's outstandings for the period exceeded by him beyond the time fixed and until the work is completed and handed over.

18. In all matters of disputes of any kind not specially provided for in the agreement or of rates, penalties, measurements, quality of work, etc., the decision of the Chief or the Superintending Engineer shall be final and legally binding.

19. No claim for damages for delays caused by officers of the department in the execution of the work will be considered, whatever may be the reasons for such delays. Contractors should bear this in mind when tendering for the work. Extension of time due to delays caused by the departmental officers will, however, be considered on the merits of each case.

20. The contract should not be sublet.

21. All materials, tools and plant and machinery that will be supplied by the Executive Engineer in the interest of the work shall be accepted by the tenderer at the rates fixed by the Executive Engineer. The tenderer will pay the hire on tools and plant and machinery as per rules from the date

of taking over of such machinery, tools and plant from the Stores to the date of return thereto, the dates considered being the dates of acknowledgments of the vouchers in each transaction.

22. The contractor should arrange for the payment of royalty and tolls.

Note.—(*a*) The contractor should at his own cost—

(1) Provide rods, stakes, ropes and labour required in setting out the works.
(2) Provide all necessary scaffolding, centering, labour and appliances for hoisting.
(3) Provide mortar mills and sheds to keep materials under cover and also for workmen.
(4) Arrange for protecting work during inclement weather.
(5) Supply requisite temporary lights, water cisterns, water pumps and hoses, sieves, parahs, shoring, strutting and other requisite protective appliances during the progress of the work.
(6) Supply all water required for work and workmen and shall provide temporary latrines and drains.
(7) Clean away all dirt, rubbish, superfluous materials and debris as they accumulate.
(8) Provide arrangements for pumping and baling of water from excavations and foundations wherever and whenever necessary with his own pumping apparatus including necessary leading drains, slump pits, etc.
(9) Afford facilities to any other parties employed upon the work by the P.W.D., so that their work may proceed during the progress of the contract, and give such persons the use of ordinary scaffolding and ladders.
(10) The contractor is responsible for all accidents to workmen, etc., on the work and he must take precaution against all risk of accidents and if necessary provide for the same by insurance at the proper time.

Note.—(*b*) It is the business of the contractor to make his own arrangements for quarries and supplies of materials.

Approximate quantities required for the maintenance work to Jigani Major Tank, Register No. 145 of Anekal Taluk.

Items of work	Unit	Sanctioned		Rate quoted in	
		Quantity	Rate	Figures	Words
			Rs. a. p.		
1. Clearing jungle with roots	Grade	46	1 0 0		
2. Excavating, removing ant-hills and filling with sand	Each	30	1 0 0		
3. Cutting grips and trenches	S.yd.	12,144	0 0 1½		
4. Earthwork to bund with the required lead, lift and consolidation	C.yd.	7,280	0 4 0		
5. Turfing the slopes of bund and watering	S.yd.	8,662	0 0 10		

N. LAKSHMINARASIMHAIYA,
Executive Engineer.

PRIVATE ADVERTISEMENTS.

16 IN THE COURT OF THE FIRST MUNSIFF AT BANGALORE.

The sale will be held by the District Forest Officer, Shimoga or any other Officer deputed by him for the purpose at Mugudthi Village, on 24th February 1940 at 3 P.M.

Abstract Notification dated 31st January 1940.

The attention of the public is invited to the detailed notification of date published on page 265 of Part VI of the *Mysore Gazette*, dated 8th February 1940, regarding the auction sale of a hill tent belonging to this Divisional Office on the 28th February 1940.

SALE OF SAWN MATERIALS.

Notification dated 8th February 1940.

It is hereby notified for general information that the undermentioned kinds and quantities of timber will be sold by public auction under the following conditions at the following places by

the District Forest Officer, Shimoga Division, or any other officer deputed by him on the date noted against it.

Locality	Kind of sawn material	Quantity exposed		Date of sale
		No.	C.ft.	
In the compound of Forest quarters at Agumbe (56 miles from Shimoga Railway Station).	(1) Dhuma rafters ..	938	804	Monday, the 21st March 1940 at 2 P.M.
	(2) Surahonne rafters ..	29	58	Do
	Total ..	967	862	

N.B.—The quantities noted are approximate.

Conditions.

1. Each bidder shall place a deposit of Rs. 200 with the officer conducting the sale. But defaulters to the department will not be allowed to bid at the sales.

In the case of purchasers of timber not exceeding Rs. 200 in value, this deposit will not be insisted upon, provided that the full purchase money is paid in cash on the spot.

2. Any person bidding at the sale may be required by the officer conducting the sale to state whether he is bidding on his own behalf or as an agent, and in the latter case, to produce a written authority duly signed by the principal.

3. The highest bidder shall ordinarily be the purchaser, but the officer conducting the sale can reject any bid or stop the sale at any stage without assigning any reason to the intending purchasers.

4. Immediately after the lot is knocked down to him, the successful bidder shall sign his name opposite the number and specification of the lot bought by him in a book provided for the purpose. Such signature shall be held as admission on his part of having bought such lot and of having accepted the terms of the sale as herein specified. The sale is subject to the confirmation of the Conservator of Forests if the amount exceeds Rs. 1,000.

5. After conclusion of the sale, each purchaser shall pay 10 per cent of the amount in cash to the officer conducting the sale and obtain in return from him a receipt vouching for the payment of the one-tenth value as well as the initial deposit of Rs. 200. Should any purchaser fail to comply with this rule, the initial deposit of Rs. 200 shall at once be forfeited to Government and the officer conducting the sale shall be at liberty to re-sell the timber purchased by such defaulter who shall be required to make good any loss, but shall not participate in any profit from such resale. The amount due by such defaulter, on account of loss from resale, shall be recovered from him as a revenue demand under Section 79 of the Mysore Forest Act. In calculating such losses, the initial deposit forfeited to Government shall not be taken into account.

In case of resales for default of payment of value where no bidders are forthcoming, it will be open to the District Forest Officer to fix such price, as may appear to him to be reasonable and to proceed for the recovery from the defaulter of the balance, if any, after deducting the price so fixed from the original sale amount. A registered notice should be issued to the defaulter intimating the price fixed by the District Forest Officer for the unsold wood and the amount still due from him which will be recovered as arrears of land revenue.

6. The deposits tendered by the unsuccessful bidders shall be returned immediately after the sales are concluded, those of successful bidders being lodged in the Savings Bank as security deposit.

7. The full value of all timber purchased shall be paid for within thirty days after the date of sale or within fifteen days after the date of the notice of confirmation of the sale, whichever is later. In case of purchases of above Rs. 1,000 in value, the purchaser shall be permitted to pay up the balance in instalments of not less than Rs. 1,000 provided the full value is paid not later than 15th May 1940. The money shall be paid into such treasury as the District Forest Officer may direct within the time specified.

8. If the amount is not fully paid for by the purchaser before the dates fixed above, the initial deposit as well as the other moneys already paid in shall be forfeited to Government and all or any portion of the timber not fully paid for shall be resold at the risk of the purchaser, in the manner prescribed, for default of payment of one-tenth value in clause 5 *supra*.

9. No timber lot shall be permitted to be removed by the purchaser unless it has been paid for in full, calculated at the rates at which the timber is knocked down to him at the time of sale, including the 10 per cent deposit paid for the lot at the time of the sale, and no timber shall be removed from the depot unless a permit is obtained from the Forest Officer in charge of the depot. The earnest money will not be adjusted towards the value of timber until 90 per cent of the purchase money over and above the security deposit has been paid.

10. Timber purchased should be removed, as early as possible, and in no case should it be allowed to remain longer than 90 days after 30th June 1940. Timber not removed after purchase will remain in the depot at the risk of the purchaser from the date of the confirmation of the sale.

11. If the timber is not removed within the time allowed, the same may, after ten days' notice to the purchaser, be sold in public auction and the proceeds will be given to the purchaser after defraying all the expenses in connection with the resale.

12. The deposit of Rs. 200 will remain as security for the due fulfilment of all and every one of the terms of sale, for the breach of any of which by the purchaser, the District Forest Officer shall be entitled to forfeit the deposit in whole or in part and in the event of such forfeiture, the sum so forfeited shall be immediately made good by the purchaser so long as the transaction is not finally closed. The security deposit or the balance thereof, if any, shall be returned to the purchaser after the full value of timber purchased has been paid for and the timber fully removed.

13. Interest will be charged on all belated payments from the date of their falling due up to the date of payment at 6¼ per cent per annum.

Notification dated 12th February 1940.

It is hereby notified for general information under Section 40 of the Mysore Forest Act that the following 5 Teak pieces found unclaimed in the Government land of Tavarekoppa village in Kumsi Sub-Taluk, have been seized and kept in the Hanagere Range Office at Sirigere. Persons having any claim to the said timber are hereby required to present a statement of their claims to the undersigned within one month from the date of publication of this notice and establish their claims, failing which the timber shall lapse to Government under Section 42 of the said Act.

	Total ..	5 pieces	..	33	

M. A. MUTHANNA,
District Forest Officer.

SAGAR FOREST DIVISION.

Notification dated 2nd February 1940.

Sealed tenders will be received by the District Forest Officer, Sagar Division, in his office till 4 P.M., on Saturday the 2nd March 1940, for the supply of the following kinds and quantities of rations to the Departmental elephants working in the Division, commencing from the date of acceptance of the tender to the end of February 1941 or of execution of agreement by the subsequent tenderer of the succeeding year whichever is later.

The approximate quantity of rations is as follows :—

1.	Paddy ..	160 pallas	More or less.
2.	Rice ..	10 ,,	
3.	Ragi flour ..	15 ,,	
4.	Paddy straw ..	5,000 bundles	
5.	Salt ..	2 pallas	
6.	Castor oil ..	8 maunds	
7.	Cocoanut oil ..	2 ,,	
8.	Jaggery ..	12 ,,	

3. Each tender must be accompanied by a deposit of Rs. 100 in currency notes as earnest money and be superscribed as "Tender for the supply of Rations to Elephants."

4. The final acceptance of the tender will rest with the Conservator of Forests, Shimoga, who does not bind himself to accept the lowest or any tender or to assign any reason whatsoever for the rejection of the same.

5. The name of the successful tenderer will be notified in due course on the Notice Board of the District Forest Office, Sagar Division, and the tenderer should, within a week of the intimation thereof, enter into an agreement for the due fulfilment of the contract, duly furnishing a cash security deposit of Rs. 200 in the Government Treasury inclusive of the amount of earnest money already paid. In default to execute the bond and to furnish security deposit, the tender will be cancelled and the earnest money forfeited to Government.

6. The tenderer should supply the rations in time and at the appointed places to the Range Officer and should also be prepared to remove and replace all provisions which may be rejected by the Range Officers. In case he fails to do so, the supply will be made by the Department and all extra charges will have to be borne by the contractor himself which will be recovered from the security deposit.

7. Once in a month, the tenderer will be paid through the Range Forest Officer for the value of the rations that may be supplied during the month on a bill to be prepared and sent to his office for sanction along with the receipts previously obtained by him for the supply of rations to the Range Officers after the bill is countersigned by the District Forest Officer.

8. The earnest money of the rejected tenderers will be returned to them immediately if they happen to be present at the time of opening of tenders and to others by post at their cost.

9. In all cases of disputes concerning the contract, the decision of the Conservator of Forests will be treated as final.

10. The contractor should also supply any special rations required whenever required at the current market rates.

11. For breach of any of the foregoing conditions, the District Forest Officer will be at liberty either to fine the contractor to the extent of Rs. 5 in each case or to cancel the contract at any stage and forfeit the deposit in full or part. The fine, if any levied on the contractor, will be recovered from the contractor's bill or security deposit.

12. The deposit of the contractor will be returned one month after the expiry of the contract period if the terms of the contract as per tender notification are fulfilled.

Abstract Notification dated 6th February 1940.

The attention of the public is hereby invited to the detailed notification inviting sealed tenders for the maintenance to Jigani Major Tank, Reg. No. 145 of Anekal Taluk, published on pages 302-303, of Part VI of the *Mysore Gazette*, dated 8th February 1940.

The last date for the receipt of the tender is 2 P.M. on 20th February 1940. Duplicate challan for having credited the deposit amount of Rs. 125 into the Treasury under "17 (*a*) P.W. Deposits" should accompany each tender.

N. LAKSHMINARASIMHAIYA,
Executive Engineer.

BUILDINGS DIVISION, BANGALORE.

Notification dated 5th February 1940.

Notice is hereby given that sealed tenders will be received at the Office of the Executive Engineer, Buildings Division, up to 2 P.M. of 24th February 1940, for constructing buildings for University Settlement in Mysore Road, Bangalore. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of August 1940.

2. The plans, detailed estimate and conditions may be seen at the Executive Engineer's Office at Buildings Division, between the hours of 11 A.M. and 5 P.M.

3. Tenders should be submitted on printed forms which may be obtained from the Executive Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of Rs. 1,500 (rupees one thousand and five hundred only) in cash or Government Promissory Notes, as earnest money, and be superscribed "Tender for constructing Buildings for University Settlement in Mysore Road, Bangalore" in default of which tenders will be rejected.

5. The final acceptance of any tender will rest with the Superintending Engineer (Mysore Circle), who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond, in default of which his tender will be considered cancelled and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the Notice Board in the Executive Engineer's Office in due course. No enquiry regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

9. Rates once tendered will not be enhanced on any account.

10. Rates for non-tendered and non-estimated items shall be as per schedule rates of the department or those fixed by the Executive Engineer after working out data with not more than 10 per cent for contractor's profit.

11. In all matters not specifically provided for and in all matters of dispute about rates, quantities, measurements, quality of works, etc., and in all disputes of any kind, the decision of the Executive Engineer will be final and legally binding.

12. Quotations must be given in words as well as in figures and they must be in specific terms of unit shown against each item of work. Any quotation quoted at so much percentage less or more than estimated rate will not be accepted.

Abstract estimate for constructing University Settlement at Mysore Road, Bangalore (Students' Settlement).

No.	Items of work	Unit	Rate	Quantity	Cost
	Constructing Students' Hostel (Ashram).		Rs. a. p.		Rs.
1	Earthwork excavation for foundation, removing the excavated earth to a distance of 50 yards after filling in basement with excavated earth duly watering, tamping in layers of 6″ thick in all sides	C.yd.	0 3 0	180	
2	Burnt stone jelly concrete (jelly of 1″ to 1¼″ thick cubes) in lime mortar with the proportion of 1 part of lime to 2½ parts of sand and 4 parts of jelly for foundations, laid in layers of 6″ thick with consolidation	C.ft.	0 3 6	1,336	
3	Burnt size stone in clay for foundation, courses should not be less than 8″ high with bond stones for every 6′–0″ apart	,,	0 3 6	2,241	
4	Burnt size stone in clay for foundation, courses should not be less 8″ high with bond stones for every 6′–0″ apart including quoin dressing	,,	0 3 6	829	
5	Burnt stone slabs 6″ thick roughly dressed to the portions getting inside of wall and 2 line dressing to exposed faces as basement slabs. The slabs should be fixed in lime mortar 1 : 3	S.ft.	0 6 0	552	
6	Burnt stone slabs 6″ thick set in lime mortar 1 : 3 two line dressing to exposed surfaces for steps ..	,,	0 7 0	144	
7	Burnt stone slabs for pillars 6″×9″ 2 line dressing ..	,,	0 7 0	180	
8	Burnt brick in clay superstructure including bond stones at every 6′–0″ apart	C.ft.	0 3 6	3,433	
9	First class wire-cut bricks in cement mortar of 1 : 3 for partition walls of 4½″ thick	,,	0 14 0	64	
10	Teakwood doors without sills with 3″×5″ frame work, 1½″ thick shutters to open inside ⅓ panelled at bottom and ⅔ glazed at top, including Acme brass fittings, *i.e.*, rim door locks with handles three finger plate, as per design, furnished during execution, with all six inches brass hinges and two six inches hooks and brass screws, barrel bolts of suitable size, etc., with 2 coats of Qulex water-proof varnish as per standard specification ..	S.ft.	1 10 0	366	
11	Teakwood windows with 3″×5″ frame-work, with 1″ thick panelled shutters outside and 1″ thick glazed shutters inside with ¾″ M. S. bars at 4″ apart with combined ventilation and brass hinges, brass hooks, wings, stops, etc., as per standard specification	,,	2 3 0	381	
12	Flooring with cement concrete of 1½″ thick with the proportion of 1 : 2 : 4 on a bed of 3″ to 4″ thick lime concrete, top finishing with red cement or red ochre to ⅜″ thick finished, fairly cut to required pattern	Sqr.	20 0 0	18.79	
13	Roofing with R.C.C. 5″ thick (1 : 2 : 4 proportion, including chejja) to take a super load of 1¼ cwts., (as per design which will be furnished during execution) with necessary centering, including the ceiling plaster of 1 : 3 lime mortar finely ground as per approved required design of standard specification	Sqr.	60 0 0	27.38	
14	Teakwood wrought and put up for Madras terrace as joists of 3″×6″ at 15″ apart as per standard specification	C.ft.	4 8 0	51	
15	Roofing with Madras Terrace with a counter of 1 in 40 bottom courses laid with burnt brick on edge under the top 3″ thick lime concrete with burnt brick jelly, well beaten, and on top 3 courses of flat tiles laid diagonally at bottom and top plastered smoothly	Sqr.	35 0 0	7.25	

No.	Items of work	Unit	Rate	Quantity	Cost
			Rs. a. p.		Rs.
16	R.C.C. partition walls 3″ thick as per standard specification	S.ft.	0 8 0	7.25	
17	R.C.C. terrace 9″ thick as lintels, over windows over pillars etc., as per standard specification, design will be furnished during execution	C.ft.	2 0 0	113	
18	R.C.C. ventilator, design will be furnished during execution	S.ft.	0 10 0	168	
19	Burnt stone slabs 4″ thick, roughly dressed and 2 lines dressing to exposed faces, as sills of windows ..	S.ft.	0 4 6	141	
20	Burnt stone slabs as lintels 6″ thick roughly dressed with lead and lift	S.ft.	0 5 0	167

P. RAJAGOPALAN,
Executive Engineer.

SHIMOGA DIVISION.

Abstract Notification dated 29th January 1940.

OPENING OUT A NEW ROAD FROM ANANDAPURAM TO GOWJA TO JOIN ON TO SAGAR-AMBLIGOLA ROAD, SHIMOGA DISTRICT.

The attention of the public is hereby invited to the advertisement in pages 257-258, Part VI of the *Mysore Gazette*, dated 1st February 1940, calling for tenders for opening out a new road from Anandapuram to Gowja to join on to Sagar-Ambligola road, Shimoga District.

Each tender must be accompanied by a treasury challan for having deposited Rs. 450 as earnest money.

The last date for receiving tenders is 19th February 1940.

D. A. HUKERI,
Executive Engineer.

KADUR DIVISION.

Notification dated 9th February 1940.

1. Sealed tenders will be received at the Office of the Executive Engineer, Kadur Division, Chikmagalur, up to 12 NOON on 2nd March 1940 for constructing an additional class room in the Girls' Middle School at Chikmagalur.

2. Tenders in the prescribed form obtainable from the Office of the Executive Engineer, Kadur Division, Chikmagalur, on payment of annas four per each form should be addressed to the Executive Engineer, Kadur Division, Chikmagalur, in a sealed cover and superscribed as "Tender for constructing an additional class room in the Girls' Middle School, at Chikmagalur." The name of the tenderer should also be superscribed on the top of the cover.

3. Each tender must be accompanied by a deposit of Rs. 190 (rupees one hundred and ninety only) in cash or Government Promissory Notes or Mysore Government Bonds, duly endorsed at face value or market value, whichever is less, as earnest money. The earnest money of the successful tenderer will be retained as security deposit for the due fulfilment of the contract. Such a deposit in cash will not carry any interest.

4. The tenders will be opened in the presence of such tenderers who wish to be present on the date at the time of opening. The final acceptance of the tender will rest with the Executive Engineer, who does not bind himself to accept the lowest or any tender, or to assign any reason whatever for the rejection of any.

5. The name of the successful tenderer will be posted on the Notice Board in the Executive Engineer's Office in due course. Within eight days of the acceptance of the tender, the successful tenderer will be required to execute an agreement in the departmental Schedule Contract Form, for the due fulfilment of the contract.

6. Failure to comply with the condition 5 above or to agree to carry out the work in accordance with the specifications and agreements in force, will entail forfeiture of the earnest money.

7. The earnest money of rejected tenders will be returned on submission of the receipt originally granted, along with an application to the Executive Engineer.

8. Copies of contract documents, schedules and drawings may be seen at any time at the Executive Engineer's Office, Chikmagalur, on all working days between 11 A.M. and 5 P.M.

9. Specific rates should be given for each item in the schedule accompanying the tender and the rates should be in rupees, annas and pies and expressed in words and figures. Tenders offering a percentage reduction on the estimate amount will be rejected.

10. Any rates or lumpsum amounts for the items not called for, if tendered by the tenderer, will not be taken notice of. The rates for such items may be entered in a separate schedule with date and reasons for the same.

11. No alterations which are made by the tenderers in the tender form in the nomenclature of the items of work will be recognised and if corrections are made, the tenders are liable to rejection.

12. There should be no alterations or erasures in the tenders in the rates of items and any corrections made in the rates should be attested to, and the number of corrections if any, in each page noted at the foot of the same by the tenderer.

13. No reference should be made to the Public Works Department schedule of rates.

14. In the event of the tender being submitted by a firm, it must be signed separately and severally by each member thereof or in the event of absence of any partner, it must be signed on his behalf by a person holding power-of-attorney authorising him to do so.

15. When once the rates tendered have been accepted, they will not be revised under any circumstances. In regard to items of work not tendered, the rates for the same will be calculated by the Executive Engineer on the basis of current rates for materials and labour with a contractor's profit of 5 per cent as may be approved by the Superintending Engineer. This shall be final and legally binding on the tenderer.

16. The quantities given in the schedule are only approximate and the drawings shown to the contractor are only tentative and are liable to alterations, omissions, deductions or additions, at the discretion of the Executive Engineer or his representative. The tendered rates will hold good for any quantity, whether higher or lower than those given in the enclosed schedule.

17. The works should be completed and handed over in a tidy condition to the Public Works Department by the end of May 1940, failing which the Executive Engineer may, at his discretion, levy a penalty of Rs. 100 per day which will ordinarily be calculated at 12 per cent per annum on the total outlay as liquidated damages for non-fulfilment of contract, and will be recovered from the contractors outstandings for the period exceeded by him beyond the time fixed and until the work is completed and handed over.

18. In all matters of disputes of any kind not specially provided for in the agreement or of rates, penalties, measurements, quality of work, etc., the decision of the Chief or the Superintending Engineer shall be final and legally binding.

19. No claim for damages for delays caused by officers of the department in the execution of the work will be considered, whatever may be the reasons for such delays. Contractors should bear this in mind when tendering for the work. Extension of time due to delays caused by the departmental officers will, however, be considered on the merits of each case.

20. The contract should not be sublet.

21. All materials, tools and plant and machinery that will be supplied by the Executive Engineer in the interest of the work shall be accepted by the tenderer at the rates fixed by the Executive Engineer. The tenderer will pay the hire on tools and plant and machinery as per rules from the date of taking over of such machinery, tools and plant from the Stores to the date of return thereto, the dates considered being the dates of acknowledgments of the vouchers in each transaction.

22. Chamundi brand cement must be used for the work.

23. The contractor should arrange for the payment of royalty and tolls.

Note.—(*a*) The contractor should at his own cost—

(1) Provide rods, stakes, ropes and labour required in setting out the works.
(2) Provide all necessary scaffolding, centering, labour and appliances for hoisting.
(3) Provide mortar mills and sheds, to keep materials under cover and also for workmen.
(4) Arrange for protecting work during inclement weather.
(5) Supply requisite temporary lights, water cisterns, water pumps and hoses, sieves, parahs, shoring, strutting and other requisite protective appliances during the progress of the work.
(6) Supply all water required for work and workmen and shall provide temporary latrines and drains.
(7) Clean away all dirt, rubbish, superfluous materials and debris as they accumulate.
(8) Provide arrangements for pumping and baling of water from excavations and foundations wherever and whenever necessary with his own pumping apparatus including necessary leading drains, slump pits, etc.
(9) Afford facilities to any other parties employed upon the work by the P. W. D., so that their work may proceed during the progress of the contract, and give such persons the use of ordinary scaffolding and ladders.
(10) The contractor is responsible for all accidents to workmen, etc., on the work and he must take precaution against all risk of accidents and if necessary provide for the same by insurance at the proper time.

Note.—(*b*) It is the business of the contractor to make his own arrangements for quarries and supplies of materials.

Approximate quantities for constructing an additional Class room in the Girls' Middle School at Chickmagalur.

No.	Description of work	Unit	Rate	Quantity	Cost
			Rs. a. p.		Rs.
1	Earthwork excavation for foundation and filling in basement including tamping and consolidation	C.yd.	..	52	
2	Burnt stone jelly concrete in chunam mortar for foundation	C.ft.	..	565	
3	Size stone in clay for foundation and basement with through bond stones at every 6′ apart including quoin dressing	,,	..	962	

No.	Description of work	Unit	Rate	Quantity	Cost
			Rs. a. p.		Rs.
4a	Burnt brick in clay for superstructure	C.ft.		1,743	
4b	Do in mortar	,,		157	
5	Teakwood doors with 3″×5″ frames and with panelled shutters 1″ thick, including iron hinges, bolts, hooks, etc., complete	S.ft.		56	
6	Teakwood windows of 3″×4½″ frames with panelled shutters and iron bars of approved size including hinges, bolts, etc., complete	,,		162	
7	Providing and fixing R.C.C. perforated ventilators of approved design	,,		54	
8	T. W. wrought and put up including 2 coats of wood oiling	C.ft.		89·8	
9	Roofing with Madras terrace with 3″ terrace bricks laid on edges 4″ of Kappy concrete, on top, 2 courses of flat tiles set in mortar and plastered over with 1″ thick approved asphaltic mortar	Sqr.		10·28	
10	Providing and fixing R. S. girders of Tata's tested quality including fixing, etc., complete	Cwt.		19·5	
11	Boxing girders with brick in cement and cement plastering to exposed faces, complete	R.ft.		114	
12	Plastering with chunam mortar (1 : 2)	Sqr.		35·37	
13	White-washing 2 coats	,,		35·37

22	Removing and refixing existing doors	,,		1	
23	Do windows	,,		2	
24	Dismantling brick in mortar wall for inserting doors	C.ft.		63	

Notification dated 9th February 1940.

1. Sealed tenders will be received at the Office of the Executive Engineer, Kadur Division, Chikmagalur, up to 3 P.M. on 11th March 1940, for the work of constructing a Rural Dispensary with Emergency Ward at Yagati, Kadur Taluk.

2. Tenders in the prescribed form obtainable at four annas per copy from the Office of the Executive Engineer, Kadur Division, should be addressed to the Executive Engineer, Kadur Division, Chikmagalur, in a sealed cover and superscribed as "Tender for the work of constructing Rural Dispensary with Emergency Ward at Yagati, Kadur Taluk." The name of the tenderer should also be superscribed on the top of the cover.

3. Each tender must be accompanied by a Treasury chellan for Rs. 160 (Rupees one hundred and sixty only) for having credited this earnest money to 17 (a) P. W. Deposits in any approved Government Treasury. The earnest money of the successful tenderer will be retained as security deposit for due fulfilment of the contract. Such a deposit will not carry any interest. Tenders unaccompanied by earnest money will not be accepted.

4. The tenders will be opened in the presence of such tenderers who wish to be present on 11th March 1940 at Chikmagalur. The final acceptance of the tender will rest with the Executive Engineer, who does not bind himself to accept the lowest or any tender, or to assign any reason whatever for the rejection of any.

5. The name of the successful tenderer will be posted on the Notice Board in the Executive Engineer's Office in due course. Within eight days of the acceptance of the tender, the successful tenderer will be required to execute an agreement in the departmental Schedule Contract Form for the due fulfilment of the contract.

6. Failure to comply with the condition 5 above or to agree to carry out the work in accordance with the specifications and agreements in force will entail forfeiture of the earnest money.

7. The earnest money of rejected tenders will be returned on submission of the receipt originally granted, along with an application to the Executive Engineer.

8. Copies of contract documents, schedules and drawings may be seen at any time at the Executive Engineer's Office, Chikmagalur, on all working days, between 11 A.M. and 5 P.M.

9. Specific rates should be given for each item in the schedule accompanying the tender and the rates should be in rupees, annas and pies and expressed in words and figures.

10. Any rates or lumpsum amounts for the items not called for, if tendered by the tenderer, will not be taken notice of. The rates for such items may be entered in a separate schedule with date and reasons for the same.

11. No alterations which are made by the tenderers in the tender form in the nomenclature of the items of work will be recognised and if corrections are made, the tenders are liable to rejection.

12. There should be no alterations or erasures in the tenders in the rates of items and any corrections made in the rates should be attested to, and the number of corrections, if any, in each page, noted at the foot of the same by the tenderer.

13. No reference should be made to the Public Works Department schedule of rates.

14. In the event of the tender being submitted by a firm, it must be signed separately and severally by each member thereof, or in the event of absence of any partner, it must be signed on his behalf by a person holding power-of-attorney authorising him to do so.

15. When once the rates tendered have been accepted, they will not be revised under any circumstances. In regard to items of work not tendered, the rates for the same will be calculated by the Executive Engineer on the basis of current rates for materials and labour with a contractor's profit of 5 per cent as may be approved by the Superintending Engineer. This shall be final and legally binding on the tenderer.

16. The quantities given in the schedule are only approximate and the drawings shown to the contractor are only tentative and are liable to alterations, omissions, deductions, or additions at the discretion of the Executive Engineer or his representative. The tendered rates will hold good for any quantity, whether higher or lower than those given in the enclosed schedule.

17. The works should be completed and handed over in a tidy condition to the Public Works Department by the end of June 1940, failing which the Executive Engineer may, at his discretion, levy a penalty of Rs. 100 for fortnight which will be recovered from the contractor's outstandings for the period exceeded by him beyond the time fixed and until the work is completed and handed over.

18. In all matters of disputes of any kind not specially provided for in the agreement or of rates, penalties, measurements, quality of work, etc., the decision of the Superintending Engineer shall be final and legally binding.

19. No claim for damages for delays caused by officers of the department in the execution of the work will be considered, whatever may be the reasons for such delays. Contractors should bear this in mind when tendering for the work. Extension of time due to delays caused by the departmental officers will, however, be considered on the merits of each case.

20. The contract should not be sublet.

21. All materials, tools and plant and machinery that will be supplied by the Executive Engineer in the interest of the work shall be accepted by the tenderer at the rates fixed by the Executive Engineer. The tenderer will pay the hire on tools and plant and machinery as per rules from the date of taking over of such machinery, tools and plant from the Stores to the date of return thereto, the dates considered being the dates of acknowledgments of the vouchers in each transaction.

22. Chamundi brand Cement must be used for the work.

23. The contractor should arrange for the payment of royalty and tolls.

Note.—(*a*) The contractor should at his own cost—

(1) Provide rods, stakes, ropes and labour required in setting out the works.
(2) Provide all necessary scaffolding, centering, labour and appliances for hoisting.
(3) Provide mortar mills and sheds to keep materials under cover and also for workmen.
(4) Arrange for protecting work during inclement weather.
(5) Supply requisite temporary lights, water cisterns, water pumps and hoses, sieves, parahs, shoring, strutting and other requisite protective appliances during the progress of the work.
(6) Supply all water required for work and workmen and shall provide temporary latrines and drains.
(7) Clean away all dirt, rubbish, superfluous materials and debris as they accumulate.
(8) Provide arrangements for pumping and baling of water from excavations and foundations whenever and whenever necessary with his own pumping apparatus including necessary leading drains, slump pits, etc.
(9) Afford facilities to any other parties employed upon the work by the P.W.D., so that their work may proceed during the progress of the contract, and give such persons the use of ordinary scaffolding and ladders.

(10) The contractor is responsible for all accidents to workmen, etc., on the work and he must take precaution against all risk of accidents and if necessary provide for the same by insurance at the proper time.

Note.—(*b*) It is the business of the contractor to make his own arrangements for quarries and supplies of materials.

Estimate for constructing a Rural Dispensary with Emergency Ward at Yagati, Kadur Taluk.

7	Providing G. I. pipe outlets	Each	..	2	
8	Providing drainage 6″ deep, 6″ wide in surki combination mortar concrete and cement plastering	R.ft.	..	60	
9	Providing slump pits	L. S.	..		

Notification dated 9th February 1940.

1. Sealed tenders will be received at the Office of the Executive Engineer, Kadur Division, Chikmagalur, up to 3 P.M. on 9th March 1940, for constructing a Girder Bridge across Seeke Halla at 6/19 of Narasimharajapura-Balehonnur Road.

2. Tenders in the prescribed form obtainable from the Office of the Executive Engineer, Kadur Division, Chikmagalur, on payment of annas four per each form should be addressed to the Executive Engineer, Kadur Division, Chikmagalur, in a sealed cover and superscribed as "Tender for constructing a Girder Bridge across Seeke Halla at 6/19 of Narasimharajapura-Balehonnur Road." The name of the tenderer should also be superscribed on the top of the cover.

3. Each tender must be accompanied by a deposit of Rs. 905 (rupees nine hundred and five only) in cash or Government Promissory Notes or Mysore Government Bonds, duly endorsed at face value or market value, whichever is less, as earnest money. The earnest money of the successful tenderer will be retained as security deposit for due fulfilment of the contract. Such a deposit in cash will not carry any interest.

4. The tenders will be opened in the presence of such tenderers who wish to be present on the date at the time of opening. The final acceptance of the tender will rest with the Superintending Engineer, who does nos bind himself to accept the lowest or any tender, or to assign any reason whatever for the rejection of any.

5. The name of the successful tenderer will be posted on the Notice Board in the Executive Engineer's office in due course. Within eight days of the acceptance of the tender, the successful tenderer will be required to execute an agreement in the Departmental Schedule Contract Form for the due fulfilment of the contract.

6. Failure to comply with the condition 5 above or to agree to carry out the work in accordance with the specifications and agreements in force will entail forfeiture of the earnest money.

7. The earnest money of rejected tenders will be returned on submission of the receipt originally granted, along with an application to the Executive Engineer.

8. Copies of contract documents, schedules and drawings may be seen at any time at the Executive Engineer's Office, Chikmagalur, on all working days, between 11 A.M. and 5 P.M.

9. Specific rates should be given for each item in the schedule accompanying the tender and the rates should be in rupees, annas and pies and expressed in words and figures. Tenders offering a percentage reduction on the estimate amount will be rejected.

10. Any rates or lumsump amounts for the items not called for, if tendered by the tenderer, will not be taken notice of. The rates for such items may be entered in a separate schedule with date and reasons for the same.

11. No alterations which are made by the tenderers in the tender form in the nomenclature of the items of work will be recognised and if corrections are made, the tenders are liable to rejection.

12. There should be no alterations or erasures in the tenders in the rates of items and any corrections made in the rates should be attested to and the number of corrections, if any, in each page noted at the foot of the same by the tenderer.

13. No reference should be made to the Public Works Department schedule of rates.

14. In the event of the tender being submitted by a firm, it must be signed separately and severally by each member thereof or in the event of absence of any partner, it must be signed on his behalf by a person holding power-of-attorney authorising him to do so.

15. When once the rates tendered have been accepted, they will not be revised under any circumstances. In regard to items of work not tendered, the rates for the same will be calculated by the Executive Engineer on the basis of current rates for materials and labour with a contractor's profit of 5 per cent as may be approved by the Superintending Engineer. This shall be final and legally binding on the tenderer.

16. The quantities given in the schedule are only approximate and the drawings shown to the contractor are only tentative and are liable to alterations, omissions, deductions or additions, at the discretion of the Executive Engineer or his representative. The tendered rates will hold good for any quantity, whether higher or lower than those given in the enclosed schedule.

17. The work should be completed and handed over in a tidy condition to the Public Works Department by the end of February 1941, failing which the Executive Engineer may, at his discretion, levy a penalty of Rs. 100 per day, which will ordinarily be calculated at 12 per cent per annum on the total outlay as liquidated damages for non-fulfilment of contract, and will be recovered from the contractor's outstandings for the period exceeded by him beyond the time fixed and until the work is completed and handed over.

18. In all matters of disputes of any kind not specially provided for in the agreement or of rates, penalties, measurements, quality of work, etc., the decision of the Chief or the Superintending Engineer shall be final and legally binding.

19. No claim for damages for delays caused by officers of the department in the execution of the work will be considered, whatever may be the reasons for such delays. Contractors should bear this in mind when tendering for the work. Extension of time due to delays caused by the departmental officers will, however, be considered on the merits of each case.

20. The contract should not be sublet.

21. All materials, tools and plant and machinery that will be supplied by the Executive Engineer in the interest of the work shall be accepted by the tenderer at the rates fixed by the Executive Engineer. The tenderer will pay the hire on tools and plant and machinery as per rules from the date of taking over of such machinery, tools and plant from the Stores to the date of return thereto, the dates considered being the dates of acknowledgments of the vouchers in each transaction.

22. Chamundi Brand Cement must be used for the work.

23. The contractor should arrange for the payment of royalty and tolls.

Note.—(*a*) The contractor should at his own cost—

(1) Provide rods, stakes, ropes and labour required in setting out the works.
(2) Provide all necessary scaffolding, centering labour and appliances for hoisting.
(3) Provide mortar mills and sheds, to keep materials under cover and also for workmen.
(4) Arrange for protecting work during inclement weather.
(5) Supply requisite temporary lights, water cisterns, water pumps and hoses, sieves, parahs, shoring, strutting and other requisite protective appliances during the progress of the work.
(6) Supply all water required for work and workmen and shall provide temporary latrines and drains.
(7) Clean away all dirt, rubbish, superfluous materials and debris as they accumulate.
(8) Provide arrangements for pumping and baling of water from excavations and foundations, wherever and whenever necessary with his own pumping apparasus including necessary leading drains, slump pits, etc.

(9) Afford facilities to any other parties employed upon the work by the P. W. D. so that their work may proceed during the progress of the contract, and give such persons the use of ordinary scaffolding and ladders.

(10) The contractor is responsible for all accidents to workmen, etc., on the work, and he must take precaution against all risk of accidents and, if necessary, provide for the same by insurance at the proper time.

Note.—(*b*) It is the business of the contractor to make his own arrangements for quarries and supplies of materials.

Abstract Estimate for constructing a girder bridge across Seeke Halla at 6/19 of Narasimharajapura-Balehonnur Road.

No.	Description of work	Unit	Rate	Quantity	Cost
	Bridge.		Rs. a. p.		Rs.
1	Jungle clearing and forming site	L. S.	..	..	
2	Pile foundations to consolidate soil below concrete	,,	..	..	
3	Baling out water in foundations	,,	..	..	
4	Earthwork excavation in soils from ordinary hard soil including gravel to soft rock and using the same to approaches	C.yd.	..	793	
5	Stone jelly concrete in surki cement combination mortar (1 : 6) proportion, including laying, tamping in layers of 6″ with watering, etc., complete	C.ft.	..	1,758	
6	Size stone in surki cement combination mortar (1 : 6) proportion, with bond stones every 6′ apart complete	,,	..	6,822	
7	Dressing charges for cut waters and edges of masonry 1½″ on each side	R.ft.	..	143	
8	Coping slabs of cement concrete (1 : 3 : 6) cast in situ and finished smooth with cement plaster (1 : 3)	C.ft.	..	38	
9	R.C.C. bearing slabs 1 : 2 : 4 with ½″ ϕ bars at 9″ C to C cast in situ with exposed faces finished smooth complete	,,	..	108	
9*a*	Providing and fixing M. S. anchor rods ¾″ ϕ as per design	No.	..	24	
10	Providing, hoisting and fixing R. S. beams of Tata's tested quality 20″×6½″×65 lbs. size complete with anchor bolts, one coat of paint, etc., complete	Cwt.	..	200	
11	Boxing girders with cement concrete (1 : 3 : 6) including wire netting, etc., and plastering smooth with cement mortar (1 : 3) as per required design	R.ft.	..	300	
12	R.C.C. deck slabs (1 : 2 : 4) cast in situ with reinforcements as per design including curing with centering charges, etc., and finishing of exposed faces smooth with cement plaster	C.ft.	..	963	
12*a*	Providing expansion joints in R.C.C. decking, ½″ of approved material	R.ft.	..	68	
13	Providing and fixing 1½″ G. I. pipe hand railing of four rows in angle iron uprights at 6′ C to C as per design complete	,,	..	222	
14	Providing and casting cement concrete (1 : 3 : 6) ornamental plasters as per design including finishing smooth with cement mortar with ends of G. I. pipes fixed complete ..	No.	..	12	
15	New rough stone work revetment with new jelly backing complete	C.yd.	..	150	
16	Cement pointing to superstructure	Sqr.	..	9	

No.	Description of work	Unit	Rate	Quantity	Cost
			Rs. a. p.		Rs.
	Approaches.				
1	Earthwork excavation and forming embankment by consolidating in 6″ layers including lead charges, etc., complete	C.yd.	..	1,548	
2	New rough stone revetment including jelly backing and foundations to sides of road embankment	,,	..	183	
3	Collecting and consolidating gravel including lead charges	,,	..	40	
4	Collecting, breaking and consolidating 1½″ quartz metal including lead charges	,,	..	100	
5	Collecting, spreading and consolidating sand with lead charges	,,	..	10	

Notification dated 9th February 1940.

1. Sealed tenders will be received at the Office of the Executive Engineer, Kadur Division, Chikmagalur, up to 3 P.M. on 11th March 1940, for the work of constructing a Rural dispensary with emergency ward at Mallandur, Chikmagalur Taluk.

2. Tenders in the prescribed form obtainable at four annas per copy from the Office of the Executive Engineer, Kadur Division, should be addressed to the Executive Engineer, Kadur Division, Chikmagalur, in a sealed cover and superscribed as "Tender for the work of constructing a Rural dispensary with emergency ward at Mallandur, Chikmagalur Taluk." The name of the tenderer should also be superscribed on the top of the cover.

3. Each tender must be accompanied by a Treasury chellan for Rs. 160 (Rupees one hundred and sixty only) for having credited this earnest money to "17 (a) P. W. Deposits" in any Government Treasury. The earnest money of the successful tenderer will be retained as security deposit for due fulfilment of the contract. Such a deposit in cash will not carry any interest. Tenders unaccompanied by earnest money will not be accepted.

4. The tenders will be opened in the presence of such tenderers who wish to be present on 11th March 1940, at Chikmagalur. The final acceptance of the tender will rest with the Executive Engineer, who does not bind himself to accept the lowest or any tender, or to assign any reason whatever for the rejection of any.

5. The name of the successful tenderer will be posted on the Notice Board in the Executive Engineer's Office in due course. Within eight days of the acceptance of the tender, the successful tenderer will be required to execute an agreement in the departmental schedule contract form, for the due fulfilment of the contract.

6. Failure to comply with the condition 5 above, or to agree to carry out the work in accordance with the specifications and agreements in force, will entail forfeiture of the earnest money.

7. The earnest money of rejected tenders will be returned on submission of the receipt originally granted, along with an application to the Executive Engineer.

8. Copies of contract documents, schedules and drawings may be seen at any time at the Executive Engineer's Office, Chikmagalur, on all working days between 11 A.M. and 5 P.M.

9. Specific rates should be given for each item in the schedule accompanying the tender and the rates should be in rupees, annas and pies and expressed in words and figures.

10. Any rates or lumpsum amounts for the items not called for, if tendered by the tenderer will not be taken notice of. The rates for such items may be entered in a separate schedule with date and reasons for the same. For items when lumpsum is shown in the abstract the tenderer should enter a rate against the lumpsum amount.

11. No alterations which are made by the tenderers in the tender form in the nomenclature of the items of work will be recognised and if corrections are made, the tenders are liable to rejection.

12. There should be no alterations or erasures in the tenders in the rates of items and any corrections made in the rates should be attested to, and the number of corrections, if any, in each page, noted at the foot of the same by the tenderer.

13. No reference should be made to the Public Works Department schedule of rates.

14. In the event of the tender being submitted by a firm, it must be signed separately and severally by each member thereof, or in the event of absence of any partner, it must be signed on his behalf by a person holding power-of-attorney authorising him to do so.

15. When once the rates tendered have been accepted, they will not be revised under any circumstances. In regard to items of work not tendered, the rates for the same will be calculated by the Executive Engineer, on the basis of current rates for materials and labour with a contractor's profit of 5 per cent as may be approved by the Superintending Engineer. This shall be final and legally binding on the tenderer.

16. The quantities given in the schedule are only approximate and the drawings shown to the Contractor are only tentative and are liable to alterations, omissions, deductions or additions at the discretion of the Executive Engineer or his representative. The tendered rates will hold good for any quantity whether higher or lower than those given in the enclosed schedule.

17. The works should be completed and handed over in a tidy condition to the Public Works Department by the end of June 1940, failing which, the Executive Engineer may, at his discretion, levy a penalty of Rs. 100 per fortnight, which will be recovered from the contractor's outstandings for the period exceeded by him beyond the time fixed and until the work is completed and handed over.

18. In all matters of disputes of any kind not specially provided for in the agreement or of rates, penalties imposed, measurements, quality of work, etc., the decision of the Superintending Engineer shall be final and legally binding.

19. No claim for damages for delays caused by officers of the department in the execution of the work will be considered, whatever may be the reasons for such delays. Contractors should bear this in mind when tendering for the work. Extension of time due to delays caused by the departmental officers will, however, be considered on the merits of each case.

20. The contract should not be sublet.

21. All materials, tools and plant and machinery that will be supplied by the Executive Engineer in the interest of the work shall be accepted by the tenderer at the rates fixed by the Executive Engineer. The tenderer will pay the hire on tools and plant and machinery as per rules from the date of taking over of such machinery, tools and plant from the Stores to the date of return thereto, the dates considered being the dates of acknowledgments of the vouchers in each transaction.

22. Chamundi brand cement must be used for work.

23. The contractor should arrange for the payment of royalty and tolls.

Note.—(*a*) The contractor should at his own cost—

(1) Provide rods, stakes, ropes and labour required in setting out the works.

(2) Provide all necessary scaffolding, centering, labour and appliances for hoisting.

(3) Provide mortar mills, and sheds, to keep materials under cover and also for workmen.

(4) Arrange for protecting work during inclement weather.

(5) Supply requisite temporary lights, water cisterns, water pumps and hoses, sieves, parahs, shoring, strutting and other requisite protective appliances during the progress of the work.

(6) Supply all water required for work and workmen and shall provide temporary latrines and drains.

(7) Clean away all dirt, rubbish, superfluous materials and debris as they accumulate.

(8) Provide arrangements for pumping and baling of water from excavations and foundations, wherever and whenever necessary with his own pumping apparatus, including necessary leading drains, slump pits, etc.

(9) Afford facilities to any other parties employed upon the work by the P. W. D., so that their work may proceed during the progress of the contract and give such persons the use of ordinary scaffolding and ladders.

(10) The contractor is responsible for all accidents to workmen, etc., on the work and he must take precaution against all risk of accidents and if necessary, provide for the same by insurance at the proper time.

Note—(*b*) It is the business of the contractor to make his own arrangements for quarries and supplies of materials.

Notification dated 9th February 1940.

1. Sealed tenders will be received at the Office of the Executive Engineer, Kadur Division, Chikmagalur, up to 3 P.M. on 11th March 1940, for the work of constructing a Rural Dispensary with Emergency Ward at Singatagere, Kadur Taluk.

2. Tenders in the prescribed form obtainable at four annas per copy from the Office of the Executive Engineer, Kadur Division, should be addressed to the Executive Engineer, Kadur Division, Chikmagalur, in a sealed cover and superscribed as " Tender for the work of constructing a Rural Dispensary with Emergency Ward at Singatagere, Kadur Taluk." The name of the tenderer should also be superscribed on the top of the cover.

3. Each tender must be accompanied by a Treasury challan for Rs. 160 (Rupees one hundred and sixty only) for having credited this earnest money to 17 (a) P. W. Deposits in any approved Government Treasury. The earnest money of the successful tenderer will be retained as security deposit for the due filfulment of the contract. Such a deposit will not carry any interest. Tenders unaccompanied by earnest money will not be accepted.

4. The tenders will be opened in the presence of such tenderers who wish to be present on 11th March 1940 at Chikmagalur. The final acceptance of the tender will rest with the Executive Engineer, who does not bind himself to accept the lowest or any tender, or to assign any reason whatever for the rejection of any.

5. The name of the successful tenderer will be posted on the Notice Board in the Executive Engineer's office in due course. Within eight days of the acceptance of the tender, the successful tenderer will be required to execute an agreement in the Departmental Schedule Contract Form for the due fulfilment of the contract.

6. Failure to comply with the conditon 5 above or to agree to carry out the work in accordance with the specifications and agreements in force will entail forfeiture of the earnest money.

7. The earnest money of rejected tenders will be returned on submission of the receipt originally granted, along with an application to the Executive Engineer.

8. Copies of contract documents, schedules and drawings may be seen at any time at the Executive Engineer's Office, Chikmagalur, on all working days, between 11 A.M. and 5 P.M.

9. Specific rates should be given for each item in the schedule accompanying the tender and the rates should be in rupees, annas and pies and expressed in words and figures.

10. Any rates or lumsump amounts for the items not called for, if tendered by the tenderer, will not be taken notice of. The rates for such items may be entered in a separate schedule with date and reasons for the same.

11. No alterations which are made by the tenderers in the tender form in the nomenclature of the items of work will be recognised and if corrections are made, the tenders are liable to rejection.

12. There should be no alterations or erasures in the tenders in the rates of items and any corrections made in the rates should be attested to and the number of corrections, if any, in each page noted at the foot of the same by the tenderer.

13. No reference should be made to the Public Works Department schedule of rates.

14. In the event of the tender being submitted by a firm, it must be signed separately and severally by each member thereof or in the event of absence of any partner, it must be signed on his behalf by a person holding power-of-attorney authorising him to do so.

15. When once the rates tendered have been accepted, they will not be revised under any circumstances. In regard to items of work not tendered, the rates for the same will be calculated by the Executive Engineer on the basis of current rates for materials and labour with a contractor's profit of 5 per cent as may be approved by the Superintending Engineer. This shall be final and legally binding on the tenderer.

16. The quantities given in the schedule are only approximate and the drawings shown to the contractor are only tentative and are liable to alterations, omissions, deductions or additions, at the discretion of the Executive Engineer or his representative. The tendered rates will hold good for any quantity, whether higher or lower than those given in the enclosed schedule.

17. The work should be completed and handed over in a tidy condition to the Public Works Department by the end of June 1940, failing which the Executive Engineer may, at his discretion, levy a penalty of Rs. 100 per fortnight which will be recovered from the contractor's outstandings for the period exceeded by him beyond the time fixed and until the work is completed and handed over.

18. In all matters of disputes of any kind not specially provided for in the agreement or of rates, penalties, measurements, quality of work, etc., the decision of the Superintending Engineer shall be final and legally binding.

19. No claim for damages for delays caused by officers of the department in the execution of the work will be considered, whatever may be the reasons for such delays. Contractors should bear this in mind when tendering for the work. Extension of time due to delays caused by the departmental officers will, however, be considered on the merits of each case.

20. The contract should not be sublet.

21. All materials, tools and plant and machinery that will be supplied by the Executive Engineer in the interest of the work shall be accepted by the tenderer at the rates fixed by the Executive Engineer. The tenderer will pay the hire on tools and plant and machinery as per rules from the date of taking over of such machinery, tools and plant from the Stores to the date of return thereto, the dates considered being the dates of acknowledgments of the vouchers in each transaction.

22. Chamundi Brand Cement must be used for the work.

23. The contractor should arrange for the payment of royalty and tolls.

Note.—(*a*) The contractor should at his own cost—

(1) Provide rods, stakes, ropes and labour required in setting out the works.
(2) Provide all necessary sacffolding, centering labour and appliances for hoisting.
(3) Provide mortar mills and sheds, to keep materials under cover and also for workmen.
(4) Arrange for protecting work during inclement weather.
(5) Supply requisite temporary lights, water cisterns, water pumps and hoses, sieves, parahs, shoring, strutting and other requisite protective appliances during the progress of the work.
(6) Supply all water required for work and workmen and shall provide temporary latrines and drains.
(7) Clean away all dirt, rubbish, superfluous materials and debris as they accumulate.
(8) Provide arrangements for pumping and baling of water from excavations and foundations, wherever and whenever necessary with his own pumping apparatus including necessary leading drains, slump pits, etc.
(9) Afford facilities to any other parties employed upon the work by the P. W. D. so that their work may proceed during the progress of the contract, and give such persons the use of ordinary scaffolding and ladders.
(10) The contractor is responsible for all accidents to workmen, etc., on the work, and he must take precaution against all risk of accidents and, if necessary provide for the same by insurance at the proper time.

Note.—(*b*) It is the business of the contractor to make his own arrangements for quarries and supplies of materials.

L. MUNISWAMY,
For Ex-officio *Controller of Patents and Designs.*

VACCINE INSTITUTE, LAL-BAGH ROAD, BANGALORE.

Notice dated 5th February 1940.

It is hereby notified that about 50 Cart-loads of manure (exact quantity not guaranteed), available in this Institute, will be sold by public auction at 4 P.M. on February 20, 1940 at the Institute premises.

The auction is subjected to the usual conditions governing such auctions. The manure is open to inspection on any working day between 4 and 5 P.M. The highest bidder, who is the purchaser, should, on the spot, pay the amount in full settlement and may remove the manure within a week from the date of acceptance of the purchase.

C. GOPALRAJ CHETTY,
Superintendent (in charge).

SRI NARASIMHARAJA HOSTEL, BANGALORE.

Tender Notice dated 15th February 1940.

1. Notice is hereby given that sealed tenders will be received by the Warden, Sree Narasimharaja Hostel, Bangalore, for the supply of vegetables required for the Hostel from 14th May 1940 to 17th March 1941, at the Hostel premises on any day between 10th and 15th March 1940, during office hours, *viz.*, 8 A.M. to 11 A.M.

2. No tender will be received after 11 A.M. on Friday the 15 March 1940.

3. Tenders are to be superscribed "Tenders for the supply of vegetables to the Sri Narasimharaja Hostel."

4. No tenders will be received unless accompanied by a receipt for Rs. 15 deposited in the State Huzur Treasury at Bangalore, as earnest money for tenders to the credit of the Warden, Sri Narasimharaja Hostel, Bangalore. Such receipts should not be enclosed in the sealed cover containing the tenders, but should be delivered separately along with the cover. No cash payment in this office will be accepted.

5. All tenders must specify, in words and figures, the rates at which vegetables will be supplied in pounds weight per rupee. No separate rates for each kind of vegetables need be quoted, but rates should be specified for greens and solid vegetables.

6. Tenders will be opened by the President in the presence of two of the Committee members and such of the tenderers as may choose to be present at the Hostel on 15th March 1940 at 4-30 P.M. in the Hostel.

7. The Managing Committee of the Hostel reserve the right of rejecting any tender without assigning any reason for such rejection.

8. The deposit of the successful tenderer will be forfeited if he fails to execute the contract bond within seven days from the date of acceptance of his tender. The deposit of unsuccessful tenderers will be refunded.

9. The probable quantity of vegetables required will be from 40 to 50 lbs. daily, and it must be supplied by 10 A.M. every day, but the quantity cannot be guaranteed.

10. Only good and succulent vegetables after inspection and approval by the Warden will be accepted. Vegetables rejected should be replaced within an hour of rejection and the decision of the President shall be final in all matters concerning the quality of vegetables.

11. The following are some of the varieties of vegetables that would be accepted for supply in rotation. Two kinds of vegetables, namely, greens and solid vegetables are to be supplied as per time table followed :—

Under greens, the following are a few :—

1. Soyee greens.
2. Menthya greens.
3. Chokotha greens.

Under solid vegetables, the following are a few :—

1. Beans.
2. Cabbages.
3. Knol khols.
4. Tomatoes.
5. Gorikoy.
6. Brinjals.
7. Potatoes.
8. Radish.
9. Snake gourds, etc.

and such other vegetables as may be previously approved by the Warden.

12. The contractor should submit his bills in duplicate in English or Kannada for the cost of all the articles supplied on or before 5th of the ensuing month.

13. No advance of cash will be made to the contractor. Payments for the articles supplied will be made by the Warden in charge of the Hostel on the production of a bill in duplicate in the prescribed form from the contractor.

14. A fine not exceeding Rs. 3 will be levied at the discretion of the President for every infringement of the stipulation by the contractor. If the stipulation of the contract be frequently violated, the President will annul the contract, and the earnest money deposited will be forfeited to Government.

15. The decision of the President shall be final in all matters of the infringement of contract.

16. The contractor will also be bound to make good to Government any loss which may arise from his failure or by the Warden having to purchase the articles specified in the contracts in the local markets at higher rates than those contracted for.

17. Any other articles not mentioned in the list, if required by the Warden, will have to be supplied by the contractor at market rates.

Tender Notice dated 15th February 1940.

1. Notice is hereby given that sealed tenders with samples will be received by the Warden, Sri Narasimharaja Hostel, Bangalore, for the supply of stationery and other articles required for the use of the Hostel from 14th May 1940 to 17th March 1941, at the Hostel on any day between 10th and 15th March 1940, during office hours, *viz.*, 8 A.M. to 11 A.M.

2. No tender will be received after 11 A.M. on Friday the 15th March 1940.

3. Tenders are to be superscribed "Tender for the supply of stationery and miscellaneous articles for the Sri Narasimharaja Hostel, Bangalore."

4. No tenders will be received unless accompanied by a receipt for Rs. 50 deposited in the State Huzur Treasury at Bangalore as earnest money for tenders to the credit of the Warden, Sri Narasimharaja Hostel, Bangalore. Such receipts should not be enclosed in the sealed cover containing the tenders but should be delivered separately along with the cover. No cash payment in this Office will be accepted.

5. Tenders will be opened by the President in the presence of the two Committee members and such of the tenderers as may choose to be present at the Hostel on 15th March 1940.

6. The Managing Committee of the Hostel reserve the right of rejecting any tender without assigning any reason for such rejection.

7. The successful tenderer should execute a bond to supply all miscellaneous articles required for the use of the Hostel at market rates within twelve hours of notice by the Warden of the Hostel within seven days after the tender is accepted, failing which the earnest money will be forfeited to Government and the tenderer will be legally responsible for any loss to the Hostel.

8. The deposit of the unsuccessful tenderers will be returned to them.

9. No advance will be paid to the Contractor. Payments will be made by the Warden in charge of the Hostel on the production of bills by the contractor at the end of each month.

10. The contractor should submit his bills in duplicate in English or Kannada, with calculations correctly made on the 1st week of the succeeding month.

11. The contract shall not be sublet.

12. The contractor shall replace all articles rejected by the Warden of the Hostel.

13. The quantities stated in the schedule are only approximate and the contractor should be prepared to supply more or less according to requirements at the same contracted rates.

Tender Notice dated 15th February 1940.

1. Notice is hereby given that sealed tenders together with samples packed in glass bottles, will be received by the Warden, Sri Narasimharaja Hostel, Bangalore, for the supply of provisions, etc., required for the Hostel from 14th May 1940 to 17th March 1941, on any day between the 10th and 15th March 1940 during office hours, *viz.*, 8 A.M. to 11 A.M.

2. No tender will be received from those who have no regular shops in Bangalore City or Bangalore Cantonment.

3. No tender will be received after 11 A.M. on Friday the 15th March 1940.

4. Tenders are to be superscribed "Tender for the supply of provisions to Sri Narasimharaja Hostel, Bangalore."

5. No tenders will be received unless accompanied by a receipt for Rs. 100 deposited in the State Huzur Treasury at Bangalore, as earnest money for tenders to the credit of the Warden, Sri Narasimharaja Hostel, Bangalore. Such receipts should not be enclosed in the sealed cover containing the tenders, but should be delivered separately along with the cover. No cash payment in this office will be accepted.

6. Tenders will be opened by the President in the presence of two of the Committee members and such of the tenderers as may choose to be present at the Hostel on 15th March 1940 at 4-30 P.M.

7. The Managing Committee of the Hostel reserve the right of rejecting any tender without assigning any reason for such rejection.

8. The deposit of the successful tenderer will be forfeited if he fails to execute the contract bond within seven days from the date of acceptance of this tender. The deposit of the unsuccessful tenderers will be refunded.

9. No advance of cash will be made to the contractor. Payments for the articles supplied will be made by the Warden in charge of the Hostel on the production of a Bill in duplicate in the prescribed form, by the Contractor.

10. The Contractor should submit his bill in duplicate in English or Kannada for the cost of all the articles supplied, within the 1st week of the ensuing month.

11. The contract shall not be sublet.

12. The contractor should keep all non-perishable articles, in the Store Room of the Hostel, which will be kept at his disposal. Not more than two weeks' supply should be kept in the Store Room. All perishable articles should be at the Hostel before 5 P.M. of the previous day. All articles rejected should be immediately removed from the Store Room and replaced within two hours; if not, the Warden will buy the articles required in the bazaar and the contractor shall pay for it with the cost of transit thereof. The Store Room should be kept clean and tidy, and must be opened for inspection of the officers connected with the Hostel.

13. A fine not exceeding Rs. 10 will be levied at the discretion of the President for every infringement of the stipulation of the contract. If the stipulation of the contract be frequently violated, the President will annul the contract and the earnest money deposited will be forfeited to Government.

14. The decision of the President shall be final in all matters of the infringement of the contract.

15. The sale of the articles at the Contractor's room to outsiders is strictly prohibited.

16. The Contractor should be prepared to supply any other commodity whenever required in addition to those mentioned in the Schedule.

17. The quantities stated in the Schedule are only approximate and the Contractor should be prepared to supply more or less according to requirements.

18. If the Contractor, after undertaking the contract, is not willing to carry out his agreement, he shall give a month's notice and shall forfeit the earnest money to the Government.

Tender Notice dated 15th February 1940.

1. Notice is hereby given that sealed tenders will be received by the Warden, Sree Narasimharaja Hostel, Bangalore, for the supply of milk and curds required for the hostel from 14th May 1940 to 17th March 1941, at the hostel premises, on any day between 10th and 15th March 1940, during office hours, *viz.*, 8 A.M. and 11 A.M.

2. No tender will be received after 11 A.M. on Friday the 15th March 1940.

3. Tenders are to be superscribed "Tender for the supply of milk and curds to the Sree Narasimharaja Hostel, Bangalore."

4. No tenders will be received unless accompanied by a receipt for Rs. 10 deposited in the State Huzur Treasury at Bangalore, as earnest money for tenders to the credit of the Warden, Sree Narasimharaja Hostel, Bangalore. Such receipts should not be enclosed in the sealed cover containing the tenders, but should be delivered separately along with the cover. No cash payment in this office will be accepted.

5. All tenderers must specify, in words and figures, the rates at which each item will be supplied in seers per rupee.

6. Tenders will be opened by the President in the presence of two of the Committee members and such of the tenderers as may choose to be present, at the Hostel on 15th March 1940 at 4-30 P.M.

7. The Managing Committee of the hostel reserve the right of rejecting any tender without assigning any reason for such rejection.

8. The deposit of the successful tenderer will be forfeited if he fails to execute the contract bond within seven days from the date of acceptance of his tender. The deposits of unsuccessful tenderers will be refunded.

9. The probable quantity of curds required will be from 7 to 10 seers daily; it must be supplied by 8 A.M. every day, but the quantity cannot be guaranteed.

10. Only pure and unadulterated curds and milk after inspection and approval by the Warden will be accepted. Curds or milk rejected should be replaced within one hour of rejection and the decision of the President shall be final in all matters concerning the quality of curds.

11. The contractor should submit his bills in duplicate in English or Kannada for the cost of all the articles supplied on the first of the ensuing month.

12. No advance of cash will be made to the contractor. Payments for the articles supplied will be made by the Warden in charge of the hostel on the production of a bill in duplicate in the prescribed form by the contractor.

13. A fine not exceeding Rs. 3 will be levied at the discretion of the President for every infringement of the stipulation by the contractor. If the stipulation of the contract be frequently violated, the President will annul the contract and the earnest money deposited will be forfeited to Government.

14. The decision of the President shall be final in all matters of the infringement of contract.

15. The contractor will also be bound to make good to Government any loss which may arise from his failure or by the Warden having to purchase the articles specified in the contracts in the local markets at higher rates than those contracted for.

16. Any other articles not mentioned in the list, if required by the Warden, will have to be supplied by the contractor at market rates.

M. S. RAJAGOPAL RAO,
President.

GOVERNMENT OF MYSORE—ELECTRICAL DEPARTMENT.

OFFICE OF THE DEPUTY CHIEF ELECTRICAL ENGINEER IN MYSORE, BANGALORE.

Abstract Notification No. 21, dated 29th January 1940.

V. C. INSULATED CABLES.

Attention is drawn to this office Notification dated 29th January 1940, inviting tenders for the above work, published in Part VI, page 236 of the *Mysore Gazette*, dated 1st February 1940. The last date of receiving tenders is 19th February 1940.

Abstract Notification dated 3rd February 1940.

Subject:—TOOLS REQUIRED FOR AUTOMATIC TELEPHONE.

Attention is drawn to this office Notification dated 2nd February 1940, inviting tenders for the above work, published in Part VI, pages 279-280, of the *Mysore Gazette*, dated 8th February 1940. The last date for receiving tenders is 23rd February 1940.

M. HAYATH,
Deputy Chief Electrical Engineer.

OFFICE OF THE SUPERINTENDENT, POWER & LIGHT, MYSORE.

Abstract Notification dated the 3rd February 1940.

Attention of the public is hereby invited to the detailed Notification dated the 3rd February 1940, appearing on pages 280-281, of Part VI of the *Mysore Gazette*, dated 8th February 1940, in connection with the installation of Heating Circuit to the Ayurvedic College, Mysore.

M. M. ALI KHAN,
Superintendent.

MYSORE STATE RAILWAY.

OFFICE OF THE CONTROLLER OF STORES, MYSORE.

Abstract Notification.

The attention of the public is hereby invited to the notification dated 25th January 1940, published in the *Mysore Gazette*, dated 1st February 1940 on page 237 of Part VI, regarding sale by Public Auction of dealwood boxes, crates, empty iron drums of four and five gallon capacity kegs and one gallon tins, etc., at Railway Central Stores, near Railway Central Workshops, Mysore South, on Sunday the 25th February 1940 at 9-30 A.M.

A. VISWANATH,
Controller of Stores.

OFFICE OF THE ASSISTANT COMMISSIONER, MADHUGIRI SUB-DIVISION, MADHUGIRI.

Tender Notification No. 2 *of* 1939-40.

1. Sealed tenders will be received at the office of the Assistant Commissioner, Madhugiri Sub-Division, up to 2 P.M. on 28th February 1940, for sinking draw wells in the villages of Madhugiri Taluk as noted below.

2. Tenders in the annexed form and addressed to the Assistant Commissioner, in a sealed cover and superscribed as "Tender for well works at (village) .....of.....Taluk" and the name of the tenderer should also be superscribed on the top of the cover.

3. Each tender must be accompanied by a Treasury receipt of Rs. (noted below) as paid as earnest money to the treasury to the credit of the R. W. S. Funds in the name of the Assistant Commissioner, Madhugiri Sub-Division. The earnest money of the successful tenderer will be retained as security for the fulfilment of the contract. Such deposits in cash will not carry any interest.

4. The tenders will be opened in the presence of such of the tenderers as wish to be present in the Taluk Office of Madhugiri on 29th February 1940, at 1 P.M. by the Sub-Division Officer, Madhugiri. The final acceptance of the tender will rest with the Assistant Commissioner who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

5. The name of the successful tenderer will be posted on the notice Board in the Taluk Office, Madhugiri and in the Sub-Division Office, Madhugiri, in due course. Within eight days of the acceptance of the tender the successful tenderer will be required to execute an agreement on a stamped paper for the due performance of the contract in accordance with the estimate for the work. In default, his tender will be considered as cancelled and the earnest money deposited by him will be forfeited.

6. On acceptance of one of the tenders the earnest money in respect of rejected tenders will be returned to the depositors.

7. The contractor should at his own cost pay the charges on account of materials, implements, clearing sites, arrangements, if any, made for protecting works during inclement weather, water pumps, royalty and tolls.

8. The contractor is responsible for all accidents to workmen, etc., during the execution of the work and he must take precautions against all risk of accidents.

9. It is the business of the contractor to make his own arrangements for quarries and supply of materials.

10. Rates for non-tendered items shall be as per schedule rates. In all disputes of any kind, the decision of the Assistant Commissioner, Madhugiri Sub-Division, will be final and legally binding.

11. The work should be completed and handed over in a tidy condition to the Amildar, Madhugiri Taluk, by the end of May 1940, failing which the Assistant Commissioner may, at his discretion, levy a penalty which will ordinarily be claculated at 12 per cent per annum on the total outlay as liquidated damages for the period exceeded by him beyond the time fixed in the contract.

12. No claim for damages for delays by officers of the department in the execution of the work will be considered, whatever may be the reason for such delays. Contractors should bear this in mind when tendering for the work. Extension of time due to delays caused by the departmental officers will, however, be considered on the merits of each case. The contract should not be sublet.

13. The estimates will be open for inspection by the tenders in the Taluk Office, Madhugiri, during office hours on working days.

List of well works sanctioned in Madhugiri Taluk, Tumkur District, from R. W. S. Funds for the year 1939-40.

Sowcar Abdul Khuddus Khan and brother, by Abdul Khuddoos Khan, son of Lal Mahommed Khan, Mahomedan, resident of Bhadravati.

vs.

(1) K. Phaniyappiah *bin* Sreenivasaiah, Proprietor of the Modern Hindu Hotel, Bhadravati, (2) (Alienee) :—M. Naranappaiah, son of Narasimhaiah, Hotel Keeper, Bhadravati .. .. *Opponents. (Debtors).*

Whereas the abovenamed petitioners (creditors) have applied to this Court by petitions dated 24th August 1939, 31st August 1939, etc., to declare the 1st opponent (debtor) as insolvent under Section 13 Clause (2) of the Mysore Insolvency Act and your names appear in the list of opponents (1st debtor), (2nd alienee) filed by the aforesaid petitioners (creditors), this is to give you notice that the Court has fixed the 22nd day of February 1940 for the hearing of the above petition and the examination of the debtor, if you desire to be represented in the matter you should attend in person or by duly instructed Pleader.

Given under my hand and the seal of the Court, this 5th day of February 1940.

R. PUTTARAJ URS,
Subordinate Judge.

IN THE COURT OF THE MUNSIFF AT CHITALDRUG.

28 *Insolvency Case No.* 6 *of* 1939-40.

Venkataramana Setty, son of Ramanna, resident of Bommagondanakere in Molakalmuru Taluk .. .. *Petitioner. (Debtor).*

vs.

(1) Dodda Thippiah, (2) Sanna Thippiah, sons of Basappa, Bommagondanakere, in Molakalmuru Taluk, (3) Veerabhadrappa, son of N. Channabasappa, resident of Molakalmuru, (4) Rekalakunte Krishnappa, son of Hanumanthappa, resident of Rayadurga, (5) Gadde Veeranna, son of Veerabhadrappa, Brucepet, Bellary, (6) Venkataramanappa, son of Yankappa, Amarapura, in Madakasira Taluk, Ananthapur District .. *Opponents. (Creditors).*

Whereas the abovenamed petitioner has applied to this Court, by a petition dated 3rd October 1939, to be declared an insolvent under the Mysore Insolvency Act VI, and your names appear in the list of creditors filed by the aforesaid debtor, this is to give you notice that the Court has fixed the 11th day of March 1940 for the hearing of the aforesaid petition and for the examination of the debtor. If you desire to be represented in the matter, you should attend in person or by duly instructed pleader.

Given under my hand and the seal of the Court, this 10th day of February 1940.

A. A. MAJID,
Munsiff.

30 NOTICE.

The Mysore Government Promissory Note No. C. 001614 of the 6¼ per cent loan of 1920 for Rs. 50-0-0 originally standing in the name of one Mr. Giriyanna (deceased) is destroyed on account of accidental fire. Notice is hereby given that payment of the above note and the interest thereupon has been stopped by the Comptroller to the Government of His Highness the Maharaja of Mysore and that application is about to be made for the issue of the duplicate in favour of the proprietor. The public are cautioned against purchasing or otherwise dealing with the abovementioned security.

GANGA HANUMIAH SON OF GIRIYAPPA,
Hullenahally, Magadi Taluk.

GOVERNMENT OF MYSORE, STORES PURCHASE COMMITTEE, BANGALORE.

No. S. P. C. 26671-84, *dated 7th February* 1940.

To

The Firms dealing in Electric Fans.

Enquiry No. 3907.

EXHAUST FANS FOR SIVASAMUDRAM.

GENTLEMEN,

I write to request you to quote your best price and the earliest time of delivery for the following materials :—

Twenty-four Exhaust Fans, 30″ sweep, 220-volts, 25 cycles, suitable for being fixed as per drawing which will be sent on application.

The above fans are required for displacing hot air at a temperature varying between 120° and 130°F. from the Generating Station at Sivasamudram.

Tenderers should quote for fans suitable for single phase supply and alternatively for 3 phase supply and should furnish the displacement in C.ft. per hour, of the fans offered.

Full specifications and illustrative details of the fans offered should be furnished along with the quotations without which no quotation will be considered.

The quotation should be sent in duplicate.

The price to be quoted should for delivery, c.i.f., Madras.

This enquiry will close on the 11th March 1940.

No. S. P. C. 26884-91, *dated 8th February* 1940.

To

The Firms dealing in Monotype paper.

Enquiry No. 3910.

MONOTYPE PAPER.

DEAR SIR/GENTLEMEN,

Please be good enough to intimate your best prices and the earliest time of delivery for the materials described in the undermentioned schedule in the form printed below.

It should be distinctly understood that the acceptance by us of your quotation will be subject to the following conditions :—

Withdrawal from the quotation after it is accepted or failure to make the supply within the specified time or according to specifications will entail cancellations of the order and purchases being made at your expense from other sources in addition to the levy of a penalty of 3 per cent of the value of the order as and by way of liquidated damages. In such an event, the Stores Purchase Committee reserve the right to remove your name from the list of approved firms.

The quotations should be superscribed "Quotations for Monotype paper" with the above enquiry number.

This enquiry will be closed on the 20th February 1940.

Schedule.

Item No.	Description of material offered	Quantity	Price quoted F. O. R.	Time of delivery
1	Monotype paper in Rolls—each Roll weighing 2 lbs. 2 ozs. (Monotype Trade mark) ..	350 Rolls	*Bangalore City.*	

No. S. P. C. 27131-40, *dated 12th February* 1940.

To

The Firms dealing in Thread Reels.

THREAD REELS.

GENTLEMEN,

Please quote your best present price and terms of delivery for the following articles f.o.r., Bangalore City Railway Station for free delivery at the Government Stationery Depot, Bangalore :—

20 gross—Thread Reels, white, Horse Brand No. 10, 4 cord, by J. Carlyle & Sons.

As the articles are required urgently, your quotation should definitely indicate the time required by you to complete the supply.

This enquiry will be closed on the 20th of February 1940.

Yours faithfully,
MIR SAFDAR HUSSAIN,
Secretary,
Stores Purchase Committee.

Notification No. 4665—*C. R. B.* 67-39-1, *dated* 12*th February* 1940.

Applications in the form prescribed by the Central Recruitment Board are hereby invited from both Brahmin and Backward community candidates with a minimum General qualification of S.S.L.C. and also a pass in the Draughtsman's examination or the Sub-Overseer's examination from the School of Engineering, for issuing supplemental lists for Assistant Draughtsmen and Tracers, in accordance with the revised rules of Recruitment, issued with Government Order No. 6-105—C. R. B. 1-34-1, dated the 3rd July 1934 and published in Part I of the *Mysore Gazette*, dated the 5th July 1934.

1. The candidates must be Mysoreans by birth or domicile. Where an applicant claims to be a domiciled Mysorean, a certificate from a Gazetted Officer of the Mysore Service showing the grounds for the claim of domicile should be enclosed.

2. *Age limit.*—The maximum age of entry into service will be 25 years in the case of Brahmin candidates and 28 years in the case of Backward community candidates.

3. *Departmental tests.*—In addition to the general educational qualifications specified above, candidates may be required to pass such departmental tests as may be prescribed by Government from time to time.

4. As vacancies occur, the appointments will be made from the approved lists according to the relative order of mention therein of the names of candidates.

5. The appointed candidate will be started as Probationer in the Unit of recruitment and will, on the cessation of the temporary or acting vacancy in which he is appointed, be as far as possible, continued and provided in other vacancies of the same class, till he is finally absorbed. He will ordinarily start at the bottom of service in the class to which he is appointed and will be on probation for a period of one year from the date on which he joins duty.

6. Intending candidates should submit their applications in duplicate in the prescribed form together with copies of testimonials, etc., so as to reach the undersigned on or before the 10th March 1940.

7. No notice will be taken of applications that are not in response to this Notification or are received after the due date or are not submitted in the prescribed form or do not furnish all the particulars required in various columns of the form.

8. Candidates who are already holding permanent or acting appointments and candidates whose names have already been assigned to some units must not apply.

9. Severe notice will be taken of the candidates who give false information.

By Order,
K. THIPPERUDRIAH,
Secretary,
Central Recruitment Board.

ENGINEERING DEPARTMENT.

BANGALORE DIVISION.

Notification dated 10th February 1940.

1. Sealed tenders will be received at the Office of the Executive Engineer, Bangalore Division, up to 2 P.M. on 4th March 1940, for Restoring and Improving Bettahalli Urumundinkere, Reg. No. 107, Kudur Hobli, Magadi Taluk.

2. Tenders in the prescribed form obtainable on payment of Re. 0-4-0 per form from the Office of the Executive Engineer, Bangalore Division, should be addressed to the Executive Engineer, Bangalore Division, in a sealed cover and superscribed as "Tender for restoring and improving Bettahalli Urumundinkere, Reg. No. 107 of Magadi Taluk. The name of the tenderer should also be superscribed on the top of the cover.

3. Each tender must be accompanied by a duplicate challan for having credited into the Treasury the deposit amount of Rs. 200 under "17(*a*) P. W. Deposits" or Mysore Government Bonds, duly endorsed at face value or market value, whichever is less, as earnest money. The earnest money of the successful tenderer will be retained as security deposit for the due fulfilment of the contract. Such a deposit in cash will not carry any interest.

4. The tenders will be opened in the presence of such tenderers who wish to be present on 4th March 1940 at 3 P.M. The final acceptance of the tender will rest with the Executive Engineer, who does not bind himself to accept the lowest or any tender, or to assign any reason whatever for the rejection of any.

5. The name of the successful tenderer will be posted on the Notice Board in the Executive Engineer's Office in due course. Within eight days of the acceptance of the tender, the successful tenderer will be required to execute an agreement in the departmental Schedule Contract Form, for the due fulfilment of the contract, and for the execution of all items of work in accordance with the Bombay Specifications (1931).

6. Failure to comply with the condition 5 above or to agree to carry out the work in accordance with the specifications and agreements in force will entail forfeiture of the earnest money.

7. The earnest money of rejected tenders will be returned on submission of the receipt originally granted, along with an application to the Executive Engineer.

8. Copies of contract documents, schedules and drawings may be seen at any time at the Executive Engineer's Office, Bangalore, on all working days between 11 A.M. and 5 P.M. and may be obtained from that officer on payment of Rs. 3 for each.

9. Specific rates should be given for each item in the schedule accompanying the tender and the rates should be in rupees, annas and pies and expressed in words and figures. Tenders offering a percentage reduction on the estimate amount will be rejected.

10. Any rates or lumpsum amounts for the items not called for, if tendered by the tenderer, will not be taken notice of. The rates for such items may be entered in a separate schedule with date and reasons for the same.

11. No alterations which are made by the tenderers in the tender form in the nomenclature of the items of work will be recognised and if corrections are made, the tenders are liable to rejection.

12. There should be no alterations or erasures in the tenders in the rates of items and any corrections made in the rates should be attested to, and the number of corrections, if any, in each page noted at the foot of the same by the tenderer.

13. No reference should be made to the Public Works Department schedule of rates.

14. In the event of the tender being submitted by a firm, it must be signed separately and severally by each member thereof or in the event of absence of any partner, it must be signed on his behalf by a person holding power-of-attorney authorising him to do so.

15. When once the rates tendered have been accepted, they will not be revised under any circumstances. In regard to items of work not tendered, the rates for the same will be calculated by the Executive Engineer on the basis of current rates for materials and labour with a contractor's profit of 5 per cent as may be approved by the Superintending Engineer. This shall be final and legally binding on the tenderer.

16. The quantities given in the schedule are only approximate and the drawings shown to the contractor are only tentative and are liable to alterations, omissions, deductions or additions, at the discretion of the Executive Engineer or his representative. The tendered rates will hold good for any quantity, whether higher or lower than those given in the enclosed schedule.

17. The works should be completed and handed over in a tidy condition to the Public Works Department by the end of May 1940, failing which the Executive Engineer may, at his discretion, levy a penalty of Re. 1-2-0 per day, which will ordinarily be calculated at 12 per cent per annum on the total outlay as liquidated damages for non-fulfilment of contract, and will be recovered from the contractor's outstandings for the period exceeded by him beyond the time fixed and until the work is completed and handed over.

18. In all matters of disputes of any kind not specially provided for in the agreement or of rates, penalties, measurements, quality of work, etc., the decision of the Chief or the Superintending Engineer shall be final and legally binding.

19. No claim for damages for delays caused by officers of the department in the execution of the work will be considered, whatever may be the reasons for such delays. Contractors should bear this in mind when tendering for the work. Extension of time due to delays caused by the departmental officers will, however, be considered on the merits of each case.

20. The contract should not be sublet.

21. All materials, tools and plant and machinery that will be supplied by the Executive Engineer in the interest of the work shall be accepted by the tenderer at the rates fixed by the Executive Engineer. The tenderer will pay the hire on tools and plant and machinery as per rules from the date of taking over of such machinery, tools and plant from the Stores to the date of return thereto, the dates considered being the dates of acknowledgments of the vouchers in each transaction.

22. The contractor should arrange for the payment of royalty and tolls.

Note.—(*a*) The contractor should at his own cost—

(1) Provide rods, stakes, ropes and labour required in setting out the works.
(2) Provide all necessary scaffolding, centering, labour and appliances for hoisting.
(3) Provide mortar mills and sheds, to keep materials under cover and also for workmen.
(4) Arrange for protecting work during inclement weather.
(5) Supply requisite temporary lights, water cisterns, water pumps and hoses, sieves, parahs, shoring, strutting and other requisite protective appliances during the progress of the work.
(6) Supply all water required for work and workmen and shall provide temporary latrines and drains.
(7) Clean away all dirt, rubbish, superfluous materials and debris as they accumulate.
(8) Provide arrangements for pumping and baling of water from excavations and foundations wherever and whenever necessary with his own pumping apparatus including necessary leading drains, slump pits, etc.
(9) Afford facilities to any other parties employed upon the work by the P. W. D., so that their work may proceed during the progress of the contract, and give such persons the use of ordinary scaffolding and ladders.
(10) The contractor is responsible for all accidents to workmen, etc., on the work and he must take precaution against all risk of accidents and if necessary provide for the same by insurance at the proper time.

Note.—(*b*) It is the business of the contractor to make his own arrangements for quarries and supplies of materials.

Approximate quantities for restoring Bettahalli Urumundinkere, register No. 107, Magadi Taluk.

No.	Items of work	Unit	Rate	Quantity	Rate to be quoted

N. LAKSHMINARASIMHAIYA,
Executive Engineer.

BUILDINGS DIVISION.

Notification dated 13th February 1940.

Notice is hereby given that sealed tenders will be received at the office of the Executive Engineer, Buildings Division, up to 2nd March 1940, till 2 P.M. for constructing a New Research Laboratory in the Serum Institute Hebbal, Bangalore.

An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of July 1940.

2. The plans, detailed estimate and conditions may be seen at the Executive Engineer's Office at Bangalore, between the hours of 11 A.M. and 5 P.M.

3. Tenders should be submitted on printed forms which may be obtained from the Executive Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of Rs. 1,440 (rupees one thousand four hundred and forty only) in cash or Government Promissory Notes, as earnest money, and be superscribed "Tender for constructing a New Research Laboratory in the Serum Institute, Hebbal," in default of which tenders will be rejected.

5. The final acceptance of any tender will rest with the Superintending Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond; in default of which, his tender will be considered cancelled and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the Notice Board in the Executive Engineer's Office in due course. No enquiry regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

9. Rates once tendered will not be enhanced on any account.

10. Rates for non-tendered and non-estimated items shall be as per schedule rates of the department or those fixed by the Executive Engineer after working out data with not more than 10 per cent for contractor's profit.

11. In all matters not specifically provided for and in all matters of dispute about rates, quantities, measurements, quality of works, etc., and in all disputes of any kind, the decision of the Executive Engineer will be final and legally binding.

12. Tender must be given in words as well as in figures and they must be in specific term of unit shown against each item of work. Any tender quoted at so much percentage less or more than estimated rate will not be accepted.

Tender for constructing New Research Laboratory in the Serum Institute, Hebbal, Bangalore.

No.	Items of work	Unit	Rate	Quantity	Cost
			Rs. a. p.		Rs.
1	Earthwork excavation for foundation and removing the excavated earth to a distance of 50 yards after filling in basement with excavated earth duly watering, tamping and layers of 6″ thick on all sides	C.yd.	0 3 0	472	
2	Burnt stone jelly concrete (jelly of 1″ to 1¼″ thick cubes) in lime mortar with the proportion of 1 part of lime to 2½ parts of sand and 4 parts of jelly for foundations laid in layers 6″ thick with consolidation	C.ft.	0 3 6	3,275	
3	Burnt size stone in clay for foundation, courses should not be 8″ high with bond stones every 6′ apart ..	,,	0 3 0	6,719	
4	Burnt size stone in clay for foundation, courses should not be less than 8″ high with bond stones for every 6′ apart including quoin dressing	,,	0 3 3	2,381	
5	Burnt stone slabs 6″ thick roughly dressed to the portions getting inside of wall and 2 line dressing to exposed faces as basement slabs and steps, the slabs should be fixed in lime mortar 1 : 3 ..	S.ft.	0 5 0	1,389	
6	Cills and lintel slabs 6″ thick set in lime mortar 1 : 3 two lines dressing to exposed surfaces for doors, windows and ventilators	,,	0 5 0	1,053	

No.	Items of work	Unit	Rate	Quantity	Cost
			Rs. a. p.		Rs.
7	Burnt brick in mortar for superstructure inserting bond stones at every 6′ apart	C.ft.	0 4 0	6,797	
8	Burnt brick in composite mortar..	,,	0 6 0	922	
9	Wire cut bricks in cement mortar of 1 : 3 for partition walls of 4½″ thick	,,	0 10 0	204	
10	Wire cut brick in cement mortar for pillars and pilasters 9″×9″ with cement concrete slabs in three places including caps and bases	,,	0 12 0	249	
11	Cement concrete 1 : 2 : 4 over walls as sills of ventilators	,,	0 10 0	47	
12	R.C.C. slabs with 1½ per cent reinforcement for the lintels of ventilators	,,	1 0 0	105	
13	Burnt stone slabs pillars 6″ thick one line dressed 12″ width for the pergola at sides	S.ft.	0 6 0	57	
14	Rolled steel girders as per B.S S. including lifting and hoisting with boxing lintel girders with wire-cut brick in cement mortar including steeltex tied from above with two coats of corrosive paint and fixing the ends of girders on walls with cement concrete	C.ft.	15 0 0	204	
15	Partition wall with burnt brick in cement mortar 4½″ thick with reinforcement in every 3rd course, etc., complete	,,	0 6 0	1,640	
16	R.C.C. chajja 3½″ thick at the wall and 2½″ thick at the end with mouldings as per design in front and one foot anchorage into the wall to the windows and at roof level	S.ft.	0 10 0	3,256	
17	Dadooing the walls with white glazed tiles pointed with asphalt	Sqr.	90 0 0	15·55	
	(a) Do do green tiles pointed with asphalt	,,	90 0 0	2·80	
18	Plastering with chunam mortar with all corners rounded and convex corners plastered with cement 3″ both sides	,,	3 0 0	174·13	
19	Distemper washing 2 coats of required colour ..	,,	0 10 0	54·17	
20	Colourwashing, 2 coats	,,	0 5 0	76·02	
21	Whitewashing, 2 coats	,,	0 4 0	43·94	
22	Pointing the basement with cement and lining nicely	,,	2 8 0	14·80	
23	Roofing with reinforced cement 1 : 2 : 4 with 1½ per cent reinforcement, 6″ thick for spans upto 10 ft. to take a super load of 1 cwt. per sq.ft. with 1½″ thick emulsion concrete of ½″ broken stone covered with 2 courses of flat tiles and smooth plastering at top and with sufficient slope to drain off rain water and bottom ceiling plastered with finely ground lime mortar as per design	,,	70 0 0	56·05	
24	Roofing as in item No. 23 but with 7½″ to 10″ thick and with other specifications as above	Sqr.	80 0 0	11·22	
25	Flooring with cement concrete 1½″ thick 1 : 2 : 4 over a bed of 4″ thick lime concrete with topping of ½″ thick red cement plastering and cut design of tiles	,,	20 0 0	53·86	
26	Burnt stone slabs 3″ thick flooring over a bed of 3″ thick lime concrete and the top surface dressed two lines	,,	25 0 0	0·52	
27	Skirting of ¾″ thick cement concrete 1 : 2 : 4 with topping of coloured cement ¼″ thick 9″ high for walls as per design	R.ft.	0 2 0	870	
28	Bamboo poles to the pergola both lengthwise, crosswise including 2 coats of required painting ..	Sqr.	4 0 0	1·62	
29	Burnt stone slabs bench 3″ thick with brackets below benches to bear horizontal slabs with one line dressing on faces	S.ft.	0 5 0	102	
30	R.C.C. Tables 3″ thick with legs or brackets as the case may be partly glazed with white tiles and partly finished with polished surface with sinks provided in them as per design	S.ft.	1 0 0	504	

No.	Items of work	Unit	Rate	Quantity	Cost
		S.ft.	Rs. a. p.		Rs
31	R.C.C. square table sloped to centre with pipe connection to drain off blood with sink in it ..	,,	1 4 0	30	
32	R.C.C. Table (round) 3″ thick as per design ..	,,	1 0 0	10	
33	Teakwood doors with frames 3″×5″ without sills having $\frac{1}{3}$ panelled $\frac{2}{3}$ glazed (Pilkington's pin headed $\frac{1}{8}$″ thick) shutters $1\frac{3}{4}$″ thick including Acme brass fittings, *i.e.*, fringed plates 12″×4″ as per design, six inches brass hinges, two six inch hooks, brass screws, barrel bolts of suitable size, etc., including Mysore Lac polish for doors on inner walls and green paint for doors on exterior walls with ventilators at top	,,	1 8 0	819	
34	Teakwood windows 3″×5″ frame work with bottom panelled fixed and top $1\frac{1}{2}$″ thick glazed (Pilkington's pin headed $\frac{1}{8}$″ thick) shutters opening inside in four-halves including welded grill with $\frac{5}{8}$″ square bars at 4″ apart, brass hinges, brass hooks, 2 rings and cement adjusting stays, etc., complete including 2 coats of Mysore Lac green paint with fixed opened lowered panels to ventilators at top as per design	S.ft.	2 0 0	828	
35	Teakwood ventilators 3″×4″ frame with top half shutters fixed with ex. mesh and the bottom portion shutter to have a slope of 1 : 1 fixed with mirror of special type as per design in Museum Hall and Poultry room and of ordinary type in other portions	,,	1 12 0	256	
36	R.C.C. perforated ventilators as per design ..	,,	1 0 0	224	
37	Wrought iron railings to the door of poultry room including 2 coats of green paint	R.ft.	2 8 0	$13\frac{1}{2}$	
38	Teakwood frame 1″×$1\frac{1}{2}$″ thick with fly-proof wire gauge fixed to the frame including two coats of required paint	S.ft.	0 6 0	425
